PROXY STATEMENT

\_\_\_\_\_  
GENERAL

The Board of Directors of The Topps Company, Inc. (the "Company") is furnishing this proxy statement (the "Proxy Statement") to all stockholders of record so that they will submit their proxies to be voted at the Annual Meeting of stockholders of the Company (the "Annual Meeting") and at any adjournment or postponement of the Annual Meeting. The Annual Meeting will be held at J.P. Morgan Chase & Co., 270 Park Avenue, New York, New York, on July 1, 2004 at 10:30 A.M., Eastern Standard time. A copy of the Company's Annual Report to Stockholders for the fiscal year ended February 28, 2004 is being mailed to all stockholders with this Proxy Statement. The annual report is also available on the internet at [www.topps.com](http://www.topps.com). The approximate mailing date of this Proxy Statement is May 27, 2004.

Proxy Information  
-----

Proxies in the form enclosed are being solicited by, or on behalf of, the Company's Board of Directors (the "Board of Directors" or the "Board"). The persons named in the accompanying form of proxy have been designated as proxies by the Board of Directors.

All proxies received as a result of this request will be voted (except as to matters where authority to vote is specifically withheld). Where the proxy asks that a stockholder choose for or against a proposal, the proxy will be voted in accordance with the stockholder's choice. If no choice is indicated on

## Edgar Filing: TOPPS CO INC - Form DEF 14A

the proposals, the Board of Directors will vote on behalf of the persons named in the proxy: (i) for the nominees for election as directors of the Company listed herein, and (ii) for the ratification of the appointment by the Board of Directors of Deloitte & Touche LLP as auditors for the Company for the fiscal year ending February 26, 2005. If any other matter should be presented at the Annual Meeting upon which a vote may properly be taken, the shares represented by the proxy will be voted at the discretion of the proxies.

Stockholders who submit proxies may revoke them at any time before they are voted by written notice to the Company by either submitting a new proxy or by personal ballot at the Annual Meeting.

### Record Date and Voting

As of May 14, 2004, the Company had outstanding 40,613,981 shares of common stock, par value \$.01 per share ("Common Stock"), entitled to be voted at the Annual Meeting. Each share is entitled to one vote on each matter submitted to a vote of stockholders. Only stockholders of record at the close of business on May 14, 2004 will be entitled to vote at the Annual Meeting. If your shares are registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, you are considered with respect to those shares the stockholder of record, and these proxy materials are being sent directly to you. As the stockholder of record, you have the right to submit your voting proxy directly to the Company using the enclosed proxy card or to vote in person at the Annual Meeting.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name". These proxy materials are being forwarded to you by your broker who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker to vote your shares, and your broker or nominee has enclosed a voting instruction card for you to use. You are also invited to attend the Annual Meeting; however, since you are not the stockholder of record, you may not vote these shares in person at the meeting.

Under Delaware law and the Company's bylaws, the presence of a quorum is required to transact business at the Annual Meeting. A quorum is defined as the presence, either in person or by proxy, of a majority of the shares entitled to vote. Proxies marked "abstain" will be included in determining a quorum. On routine matters, brokers who hold customer shares in "street name" but have not timely received voting instructions from their customers have discretion to vote such shares. Since all of the matters to be voted upon at the Annual Meeting are routine, the presence of such shares will be included in determining whether a quorum is present.

Under Delaware law and the Company's bylaws, proposals must be approved by the affirmative vote of a majority or, in the case of the election of directors, a plurality, of the shares present, either in person or by proxy, at the Annual Meeting and entitled to vote. Accordingly, abstentions will have the same effect as votes "against" a proposal, whereas instructions to withhold voting on the election of any nominee for director will have no effect on the outcome of the vote.

### BOARD OF DIRECTORS

#### Election of Directors

There are currently nine members of the Board of Directors, which is divided into three classes (each with three members), with each class serving for a period of three years. One class of directors is elected by the stockholders annually. This year, Messrs. Allan A. Feder, David M. Mauer and Jack H. Nusbaum have been nominated to stand for re-election for a term that expires at the annual meeting of stockholders to be held in the year 2007.

Should any one or more of these nominees become unable to serve for any reason or, for good cause, will not serve, which is not anticipated, the Board of Directors may designate substitute nominees, unless the Board of Directors by resolution provides for a lesser number of directors. In this event, the proxy holders will vote for the election of such substitute nominee or nominees.

The following table sets forth the name, age and principal business experience during the past five years of each director of the Company.

### Section 16(a) Beneficial Ownership Reporting Compliance

-----

## Edgar Filing: TOPPS CO INC - Form DEF 14A

The Company's executive officers, directors and ten percent stockholders are required under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to file reports of ownership and changes in ownership with the Commission. Based solely upon its review of the copies of reports furnished to the Company through the date hereof, or written representations that no reports were required to be filed, except as stated below, the Company believes that all filing requirements applicable to its executive officers, directors and ten percent stockholders were complied with during the fiscal year ended February 28, 2004.

Ronald L. Boyum, an executive officer of the Company, failed to timely report on Form 4 the exercise and sale of 9,899 options during the period January 14 to January 16, 2004. Mr. Boyum filed a Form 4 disclosing those transactions on January 21, 2004.

### Compensation of Directors

-----

For the fiscal year ended February 28, 2004, directors who were not also officers of the Company received directors' fees of \$20,000 per year in cash and \$20,000 in shares of the common stock of the Company which will vest one year from grant date.

In addition, members of the Audit and Compensation Committees received the following annual fees: the chairperson of the Audit Committee received \$6,000 while each member received \$3,000; the chairperson of the Compensation Committee received \$4,000 and each member received \$2,000.

Directors who are also officers of the Company are not compensated for their duties as a director.

### APPOINTMENT OF AUDITORS

The Board of Directors has retained Deloitte & Touche LLP as independent auditors to report on the consolidated financial statements of the Company for the fiscal year ending February 26, 2005 and to perform such other services as may be required of them. The Board of Directors has directed that management submit the appointment of auditors for ratification by the stockholders at the Annual Meeting. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate stockholder questions.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE TOPPS COMPANY, INC. AUDITORS.

### OTHER VOTING MATTERS

Management does not know of any matters other than the foregoing that will be presented for consideration at the Annual Meeting. However, if other matters properly come before the Annual Meeting, the proxy holders should vote upon them in accordance with their best judgment.

### BOARD COMMITTEES

## Edgar Filing: TOPPS CO INC - Form DEF 14A

### COMPENSATION COMMITTEE

The Company has a Compensation Committee responsible for recommending officers' remuneration and administering The Topps Company, Inc. 2001 Stock Incentive Plan (the "Stock Incentive Plan"), the 1996 Stock Option Plan and the 1987 Stock Option Plan. The members of the Compensation Committee for the fiscal year ended February 28, 2004 were Messrs. Richard Tarlow, Stanley Tulchin and Dr. Ann Kirschner (effective June 26, 2003), all of whom are independent under the applicable listing standards of the National Association of Securities Dealers, Inc. (the "NASD") and none of whom is an employee of the Company. The Compensation Committee held four meetings during the fiscal year ended February 28, 2004.

### REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee is responsible for setting the Company's compensation objectives and policies. It regularly approves compensation plans and sets specific compensation levels for all executive officers. In addition, the Compensation Committee administers the stock option plans and determines the degree and extent of awards granted thereunder.

#### Compensation Policy

-----

The Compensation Committee seeks to provide a total compensation package that is competitive and intended to retain and motivate the Company's executive officers. In structuring the compensation package for executive officers, the Committee seeks to provide financial incentives tied to the achievement of the Company's short-term and long-term business objectives and intended to enhance stockholder value.

#### Base Salary

-----

In setting base salary for the executive officers for fiscal 2004, the Compensation Committee considered the base salary levels of executives with similar responsibilities in companies of similar size, business and complexity. The Committee also considered each executive officer's experience in his position at the Company and his actual performance over the prior fiscal year. Based on the above criteria, the Compensation Committee made subjective determinations with respect to the compensation of all of the Company's executive officers other than Mr. Shorin (whose compensation was governed by an Employment Agreement).

#### Bonus Awards

-----

The Company's Bonus Plan for fiscal 2004 was structured to reward executive officers for performance on the achievement of certain strategic goals and earnings targets. Bonus achievement levels and performance targets for fiscal 2004 were set by the Compensation Committee at the beginning of the year after consideration of bonus levels for executives with similar responsibilities in companies of similar size, business and complexity and the Company's strategic and financial plan for fiscal 2004. Bonus payments for fiscal 2004 reflected the attainment of one-third of the maximum objectives for executive officers.

#### Stock Option Awards

-----

Edgar Filing: TOPPS CO INC - Form DEF 14A

Long-term incentive compensation opportunities are provided through grants of stock options under the 2001 Stock Incentive Plan. The Compensation Committee continues to believe that option awards are essential to the long term success of the Company because they provide financial incentives to those key employees directly responsible for the Company's success which are tied to increases in stockholder value and serve to align the interests of such key employees with those of the Company's stockholders. Because there have been no option grants since fiscal 2001 and in keeping with the Company's long-term incentive goal to provide key employees with a financial stake in the Company's future and align their interests with those of the Company's stockholders, the Compensation Committee granted options to certain key employees in fiscal 2004, including the executive officers named in the Summary Compensation Table herein. The individual award amounts were determined based on a subjective determination of the employee's position, seniority, prior option grants and ability to affect the Company's future success. All options granted have exercise prices which are equal to the fair market value of the Common Stock on the date of grant.

Chief Executive Officer  
-----

Effective June 1, 2003, the Compensation Committee agreed to extend the term of Mr. Shorin's Amended and Restated Employment Agreement (the "Employment Agreement") for an additional two years in order to secure Mr. Shorin's services through May 31, 2005. Mr. Shorin's base salary is set under the terms of his Employment Agreement and has remained unchanged since June 1, 2001. Mr. Shorin agreed to waive the automatic increase in his base salary to which he was entitled upon the extension of the terms of his Employment Agreement. Mr. Shorin's annual performance bonus for fiscal 2004 was determined entirely by reference to uniform, pre-established earnings and strategic targets that were developed for all senior executives at the beginning of the fiscal year. The bonus paid on the achievement of these targets reflected attainment of one-third of the maximum bonus potential. In addition, Mr. Shorin received an extension bonus of \$500,000 upon the extension of the term of his Employment Agreement as required under the Employment Agreement.

Section 162(m)  
-----

Section 162(m) of the Code generally disallows a tax deduction to public companies for annual compensation over \$1 million paid to each of the Company's Chief Executive Officer and four other most highly compensated executive officers, except to the extent such compensation qualifies as "performance-based." Only Mr. Shorin has received compensation in excess of the Section 162(m) limits and all other compensation has been fully deductible by the Company. While the Committee's policy has always been to pursue a strategy of maximizing deductibility of compensation for the Named Executive Officers (as defined below), it also believes it is important to maintain the flexibility to take actions it considers in the best interests of the Company and its stockholders, which are necessarily based on considerations in addition to Section 162(m). In light of the competitive market for highly qualified executives, the Company has exercised that flexibility with respect to Mr. Shorin.

AUDIT COMMITTEE

## Edgar Filing: TOPPS CO INC - Form DEF 14A

The Audit Committee is responsible for overseeing the Company's accounting functions and internal controls and for recommending to the Board of Directors, subject to stockholder ratification, the selection of the Company's independent auditors. The Audit Committee is composed of independent directors of the Company, as defined by the applicable listing standards of the NASD and the standards set forth by the Commission, and acts pursuant to a written charter adopted by the Board of Directors, a copy of which is attached as Appendix A to this Proxy Statement. The members of such committee for the fiscal year ended February 28, 2004 were Messrs. Allan A. Feder, Stephen D. Greenberg, Edward D. Miller and Stanley Tulchin. During the fiscal year ended February 28, 2004, there were eight meetings of the Audit Committee. At the present time, the Company does not have an "audit committee financial expert" as defined in the rules of the Commission serving on the Audit Committee. However, the Board believes that each of the current members of the Audit Committee is able to read and understand fundamental financial statements and is "financially sophisticated" pursuant to applicable NASD rules. Therefore, our Board of Directors has concluded that the appointment of an additional director to the Audit Committee is not necessary at this time. None of the members of the Audit Committee are employees of the Company.

### Pre-Approval Policies and Procedures

-----

Pursuant to its charter, the Audit Committee is responsible for reviewing and pre-approving all audit and non-audit services provided by Deloitte & Touche LLP and shall not engage Deloitte & Touche LLP to perform the specific non-audit services proscribed by law or regulation. The Committee may delegate pre-approval authority to the Chairman of the Audit Committee, in which case such approval must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee pre-approved all audit, audit-related, tax and other services provided by Deloitte & Touche LLP for the recently completed fiscal year.

### Auditors Service Fees

-----

The following is the breakdown of aggregate fees billed by the auditors to the Company for professional services in the last two fiscal years.

Description	2004	2003
-----	----	----
Audit Fees	\$409,000	\$319,800

### Report of The Audit Committee of The Board of Directors

-----

The Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements for the fiscal year ended February 28, 2004. In addition, the Audit Committee has discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended, by

## Edgar Filing: TOPPS CO INC - Form DEF 14A

the Auditing Standards Board of the American Institute of Certified Public Accountants.

The independent auditors provided to the Audit Committee the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended. The Audit Committee has reviewed and discussed with the independent auditors the firm's independence and has considered the compatibility of any non-audit services with the auditors' independence.

Based on its review of the audited financial statements and the various discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the fiscal year ended February 28, 2004.

### NOMINATING COMMITTEE

The Company does not currently have a nominating committee. The functions typical of a nominating committee, including the identification, recruitment and selection of nominees for election as a director of the Company, are performed by the Board as a whole. Seven of the nine members of the Board (Messrs. Allan A. Feder, Stephen D. Greenberg, Edward D. Miller, Jack H. Nusbaum, Richard Tarlow, Stanley Tulchin and Dr. Ann Kirschner) are "independent" as that term is defined under applicable NASD listing standards. The nominees for re-election as a director at this Annual Meeting were unanimously recommended by the Board. The Board believes that a nominating committee separate from the whole Board is not necessary at this time to ensure that candidates are appropriately evaluated and selected, given the size of the Company and its Board. The Board also believes that an additional committee of the Board would not add to the effectiveness of the evaluation and nomination process.

The Board's process for recruiting and selecting nominees is for Board members to identify individuals who are thought to have the business background and experience, industry-specific knowledge and general reputation and expertise that would allow them to contribute as an effective director to the Company's governance. To date, the Company has not engaged any third party to assist in identifying or evaluating potential nominees. After a possible candidate is identified, the individual meets with various members of the Board and is sounded out concerning his or her possible interest and willingness to serve, and Board members discuss amongst themselves the individual's potential to be an effective Board member. If the discussions and evaluation are positive, the individual is invited to serve on the Board.

To date, no stockholder has presented any candidate for Board membership to the Company for consideration, and the Company does not have a specific policy on stockholder-recommended director candidates. However, the Board believes its process for evaluation of nominees proposed by stockholders would be no different from the process of evaluating any other candidate. In evaluating candidates, the Board will require that candidates possess, at a minimum, an ability to contribute to the effectiveness of the Board, an understanding of the function of the Board of a public company and relevant industry knowledge and experience. In addition, while not required of any one candidate, the Board would consider favorably experience, education, training or other expertise in business or financial matters and prior experience serving on boards of public

Edgar Filing: TOPPS CO INC - Form DEF 14A

companies.

Collectively, the composition of the Board must meet the applicable NASD listing requirements. In evaluating any candidate for director nominee, the Board will also evaluate the contribution of the proposed nominee toward compliance with the applicable NASD listing standards.

- 
- (1) These are hypothetical benefits based upon the Retirement Plan's normal retirement benefit formula. The maximum annual benefit permitted under Section 415 of the Internal Revenue Code of 1986, as amended (the "Code"), is generally limited to \$165,000 at present and will be adjusted to reflect cost-of-living increases in 2005 and succeeding plan years.
  
  - (2) The benefits shown corresponding to these compensation ranges are hypothetical benefits based upon the Retirement Plan's normal retirement benefit formula. Under Section 401(a)(17) of the Code, compensation in excess of \$205,000 (as adjusted to reflect cost-of-living increases) is disregarded for purposes of determining highest average compensation of participants in the Retirement Plan for 2004. Benefits accrued as of the last day of the plan year beginning in 1993 on the basis of compensation in excess of the applicable dollar limit are preserved. The \$205,000 limit will be adjusted for cost-of-living increases in 2005 and succeeding plan years.
  
  - (3) This table includes supplemental pension benefits payable to Mr. Shorin in excess of the limitations on compensation and benefits under the Code and other applicable laws, pursuant to an amended and restated supplemental pension agreement entered into as of June 1, 2001 (the "Supplemental Pension Agreement"). These benefits are computed in accordance with the same formula provided under the Retirement Plan without regard to the aforementioned limitations. However, compensation attributable to stock appreciation rights and stock options is not taken into account in determining highest average compensation for purposes of the Supplemental Pension Agreement.

The normal retirement benefit under the Retirement Plan is payable in the form of a "straight life" annuity and is equal to the greater of (i) 1.667% of a participant's highest average W-2 compensation multiplied by the participant's

## Edgar Filing: TOPPS CO INC - Form DEF 14A

years of credited service not in excess of 30 years, plus .25% of the participant's highest average compensation multiplied by the participant's years of credited service in excess of 30 years, reduced by 50% of the participant's estimated primary Social Security benefit determined on the basis of the participant's earnings from the Company, or (ii) \$204 multiplied by the participant's years of credited service not in excess of 20 years, plus \$144 multiplied by the participant's credited service in excess of 20 years (but not to exceed 10 additional years). The "highest average compensation" for purposes of determining the normal retirement benefit is equal to one-fifth of the total compensation that is paid to a participant by the Company for the 60 consecutive-month period in which the participant's compensation was greatest during the 120-month period prior to the participant's retirement or termination of employment. Subject to the \$205,000 compensation limit in the case of an executive officer other than Mr. Shorin, such compensation includes all compensation reflected in the Summary Compensation Table to the extent included in gross income for the applicable base years.

As of February 28, 2004, the persons named in the Summary Compensation Table were credited with the following years of service: Mr. Shorin - 46, Mr. Silverstein - 12, Mr. Boyum - 15, Mr. Perillo - 27, Mr. Friedman - 16.

### EMPLOYMENT AGREEMENT

Effective June 1, 2003, the Compensation Committee agreed to extend the term of Arthur T. Shorin's Amended and Restated Employment Agreement for an additional two years in order to secure Mr. Shorin's services through May 31, 2005. As a result, the Company entered into an amended and restated employment agreement (the "Employment Agreement") with Mr. Shorin to reflect the term extension, and Mr. Shorin was paid an extension bonus of \$500,000. The Employment Agreement provides for an annual base salary of \$985,000 subject to increase at the discretion of the Compensation Committee. Mr. Shorin's Employment agreement provides for an annual target bonus opportunity which is not less favorable than that provided for other executive officers of the Company.

If Mr. Shorin is terminated without "Cause" or resigns for "Good Reason" (as defined in the Employment Agreement), he will receive a full or prorated bonus for the year of termination (based on the time within the fiscal year that the termination occurs) and a lump sum severance payment will be made as liquidated damages equal to three times Mr. Shorin's base salary plus his highest annual bonus paid for the three fiscal years ended prior to the date of termination, and he will continue to participate in all of the Company's benefit plans for a period of three years following such termination. In addition, all of his unvested stock options vest and remain exercisable in accordance with their terms.

The Employment Agreement also requires that, in the event any payments made upon his termination of employment are treated as "parachute payments" subject to excise taxes under federal tax law, the Company will make an additional payment to the applicable tax authorities on behalf of Mr. Shorin so that his after-tax position is the same as if the payments were not subject to an excise tax.

Mr. Shorin's Employment Agreement also requires the Company to make annual contributions, to an irrevocable Company trust account, of assets equal to the present value of the supplemental pension benefits which accrue during each fiscal year for Mr. Shorin under his Supplemental Pension Agreement. In the event of his termination without Cause or resignation for Good Reason, the Employment Agreement counts severance compensation paid to Mr. Shorin in determining highest average compensation and credits Mr. Shorin with three

## Edgar Filing: TOPPS CO INC - Form DEF 14A

additional years of service for pension purposes.

At the end of the two-year term, Mr. Shorin may request a two-year extension on equivalent terms with a minimum base salary adjustment for increases in the cost of living since June 1, 2003 and a \$500,000 extension bonus. If the Company determines not to extend the term, Mr. Shorin's employment will terminate on May 31, 2005, and he will be entitled to the severance compensation outlined above for a termination without cause for two years instead of three. If Mr. Shorin elects to retire at the end of the two-year term rather than seek an extension of the term, Mr. Shorin will be entitled to the severance compensation outlined above for one year instead of three. In addition, the Employment Agreement provides that if the term of the Employment Agreement is not extended by the Company or if Mr. Shorin retires at the end of the term, the Company will offer Mr. Shorin a three-year post-employment consulting agreement providing for a \$350,000 annual consulting fee in return for Mr. Shorin's continued part-time services.

The mailing envelope must contain a clear notation indicating the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder and clearly state whether the intended recipients include all members of the Board or just certain specified individual directors. The Corporate Secretary will forward such communications to the Board of Directors or the specified individual directors to whom the communication is directed unless such communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Corporate Secretary has the authority to discard the communication or to take appropriate legal action regarding such communication.

This includes payments to any firm of which a Committee member is an executive officer, partner, member, principal or designee (but does not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such compensation is not contingent in any way on continued service)).
