#### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law of the State of Delaware empowers a Delaware corporation to indemnify present and former directors, officers, employees and agents of the Company.

The Company's Certificate of Incorporation provides that, to the fullest extent permitted by the Delaware General Corporation Law, a director of the Company shall not be liable to the Company or its shareholders for monetary damages for breach of the director's fiduciary duty as a director. Delaware law provides that this provision in the Company's Certificate of Incorporation shall not limit the liability of a director (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or knowing violation of law, (iii) for unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

The Company's Bylaws provide that the Company, to the maximum extent permitted by the Delaware General Corporation Law, shall indemnify any person against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlements actually and reasonably incurred in connection with any threatened, pending or completed action, suit or proceeding in which such person is or was a party or is threatened to be made a party by reason of the fact that such person is or was a director or officer of the Company, or is or was serving at the request of the Board of Directors of the Company as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, or was a director or officer of a corporation which was a predecessor corporation of the Company or of another enterprise at the request of such predecessor

corporation. The Company is required to indemnify a director or officer in connection with an action, suit or proceeding (or part thereof) initiated by such director or officer only if the initiation of such action, suit or proceeding (or part thereof) by the director or officer was authorized by the Board of Directors of the Company.

The Company's Bylaws further provide that the Company shall pay the expenses (including attorney's fees) incurred by a director or officer of the Company entitled to indemnification in defending any such action, suit or proceeding in advance of its final disposition provided such director or officer undertakes to repay all amounts advanced if it should ultimately be determined that the director or officer is not entitled to such indemnification.

The Company's Bylaws provide that the foregoing indemnification rights shall not be deemed exclusive of any other rights to which the indemnified party may be entitled.

The Company has entered into Indemnification Agreements with its outside directors. These Indemnification Agreements require the Company to indemnify each outside director if he or she is or was a party or other participant in any suit or proceeding individually or in the right of the Company or any subsidiary of the Company, by reason of (a) the fact that such outside director is or was a director of the Company or any subsidiary, (b) any action or inaction on the part of such outside director while a director of the Company or any subsidiary, and/or (c) the fact that such outside director is or was serving at the request of the Company as a director, officer, employee or agent of another corporation or other enterprise. The indemnification extends to all expenses, liabilities, judgments, fines and amounts paid in settlement actually and reasonably incurred by the outside director in connection with such action, suit or proceeding if the outside director acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. The Indemnification Agreements require that, to the extent that the outside director has been successful on the merits or otherwise in defense of any such action, suit or proceeding, the Company indemnify such outside director against expenses actually and reasonably incurred by him or her in connection therewith. The Company must further advance, within 30 days of a written request, all expenses incurred by the outside director in connection with the investigation, defense, settlement or appeal of any such action or proceeding; provided, however, that the outside director must repay such amounts advanced if it is ultimately determined that he or she is not entitled to be indemnified by the Company. Under the Indemnification Agreements, the outside directors are permitted to petition the court to seek recovery of amounts due under the Indemnification Agreements and to recover the expenses of seeking such recovery if he or she is successful.

The Indemnification Agreements also provide that the Company will indemnify the outside directors to the fullest extent permitted by law. Absent the Indemnification Agreements, indemnification that might be made available to outside directors could be changed by amendments to the Company's Certificate of Incorporation or Bylaws. Benefits under the Indemnification Agreements are not available, however, to indemnify an outside director (a) with respect to proceedings or claims initiated by the outside director that are not by way of defense (unless authorized by the Board of Directors), (b) with respect to liability for transactions from which the outside director derived an improper personal benefit, (c) if the outside director is determined to have committed acts of active and deliberate dishonesty, (d) for expenses or liabilities that have been paid to the outside director under an insurance policy maintained by the Company or otherwise by any other means, or (e) for an accounting of profits realized from the purchase and sale of securities within the meaning of Section 16(b) of the Exchange Act.

In addition to the foregoing, the Company's Bylaws provide that the Company shall have the power, to the maximum extent permitted by the Delaware General Corporation Law, to indemnify any person (other than directors and officers) who is or was an employee or agent of the Company, who is or was serving at the request of the Company as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or who was an employee or agent of a corporation which was a predecessor corporation of the Company or of another enterprise at the request of such predecessor corporation, against expenses (including attorneys' fees), judgments, fines, amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending or completed action, suit, or proceeding, in which such person was or is a party or is threatened to be made a party by reason of the fact that such person is or was an employee or agent of the Company.

The Company maintains directors' and officers' liability insurance covering the directors and officers of the Company against claims arising out of the performance of their duties as such.

ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

provided, however, that: Paragraphs (1)(i) and (1)(ii) above do not apply if the Registration Statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
