Item 8.01 Other Events.

CHS Inc. (the “Company”) previously announced an agreement with ConAgra Foods, Inc. (“ConAgra”) and Cargill, Incorporated (“Cargill”), to form a joint venture to be known as Ardent Mills. Ardent Mills will combine the North American flour milling operations and related businesses operated through the ConAgra Mills division of ConAgra, on the one hand, and the Horizon Milling joint venture of CHS and Cargill, on the other hand.

CHS is revising the timeline to complete the Ardent Mills transaction and now expects the transaction to close in the second quarter of calendar 2014. The timeline was revised due to various reasons, including the ongoing regulatory review process. CHS, ConAgra and Cargill are prepared to divest four flour milling facilities: Horizon Milling’s Los Angeles, California, mill; and ConAgra Mills’ Oakland, California, Saginaw, Texas, and New Prague, Minnesota, mills. CHS expects these facilities would be divested prior to, or simultaneous with, the closing of the Ardent Mills transaction. Completion of the transaction remains subject to reaching agreement with the U.S. Department of Justice, financing and other certain customary closing conditions. ConAgra Mills and Horizon Milling will continue to operate their respective mills until the potential sales are completed and Ardent Mills is formed.
