Safeguard Scientifics, Inc. (the "Company") previously disclosed that, effective April 24, 2013, the Company promoted Jeffrey B. McGroarty to serve as the Senior Vice President and Chief Financial Officer of the Company. On January 6, 2014, the Company entered into an employment agreement (the "Agreement") with Mr. McGroarty, in connection with this promotion. The Agreement replaces an employment letter dated November 10, 2005 between Mr. McGroarty and the Company. The Agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by this reference.

The material terms of the Agreement with Mr. McGroarty are as follows. Commencing January 1, 2014, Mr. McGroarty's annual base salary will increase to \$275,000 from \$250,000, which base salary is subject to annual review and upward adjustment in accordance with the Company's normal policies. Also commencing in 2014, Mr. McGroarty's annual management incentive program (MIP) target payout will increase to \$206,250 (75% of base salary) from \$187,500. Overall MIP goals are determined annually at the beginning of each year by the Compensation Committee of the Board and Mr. McGroarty's individual payout amount will be determined annually based on some annually determined combination of his performance against individual objectives and the overall performance of the Company against established corporate objectives.

In the event that Mr. McGroarty's employment with the Company is terminated by the Company without "cause" or by Mr. McGroarty for "good reason" within eighteen (18) months following a "change of control" of the Company, or if Mr. McGroarty is terminated for any reason other than for cause, resignation without good reason or as a result of death or disability, then the Company will provide Mr. McGroarty with the following benefits:

• A payment equal to the pro rata portion of the current year's MIP payout based on actual achievement as of the end of the most recently completed calendar quarter;

• A lump sum payment equal to 1.5 times his annual salary;

• Reimbursement by the Company of the cost of up to twelve (12) months' continued coverage under Safeguard's medical and health plans and life insurance plans (less any co-payment payable by Mr. McGroarty under the terms of the Company's medical insurance);

• Reimbursement by the Company of up to \$20,000 for the cost of documented outplacement services or office space for a period of two years after termination of employment;

• In a separation other than following a change of control, time-based vesting options will fully vest and remain exercisable for 36 months and vested performance-based options will remain exercisable for 12 months; and

• In a change of control separation, time-based vesting options will fully vest and remain exercisable for 36 months, all performance-based options that have not otherwise vested will vest and remain exercisable for 24 months, and all restricted stock awards and deferred stock units, if any, will fully vest.

The severance benefits described above are conditioned upon Mr. McGroarty's delivery of a customary release to the Company.

Mr. McGroarty is also eligible to participate in the Company's executive level benefit programs offered from time to time, including health, dental, vision, disability, and 401(k) plan. Pursuant to the Agreement, Mr. McGroarty also is entitled to Company-paid life insurance providing coverage of \$750,000, and to vacation at an annual rate of four weeks per year.
