Item 5. Interests of Named Experts and Counsel.

Keith J. Ebling, Esq., Executive Vice President, General Counsel and Secretary of the Company, whose opinion is contained in Exhibit 5.1, owned, as of December 12, 2008, 54,668 shares of Common Stock, 1,403 restricted shares of Common Stock, options to purchase 88,038 shares of Common Stock, and stock appreciation rights entitling Mr. Ebling to receive compensation based on the appreciation of 13,382 shares of the Common Stock.

Item 6. Indemnification of Directors and Officers.

Section 145(a) of the Delaware General Corporation Law provides that a corporation may indemnify any director, officer, employee or agent of the corporation in any action, other than an action by or in the right of the corporation, if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action, had no reasonable cause to believe his conduct was unlawful. Section 145(b) provides that the corporation may indemnify any such person in an action by or in the right of the corporation if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, except that such person may not be indemnified in respect of any matter in which he has been judged liable to the corporation, unless authorized by the court. Section 145(c) provides that the corporation shall

indemnify any such person against expenses actually and reasonably incurred in defense of any action if he has been successful in the defense of such action and if such action is one for which the corporation may indemnify such person under Section 145(a) or (b).

The Company's Amended and Restated Certificate of Incorporation provides that the Company shall indemnify, to the fullest extent permitted by applicable Delaware law, each person who is or was a director or officer of the Company and the heirs, executors and administrators of such a person. The Amended and Restated Certificate of Incorporation also eliminates the personal liability of directors to the Company or its shareholders for monetary damages for breach of fiduciary duty as a director, except (i) for breaches of the duty of loyalty to the Company or its shareholders, (ii) for acts or omissions not in good faith or involving intentional misconduct or knowing violation of law, (iii) for the payment of unlawful dividends or unlawful stock repurchases or redemption, or (iv) for transactions in which the director received an improper personal benefit.

The Company's By-Laws provide that the Company shall indemnify and, in the Company's discretion, may obtain insurance for the benefit of its officers and directors, to the fullest extent permitted by applicable Delaware law. This includes indemnification against all expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the indemnitee or on his or her behalf, but only if the indemnitee acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal action, suit or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The Company's By-Laws also provide for the advance payment of expenses, subject to certain conditions and exceptions.

Item 8. Exhibits.

Reference is made to the Exhibit Index.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes;

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in the registration statement; provided, however, that the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) under the Exchange Act, that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
