ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On July 28, 2005, the Company announced its earnings for the Fiscal Year

## Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

2005 Third Quarter ended June 30, 2005. A copy of the press release summarizing these earnings is filed with this Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

Additional information with respect to the Company's consolidated statements of operations for the three months and nine months ended June 30, 2005 and 2004, an analysis of revenues and contract drilling costs for the three months and nine months ended June 30, 2005 and consolidated balance sheets at June 30, 2005 and September 30, 2004 are attached hereto as Exhibits 99.2, 99.3 and 99.4, respectively, which are being furnished; however, should not be deemed to be filed under Section 18 of the Exchange Act.

### ITEM 7.01 REGULATION FD DISCLOSURE

The ATWOOD FALCON is currently working under a two-firm well program for Japan Energy Development Co., Ltd., which is expected to take until September/October 2005 to complete. Upon completion of this contract, the rig will be moved back to Malaysia to drill thirteen (13) firm wells for Sarawak Shell, after Shell exercised its option to drill six (6) additional wells. The drilling of the thirteen (13) firm wells is expected to extend into the second half of fiscal year 2007.

Additional information with respect to the Company's Contract Status Summary at July 28, 2005 is attached hereto as Exhibit 99.5. Such information is being furnished under Regulation FD and should not be deemed to be filed under Section 18 of the Exchange Act.

Statements contained in this report with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors including; the Company's dependence on the oil and gas industry; the risks involved the construction of a rig; competition; operating risks; risks involved in foreign operations; risks associated with possible disruption in operations due to terrorism; risks associated with a possible disruption in operations due to a war with Iraq; and governmental regulations and environmental matters. A list of additional risk factors can be found in the Company's annual report on Form 10-K for the year ended September 30, 2004, filed with the Securities and Exchange Commission.
