- limited to \$2,500,000 the maximum cash payout of performance units granted to any person in any fiscal year;

- limited the term of awards granted after May 2, 2007 to ten years (five years in case of incentive stock options);

-

eliminated automatic accelerated vesting upon a change in control of Kohl's for awards granted after May 2, 2007;

-

imposed a requirement for shareholder approval of any repricing, replacement or repurchase of any stock options or stock appreciation rights a time when the market price of our stock is lower than the applicable exercise price of such stock options or stock appreciation rights;

-

provided technical adjustments to allow compliance with new and proposed rules under Section 409A of the Internal Revenue Code discussed below under the caption Section 409A and with Internal Revenue Code Section 162(m); and

-

made other minor administrative changes.

The amended Plan, which was filed as Annex A to the Company's definitive proxy statement filed with the Securities and Exchange Commission on Schedule 14A on March 27, 2007, and the description of the Plan and the amendments included in such proxy statement under Item Three Our Proposal To Amend Our 2003 Long-Term Compensation Plan, are incorporated herein by reference.

On May 2, 2007, shareholders of the Company also approved the Company's Executive Bonus Plan (the Bonus Plan). Key features of the Bonus Plan include the following:

•

The Bonus Plan is intended to operate substantially in the same manner as the Company's existing executive bonus plan, except that payments under the Bonus Plan are intended to qualify under Section 162(m) of the Internal Revenue Code, excludable from the \$1 million limitation on deductible compensation for certain named executive officers.

•

The Bonus Plan is administered by the compensation committee, which is comprised solely of independent directors.

•

Bonus amounts are tied to any one or more of the following six performance goals, as determined by the compensation committee: net income per share, operating income, return on investment, net sales or comparable store sales. The compensation committee selects which performance goals will apply in any fiscal year.

•

Bonus amounts are based on a percentage of the participant's salary, as determined by the compensation committee, if and to the extent that the relevant performance goals are achieved.

•

The maximum bonus any person can earn in any year under the Bonus Plan is \$5 million.

The Bonus Plan, which was filed as Annex B to the Company's definitive proxy statement filed with the Securities and Exchange Commission on Schedule 14A on March 27, 2007, and the description of the Bonus Plan included in such proxy statement under Item Four Our Proposal To Approve Our Executive Bonus Plan, are incorporated herein by reference.
