Item 2.05 Costs Associated with Exit or Disposal Activities.

On October 27, 2004, the Board of Directors of the Company approved a plan to sell the Company's composites building products business (the "composites business") which is part of the Company's Composite and Fiber-based Products segment. Further, as described in Item 2.06 below, the Company is also evaluating whether any impairment charge related to the composites business is required in the quarter ending January 1, 2005, as a result of the decision to discontinue the composites business for accounting purposes.

Item 2.06 Material Impairments.

In connection with the decision to discontinue the operations of the composites business, as described under Item 2.05 above, the Company may incur an impairment charge in the fourth quarter of 2004.
