Transaction Valuation*	Amount of Filing Fee**
\$1,978,508,257.00	\$250,677

* For purposes of calculating the filing fee only. Pursuant to the Agreement and Plan of Merger, dated as of October 17, 2004, among EGL Holding Company (Holdings), EGL Acquisition Corp. (Acquisition) and Select Medical Corporation (the Issuer), Acquisition, a wholly owned subsidiary of Holdings, will be merged with and into the Issuer, with the Issuer continuing as the surviving corporation (the Merger). Following the consummation of the Merger, the Issuer will be a wholly owned subsidiary of Holdings. Under the terms of the Merger Agreement, each existing share of Common Stock of the Issuer, \$.01 par value per share (Common Stock), other than shares held by Holdings or Acquisition, treasury shares and dissenting shares, will be converted into the right to receive \$18.00 in cash (the Merger Consideration). In addition, all outstanding options for Common Stock will be converted into the right to receive the Merger Consideration less the exercise price of such options. The Merger remains subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, including obtaining approval of the existing stockholders of the Issuer. The total Transaction Value was calculated based upon (a) an estimated aggregate cash payment of \$1,834,341,462.00 based on the proposed per share cash payment of \$18.00 for outstanding shares of Common Stock, excluding shares of Common Stock expected to be contributed to Holdings prior to the Merger and (b) an estimated aggregate cash payment of \$144,166,795.00 to holders of outstanding options in consideration of the cancellation of options with an exercise price less than \$18.00 per share.

** The payment of the filing fee, calculated in accordance with Regulation 0-11 under the Securities Exchange Act of 1934, as amended, equals 0.0001267 multiplied by the total Transaction Valuation.

Check the box if any part of the fee is offset as provided by Section 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.
