PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD FEBRUARY 22, 2006

The Board of Directors of The InterGroup Corporation ("InterGroup" or the "Company") is soliciting proxies in the form enclosed with this statement in connection with its fiscal 2005 Annual Meeting of Shareholders to be held on February 22, 2006 or at any adjournments thereof. Only shareholders of record at the close of business on January 10, 2006 are entitled to notice of, and to vote at, the Annual Meeting.

Each shareholder is entitled to cast, in person or by proxy, one vote for each share held of record at the close of business on January 10, 2006. As of January 10, 2006 there were outstanding 2,397,241 shares of common stock, par value \$.01 per share (the "Common Stock"), the only outstanding voting security of the Company. Of the total 2,397,241 shares outstanding, a majority, or 1,198,621 voting shares will constitute a quorum for the transaction of business at the meeting. The affirmative vote of the holders of the majority of the shares of the Common Stock present and represented at the meeting and entitled to vote is required to elect directors and ratify the selection of the Company's independent auditors.

The proxies named in the accompanying Form of Proxy will vote the shares represented thereby if the proxy appears to be valid on its face, and where specification is indicated as provided in such proxy, the shares represented will be voted in accordance with such specification. If no specification is made, the shares represented by the proxies will be voted (1) to elect one Board nominee for Class C Director for a three-year term expiring at the fiscal 2008 Annual Meeting of Shareholders; and (2) for the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2006.

If you give us a proxy, you can revoke it at any time before it is used. To revoke it, you may file a written notice revoking it with the Secretary of the Company, execute a proxy with a later date or attend the meeting and vote in person.

This Proxy Statement and the accompanying Form of Proxy are first being sent to shareholders on or about January 27, 2006. In addition to mailing this material to shareholders, the Company has asked banks and brokers to forward copies to persons for whom they hold stock of the Company and to request authority for the execution of proxies. The Company will reimburse banks and brokers for their reasonable out-of-pocket expenses in doing so. Officers of the Company may, without being additionally compensated, solicit proxies by mail, telephone, telegram or personal contact. All proxy soliciting expenses will be paid by the Company. The Company does not expect to employ anyone else to assist in the solicitation of proxies.

PROPOSAL I
Election of Class C Director

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not more than nine nor less than five members. The exact number of Directors is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered classes, each class having not less than one nor more than three members. Each Director is elected

Edgar Filing: INTERGROUP CORP - Form DEF 14A

to serve for a three-year term, and until the election and qualification of his or her successor. When vacancies on the Board occur, due to resignation or otherwise, the Directors then in office may continue to exercise the powers of the Directors and a majority of such directors may select a new Director to fill the vacancy. Any Director may resign at any time. Any Director may be removed by the vote of, or written consent of, the holders of a majority of the shares of Common Stock outstanding at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the Directors that such Director be removed.

The term of the Class C Directors expires at the fiscal 2005 Annual Meeting to be held on February 22, 2006. Director Mildred Bond Roxborough has notified the Company's Board of Directors of her desire to retire from the Board at the expiration of her term and will not stand for reelection for another three year term. The Board of Directors has decided to reduce the total number of directors of the Company to five, by providing for only one Class C Director. The Board has proposed John C. Love as the Class C Director to serve until the fiscal 2008 Annual Meeting and until the election and qualification of his successors. The Board of Directors has been informed that the nominee has consented to being named as a nominee and is willing to serve as a Director if elected. However, if any nominee should be unable, or declines to serve, it is intended that the proxies will be voted for such other person as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying Proxy, the person's name therein will vote FOR the election of this nominee. Election requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

BOARD AND COMMITTEE INFORMATION

Board of Directors:

Effective with the retirement and the expiration of the term of Director Roxborough on February 22, 2006, the Board of Directors of InterGroup will be reduced from six to five members. With the exception of Mr. Winfield, all of the Directors meet the standards for "independence" set forth in the applicable rules of the Securities and Exchange Commission ("SEC") and The Nasdaq Stock Market, Inc. ("Nasdaq"). The Board of Directors held five meetings during the 2005 Fiscal Year (in person, telephonically or by written consent). No Director attended (whether in person, telephonically, or by written consent) less than 75% of all meetings held during the period of time he or she served

Edgar Filing: INTERGROUP CORP - Form DEF 14A

as Director during the 2005 Fiscal Year, other than Director Roxborough.

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors and the Board has not deemed it necessary to establish such a procedure at this time. Historically, almost all communications that the Company receives from security holders are ministerial in nature and are not directed to the Board of Directors. If the Company should receive a security holder communication directed to the Board of Directors, or to an individual director, said communication will be relayed to the Board of Directors or the individual director as the case may be.

The Company does not have any formal policy with regard to board members attendance at annual meetings of shareholders but encourages each director to attend said meetings. Four out of the Company's six directors attended the fiscal 2004 annual meeting of shareholders.

Committees:

The Company has an Executive Committee that meets in lieu of the Board upon the request of the Chairman of the Committee. Mr. Winfield is Chairman of the Executive Committee. The Committee held two meetings (in person, telephonically or by written consent) during the 2005 Fiscal Year.

4

The Company's Administrative and Compensation Committee is comprised of "independent" members of the Board of Directors as independence is defined by the applicable rules of the SEC and Nasdaq. The Committee reviews and recommends executive salaries and any stock based compensation plans. Mr. Nance is Chairman of the Administrative and Compensation Committee. This Committee held two meetings (in person, telephonically or by written consent) during the 2005 Fiscal Year. This Committee also oversees the Company's two Stock Option Plans.

The Company has a Real Estate Investment Committee, which is chaired by Mr. Nance. This committee held six meetings (in person, telephonically or by written consent) during the 2005 Fiscal Year. The Real Estate Investment Committee reviews and considers potential acquisitions and dispositions of property.

The Company's Nominating Committee is comprised of two "independent" directors as independence is defined by the applicable rules of the SEC and Nasdaq. The Company has not established a charter for the Nominating Committee and the Committee has no policy with regard to consideration of any director candidates recommended by security holders. As a small business issuer whose directors own in excess of fifty percent of the voting shares of the Company, InterGroup has not deemed it appropriate to institute such a policy. Mr. Nance is the Chairman of the Nominating Committee. The Committee held one meeting during the 2005 Fiscal Year.

The Company's Securities Investment Committee oversees and establishes certain investment procedures and reports to the Board of Directors. The Committee's Chairman is Mr. Winfield. This committee held six meetings (in person, telephonically or by written consent) during the 2005 Fiscal Year.

The Company's Special Strategic Options Committee is chaired by Mr. Winfield. This committee held no formal meetings during the 2005 Fiscal Year, but its members consult with each other frequently on an informal basis. The Special Strategic Options Committee reviews and considers the Company's strategic

Edgar Filing: INTERGROUP CORP - Form DEF 14A

options and provides guidance to accomplish its goals considering both current and prospective investment opportunities.

The Company is a small business issuer under SEC rules. The Company's Audit Committee is currently comprised of three members: Directors Nance (Chairperson), Grunwald and Love, each of who meet the independence requirements of the SEC and Nasdaq as modified or supplemented from time to time. Directors Nance and Love also meet the Audit Committee Financial Expert requirement as defined by the SEC and Nasdaq. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the financial reporting process, the annual independent audit of the Company's financial statements, reviewing the financial reports provided by the Company to any governmental body or the public; the Company's system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's auditing, accounting and financial processes generally. The Audit Committee is also responsible for the selection and retention of the Company's independent auditors. The Audit Committee held six meetings during the 2005 Fiscal Year.

The Company's Board of Directors has adopted a written charter for the Audit Committee, which is reviewed on an annual basis. A copy of that written charter, as amended, is attached as Appendix A to this proxy statement.

The auto allowance was \$15,001, \$14,926 and \$33,607 during fiscal years 2005, 2004 and 2003, respectively. The amount of compensation related to the assistant was approximately \$37,500, \$37,500 and \$30,000 during fiscal years 2005, 2004 and 2003, respectively. On July 18, 2003, the disinterested members of the respective Boards of Directors of the Company's subsidiary, Santa Fe and Santa Fe's subsidiary, Portsmouth, established a performance based compensation program for the Company's CEO, John V. Winfield, to keep and retain his services as a direct

Edgar Filing: INTERGROUP CORP - Form DEF 14A

and active manager of the securities portfolios of those companies. On January 12, 2004, the disinterested members of the Securities Investment Committee of InterGroup also established a performance based compensation program for Mr. Winfield, which was ratified by the Board of Directors. The Company's previous experience and results with outside money managers was not acceptable. Pursuant to the criteria established the Board of Directors, Mr. Winfield is entitled to performance compensation for his management of the securities portfolios of the Company and its subsidiaries equal to 20% of all net investment gains generated in excess of an annual return equal to the Prime Rate of Interest (as published by the Wall Street Journal) plus 2%. Compensation amounts are earned, calculated and paid quarterly based on the results of the Company's investment portfolio for that quarter. Should the companies have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until any such investment losses are recouped by the Company. This performance based compensation program may be modified or terminated at the discretion of the respective Boards of Directors.

Internal Revenue Code Limitations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), provides that, in the case of a publicly held corporation, the corporation is not generally allowed to deduct remuneration paid to its chief executive officer and certain other highly compensated officers to the extent that such remuneration exceeds \$1,000,000 for the taxable year. Certain remuneration, however, is not subject to disallowance, including compensation paid on a commission basis and, if certain requirements prescribed by the Code are satisfied, other performance based compensation. Since InterGroup, Santa Fe and Portsmouth are each public companies, the \$1,000,000 limitation applies separately to the compensation paid by each entity. For fiscal 2005 and 2003 no compensation paid by the Company to its CEO or other executive officers was subject the deduction disallowance prescribed by Section 162(m) of the Code. For fiscal 2004, approximately \$798,700 could be subject to disallowance.

OPTIONS/SAR GRANTS IN LAST FISCAL YEAR

The Company did not have any individual grants of stock options or Stock Appreciation Rights ("SARs") during the fiscal year ended June 30, 2005 to any named executive officer.

1998 Stock Option Plan for Non-Employee Directors

On December 8, 1998, the Board of Directors of the Company adopted, subject to stockholder approval and ratification, a 1998 Stock Option Plan for Non-employee Directors (the "Plan"). The stockholders ratified that Plan on January 27, 1999.

The stock to be offered under the Plan shall be shares of the Company's Common Stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, the aggregate number of shares to be delivered upon exercise of all options granted under the Plan shall not exceed 150,000 shares (adjusted for March 31, 2003 stock split). The Plan shall terminate on the earliest to occur of (i) the dates when all of the Common Stock available under the Plan shall have been acquired through the exercise of options granted under the Plan; (ii) 10 years after the date of adoption of the Plan by the Board; or (iii) such other date that the Board may determine.

Pursuant to the Plan, each non-employee director as of the adoption date of the Plan shall be granted on the date thereof: (i) if he or she became a non-employee director prior to January 1, 1998, an option to purchase 8,000 shares of Common Stock; and (ii) if he or she became a non-employee director on or after January 1, 1998, an option to purchase 4,000 shares of Common Stock. Each new non-employee director who is elected to the Board shall automatically be granted an option to purchase 4,000 shares of Common Stock upon the initial date of election to the Board. On each July 1 following the adoption date, each non-employee director shall be granted an option to purchase 3,000 shares of Common Stock (adjusted for stock split) provided he or she holds such position on that date and the number of Common Shares available for grant under the Plan is sufficient to permit such automatic grant.

The exercise price of the option shall be determined at the time of grant and shall not be less than 100% of the fair market value of the Common Stock at the time of the grant of the option. The term of the option shall be for ten years. Options granted to any non-employee director will not vest 100% until such person has been a member of the Board for four (4) years or more. Non-employee directors who have been a member of Board less than four (4) years, shall be vested with respect to 20% of the options on the date of grant and 20% on each anniversary of such person having become a member of the Board, provided that the optionee is on each such date serving as a member of the Board or as an employee or consultant to the Company.

Pursuant to the Plan, the following non-employee directors of the Company were granted options during fiscal 2005 to purchase 3,000 shares each of the Common Stock of the Company: Josef A. Grunwald; William J. Nance; Mildred Bond Roxborough; Gary N. Jacobs; and John C. Love. The exercise price for the options is \$11.75 per share, which was the closing price (adjusted for stock

split) of the Company's Common Stock on the Nasdaq National Market System as of the date of grant on July 1, 2004. On July 1, 2005, each of the non-employee directors received a grant of 2,400 options at an exercise price of \$18.00 per share, which was the closing price of the Company's common Stock as of the date of grant. That grant was limited to 2,400 shares since all of the options authorized to be issued under the Plan had been issued.

1998 Stock Option Plan for Selected Key Officers, Employees and Consultants

On December 8, 1998, the Board of Directors of the Company adopted, subject to shareholder approval and ratification, a 1998 Stock Option Plan for selected key officers, employees and consultants (the "Key Employee Plan"). The Key Employee Plan was ratified by the stockholders on January 27, 1999.

The stock to be offered under the Key Employee Plan shall be shares of the Company's Common Stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, the aggregate number of shares to be delivered upon exercise of all options granted under the Key Employee Plan shall not exceed 300,000 shares (adjusted for stock split). The Key Employee Plan shall terminate on the earliest to occur of (i) the dates when all of the Common Stock available under the Key Employee Plan shall have been acquired through the exercise of options granted under the Key Employee Plan; (ii) 10 years after the date of adoption of the Key Employee Plan by the Board; or (iii) such other date that the Board may determine.

The Key Employee Plan is administered by the Administrative and Compensation Committee appointed by the Board of Directors, which consists of two or more disinterested persons within the meaning of Rule 16b-3 promulgated pursuant to the Securities Exchange Act of 1934 (the "Exchange Act"). Persons eligible to receive options under the Key Employee Plan shall be employees who are selected by the Committee. In determining the Employees to whom options shall be granted and the number of shares to be covered by each option, the Committee shall take into account the duties of the respective employee, their present and potential contribution to the success of the Company, their anticipated number of years of active service remaining and other factors as it deems relevant in connection with accomplishing the purposes of the Key Employee Plan. An employee who has been granted an option may be granted an additional option or options as the Committee shall so determine.

The exercise price of the option shall be determined at the time of grant and shall not be less than 100% of the fair market value of the Common Stock at the time of the grant of the option. The term of the option shall not exceed 10 years from the date on which the option is granted. The vesting schedule for the options and the method or time when the option may be exercised in whole or in part shall be determined by the Committee. However, in no event shall an option be exercisable within six months of the date of grant in the case of an optionee subject to Section 16(b) of the Exchange Act. Subject to certain exceptions, the option shall terminate six months after the optionee's employment with the Company terminates. No options to purchase shares were granted pursuant to the Key Employee Plan during fiscal 2005.

receive \$9,000 per annum. Directors also are eligible to receive \$500 for each committee meeting attended and \$600 for each committee meeting chaired. Members of the Audit Committee receive a fee of \$500 per quarter. Directors who are also Executive Officers do not receive any fee for attending Board or Committee meetings. As an Executive Officer, the Company's Chairman has also elected to forego his annual board fee. The Directors are also eligible for grants of options to purchase shares of the Company's Common Stock pursuant to the 1998 Stock Option Plan for Non-Employee Directors. As discussed above, all of the options authorized to be issued under that Plan were exhausted effective with the July 1, 2005 option grant. It is expected that the Board of Directors will review the form and amounts of compensation that the Company pays to its directors so that it can continue to attract and retain qualified directors.

Except for the foregoing, there are no other arrangements for compensation of Directors and there are no employment contracts between the Company and its Directors or any change in control arrangements.

As Chairman of the Securities Investment Committee, the Company's President and Chief Executive officer, John V. Winfield, oversees the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of Santa Fe and Portsmouth and oversees the investment activity of those companies. Depending on certain market conditions and various risk factors, the Chief Executive Officer, his family, Santa Fe and Portsmouth may, at times, invest in the same companies in which the Company invests. The Company encourages such investments because it places personal resources of the Chief Executive Officer and his family members, and the resources of Santa Fe and Portsmouth, at risk in connection with investment decisions made on behalf of the Company. Under the direction of the Securities Investment Committee, the Company has instituted certain modifications to its procedures to reduce the potential for conflicts of interest.

The Company, its subsidiary Santa Fe and Santa Fe's subsidiary, Portsmouth, have established performance based compensation programs for Mr. Winfield's management of the securities portfolios of those companies. For the fiscal years ended June 30, 2005 and 2004, Mr. Winfield received, in the aggregate, performance based compensation in the amounts of \$320,000 and \$2,077,000, respectively. For fiscal 2004, \$211,000 was paid by Santa Fe and \$407,000 was paid by Portsmouth. The performance based compensation was approved by the disinterested members of the respective Boards of Directors of the Company and its subsidiaries.

Gary N. Jacobs, a Director of the Company, is Of Counsel to the law firm of Christensen, Miller, Fink, Jacobs, Glaser, Weil & Shapiro, LLP ("Christensen Miller"). Through May 31, 2000 he was a senior partner of said firm, which provided legal services to the Company during the fiscal years ended June 30, 2005 and June 30, 2004. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention and shall have full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose. The Board and the Committee are in place to represent the Company's shareholders, and the Company's independent registered public accounting firm is ultimately accountable to the Board and the Committee as such representatives of shareholders. It is the responsibility of the Committee to maintain free and open means of communication between the Board, the independent registered public accounting firm and the financial management and internal auditors of the Company.

The Committee shall review the adequacy of this Charter on an annual basis.

Membership:

Edgar Filing: INTERGROUP CORP - Form DEF 14A

The Committee shall be comprised of at least three (3) "independent" directors that meet the composition requirements as defined by the rules of the Securities and Exchange Commission ("SEC") and The Nasdaq Stock Market ("Nasdaq") as may be modified and supplemented from time to time. Accordingly, all of the members of the Committee will be directors:

1. Who have no relationship to the Company that may interfere with the exercise of their independence from management and the Company;
2. Are not affiliates of the Company;
3. Do not receive any compensation from the Company other than in the capacity as director; and
4. Who are financially literate or who become financially literate within a reasonable period of time after appointment to the Committee.

In addition, at least one member of the Committee will qualify as an audit committee financial expert as defined by the Securities and Exchange Commission.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. A majority of the members of the Committee shall constitute a quorum for the transaction of business. Minutes of each meeting of the Committee should be recorded by the Secretary to the Committee. Approval by a majority of the members present at a meeting at which a quorum is present shall constitute approval by the Committee. The Committee may also act by

unanimous written consent without a meeting. As part of its job to foster open communication, the Committee should meet at least annually with management and the Company's independent registered public accounting firm in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chairman should meet with the Company's independent registered public accounting firm and management quarterly to review the Company's financials consistent with #2 below. The Committee may request any officer or employee of the Company or the Company's outside counsel or the Company's independent registered public accounting firm to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Key Responsibilities:

The Committee's job is one of oversight, and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the Company's independent registered public accounting firm is responsible for auditing those financial statements pursuant to professional standards. Additionally, the Committee recognizes that financial management has more time, knowledge and detailed information about the Company than do Committee members.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

The Committee shall review and consider with the Company's independent registered public accounting firm the all matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61, as amended by SAS No.90, by auditors with audit committees.

3. Review disclosures made to the Committee by the Company's CEO and CFO during their certification process for the Form 10-KSB and Form 10-QSB about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the Company's independent registered public accounting firm for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

Reporting Responsibilities:

The Committee shall prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement.
