EXPLANATORY NOTE

Registration of Additional Securities

This registration statement relates solely to the registration of additional securities of the same class as other securities for which a registration statement on Form S-8 relating to an employee benefit plan is effective. This registration statement is being filed to register an additional 750,000 shares of the registrant's common stock, par value \$1.00 per share (the "Common Stock"), for issuance under the Raven Industries, Inc. 2010 Amended and Restated Stock Incentive Plan, as amended (the "Plan"). The increase in the number of shares authorized for issuance under the Plan was approved by the registrant's Board of Directors on March 14, 2015 and subsequently approved by the registrant's shareholders at the 2015 Annual Meeting of Shareholders held on May 21, 2015 (the "March 2015 Share Increase"). On June 3, 2010, the registrant filed with the Securities and Exchange Commission (the "Commission") a registration statement on Form S-8 (Reg. No. 333-167290) registering 500,000 shares of Common Stock issuable pursuant to the Plan, and on June 11, 2012, the registrant filed with the Commission a registration statement on Form S-8 (Reg. No. 333-182051) registering an additional 500,000 shares of Common Stock issuable pursuant to the Plan (collectively, the "Prior Registration Statements"). Pursuant to General Instruction E to Form S-8, the contents of the Prior Registration Statements, including any amendments thereto or filings incorporated therein, are incorporated herein by reference. Any items in the Prior Registration Statements not expressly changed hereby shall be as set forth in the Prior Registration Statements.

Prior to the March 2015 Share Increase, the Company effected a 2-for-1 stock split on July 25, 2012 (the "Stock Split"). Before the Stock Split occurred, there were 1,000,000 shares authorized for issuance under the Plan and all shares were registered pursuant to the Prior Registration Statements. Accordingly, to reflect the Stock Split, the Plan was automatically increased to a total of 2,000,000 shares being authorized for issuance under the Plan, and the additional shares resulting from the Stock Split were automatically included in the Prior Registration Statements pursuant to Rule 416(c) under the Securities Act of 1933. Thus, this Registration Statement is being filed solely to register the additional 750,000 shares from the March 2015 Share Increase, which increases the total number of shares authorized for issuance under the Plan to 2,750,000 shares.

Such documents are not being filed with the Commission either as part of this registration statement or as prospectuses or prospectus supplements pursuant to Rule 424 promulgated under the Securities Act.
