ITEM 1 - ELECTION OF DIRECTORS

The directors of the Company are elected at the annual meeting of stockholders in May to serve until the next annual meeting and until their successors are elected and qualified. The Company's Bylaws authorize the Board to set the number of positions on the Board within a range of three and nine; the Board has presently established the number of positions at six. Vacancies on the Board, including vacancies resulting from an increase in the number of positions, may be filled by the Board for a term ending with the next annual meeting of stockholders.

All of the nominees for election as directors are members of the present Board. A nominee will be elected if the nominee receives a plurality of the votes cast by the shares entitled to vote in the election, provided that a quorum is present at the meeting. A duly executed proxy will be voted FOR the election of the nominees named below, unless authority to vote for a director is withheld or a proxy of a broker or other nominee is expressly not voted on this item. If for some unforeseen reason a nominee should become unavailable for election, the number of directors constituting the Board may be reduced prior to the annual meeting or the proxy may be voted for the election of such substitute nominee as may be designated by the Board.

The Company does not have a policy regarding directors' attendance at the Company's annual meeting of stockholders. All Board members, except for Ms. Sherertz, attended last year's annual meeting.

The Board has determined that Messrs. Beaudry, Carley, Hicks, and Meeker are independent directors as defined in Rule 4200(a)(15) of the listing standards applicable to companies quoted on The Nasdaq Stock Market.

Audit and Compliance Committee

The Audit and Compliance Committee (the "Audit Committee") reviews and pre-approves audit and legally-permitted non-audit services provided by the Company's independent auditors, makes decisions concerning the engagement or discharge of the independent auditors, and reviews with management and the independent auditors the results of their audit, the adequacy of internal accounting controls, and the quality of financial reporting. The Audit Committee also develops and oversees the Company's corporate governance principles and the Company's Code of Business Conduct and Code of Ethics for Senior Financial Officers. The Audit Committee held eight meetings in 2003.

The current members of the Audit Committee are Messrs. Carley (chair), Beaudry, Hicks, and Meeker. The Board has determined that Thomas J. Carley is qualified to be an "audit committee financial expert" as defined by the SEC under the Exchange Act. The Board has also determined that each member of the Audit Committee, including Mr. Carley, meets the financial literacy and independence requirements for audit committee membership specified in applicable rules of the Securities and Exchange Commission ("SEC") under the Securities Exchange Act of 1934 (the "Exchange Act") and in listing standards applicable to companies quoted on The Nasdaq Stock Market. The Audit Committee's activities are governed by a written charter, which was amended and restated by the Board as of March 19, 2004. A copy of the amended and restated charter is attached hereto as Appendix A and is available on the Company's website at www.barrettbusiness.com.

Nominating Committee

Edgar Filing: BARRETT BUSINESS SERVICES INC - Form DEF 14A

The Nominating Committee, which was formed in March 2004, evaluates and recommends candidates for nomination by the Board in director elections and otherwise assists the Board in determining and evaluating the composition of the Board and its committees. The Nominating Committee also assists in identifying candidates for appointment as officers of the Corporation. The current members of the Nominating Committee are Messrs. Beaudry, Carley, Hicks (chair), and Meeker. The Board has determined that each current member of the Nominating Committee is an independent director as defined in Rule 4200(a)(15) of the listing standards applicable to companies quoted on The Nasdaq Stock Market. The Nominating Committee is governed by a written charter, which is available on the Company's website at www.barrettbusiness.com.

The Nominating Committee does not have any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the Nominating Committee will consider:

- o The candidate's ability to commit sufficient time to the position;
- o Professional and educational background that is relevant to the financial, regulatory, and business environment in which the Company operates;
- o Demonstration of ethical behavior;
- o Whether the candidate contributes to the goal of bringing diverse perspectives, business experience, and expertise to the Company's Board; and
- o The need to satisfy independence and financial expertise requirements relating to Board composition.

The Nominating Committee relies on its periodic evaluations of the Board in determining whether to recommend nomination of current directors for re-election. In the event the Nominating Committee is required to identify new director candidates, because of a vacancy or a decision to expand the Board, the Nominating Committee will poll current directors for suggested candidates. The Nominating Committee has not hired a third-party search firm to date, but has the authority to do so if it deems such action to be appropriate.

Once potential candidates are identified, the Nominating Committee will conduct interviews with the candidates and perform such investigations into the candidates' background as the Nominating Committee determines appropriate.

The Nominating Committee will consider director candidates suggested by stockholders for nomination by the Board. Stockholders wishing to suggest a candidate to the Nominating Committee should do so by sending the candidate's name, biographical information, and qualifications to: Nominating Committee Chair c/o Michael D. Mulholland, Secretary, Barrett Business Services, Inc., 4724 S.W. Macadam Avenue, Portland, Oregon 97239. Candidates suggested by stockholders will be evaluated by the same criteria and process as candidates from other sources.

Stock Option Data for Executive Officers

The following table provides information as to options to purchase Common Stock granted under the Company's 2003 Stock Incentive Plan to the named executive officers during 2003.

Option Grants in Last Fiscal Year Individual Grants					
Name	Number of Securities Underlying Options Granted(1) (#)	% of Total Options Granted to Employees in Fiscal Year	Exercise Price (\$/Share)	Expiration Date	Grant Date Present Value(\$)(2)
William W. Sherertz	50,000 13,024(3)	30.2% 7.9	\$ 3.02 14.80	6/03/2013 11/28/2013	\$ 82,500 104,583
Michael D. Mulholland	15,000	9.1	3.02	6/03/2013	24,750
Gregory R. Vaughn	15,000	9.1	3.02	6/03/2013	24,750

- (1) Options generally become exercisable cumulatively in four equal annual installments beginning one year after the date of grant; provided that the option will become exercisable in full upon the officer's death, disability or retirement, or in the event of a change in control of the Company. A change in control is defined in the option agreements to include (i) any occurrence which would be required to be reported as such by the proxy disclosure rules of the SEC, (ii) the acquisition by a person or group (other than the Company or one of its employee benefit plans) of

Edgar Filing: BARRETT BUSINESS SERVICES INC - Form DEF 14A

30% or more of the combined voting power of its voting securities, (iii) with certain exceptions, the existing directors' ceasing to constitute a majority of the Board, (iv) certain transactions involving the merger, sale, or transfer of a majority of the assets of the Company, or (v) approval by the stockholders of a plan of liquidation or dissolution of the Company. The options include a feature which entitles an optionee who tenders previously-acquired shares of Common Stock to pay all or part of the exercise price of the option, to be granted a replacement option (a "reload option") to purchase a number of shares equal to the number of shares tendered with an exercise price equal to the fair market value of the Common Stock on the date of grant. No SARs were granted by the Company during 2003.

- (2) The values shown have been calculated based on the Black-Scholes option pricing model and do not reflect the effect of restrictions on transferability or vesting. The values were calculated based on the following assumptions: (i) expectations regarding volatility of 62% were based on monthly stock price data for the Company; (ii) the risk-free rate of return (3.22%) was assumed to be the Treasury Bond rate whose maturity corresponds to

-11-

the expected term (5.0 years) of the option granted; and (iii) no dividends on the Common Stock will be paid during the option term. The values which may ultimately be realized will depend on the market value of the Common Stock during the periods during which the options are exercisable, which may vary significantly from the assumptions underlying the Black-Scholes model.

- (3) Option granted pursuant to "reload" provision of Mr. Sherertz's stock award agreement. Option becomes fully exercisable six months from the date of grant.

Information concerning exercises of stock options during 2003 and the value of unexercised options held by the named executive officers at December 31, 2003, is summarized in the table below.

Additional Equity Compensation Plan Information

The following table summarizes information regarding shares of the Company's Common Stock that may be issued upon exercise of options, warrants, and rights under the Company's existing equity compensation plans and arrangements as of December 31, 2003. The only plan or arrangement under which equity compensation could be awarded at December 31, 2003, was the Company's 2003 Stock Incentive Plan, including a related plan for California residents, which was approved by stockholders in May 2003. Prior to 2003, grants of stock options were made under the Company's 1993 Stock Incentive Plan, which had been approved by stockholders. The information includes the number of shares covered by, and the weighted average exercise price of, outstanding options, warrants, and other rights under both plans, and

the number of shares remaining available for future grants excluding the shares to be issued upon exercise of outstanding options.

Directors' Compensation

Under the standard arrangement in effect at the end of 2003, directors (other than directors who are full-time employees of the Company, who do not receive directors' fees) are entitled to receive a fee of \$500 for each

Board meeting attended and each meeting of a committee of the Board attended other than a committee meeting held on the same day as a Board meeting.

A nonqualified option for 1,000 shares of Common Stock is granted automatically to each non-employee director whose term begins on or continues after the date of each annual meeting of stockholders at an exercise price equal to the fair market value of the Common Stock on the date of the meeting. Accordingly, on May 14, 2003, each then non-employee director received an option for 1,000 shares at an exercise price of \$3.07 per share.

Payment of the exercise price of options granted to non-employee directors may be in cash or in previously-acquired shares of Common Stock. Each option includes a reload option feature to the extent that previously-acquired shares are used to pay the exercise price. Non-employee director options (other than reload options) become exercisable in four equal annual installments beginning one year after the date of grant. Reload options become exercisable six months following the date of grant. All options granted to a non-employee director will be exercisable in full upon the director's death, disability, or retirement, or in the event of a change in control of the Company. The option term will expire three months following the date upon which the holder ceases to be a director other than by reason of death, disability, or retirement; in the event of death or disability, the option will expire one year thereafter; in the event of retirement, the option will expire five years thereafter.

Employment Agreement

Effective January 26, 1999, the Company entered into an employment agreement with Michael D. Mulholland, Vice President-Finance and Secretary of the Company. The agreement provides for a term of not less than two years as of each anniversary date of the agreement and is subject to automatic extension for an additional year annually unless either party notifies the other of an election to terminate the agreement by December 27 of the prior year. In the event of a change in control of the Company, the agreement will be renewed automatically for a two-year period beginning with the day immediately preceding the change in control. The employment agreement provides for an annual salary of not less than \$155,000, subject to annual review by the Board, together with other compensation and benefits provided for in the Company's compensation policy for executive officers adopted in 1995.

Pursuant to the employment agreement, if Mr. Mulholland's employment is terminated by the Company following a change in control of the Company other than by reason of death or disability or for cause, or by Mr. Mulholland within 90 days following a change in duties related to a change in control of the Company, he will be entitled to receive a lump sum payment of an amount equal to two times his then-current annual base salary, subject to reduction to the extent that such amount would be subject to the excise tax imposed on benefits that constitute excess parachute payments under Section 280G of the Internal Revenue Code of 1986, as amended.

A change in control of the Company for purposes of the employment agreement is defined as summarized in the notes to the first table under "Stock Option Data for Executive Officers" above, except for a business combination transaction in which the Company becomes a privately-held company and William W. Sherertz continues as President and Chief Executive Officer. A change in duties includes a significant change in the nature or scope of Mr. Mulholland's position, responsibilities, authorities or duties, a significant diminution in his eligibility to participate in compensation plans or benefits, a change in the location of his employment by more than 30 miles, or a significant violation

Edgar Filing: BARRETT BUSINESS SERVICES INC - Form DEF 14A

of the Company's obligations under the agreement.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee's goal in recommending levels of executive compensation is to serve the interests of the Company's stockholders by enabling the Company to attract, motivate, and retain the caliber of management expertise necessary for successful implementation of the Company's strategic goals.

Towards this goal, the Compensation Committee has adopted a philosophy that combines goal-driven annual cash compensation packages with equity incentives designed to build stock ownership among key employees. These two key principles serve to align executives effectively with stockholder interests by focusing management on financial goals necessary to enhance stockholder value, as well as long-term growth, by strongly encouraging significant ownership in the Company's stock.

-14-

Salaries. Base salaries for the Company's executive officers are initially determined by evaluating the responsibilities of the position and the experience of the individual, and by reference to the competitive marketplace for management talent. Annual salary adjustments are determined by evaluating the competitive marketplace, the performance of the Company, the performance of the executive, particularly with respect to the individual's specific contribution to the Company's success, and any increased responsibilities assumed by the executive.

Annual Cash Incentive Bonuses. The Compensation Committee has implemented a policy of providing annual cash incentive bonuses to the executive officers of the Company below the level of President. It is the Compensation Committee's belief that the stewardship provided by the executive officers is best measured by the Company's return on equity. Accordingly, target amounts for annual awards of cash incentive bonuses for 2003 were based upon a formula with reference to the Company's return on stockholders' equity for the year ended December 31, 2003, and each executive's total salary for the year. Based on the Company's return on equity of 7.4% for 2003, each executive officer, including the President, was awarded an annual cash incentive bonus in an amount equal to 7.4% of his 2003 salary.

Long-Term Incentive Compensation. The Company strives to align executive officer financial interests with long-term stockholder value through stock option grants. See "Option Grants in Last Fiscal Year" above for details of options granted to the named executive officers in 2003.

Chief Executive Officer Compensation. For 2003, the Compensation Committee maintained Mr. Sherertz's salary level at \$200,000 and awarded him an annual cash incentive bonus as described above.

In 2003, the Company ceased making payments for premiums under a split-dollar life insurance arrangement approved for Mr. Sherertz in 2001. Upon termination of the policy, the Company will be repaid an amount equal to the premiums previously paid by the Company in 2001 and 2002.

STOCK PERFORMANCE GRAPH

The graph on the following page shows the cumulative total return at the dates indicated for the period from December 31, 1998, until December 31, 2003, for the Common Stock, the Standard & Poor's 500 Stock Index (the "S&P 500"), a group of the Company's current peers in the staffing industry (the "2004 Peer Group"), and the companies comprising the staffing industry peer group selected by the Company for its proxy statement for the 2003 annual meeting (the "2003 Peer Group"). The 2004 Peer Group is comprised of C D I Corp., Kelly Services, Inc., Manpower Inc., RemedyTemp, Inc., Robert Half International Inc., Westaff, Inc., Administaff, Inc., and Gevity HR, Inc. Six of those companies are also included in the 2003 Peer Group, as well as SOS Staffing Services, Inc., and TeamStaff, Inc. (which were replaced by Administaff, Inc., and Gevity HR, Inc. in the 2004 Peer Group). SOS Staffing Services, Inc., was not included in the 2004 Peer Group because it is no longer a public company as the result of a leveraged buyout in 2003, and TeamStaff, Inc., is not included in the 2004 Peer Group because its products and services have become increasingly dissimilar to those offered by the Company.

The stock performance graph has been prepared assuming that \$100 was invested on December 31, 1998, in the Common Stock, the S&P 500, the 2003 Peer Group, and the 2004 Peer Group, and that dividends are reinvested. In accordance with the SEC's proxy rules, the stockholder return for each company in the 2003 and 2004 Peer Group indices has been weighted on the basis of market capitalization as of the beginning of each annual period shown. The stock price performance reflected in the graph may not be indicative of future price performance.
