Item 1.01. Entry into a Material Definitive Agreement.

On August 11, 2005, we entered into a 1-year loan and security agreement with Cathay Bank, a U.S. bank, for a \$35.0 million revolving line of credit. The line of credit will be used for working capital but there are no restrictions in the agreement as to how the funds may be used. The interest rate for the line of credit is 1% below the prime rate reported from time to time by the Wall Street Journal, Western Edition. The line of credit is collateralized by substantially all of the assets of Silicon Storage Technology, Inc. "SST" other than intellectual property. The agreement contains certain financial covenants that could reduce the availability of funds under the agreement. The agreement is attached as Exhibit 10.17 and is incorporated herein by reference.
