Item 1.01 Entry into a Material Definitive Agreement

On March 13, 2008, a First Amendment (the "Amendment") to the Amended and Restated Credit Agreement (the "Credit Agreement") among Edison International, JPMorgan Chase Bank, N.A., as Administrative Agent, Citicorp North America, Inc., as Syndication Agent, and Credit Suisse First Boston, Lehman Commercial Paper Inc., and Wells Fargo Bank, N.A., as Documentation Agents, and the lenders thereto, became effective.

The Credit Agreement continues to provide for a \$1.5 billion revolving credit facility at interest rates which are specified in the Credit Agreement and remain unchanged. The Amendment extends the current termination date under the Credit Agreement for one year, from February 23, 2012 to February 25, 2013. In addition, Edison International is permitted thereunder a total of five extension options (four remaining after the extension implemented by the Amendment), with an outside termination date of February 23, 2017. The Amendment further revises the time periods for notices relating to requests to extend the termination date.

The Amendment also establishes a \$200,000,000 swingline sub-facility with JPMorgan Chase Bank, N.A. acting as the initial swingline lender.

Finally, the Amendment provides Edison International with additional Eurodollar interest period options, and a shortened notice period for requesting Eurodollar loans.

Many of the investment banking firms that are a party to the Credit Agreement or their affiliates have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending and/or commercial banking services for Edison International and certain of its subsidiaries and affiliates, for which service they have in the past received, and may in the future receive, customary compensation and reimbursement of expenses.

The foregoing description is qualified in its entirety by reference to the full text of the Amendment, filed as Exhibit 10.1 hereto and incorporated by reference herein.
