Helix Energy Solutions Group, Inc. (the "Company") will host an Analyst Day on South Padre Island on April 9, 2012 and a tour of its Q4000 well intervention vessel on April 10, 2012. The press release announcing these events is attached hereto as Exhibit 99.1 and the presentation materials to be delivered at the Analyst Day are attached hereto as Exhibit 99.2. Each of the exhibits is incorporated by reference herein. The presentation materials have also been posted in the Presentations section under Investor Relations of Helix's website, www.HelixESG.com.

This Form 8-K contains forward-looking statements that involve risks, uncertainties and assumptions that could cause our results to differ materially from those expressed or implied by such forward-looking statements. All statements, other than statements of historical fact, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, including, without limitation, statements regarding the well intervention market and the characteristics and effectiveness of certain proposed vessels. The forward-looking statements are subject to a number of known and unknown risks, uncertainties and other factors including but not limited to the performance of contracts by suppliers, customers and partners; actions by governmental and regulatory authorities; operating hazards and delays; employee management issues; uncertainties inherent in the exploration for and development of oil and gas and in estimating reserves; complexities of global political and economic developments; geologic risks; volatility of oil and gas prices and other risks described from time to time in our reports filed with the Securities and Exchange Commission ("SEC"), including the Company's most recently filed Annual Report on Form 10-K and in the Company's other filings with the SEC, which are available free of charge on the SEC's website at www.sec.gov. We assume no obligation and do not intend to update these forward-looking statements except as required by the securities laws.
