## Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
  - \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- The reported transaction involves the amendment on December 21, 2010 of a restricted stock unit ("RSU") award granted on December 15, 2009, resulting in the deemed cancellation of such award and a grant of a replacement performance-based RSU award, which amended award was not reportable on Form 4. The performance terms of the replacement award provide that (i) 50% of the shares will vest on a graded basis upon achievement of certain levels of cumulative stock price performance against the performance of a defined peer group of other offshore drilling contractors and (ii) 50% of the shares will vest upon achievement of safety performance as measured by cumulative total recorded incident rate measured against the comparable metric reported by the International Association of Drilling Contractors.
- (2) Represents the vesting with respect to the safety performance criteria of the replacement award described above.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
