IMPORTANT SHAREHOLDER INFORMATION

These materials are for the Annual Meeting of Shareholders scheduled for February 28, 2003 at 10:00 a.m. Eastern time. The enclosed materials discuss the proposal (the "Proposal") to be voted on at the meeting, and contain the Notice of Meeting, proxy statement and proxy card. A proxy card is, in essence, a ballot. When you vote your proxy, it tells us how you wish to vote on important issues relating to Templeton Emerging Markets Fund (the "Trust"). If you specify a vote for the Proposal, your proxy will be voted as you indicate. If you simply sign and date the proxy card, but do not specify a vote for the Proposal, your proxy will be voted FOR the Proposal.

We urge you to spend a few minutes reviewing the Proposal in the proxy statement. Then, please fill out the proxy card and return it to us so that we know how you would like to vote. When shareholders return their proxies promptly, the Trust may be able to save money by not having to conduct additional mailings.

We welcome your comments. If you have any questions, call Fund Information at 1-800/DIAL BEN(R) (1-800-342-5236).

* Templeton Emerging Markets Fund, Inc., a Maryland corporation, was reorganized as Templeton Emerging Markets Fund, a Delaware statutory trust, effective November 1, 2002.

TELEPHONE AND INTERNET VOTING

TEMPLETON EMERGING MARKETS FUND

PROXY STATEMENT

.. INFORMATION ABOUT THE TRUST

This is the first annual meeting of the shareholders of the Trust since shareholders approved the Agreement and Plan of Reorganization that provided for the reorganization (the "Reorganization") of the Trust from a Maryland corporation to a Delaware statutory trust. For ease of reference, Templeton Emerging Markets Fund, Inc., the Maryland corporation that preceded the Reorganization, is referred to in this proxy statement as "TEMF Maryland."

On November 1, 2002, the assets of TEMF Maryland were transferred to the Trust with the result that all the former holders of TEMF Maryland common stock are now holders of beneficial interest of the Trust. The details of the Reorganization are set forth in TEMF Maryland's proxy statement dated July 15, 2002.

For purposes of this proxy statement, unless specified otherwise, any reference to the Trust includes a reference to TEMF Maryland.

.. INFORMATION ABOUT VOTING

Who is eligible to vote?

Shareholders of record at the close of business on January 3, 2003 are entitled to be present and to vote at the Meeting or any adjourned Meeting. Each share of record is entitled to one vote (and a proportionate fractional vote for each fractional share) on each matter presented at the Meeting. The Notice of Meeting, the proxy card, and proxy statement were first mailed to shareholders of record on or about January 13, 2003.

On what issue am I being asked to vote?

You are being asked to vote on the election of three nominees to the position of Trustee.

How do the Trust's Trustees recommend that I vote?

The Trustees unanimously recommend that you vote FOR the election of the three nominees.

How do I ensure that my vote is accurately recorded?

You may attend the Meeting and vote in person or you may complete and return the enclosed proxy card. If you are eligible to vote by telephone or through the Internet, a control number and separate instructions are enclosed.

Edgar Filing: TEMPLETON EMERGING MARKETS FUND - Form DEF 14A

Proxy cards that are properly signed, dated and received at or prior to the Meeting will be voted as specified. If you specify a vote for the Proposal, your proxy will be voted as you indicate. If you simply sign, date and return the proxy card, but do not specify a vote for the Proposal, your shares will be voted IN FAVOR of the nominees for Trustee.

May I revoke my proxy?

You may revoke your proxy at any time before it is voted by forwarding a written revocation or a later-dated proxy to the Trust that is received at or prior to the Meeting, or by attending the Meeting and voting in person.

.. THE PROPOSAL: ELECTION OF TRUSTEES

How are nominees selected?

The Board of Trustees of the Trust (the "Board" or the "Trustees") has a Nominating and Compensation Committee (the "Committee") consisting of Andrew H. Hines, Jr. (Chairman), Frank J. Crothers, Edith E. Holiday and Gordon S. Macklin, none of whom is an "interested person" as defined by the Investment Company Act of 1940 (the "1940 Act"). Trustees who are not interested persons of the Trust are referred to as the "Independent Trustees" and Trustees who are interested persons of the Trust are referred to as the "Interested Trustees." The Committee is responsible for the selection and nomination of candidates to serve as Trustees of the Trust. The Committee will review shareholders' nominations to fill vacancies on the Board if these nominations are submitted in writing and addressed to the Committee at the Trust's offices. However, the Committee expects to be able to identify from its own resources an ample number of qualified candidates.

Who are the nominees and Trustees?

The Board is divided into three classes. Each class has a term of three years. Each year the term of office of one class expires. This year, the terms of three Trustees expire. Betty P. Kraemer, Gordon S. Macklin and Fred R. Millsaps have been nominated for three-year terms, set to expire at the 2006 Annual Meeting of Shareholders. These terms continue, however, until successors are duly elected and qualified. All of the nominees are currently members of the Board. In addition, all of the current nominees and Trustees are also directors or trustees of other Franklin(R) funds and/or Templeton(R) funds (collectively, the "Franklin Templeton funds").

Certain Trustees of the Trust hold director and/or officer positions with Franklin Resources, Inc. ("Resources") and its affiliates. Resources is a publicly owned holding company, the principal shareholders of which are Charles B. Johnson and Rupert H. Johnson, Jr., who own approximately 17.74% and 14.77%, respectively, of its outstanding shares. Resources, a global investment organization operating as Franklin Templeton Investments, is primarily engaged, through various

2

subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange, Inc. ("NYSE") listed holding company (NYSE: BEN). Charles B. Johnson, Chairman of the Board, Trustee and Vice President of the Trust, and Rupert H. Johnson, Jr., Vice President of the Trust, are brothers. There are no family relationships among any of the Trustees or nominees for Trustee.

Edgar Filing: TEMPLETON EMERGING MARKETS FUND - Form DEF 14A

Each nominee currently is available and has consented to serve if elected. If any of the nominees should become unavailable, the designated proxy holders will vote in their discretion for another person or persons who may be nominated as Trustees.

- * We base the number of portfolios on each separate series of the U.S. registered investment companies within the Franklin Templeton Investments fund complex. These portfolios have a common investment adviser or affiliated investment advisers, and also may share a common underwriter.
- ** Nicholas F. Brady, Harmon E. Burns and Charles B. Johnson are "interested persons" of the Trust as defined by the 1940 Act. The 1940 Act limits the percentage of interested persons that can comprise a fund's board of trustees. Mr. Johnson is considered an interested person of the Trust due to his position as an officer and director and major shareholder of Resources, which is the parent company of the Trust's Investment Manager, and his position with the Trust. Mr. Burns is considered an interested person of the Trust due to his position as an officer and director of Resources and his position with the Trust. Mr. Brady's status as an interested person results from his business affiliations with Resources and Templeton Global Advisors Limited. Mr. Brady and Resources are both limited partners of Darby Overseas Partners, L.P. ("Darby Overseas"). Mr. Brady is Chairman and shareholder of Darby Overseas Investments, Ltd., which is the corporate general partner of Darby Overseas. In addition, Darby Overseas and Templeton Global Advisors Limited are limited partners of Darby Emerging Markets Fund, L.P. ("DEMF"). Mr. Brady serves as Chairman of the corporate general partner of DEMF, and Darby Overseas and its general partner own 100% of the stock of the general partner of DEMF. Resources also is an investor in Darby Technology Ventures Group, LLC ("DTV") in which Darby Overseas is a significant investor and for which Darby Overseas has the right to appoint a majority of the directors. Templeton Global Advisors Limited also is a limited partner in Darby--BBVA Latin America Private Equity Fund, L.P. ("DBVA"), a private equity fund in which Darby Overseas is a significant investor, and the general partner of which Darby Overseas controls jointly with an unaffiliated third party. Mr. Brady is also a director of Templeton Capital Advisors Ltd. ("TCAL"), which serves as investment manager to certain unregistered funds. TCAL and Templeton Global Advisors Limited are both indirect subsidiaries of Resources. The nominees and remaining Trustees of the Trust are Independent Trustees.

How often do the Trustees meet and what are they paid?

The role of the Trustees is to provide general oversight of the Trust's business, and to ensure that the Trust is operated for the benefit of shareholders. The Trustees anticipate meeting at least five times during the current fiscal year to review the operations of the Trust and the Trust's investment performance. The Trustees also oversee the services furnished to the Trust by Templeton Asset Management Ltd. --Hong Kong Branch, the Trust's investment manager (the "Investment Manager"), and various other service providers. The Trust currently pays the Independent Trustees and Mr. Brady an annual retainer of \$2,000 and a fee of \$200 per Board meeting attended. Trustees serving on the Audit Committee of the Trust and other investment companies in Franklin Templeton Investments receive a flat fee of \$2,000 per Audit Committee meeting attended, a portion of which is allocated to the Trust. Members of a committee are not compensated for any committee meeting held on the day of a Board meeting.

During the fiscal year ended August 31, 2002, there were seven meetings of the Board, three meetings of the Audit Committee, and four meetings of the Nominating and Compensation Committee. Each Trustee then in office attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which the Trustee served.

Certain Trustees and officers of the Trust are shareholders of Resources and may receive indirect remuneration due to their participation in management fees and other fees received by the Investment Manager and its affiliates from the funds in Franklin Templeton Investments. The Investment Manager or its affiliates pay the salaries and expenses of the officers. No pension or retirement benefits are accrued as part of Trust expenses.

***We base the number of boards on the number of U.S. registered investment companies in the Franklin Templeton Investments fund complex. This number does not include the total number of series or funds within each investment company for which the Board members are responsible. Franklin Templeton Investments currently includes 52 registered investment companies, with approximately 155 U.S. based funds or series.

The table above indicates the total fees paid to Trustees by the Trust individually and by all of the funds in Franklin Templeton Investments. These Trustees also serve as directors or trustees of other funds in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Trustees and the Trust's management believe that having the same individuals serving on the boards of many of the funds in Franklin Templeton Investments enhances the ability of each fund to obtain, at a relatively modest cost to each separate fund, the services of high caliber, experienced and knowledgeable Independent Trustees who can more effectively oversee the management of the funds.

Board members historically have followed a policy of having substantial investments in one or more of the funds in Franklin Templeton Investments, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each board member invest one-third of the fees received for serving as a director or trustee of a Templeton fund in shares of one or more Templeton funds and one-third of the fees received for serving as a director or trustee of a Franklin fund in shares of one or more Franklin funds, until the value of such investments equals or exceeds five times the annual fees paid to such board member. Investments in the name of family members or entities controlled by a board member constitute fund holdings of such board member for purposes of this policy, and a three year phase-in period applies to such investment requirements for

newly elected board members. In implementing this policy, a board member's fund holdings existing on February 27, 1998, were valued as of such date with subsequent investments valued at cost.

.. AUDIT COMMITTEE

The Board has a standing Audit Committee consisting of Messrs. Millsaps (Chairman), Crothers, Hines and Tseretopoulos, all of whom are Independent Trustees and also are considered to be "independent" as that term is defined by the NYSE's listing standards. The Audit Committee reviews the maintenance of the Trust's records and the safekeeping arrangements of the Trust's custodian, reviews both the audit and non-audit work of the Trust's independent auditors, and submits a recommendation to the Board as to the selection of independent auditors.

Selection of Independent Auditors. Upon the recommendation of the Audit Committee, the Board selected the firm of PricewaterhouseCoopers LLP ("PwC") as independent auditors of the Trust for the current fiscal year. Representatives of PwC are not expected to be present at the Meeting, but will have the opportunity to make a statement if they wish, and will be available should any matter arise requiring their presence.

Audit Fees. The aggregate fees paid to PwC in connection with the annual audit of the Trust's financial statements for the fiscal year ended August 31, 2002 were \$18,759.

Financial Information Systems Design and Implementation Fees. PwC did not render any services with respect to financial information systems design and implementation during the fiscal year ended August 31, 2002 to the Trust or entities affiliated with the Trust that provide services to the Trust.

All Other Fees. The aggregate fees billed for all other non-audit services, including fees for tax-related services, rendered by PwC to the Trust or entities affiliated with the Trust that provide services

14

to the Trust for the fiscal year ended August 31, 2002 were \$271. The Audit Committee of the Trust has determined that provision of these non-audit services is compatible with maintaining the independence of PwC.

Audit Committee Report. The Board has adopted and approved a formal written charter for the Audit Committee, which sets forth the Audit Committee's responsibilities. A copy of the charter is attached as Exhibit A to this proxy statement.

As required by the charter, the Audit Committee reviewed the Trust's audited financial statements and met with management, as well as with PwC, the Trust's independent auditors, to discuss the financial statements.

The Audit Committee received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1. The Audit Committee also received the report of PwC regarding the results of their audit. In connection with their review of the financial statements and the auditors' report, the members of the Audit Committee discussed with a representative of

Edgar Filing: TEMPLETON EMERGING MARKETS FUND - Form DEF 14A

PwC, their independence, as well as the following: the auditors' responsibilities in accordance with generally accepted auditing standards; the auditors' responsibilities for information prepared by management that accompanies the Trust's audited financial statements and any procedures performed and the results; the initial selection of, and whether there were any changes in, significant accounting policies or their application; management's judgments and accounting estimates; whether there were any significant audit adjustments; whether there were any disagreements with management; whether there was any consultation with other accountants; whether there were any major issues discussed with management prior to the auditors' retention; whether the auditors encountered any difficulties in dealing with management in performing the audit; and the auditors' judgments about the quality of the Trust's accounting principles.

Based on its discussions with management and the Trust's auditors, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements. Accordingly, the Audit Committee recommended to the Board that the audited financial statements be included in the Trust's Annual Report to Shareholders for the fiscal year ended August 31, 2002 for filing with the U.S. Securities and Exchange Commission.

.. FURTHER INFORMATION ABOUT VOTING AND THE MEETING

Solicitation of Proxies. Your vote is being solicited by the Board of Trustees of the Trust. The cost of soliciting proxies, including the fees of a proxy soliciting agent, is borne by the Trust. The Trust reimburses brokerage firms and others for their expenses in forwarding proxy material to the beneficial owners and soliciting them to execute proxies. In addition, the Trust may retain a professional proxy solicitation firm to assist with any necessary solicitation of proxies. The Trust expects that the solicitation would be primarily by mail, but may also include telephone, telecopy or oral solicitations. If the Trust does not receive your proxy by a certain time you may receive a telephone call from a proxy soliciting agent asking you to vote. If professional proxy solicitors are retained, it is expected that soliciting fees would be approximately \$5,000, plus expenses. The Trust does not reimburse Trustees and officers of the Trust, or regular employees and agents of the Investment Manager involved in the solicitation of proxies. The Trust intends to pay all costs associated with the solicitation and the Meeting.

Voting by Broker-Dealers. The Trust expects that, before the Meeting, broker-dealer firms holding shares of the Trust in "street name" for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms' proxy solicitation materials, the Trust understands that NYSE Rules permit the broker-dealers to vote on the Proposal on behalf of their customers and beneficial owners. Certain broker-dealers may exercise discretion over shares held in their name for which no instructions are received by voting these shares in the same proportion as they vote shares for which they received instructions.

Quorum. A majority of the shares entitled to vote--present in person or represented by proxy--constitutes a quorum at the Meeting. The shares over

Edgar Filing: TEMPLETON EMERGING MARKETS FUND - Form DEF 14A

which broker-dealers have discretionary voting power, the shares that represent "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), and the shares whose proxies reflect an abstention on any item will all be counted as shares present and entitled to vote for purposes of determining whether the required quorum of shares exists.

Method of Tabulation. The Proposal to elect Trustees requires the affirmative vote of the holders of a plurality of the Trust's shares present and voting on the Proposal at the Meeting. Abstentions and broker non-votes will be treated as votes present at the Meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on the Proposal.

Simultaneous Meetings. The Meeting is to be held at the same time as the annual meetings of shareholders of Templeton Emerging Markets Income Fund, Inc. and Templeton Global Income Fund, Inc. If any shareholder at the Meeting objects to the holding of a simultaneous meeting and moves for

16

an adjournment of the Meeting to a time promptly after the simultaneous meeting, the persons designated as proxies will vote in favor of such adjournment.

Adjournment. The Chairman of the Board, the presiding officer of the Trust for the Meeting, and the holders of a majority of the shares present (in person or by proxy) and entitled to vote at the Meeting, each may adjourn the Meeting. Such authority to adjourn the Meeting may be used in the event that a quorum is not present at the Meeting or, in the event that a quorum is present but sufficient votes have not been received to approve the Proposal, or for any other reason consistent with Delaware law and the Trust's By-Laws, including to allow for the further solicitation of proxies. Unless otherwise instructed by a shareholder granting a proxy, the persons designated as proxies may use their discretionary authority to vote as instructed by management of the Trust on questions of adjournment.

Shareholder Proposals. The Trust anticipates that its next annual meeting will be held on or about February 27, 2004. A shareholder who wishes to submit a proposal for consideration for inclusion in the Trust's proxy statement for the 2004 Annual Meeting of Shareholders must send such written proposal to the Trust's offices, at 500 East Broward Boulevard, Suite 2100, Fort Lauderdale, Florida 33394-3091, Attention: Secretary, so that it is received no later than September 15, 2003 in order to be included in the Trust's proxy statement and proxy card relating to that meeting and presented at the meeting.

A shareholder of the Trust who has not submitted a written proposal for inclusion in the Trust's proxy statement by September 15, 2003, as described above, may nonetheless present a proposal at the Trust's 2004 Annual Meeting of Shareholders if such shareholder notifies the Trust at the Trust's offices, of such proposal not earlier than September 30, 2003 and not later than October 30, 2003. If a shareholder fails to give notice within these dates, then the matter shall not be eligible for consideration at the shareholders' meeting. If, notwithstanding the effect of the foregoing notice provisions, a shareholder proposal is acted upon at the 2004 Annual Meeting of Shareholders, the persons designated as proxy holders for proxies solicited by the Board of Trustees for the 2004 Annual Meeting of Shareholders may exercise discretionary voting power with respect to any shareholder proposal not received by the Trust at the Trust's offices by November 29, 2003. A shareholder proposal may be presented at the 2004 Annual Meeting of Shareholders only if such proposal

Edgar Filing: TEMPLETON EMERGING MARKETS FUND - Form DEF 14A

concerns a matter that may be properly brought before the meeting under applicable federal proxy rules and state law.

In addition to the requirements set forth above, a shareholder must comply with the following:

1. A shareholder intending to present a proposal must (i) be entitled to vote at the meeting; (ii) comply with the notice procedures set forth in this proxy statement; and (iii) have been a shareholder of record at the time the shareholder's notice was received by the Trust.
2. Each notice regarding nominations for the election of Trustees shall set forth (i) the name, age, business address and, if known, residence address of each nominee proposed in such

17

notice; (ii) the principal occupation or employment of each such nominee; (iii) the number of outstanding shares of the Trust which are beneficially owned by each such nominee; and (iv) all such other information regarding each such nominee that would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had each such nominee been nominated by the Trustees of the Trust. In addition, the shareholder making such nomination shall promptly provide any other information reasonably requested by the Trust.

3. Each notice regarding business proposals shall set forth as to each matter: (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting; (ii) the name and address, as they appear on the Trust's books, of the shareholder proposing such business; (iii) the number of outstanding shares of the Trust which are beneficially owned by the shareholder; (iv) any material interest of the shareholder in such business; and (v) all such other information regarding each such matter that would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had each such matter been proposed by the Trustees of the Trust.

Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the Trust's proxy statement or presented at the meeting.

By Order of the Board of Trustees,

Barbara J. Green
Secretary
