Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

The Company's Certificate of Incorporation and By-laws, each as amended, provide for elimination of the liability of Directors to the Registrant to the fullest extent permitted by

Section 102(7)(b) of the Delaware General Corporation Law, as the same may be amended and supplemented.

Edgar Filing: ULTRALIFE BATTERIES INC - Form S-8

The Registrant's Certificate of Incorporation, as amended, provides, in accordance with the Delaware General Corporation Law, that Directors are not liable to the Registrant or its stockholders for monetary damages for breaches of fiduciary duty as a Director, except for liability (i) for any breach of the Director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for dividend payments or stock repurchases in violation of the Delaware General Corporation Law, or (iv) for any transaction from which the Director derived any improper personal benefit.

The Certificate of Incorporation and the By-laws of the Registrant include provisions by which the Registrant will indemnify all persons whom it shall have the power to indemnify under Section 145 of the Delaware General Corporation Law from and against any and all of the expenses, liabilities, or other matters referred to in or covered by said section. The indemnification provided for in Section 145 shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any Bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such person.

The general effect of these provisions will be to eliminate the rights of the Registrant and its stockholders (through stockholders' derivative suits on behalf of the Registrant) to recover monetary damages in the event of a breach of fiduciary duty as a director (including breach of duty in the case of negligence or grossly negligent behavior) except in the situations as described above. These provisions will not affect the availability of injunctive relief against directors of the Registrant (although such relief may not always be available as a practical matter) nor will it limit directors' liability for violations of the federal securities laws.

Item 7. Exemption from Registration Claimed

Not Applicable.

(a) The undersigned Registrant hereby undertakes (subject to the proviso contained in Item 512(a) of Regulation S-K):

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, controlling persons of the Registrant pursuant to the provisions described under Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the

Edgar Filing: ULTRALIFE BATTERIES INC - Form S-8

payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
