QUESTIONS AND ANSWERS ABOUT THE MEETING

Information Regarding the Annual Meeting

This Proxy Statement is furnished to the shareholders of Communications Systems, Inc. (“CSI” or the “Company”) beginning April 12, 2017 in connection with the solicitation of proxies by the Board of Directors of the Company to be voted at the Annual Meeting of Shareholders that will be held at the Company’s offices at 10900 Red Circle Drive, Minnetonka, Minnesota, on Wednesday, May 24, 2017, beginning at 10:00 a.m., Central Daylight Time, or at any adjournment or adjournments thereof.

What is the purpose of the meeting?

At our annual meeting, shareholders will act upon the matters disclosed in the Notice of 2017 Annual Meeting of Shareholders that accompanies this Proxy Statement. These include:

Elect six directors; and

Ratify the appointment of Baker Tilly Virchow & Krause LLP (“Baker Tilly”) as our independent registered public accounting firm for the fiscal year ending December 31, 2017;

We will also consider any other business that may properly be presented at the meeting, and management will report on CSI’s performance during the last fiscal year and respond to questions from shareholders.

How does the Board recommend that I vote?

The Board of Directors named in this proxy statement recommends a vote:

“FOR” the election of the six individuals recommended by the Board of Directors; and

“FOR” the ratification of the appointment of Baker Tilly.

Who is entitled to vote at the meeting?

If you were a shareholder of record at the close of business on March 29, 2017 (the “record date”), you are entitled to vote at the meeting. As of the record date, 8,930,784 shares of common stock were outstanding and eligible to vote.

What is the difference between a shareholder of record and a street name holder?

If your shares are registered directly in your name, you are the “shareholder of record.” If your shares are held in a stock brokerage account or by a bank or other nominee, you are the beneficial owner of those shares, and your shares are held in street name. If you are a “street name holder,” you will receive a voting instruction card that appears very similar to a proxy card. Please complete that card as directed to ensure your shares are voted at the meeting.

What are the voting rights of the shareholders?

Holders of common stock are entitled to one vote per share. Therefore, a total of 8,930,784 votes are entitled to be cast at the meeting. There is no cumulative voting for the election of directors.

How many shares must be present to hold the meeting?

A quorum is necessary to hold the meeting and conduct business. The presence of shareholders who can direct the voting of at least a majority of the outstanding shares of common stock as of the record date is considered a quorum. A shareholder is counted as present at the meeting if the shareholder is present and votes in person at the meeting or the shareholder has properly submitted a proxy by mail, telephone or Internet.

How do I vote my shares?

If you are a shareholder of record, you may give a proxy to be voted at the meeting either:

electronically, by following the instructions provided in the Notice of Internet Availability of Proxy Materials or proxy card; or

if you received printed proxy materials, you may also vote by mail or telephone as instructed on the proxy card.

If you hold shares beneficially in street name, you may also vote by proxy over the Internet by following the instructions in the Notice of Internet Availability of Proxy Materials or, if you received printed proxy materials, you may also vote by mail or telephone by following the instructions in the voting instruction card provided to you by your broker, bank, trustee or nominee. The telephone and Internet voting procedures have been set up for your convenience. The procedures have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been recorded properly. You may also vote in person at the meeting as described in “May I vote my shares in person at the meeting?” below.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials, proxy card or voting instruction card?

It means you hold shares of CSI stock in more than one account. To ensure that all of your shares are voted, sign and return each proxy card or voting instruction card or, if you vote by telephone or via the Internet, vote once for each proxy card, voting instruction card or Notice of Internet Availability of Proxy Materials you receive.

May I vote my shares in person at the meeting?

Yes. If you are a shareholder of record, you may vote your shares at the meeting by completing a ballot at the meeting. Even if you currently plan to attend the meeting, however, we recommend that you submit your proxy ahead of time so that your vote will be counted if, for whatever reason, you later decide to not attend the meeting. If you hold your shares in street name, you may vote your shares in person at the meeting only if you obtain a signed proxy from your broker, bank, trustee or other nominee giving you the right to vote these shares at the meeting.

What vote is required for the proposals to be approved?

Election of Directors. The six directors that receive the most votes will be elected to serve on the Board of Directors until the 2018 Annual Meeting of Shareholders.

Ratification of the appointment of Baker Tilly as our independent registered public accounting firm. The affirmative vote of a majority of the shares of common stock represented and entitled to vote on the proposal, if those shares represent more than 25% of the shares outstanding on the record date, is sufficient to approve this proposal.

How are votes counted?

Shareholders may either vote FOR or WITHHOLD authority to vote on the election of directors. Shareholders may vote FOR, AGAINST or ABSTAIN on proposal No 2.

If you vote ABSTAIN or WITHHOLD, your shares will be counted as present at the meeting for the purposes of determining a quorum. If you ABSTAIN from voting on a proposal, your abstention has the same effect as a vote against that proposal. If you WITHHOLD authority to vote for one or more of the nominees for director, this will have no effect on the election of any director from whom votes are withheld.

If you hold your shares in street name and do not provide voting instructions to your broker or nominee, your shares will be considered to be “broker non-votes” and will not be voted on any proposal on which your broker or nominee does not have discretionary authority to vote under the rules of the New York Stock Exchange. Shares that constitute broker non-votes will be present at the meeting for the purpose of determining a quorum, but are not considered entitled to vote on the proposal in question. Your broker or nominee has discretionary authority to vote your shares on the ratification of Baker Tilly as our independent registered public accounting firm even if your broker or nominee does not receive voting instructions from you, but may not vote your shares on any other matters without instructions from you.

May I change my vote?

Yes. If you are a shareholder of record, you may change your vote and revoke your proxy at any time before it is voted at the meeting in any of the following ways:

by sending a written notice of revocation to our Corporate Secretary;

by submitting another properly signed proxy card at a later date to our Corporate Secretary;

by submitting another proxy by telephone or via the Internet at a later date; or

by voting in person at the meeting.

If you are a street name holder, please consult your broker, bank, trustee or nominee for instructions on how to change your vote.

Who pays for the cost of proxy preparation and solicitation?

We pay for the cost of proxy preparation and solicitation, including the charges and expenses of brokerage firms or other nominees to forward proxy materials to beneficial owners of shares held in street name. Proxies may be solicited by telephone or facsimile, or personally by our directors, officers and regular employees. These individuals will receive no compensation (other than their regular salaries) for these services.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of paper copies?

Under rules of the Securities and Exchange Commission (the "SEC"), we may furnish proxy materials to our shareholders by providing access to these documents on the Internet instead of mailing printed copies. In general, you will not receive printed copies of the materials unless you request them. Instead, we mailed you the Notice of Internet Availability of Proxy Materials (unless you have previously consented to electronic delivery or already requested to receive paper copies), which instructs you as to how you may access and review all of the proxy materials on the Internet. The Notice of Internet Availability of Proxy Materials explains how to submit your proxy over the Internet.

If you would like to receive a paper copy or e-mail copy of the proxy materials, please follow the instructions provided in the Notice of Internet Availability of Proxy Materials.

How can a shareholder present a proposal at the 2018 Annual Meeting?

For a shareholder proposal to be considered for inclusion in our Proxy Statement for the 2018 Annual Meeting, the written proposal must be received at our principal executive offices by the close of business on December 13, 2017. The proposal must comply with SEC regulations regarding the inclusion of shareholder proposals in company-sponsored proxy materials.

If a shareholder wishes to present a proposal at the 2018 Annual Meeting that would not be included in our Proxy Statement for that meeting, the shareholder must provide notice to us no later than February 27, 2018. Please contact the Corporate Secretary for a description of the steps to be taken to present a proposal.

How can a shareholder get a copy of the Company's 2016 Report on Form 10-K?

Our 2016 Annual Report, including our Annual Report on Form 10-K for the year ended December 31, 2016, is available electronically with this Proxy Statement. If you were mailed a paper copy of this Proxy Statement, the 2016 Annual Report was included. The 2016 Annual Report, including our Form 10-K, is also available in the Investor Relations page of our website <http://commsystems.com>. Upon request, we will provide you copies of any exhibits to the Form 10-K upon payment of a fee covering our reasonable expenses in furnishing these exhibits. You can request exhibits to the Form 10-K by writing to the Corporate Secretary, Communications Systems, Inc., 10900 Red Circle Drive, Minnetonka, Minnesota 55343.

What if I do not specify a choice for a matter when returning a proxy?

Unless you indicate otherwise, the persons named as proxies on the proxy card will vote your shares

For the election of each nominee to the Board of Directors set forth in Proposal No. 1; and

For the ratification of Baker Tilly as our independent registered public accounting firm set forth in Proposal No. 2.

If any other matters come up for a vote at the meeting, the proxy holders will vote the shares they are entitled to vote, according to the recommendations of the Board of Directors or, if there is no recommendation, at their own discretion.

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Our Board of Directors presently consists of six directors, each serving a one-year term. The Board of Directors has nominated and recommends that the Company's shareholders elect Roger H.D. Lacey, Gerald D. Pint, Richard A. Primuth, Curtis A. Sampson, Randall D. Sampson and Steven C. Webster. All but Mr. Webster currently serve as a director. The Board of Directors believes that each nominee will be able to serve as a director. The Board has determined that each nominee, with the exception of Roger H.D. Lacey, is independent.

Each nominee has indicated his willingness to serve if elected, but if any nominee is unable or unwilling to serve, proxies may be voted for a substitute nominee designated by the Board. The Company did not receive any shareholder nominations for director. Proxies cannot be voted for more than the number of nominees named in this Proxy Statement.

Richard
A.
Primuth
(71)

RICHARD A. PRIMUTH was elected as a director in October 2013 and currently serves as Chair of the Compensation Committee and as a member of the Audit & Finance Committee. For over 40 years, Mr. Primuth has served as an attorney with the Minneapolis law firm of Lindquist & Vennum LLP, specializing in business law. He was a partner in this firm from 1977 until December 2011 when he became Of Counsel to the firm. Mr. Primuth's business law practice has been heavily focused on representing public and private corporations, securities offerings, mergers and acquisitions, and other complex business transactions, and he served as the Company's primary outside legal counsel from 1983 until he was elected to the Board. Upon being elected to the Board, he ceased providing any legal services to the Company. The Board of Directors believes that

Mr. Primuth's significant experience in corporate governance, public offerings and other financings, capital markets, SEC compliance and reporting, mergers and acquisitions, spin offs, complex contract negotiations, and other business law areas, as well as his deep understanding of the Company, its history, markets and products, make him a significant resource as a Company director.

Curtis A. Sampson (83)

CURTIS A. SAMPSON founded the Company in 1969 and has been a director since its inception. He currently serves as Chair of CSI's Board. He is also Chairman and a director of Canterbury Park Holding Corporation, a public company engaged in pari-mutuel and card club wagering. He is also a Regent of Augsburg College in Minneapolis, Minnesota and a member of the Emeritus Board of Overseers of the University of Minnesota's Carlson School of Management. Mr. Sampson was CSI's Chief Executive Officer from 1969 to June 2007, when he retired from full time executive responsibilities. While CEO, in addition to providing leadership to CSI's operations, Mr. Sampson managed numerous acquisitions and divestitures, including spin offs of two internally developed business units that were subsequently sold in transactions generating an aggregate of approximately \$200 million in cash for their shareholders. Over the course of his career, Mr. Sampson has also served on other non-profit boards, telephone industry association boards and private company boards, including service as a director of the following public companies: Hector Communications Corporation (2003 to 2006), Nature Vision, Inc. (2001 to 2009) and North American Communications Corporation (1986 to 1988). The distinctive perspective Mr. C.A. Sampson brings to the Board is his knowledge, gained over 40 years leading the Company, of CSI's business, operations, markets, vendors, customers and employees in combination with his experience in business acquisitions and divestitures, perspective gained from serving on other boards and extensive executive management experience.

Randall D. Sampson (58)

RANDALL D. SAMPSON has been a director since 1999. He currently serves as Chair of the Audit & Finance Committee, and also is a member of the Compensation Committee. Mr. R.D. Sampson is the son of C.A. Sampson. Mr. R.D. Sampson is the President, Chief Executive Officer, and a Board member, of Canterbury Park Holding Corporation ("CPHC"), positions he has held since 1994. CPHC is a public company based in Shakopee Minnesota that, led by R.D. Sampson, re-launched a failed pari-mutuel race track and stimulated the revival of Minnesota's horse breeding and training industries. Under his leadership, the Canterbury Park Racetrack has become a unique, family-friendly venue for live horse races and other entertainment, as well as pari-mutuel and card club wagering. Before becoming one of the three co-founders of CPHC in 1994, and after graduating from college with a degree in accounting, Mr. Sampson worked for five years in the audit department of a large public accounting firm where he earned his CPA certification, subsequently gained experience as a controller of a private company, served as a chief financial officer of a public company and managed Sampson family interests in horse breeding and training. The challenging nature of Canterbury Park's business has demanded from its CEO an entrepreneurial mindset, attention to expense control, continuous innovation in marketing, and attention to the needs of customers, which, along with other qualities, Mr. R.D. Sampson uniquely brings to the governance responsibilities of the CSI Board.

Steven C.
Webster
(60)

STEVEN C. WEBSTER is a nominee for election at the Annual Meeting. Since July 2013, Mr. Webster has served as Senior Fellow and Spencer Chair in Technology Management at the University of Minnesota. In this capacity, he teaches graduate classes in innovation for mid-career professionals and in business basics for graduate students in science and technology. From May 2005 to October 2012, Mr. Webster was Vice President of Research and Technology Commercialization for The 3M Company's Display and Graphics Business. In that role, he had responsibility for about 1,000 technical professionals worldwide, setting technology strategy and guiding key programs for a \$4 billion global business. He directly led laboratories in Saint Paul, Minnesota; Austin, Texas; and Singapore. Over his 31-year career with 3M, Mr. Webster also held the executive position leading the global deployment of 3M Six Sigma; held R&D leadership roles in display technology, optical films, telecommunications, data storage and optical recording; and had business responsibility for fiber optics and test systems products in the 3M Telecom Systems Division. Prior to joining 3M, Mr. Webster was a Member of Technical Staff at Bell Laboratories in Holmdel New Jersey, from 1979 to 1981, where he worked on the first commercial fiber optics transmission system. Mr. Webster received a Master of Science in electrical engineering and computer science and a Bachelor of Science in electrical engineering from MIT in 1979. Mr. Webster currently serves on the Board of Directors and Executive Committee of the Guthrie Theater, and on the MIT Undergraduate Practice Opportunities Program Advisory Board. Mr. Webster brings deep experience in new product development, an understanding of telecommunications technology and business dynamics, expertise in the application of Six Sigma to improve business processes and significant executive level management skill, all qualities that will strengthen the Board's oversight of the Company's businesses.

Retiring Director

In addition to these nominees, Luella G. Goldberg is retiring as a Company director effective as of the date of the Annual Meeting. Ms. Goldberg has served as a Company director since 1997. During her 20 years of distinguished service, Ms. Goldberg served on the Audit & Finance Committee (and predecessor committees) for 16 years and served on the Compensation Committee for 12 years. Ms. Goldberg also served on the Company's Governance and Nominating Committee from 2005 until 2014, including five years as Chair, and has served as Lead Governance Director since 2014.

Vote Required

Directors are elected by a plurality of the votes cast. Therefore, the six nominees who receive the highest number of votes will be elected as directors.

Recommendation of the Board

The Board unanimously recommends that you vote "FOR" the election of each of the nominees named above as a director.

The Audit & Finance Committee has selected Baker Tilly Virchow Krause, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. While the Audit & Finance Committee retains the sole authority to retain, compensate, oversee and terminate the independent registered public accounting firm, the Audit & Finance Committee is submitting the appointment of Baker Tilly Virchow Krause, LLP as our independent registered public accountants for ratification. In the event the shareholders do not ratify the appointment of Baker Tilly Virchow Krause, LLP, the Audit & Finance Committee will reconsider the selection.

Vote Required

Approval of this Proposal 2 requires the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and entitled to vote on Proposal 2.

**The Board of Directors Recommends Shareholders Vote FOR
Proposal 2: Ratification of the Appointment of Baker Tilly Virchow Krause, LLP**

RELATIONSHIP WITH INDEPENDENT ACCOUNTANTS

On March 6, 2017, we engaged Baker Tilly Virchow Krause, LLP to serve as our independent registered public accounting firm for the fiscal year ended December 31, 2017. On March 6, 2017, we also dismissed Deloitte & Touche LLP as our independent registered public accounting firm, effective upon completion of the audit of the Company financial statements for the year ended December 31, 2016. Both the engagement of Baker Tilly Virchow Krause, LLP and dismissal of Deloitte & Touche LLP were approved by the Audit & Finance Committee, which has sole authority and responsibility with respect to the selection, engagement and dismissal of the Company independent registered public accounting firm. The Committee is asking the shareholders to ratify the appointment of Baker Tilly Virchow Krause, LLP for the year ended December 31, 2017 in Proposal 2.

During the two most recent fiscal years and the subsequent interim period through March 31, 2017, when the Company filed its Form 10-K for the year ended December 31, 2016, there have been no disagreements between us and Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Deloitte & Touche LLP would have caused Deloitte & Touche LLP to make reference thereto in its reports on the financial statements for these

years. During the two most recent fiscal years and the subsequent interim period through March 31, 2017, there have been no reportable events (as defined in Item 304(a)(1)(v)) of Regulation S-K. Neither of the reports of Deloitte & Touche LLP on the financial statements for the fiscal years ended December 31, 2016 and 2015 contained an adverse opinion or disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2016 and 2015 and the subsequent interim period through March 31, 2017, we did not consult with Baker Tilly Virchow Krause, LLP regarding any matters described in Item 304(a)(2)(i) or (ii) of Regulation S-K.

We expect representatives of Baker Tilly Virchow Krause, LLP to be present at the Annual Meeting of Shareholders. These representatives will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES AND SERVICES

The following is a summary of the fees billed to the Company by Deloitte & Touche LLP for professional services rendered for the fiscal years ended December 31, 2016 and 2015. The Audit & Finance Committee considered and discussed with Deloitte & Touche LLP the provision of non-audit services to the Company and the compatibility of providing these services with maintaining its independence as the Company's auditor.

<u>Fee Category</u>	<u>2016</u>	<u>2015</u>
Audit Fees	\$581,260	\$503,000
Audit-Related Fees	0	0
Tax Fees	4,000	6,875
All Other Fees	2,000	2,000
Total Fees	\$587,260	\$511,875

Audit Fees. This category consists of fees billed for professional services rendered for the audit of the Company's annual financial statements, review of financial statements included in our quarterly reports, and statutory audit of the Company's U.K.-based Austin Taylor subsidiary.

Audit-Related Fees. This category consists of fees billed for assurance and related services, such as the Company's employee benefit plan audits that are reasonably related to the performance of the audit or review of the Company's financial statements and are not otherwise reported under "Audit Fees."

Tax Fees. This category consists of fees billed for professional services for tax compliance, tax advice and tax planning. Assistance regarding federal and state tax compliance and acquisitions are provided to the Company by McGladrey LLP. The amounts presented in the table above represent international tax compliance service.

Audit & Finance Committee Pre-approval Policies and Procedures

In addition to approving the engagement of the independent registered public accounting firm to audit the Company's consolidated financial statements, the policy of the Audit & Finance Committee is to approve all use of the Company's independent registered public accounting firm for non-audit services prior to any such engagement. To minimize relationships that could appear to impair the objectivity of the independent registered public accounting firm, the policy of the Committee is to restrict the non-audit services that may be provided to the Company by the Company's independent registered public accounting firm primarily to tax services, merger and acquisition due diligence and integration services, and any other services that can clearly be designated as "non-audit" services.

Audit & Finance Committee Report

The Audit & Finance Committee is responsible for independent, objective oversight of the Company's financial accounting and reporting by overseeing the system of internal controls established by management and monitoring the participation of management and the independent registered public accounting firm in the financial reporting process.

The Audit & Finance Committee held five meetings in 2016. The meetings were designed to facilitate and encourage private communication between the Committee and Deloitte & Touche LLP.

During the meetings, the Committee reviewed and discussed the Company's financial statements with management and Deloitte & Touche LLP. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit & Finance Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The discussions with Deloitte & Touche LLP also included the matters required by Statement on Auditing Standards ("SAS") No. 61 (Communication with Audit Committees), as amended by SAS 89 and 90 (Audit Committee Communications).

Deloitte & Touche LLP provided to the Committee the written disclosures and the letter regarding its independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and this information was discussed with Deloitte & Touche LLP.

Based on the discussions with management and Deloitte & Touche LLP, the Committee's review of the representations of management and the report of the Deloitte & Touche LLP, the Audit & Finance Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2016, filed with the Securities and Exchange Commission.

The current members of the Audit & Finance Committee are Luella G. Goldberg, Richard A. Primuth, and Randall D. Sampson (Chair). Ms. Goldberg, Mr. Primuth and Mr. Sampson are each independent under SEC Rules and NASDAQ listing standards. In addition, the Board has determined that Randall D. Sampson qualifies as the Committee's financial expert. The Audit & Finance Committee met five times during 2016.

Compensation Committee. The Compensation Committee is responsible for the overall compensation strategy and policies of the Company; reviews and approves the compensation and other terms of employment of the Company's chief executive officer and other executive officers, subject to final Board approval; oversees the establishment of performance goals and objectives for the Company's executive officers; administers the Company's incentive compensation plans, including the Company 2011 Incentive Stock Plan; considers the adoption of other or additional compensation plans; and provides oversight and final determinations with respect to the Company's 401(k) plan, employee stock ownership plan and other similar employee benefit plans. Pint, Richard A. Primuth (Chair) and Randall D. Sampson. Each Compensation Committee member is independent under NASDAQ standards. The Committee met three times in 2016.

Director Independence

The Board has adopted director independence guidelines that conform to the definitions of “independence” set forth in Section 301 of the Sarbanes-Oxley Act of 2002, Rule 10A-3 under the Securities Exchange Act of 1934 and listing standards of NASDAQ. In accordance with these guidelines, the Board has reviewed and considered facts and circumstances relevant to the independence of each of our directors and director nominees and has determined that each of the following incumbent directors qualifies as “independent” under NASDAQ listing standards: Luella G. Goldberg, Gerald D. Pint, Richard A. Primuth, Curtis A. Sampson and Randall D. Sampson.

Selecting Nominees for Election to the Board

In selecting nominees for election to the Board at the 2017 Annual Shareholders Meeting, Lead Governance Director Luella Goldberg (an independent director) in consultation with the Board Chair and the Compensation Committee Chair (both independent directors) assessed the existing Board, in part to ensure the Board reflects an appropriate balance of knowledge, experience, skills, expertise, diversity, and independence to enable the Board to meet the challenges it may confront. These directors also reviewed the Board composition to determine the qualifications and areas of expertise needed to further enhance the Board’s ability to fulfill its responsibilities. After this consultation, Ms. Goldberg, on behalf of herself and the Board Chair and Compensation Committee Chair, recommended to the full Board that the five existing directors be nominated for reelection and that Mr. Webster be nominated for election at the 2017 Annual Meeting of Shareholders.

Although the Board does not have a formal policy regarding diversity, in addition to minimum requirements of integrity, ability to make independent analytical inquiries, personal health and a willingness to devote adequate time and effort to Board responsibilities, the Board seeks individuals who reflect diversity in background, education, business experience, skills, business relationships and associations and other factors that will contribute to the Board’s governance of the Company.

In making recommendations regarding nominees for election as directors, the Board will consider qualified candidates who are proposed by our shareholders. Shareholders can submit qualified candidates, together with appropriate biographical information, to the Corporate Secretary at: Communications Systems, Inc., 10900 Red Circle Drive, Minnetonka, Minnesota 55343. Any shareholder desiring to submit a director candidate for consideration at our 2018 Annual Meeting of Shareholders must ensure that the submission is received by the Company no later than December 13, 2017 to provide adequate time for the Board to properly consider the candidate.

Shareholders may directly nominate an individual for election to the Board at our shareholders meeting by following procedures in our Bylaws. A shareholder wishing to formally nominate an individual to election to the Board at future shareholder meetings should follow the procedure set forth below under the caption “Other Information – Shareholder Proposals for 2018 Annual Meeting -- Shareholder Nominations.”

Board Leadership

Our Governance Guidelines separate the roles of Chair of the Board and Chief Executive Officer. These positions are respectively held by Curtis A. Sampson and Roger H.D. Lacey. This structure enables the Chair, in collaboration with other non-employee directors, to have an active role in setting agendas and establishing Board priorities and procedures.

Ms. Luella Goldberg serves as Lead Governance Director and, in this capacity, provides leadership in determining the size and composition of the Board, finding individuals qualified to serve as Board members, and reviewing the size and composition of the Board committees, facilitating Board self-assessment and advising the Board on other governance topics.

Mr. Richard Primuth, in addition to his other director responsibilities, has been designated as Board Secretary. In this capacity, he is responsible for keeping minutes of the Board and committee meetings, developing and maintaining an annual calendar of Board and Committee meetings and responsibilities, facilitating the flow of information regarding business operations and results to the Board, assisting the Chairman and CEO to develop agendas for Board meetings, and providing company officers with Board level input on pending legal matters, material contracts, corporate developments and other developments in the Company’s business.

Board's Role in Managing Risk

In general, management is responsible for the day-to-day management of the risks the Company faces, while the Board, acting as a whole and through the Audit & Finance Committee, has oversight responsibility for risk management. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. Members of senior management attend the regular meetings of the Board and are available to address questions and concerns raised by the Board related to risk management. In addition, the Board regularly discusses with management, the Company's independent registered public accounting firm and the internal auditor, identified major risk exposures, their potential financial impact on the Company, and steps that could be taken to manage these risks.

The Audit & Finance Committee assists the Board in fulfilling its risk management oversight responsibilities in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements. The Audit & Finance Committee reviews the Company's financial statements and meets with the Company's independent registered public accounting firm and internal auditor at least four times each year to review their respective reports on the adequacy and effectiveness of our internal audit and internal control systems, and to discuss policies with respect to risk assessment and risk management.

EXECUTIVE COMPENSATION

The Company is a global provider of connectivity infrastructure and services for deployments of broadband networks. Our operations are conducted primarily through our Suttle, Inc. (“Suttle”), Transition Networks, Inc. (“TN”) and JDL Technologies (“JDL”) business units.

This section discusses our executive compensation objectives and policies, forms of compensation, and compensation related to services in 2016 paid or potentially payable to the Named Executive Officers identified below under the Summary Compensation Table (“NEOs”), as well as other senior executives (collectively, with the NEOs, the “Senior Executives”).

Compensation Philosophy and Objectives

The Company’s approach to executive compensation of the Company’s Senior Executives is based on the following objectives:

To align compensation with shareholder interests;

To reward both annual and long-term financial performance;

To provide pay opportunities comparable to opportunities at companies with which the Company competes for management talent; and

To maintain internally fair and equitable compensation levels and practices.

The Company has generally structured its annual and long-term incentive compensation to be “performance-based.” In addition, when determining how much performance-based compensation should be paid in cash versus granting stock options or other awards payable in stock (collectively “Equity Awards”), the Committee has generally emphasized paying long-term compensation through Equity Awards.

Role of the Compensation Committee and Information Used to Determine Compensation

One of the Compensation Committee's primary responsibilities is to review and approve, or recommend for Board approval, compensation paid to the Company's Chief Executive Officer, the NEOs, and other Senior Executives. The Compensation Committee ("Committee") carries out this responsibility pursuant to a Board-approved written charter. The Committee is subject to Board oversight, and other Board members frequently participate in deliberations related to executive compensation. Additional information regarding the primary responsibilities of the Committee and its current members is provided above under the caption "Corporate Governance and Board Matters – the Board, Board Committees and Meetings."

Under its charter, the Committee has the authority to select, retain, and compensate executive compensation consultants and other experts that it deems necessary to carry out its responsibilities. Since November 2015, the Committee has, from time to time, engaged Total Rewards Group ("TRG"), a compensation consulting firm, to study and make recommendations regarding our compensation program. This included an evaluation of our base compensation for Senior Executives to determine whether we were paying "competitive" compensation and whether our approach to compensation was generally in line with "best practices" for public companies. The Committee selected TRG without a recommendation by management and TRG reported directly to the Committee.

The Committee also uses industry surveys to evaluate base compensation and total compensation paid to our Senior Executives. In some years, the Committee has relied on studies prepared by Company employees based on surveys of manufacturing companies of similar size. In other years, this information has been supplied by our compensation consultant. In addition, the Committee periodically compares compensation it pays to Senior Executives to compensation paid by a limited number of specific companies in similar industries, and of similar size and scope ("comparator group") so that it has comparative data for assessing the Company's market position in compensation levels and practices.

Base Salaries

Base salaries of the Company's executive officers are established by reference to average base salaries paid to executives in similar positions with similar responsibilities using information supplied by compensation consultants and other sources. Base salaries are generally reviewed annually in December of each year and adjustments are made effective as of January 1 of the following year. From time to time, however, promotions and other events require adjustments at other points in the year. While emphasis is placed on measurable financial factors, when it determines base salaries, the Committee also considers factors such as development and execution of strategic plans, changes in areas of responsibility, potential for assuming greater responsibility and the development and management of employees. The Committee does not, however, assign specific weights to these various quantitative and qualitative factors in reaching its decisions.

The following table shows the base salary paid to each NEO in 2016 as compared to 2015.

Named Executive Officer Position		Annual Rate of	Amount Paid
		Base Salary (\$)	in 2015 (\$)
Roger H. D. Lacey	Chief Executive Officer	275,000	250,000
Mark Fandrich	Chief Financial Officer	200,000 ⁽¹⁾	—
Bruce Blackwood	General Manager, Suttle	221,288	214,283
Scott Otis	General Manager, TN	210,627	206,559
Scott Fluegge	President & General Manager, JDL	206,004	190,962

⁽¹⁾ Mr. Fandrich's base salary was set at \$200,000 when he was appointed CFO in August 2016. He was not an executive officer in 2015.

Annual Bonus Plan

Bonuses are paid under the Company's Annual Bonus Plan ("Bonus Plan") to NEOs and other Senior Executives during the course of and following the end of each fiscal year based on achievement in relation to objective financial goals set at the beginning of the fiscal year. These bonuses are intended to provide Senior Executives with an opportunity to receive additional cash compensation upon attainment of pre-established performance goals.

At the beginning of each fiscal year, the Committee determines what objective performance measures it will use to assess performance by the Company overall and by each business unit. In addition, the Committee assigns a percentage weight to the various measures that are applied when determining the total bonus to be paid to each executive. The Committee concurrently determines specific goals for each of these performance measures. Most performance measures for business unit performance have three goals to which achievement is compared, defined as “threshold,” “target” and “maximum,” with “target” goals generally being equal to the Company’s budget for that performance measure.

Bonus Compensation of Business Unit Leaders

Each Business Unit Leader is typically paid a bonus based on the performance of the business unit he manages, and whether and to what extent bonus compensation is paid to him is determined following the end of quarterly or annual periods. For certain performance measures, a comparison of achievement to performance goals is made after the end of each of the four quarters or after the first half and second half of the year, as well as after year end. With respect to these measures, we compare quarterly results and annual results to goals, and a bonus is paid if quarterly or annual performance is generally at least 80% of the target goal for that performance measure. For other performance measures, a comparison of achievement to performance goals is made quarterly or after twelve months. With respect to these measures, we compare quarterly or twelve-month results to goals, and a bonus is paid if achievement is at least 80% of the target goal for that performance measure.

Concurrent with determining and assigning weight to the various performance measures, and the goals against which achievement is measured, the Committee determines a “target” bonus opportunity and a “maximum” bonus opportunity that may be earned by each executive as a percentage of his base salary if actual performance exceeds applicable threshold performance goals. In 2016, the “target” annual bonus opportunity for the Senior Executives ranged from 30% to 70% of their respective base salaries, and their respective “maximum” bonus opportunities were approximately 45% to 98% of their respective target bonus opportunities if actual achievement equaled or exceeded maximum performance goals.

The following table presents for 2016: (i) the performance measures for the TN, Suttle and JDL business units; (ii) the relative weight assigned to each of the performance measures in determining overall performance of the business units; (iii) threshold, target, and maximum achievement levels for each performance measure selected; (iv) actual 2016 achievement under each performance measure; and (v) actual 2016 achievement as a percentage of the target goal.

Bonus Compensation of CEO and CFO

In 2016 our CEO, Mr. Lacey, earned 80% of his annual bonus based on a weighting of business unit financial achievement as compared to the respective goals of the business units under the applicable performance measures described above. In determining the payout to the CEO and CFO, we assigned a 38.5% weight to Suttle’s performance, a 29.5% weight as to Transition Network’s performance, and a 11% weight to JDL’s performance. Mr. Lacey earned the remaining 20% of his bonus based on achieving goals under specific parent company performance measures approved by the Committee. For services in 2016, Mr. Fandrich earned a bonus based on Suttle’s performance in the

first two quarters of 2016. No bonus compensation was paid under the Annual Plan to any Senior Executive in the second half of 2016 due to the suspension of bonus compensation in the second half of 2016.

Bonuses Paid Pursuant to the Annual Bonus Plan in 2016

The table below presents the bonus opportunity under the Annual Bonus Plan for the five NEOs as a percentage of their respective base salaries upon achievement of “target” goals and “maximum” goals for each performance measure (weighted as indicated above), the dollar value of the opportunity at target and maximum achievement, and the actual amount paid in cash to the NEOs based on actual achievement in relation to goals for performance measures under the Company’s 2016 Annual Bonus Plan.

Named Executive Officer	Bonus Opportunity as	Dollar Value	Dollar Value	Annual Bonus Paid Based on Actual Achievement
	% of 2016 Base Salary at Target Achievement	of Bonus Opportunity at Target Achievement	of Bonus Opportunity at Maximum Achievement	
Roger H. D. Lacey	70%	\$192,500	\$269,500	\$16,898
Mark Fandrich	30%	\$ 54,000	\$81,000	\$5,547
Bruce Blackwood	55%	\$123,378	\$185,623	\$5,794
Scott Otis	55%	\$115,880	\$173,819	\$12,105
Scott Fluegge	55%	\$113,432	\$170,148	\$31,662

Discretionary Bonuses

The Committee and the Board believe the most appropriate approach to paying annual bonus compensation is one in which executives are measured against predetermined objective performance measures and performance goals. However, from time to time, in limited and extraordinary circumstances, the Committee and the Board also believe, it is in the best interest of the Company and its shareholders to pay discretionary bonuses. In 2016, the Board paid NEO Scott Otis a retention bonus of \$40,000 and a discretionary bonus of \$19,059.

Overview of Long-Term Incentive Compensation

Our Senior Executives have been given, over the last several years, the opportunity to earn long-term, incentive compensation by means of the following forms of incentive awards:

Long Term Incentive Awards (“LTI Awards”). LTI Awards provide the opportunity to earn a payout in Company stock or cash after the end of three-year performance periods, to the extent earned by actual performance compared to performance goals.

Stock Options. Stock Options are granted on an annual basis, vest over four years beginning one year after the award is made, and only provide value to the executive if the Company’s stock price increases over the option exercise price.

Long-term incentive compensation opportunities for our NEOs and other Senior Executives are determined under a two-step process. First, the Committee determines the total “target” opportunity (expressed as a percentage of base compensation) for each Senior Executive to earn long-term incentive compensation (the “Total Target LTI Opportunity”). Over the last several years this percentage has ranged from 20% to 100% of the Senior Executive’s base compensation. Second, an allocation of the Total Target LTI Opportunity is then made to LTI Awards and Stock Options. Generally, the Committee has, over the last several years, allocated 70% of each executive’s Total Target LTI Opportunity to an LTI Award and 30% to Stock Options.

LTI Awards

LTI Awards may be “Performance Share Units” or “Performance Cash Units.” LTI Awards that are performance-based and payable in stock following the end of the three-year period are defined as “Performance

Share Units” or “PSUs” under our incentive compensation plan. The number of PSUs awarded to each NEO is determined by dividing the dollar value of the NEO’s LTI Award by the average price of the Company’s stock over a 20-business-day period beginning on or about March 1 of each year. Each PSU represents the potential issuance of one share of common stock; the number of PSUs actually issued as shares of stock depends on actual achievement in relation to performance goals for the three-year period.

LTI Awards that are performance-based and payable in cash following the end of a three-year period are defined as “Performance Cash Units” or “PCUs” under our incentive compensation plan. Each PCU represents the potential to be paid \$1.00, and the number of PCUs that are paid in dollars depends on actual achievement in relation to performance goals for the three-year period.

Stock Options

The number of shares covered by Stock Options granted to each NEO is determined by dividing the dollar value of the Total Target LTI Opportunity allocated to Stock Options by a value for an option to purchase one share of our stock as determined by the Committee. Typically, the Committee has used the Black Scholes methodology to determine the value of one option based on a share price of the Company’s stock as of a specific date during the second half of March in each year; the share exercise price of Stock Options is fair market value on the date of grant.

Long Term Incentive Compensation Awards for the 2016 – 2018 Performance Period

On February 29, 2016, pursuant to the Company’s Long Term Incentive Compensation Plan (the “LTI Plan”) the Committee determined, and the Company’s Board ratified and approved, the overall design and other features of the Company’s LTI Plan for the 2016 through 2018 performance period (the “2016-2018 Period”) as applied to the NEOs.

The Committee first determined that the following NEOs would be awarded the total opportunities for long term executive compensation as a percentage of their respective base compensation as follows:

Named Executive Officer ⁽¹⁾	Total Opportunity as % of	2016 Salary	Total Value of Long-Term Incentive	70% of Total Opportunity:	30% of Total Opportunity:
---	--	------------------------	---	--------------------------------------	--------------------------------------

	Base Salary		Opportunity at Target	Paid in PSUs and PCUs for “Target” Performance⁽²⁾	Paid in Stock Options
Roger H. D. Lacey	75%	\$275,000	\$206,250	\$144,375	\$ 61,875
Mark Fandrich	20%	\$180,000	\$ 36,000	\$ 36,000	\$ 0
Bruce Blackwood	50%	\$224,997	\$112,499	\$ 78,749	\$ 33,750
Scott Otis	50%	\$210,690	\$105,345	\$ 74,742	\$ 31,604
Scott Fluegge	50%	\$206,240	\$103,120	\$ 72,184	\$ 30,936

(1) At the time the 2016 - 2018 LTI Plan was adopted, Mr. Fandrich was employed at Suttle.

(2) Payable half in PSUs and half in PCUs.

With respect to LTI Awards for the 2016-2018 Period, (i) the Committee determined that the relevant performance period for measuring financial performance would be fiscal 2018; (ii) performance measures for 2018 were determined for each business unit and for the Company on a consolidated basis, as well as “minimum,” “target” and “maximum” goals for each performance measure; (iii) Company consolidated, as well as the Suttle, TN and JDL business units’ performance measures (and percentage weight given to each measure) were determined to be Revenue (50%) and Operating Income (50%); (iv) 100% of the potential long term incentive opportunity assigned to the CEO and CFO was tied to the Company’s actual consolidated results compared to goals for Company consolidated performance, while business unit leaders had 50% of their long term incentive compensation tied to the success of their business unit and 50% tied to the Company’s consolidated performance; and (v) to the

extent earned, long term compensation payable to NEOs and other Senior Executives will be paid 50% in Company stock and 50% in cash following the end of the three-year period.

With respect to each NEO, the opportunity to earn long term compensation under an LTI Award is initially determined as a dollar value that is a percentage of the Executive's base salary. In each case, 50% of this dollar value will be divided by \$6.99, the average price of the Company's stock over the 20-business-day period ended March 29, 2016, with the number so determined becoming an award of the same number of PSUs, with each PSU representing the potential issuance of one share of Company stock. The other 50% of the LTI Award value will be an award of PCUs that represent the opportunity to receive cash to the extent earned. Prior to March 15, 2019, the Committee will assess actual performance against the performance measures established for each Named Executive and determine the number of shares of Company stock to be issued and cash to be paid to each Named Executive.

The following table shows the dollar value of the total LTI Award opportunity awarded to each of the Named Executives that would result in the issuance of shares of Company common stock and payment of cash after the end of the 2016-2018 Period based on achievement in relation to target and maximum goals. Achievement below the target goal for each performance measure will result in a reduced number of shares being issued and cash paid, and if achievement fails to meet any of the applicable minimum performance goals, the Named Executive will not be paid any cash or issued any shares under the PSUs awarded.

Other Compensation

In addition to participating in Company-wide plans providing health, dental and life insurance on the same basis as all of our other U.S.-based employees, our Senior Executives receive other compensation in various forms, primarily the following:

An annual contribution to the Company's Employee Stock Ownership Plan and Trust ("ESOP").

An annual matching contribution of up to 50% of each executive's personal contribution to the Company's 401(k) Plan up to the first 6% of the personal contribution.

A car allowance or company car.

In individual, unique circumstances, additional compensation to support an overseas assignment or travel to a residence away from the Company's offices.

The amount of this other compensation for our Named Executive Officers is presented in the column titled "All Other Compensation" under the "Summary of Executive Compensation Table" and the "Other Compensation Table."

Employment Agreements

None of our NEOs have a written employment agreement.

Stock Ownership Guidelines

The Company has adopted guidelines for stock ownership by our Senior Executives. For our Chief Executive Officer, the guideline is beneficial ownership of shares valued at three times base salary; for our Chief Financial Officer the guideline is beneficial ownership of shares valued at two times base salary; and, for all other Senior Executives, guideline beneficial ownership of shares having a value equal to one times base salary. Stock ownership includes shares held directly and shares beneficially held in the Company's ESOP, but does not include unexercised stock options or shares potentially payable under Incentive Awards. The Company annually reviews each executive's

progress towards achieving ownership equal to the ownership guidelines.

Consideration of Risk in Compensation

The Company believes placing substantial emphasis on long-term incentive compensation encourages executives to direct their efforts to promote the creation of long-term shareholder value and that promoting the creation of long-term value discourages behavior that leads to excessive risk. The Committee believes that the following features of our compensation programs provide incentives for the creation of long-term shareholder value and encourage high achievement by our executive officers without encouraging inappropriate or unnecessary risk taking:

We balance rewards for short and long-term decision making by providing both annual bonus compensation and long-term incentive compensation.

Our long-term incentives in the form of stock options become exercisable over a four-year period and remain exercisable for up to seven years from the date of grant.

Our long-term incentive compensation awards become payable only if, after completion of a multi-year period, actual performance over the period compared to pre-established performance goals justifies a payment.

Because of our stock ownership guidelines, officers and key employees require all executives to make progress towards owning stock equal to at least one times their base compensation, we believe our NEOs are less likely to expose the Company to inappropriate or unnecessary risks.

The financial metrics used in our incentive compensation programs are measures the Committee believes drive long-term shareholder value. Moreover, the Committee attempts to set ranges for these measures that encourage success without encouraging excessive risk taking to achieve short term results. In addition, all forms of incentive compensation specify a maximum amount that cannot exceed two times the target amount, no matter how much financial performance exceeds the ranges established at the beginning of the year.

2016 Options Exercised and Stock Vested

The following table sets forth information concerning stock awards that vested during 2016 for the Named Executive Officers. No options were exercised in 2016. Only Mr. Lacey had stock awards that vested in 2016.

POTENTIAL PAYMENTS UNDER CHANGE OF CONTROL

The Company has entered into Change of Control Agreements (“CIC Agreements”) with its NEOs other than Mr. Lacey and Mr. Fandrich, who do not currently have CIC Agreements. These CIC Agreements provide for payment of severance compensation if (A) there is a change in control of the Company and (B) within 24 months following this change of control, there is either (i) an involuntary termination of employment other than for cause, death, disability or retirement or (ii) a voluntary termination of employment for Good Reason (each a “Triggering Event”). Under the CIC Agreements, “Good Reason” includes a material diminution in the person’s base salary, duties or authority, or those of his immediate superior, or a material diminution in the budget over which the person has authority or a change in geographic location of the person’s job. The CIC Agreements include provisions requiring each executive to maintain confidentiality of information acquired during the period of employment, to refrain for a period of one year from competing with the Company or soliciting other Company employees to leave their employment with the Company and to provide a release of all claims against the Company in exchange for the benefit paid pursuant to the CIC agreement. In the event of a change in control, the Company’s LTI Plan provides for partial vesting and payment of unvested Incentive Awards and the Company’s Stock Option Plan provides for vesting of unvested stock options, in each case irrespective of whether or not a Triggering Event has occurred.

Assuming a change of control occurred on January 1, 2017, the following table presents amounts potentially payable to each of the Named Executive Officers, without and with a corresponding Triggering Event.

DIRECTOR COMPENSATION

The 2015 compensation of non-employee directors was as follows: (i) each director was paid an annual cash retainer of \$30,000; (ii) each director was issued an equity retainer of \$40,000 paid on the date of the 2016 Annual Meeting of Shareholders, paid in a combination of RSUs and stock options; (iii) the two committee chairs were each paid an additional \$20,000, 50% in cash and 50% in a combination of RSUs and stock options; (iv) each non-chair committee member was paid an additional \$10,000, 50% in cash and 50% in a combination of RSUs and stock options; (v) the non-executive Board Chair was paid an additional \$40,000, 50% in cash and 50% in a combination of RSUs and stock options; (vi) the Lead Governance Director was paid an additional \$10,000, 50% in cash and 50% in a combination of RSUs and stock options; and (vii) the Board Secretary was paid an additional \$40,000, 50% in cash and 50% in a combination of RSUs and stock options.

For 2016, the Board decreased cash and non-cash compensation for Board and Committee service. First, director cash compensation was reduced by 25%. Second, directors were issued stock options and RSUs in share numbers equal to those issued in 2015. Because the price of the Company's common stock was lower on the date of the 2016 Annual Meeting of Shareholders (\$6.33) than on the 2015 Annual Meeting of Shareholders (\$11.05), the 2016 equity grants had a lower value.

The following table presents the 2016 cash and dollar value of stock options and RSUs paid to each Company's non-employee Board member.

Name ⁽¹⁾	Fees Earned or Paid in Cash (\$)	Stock Awards (\$)⁽²⁾	Options Awards (\$)⁽²⁾	Total (\$)

Randall D. Sampson	33,750	15,743	7,439	56,932

⁽¹⁾In addition to compensation as directors, the named directors serve in differing roles for which

they receive separate compensation, including as a committee chair, committee member, Lead Governance Director and Board Secretary. See “The Board, Board Committees and Meetings” and “Board Leadership” above under “Corporate Governance.”

Values expressed represent the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 and Item 402(r)(2)(iv) of Regulation S-K, using the (2) assumptions discussed within Note 9 in the notes to the consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2016.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company's Board has adopted Governance Guidelines that include provisions with respect to conflicts of interest. These Guidelines describe "conflict of interest" as a situation in which a director's personal interest, including an immediate family member interest, is adverse to, or may appear to be adverse to, the interests of the Company. The Guidelines provide that any situation that involves, or may reasonably be expected to involve, a conflict of interest with the Company, must be disclosed promptly to the Chief Executive Officer, the Chairman, and the Company's primary legal counsel.

If the Company wishes to proceed with a transaction involving a potential conflict of interest, the Board would intend to seek prior approval from the Audit & Finance Committee to ensure the transaction is beneficial to the Company and the terms of the transaction are fair to the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

The Company's officers, directors and beneficial holders of 10% or more of the Company's securities are required to file reports of their beneficial ownership with the SEC on Forms 3, 4 and 5. To the Company's knowledge, based solely on a review of the copies of these reports furnished to the Company and written representations that no other reports were required, during the year ended December 31, 2016, all Section 16(a) filing requirements applicable to its officers, directors and 10% beneficial holders of 10% were complied with.

Shareholder Proposals for 2018 Annual Meeting

The proxy rules of the Securities and Exchange Commission permit shareholders of a company, after timely notice to the Company, to present proposals for shareholder action in the Company's proxy statement where the proposals are consistent with applicable law, pertain to matters appropriate for shareholder action and are not properly omitted by Company action in accordance with the Commission's proxy rules. The next annual meeting of the shareholders of Communications Systems, Inc. is expected to be held on or about May 24, 2018, and proxy materials in connection with that meeting are expected to be made available on or about April 11, 2018. The Bylaws of the Company establish an advance notice procedure with regard to (i) certain business to be brought before an annual meeting of shareholders of the Company and (ii) the nomination by shareholders of candidates for election as directors.

Properly Brought Business

The Bylaws provide that at the annual meeting only such business may be conducted as is of a nature that is appropriate for consideration at an annual meeting and has been either specified in the notice of the meeting, otherwise properly brought before the meeting by or at the direction of the Board of Directors, or otherwise properly brought before the meeting by a shareholder who has given timely written notice to the Secretary of the Company of the shareholder's intention to bring the business before the meeting. To be timely, the notice must be given by such

shareholder to the Secretary of the Company not less than 45 days or more than 75 days prior to a meeting date corresponding to the previous year's annual meeting. Notice relating to the conduct of the such business at an annual meeting must contain certain information as described in Section 2.9 of the Company's Bylaws, which are available for inspection by shareholders at the Company's principal executive offices pursuant to Section 302A.461, subd. 4 of the Minnesota Statutes. Nothing in the Bylaws precludes discussion by any shareholder of any business properly brought before the annual meeting in accordance with the Company's Bylaws.

Shareholder Nominations

The Bylaws provide that a notice of proposed shareholder nominations for the election of directors must be timely given in writing to the Secretary of the Company prior to the meeting at which directors are to be elected. To be timely, the notice must be given by the shareholder to the Secretary of the Company not less than 45 days or more than 75 days prior to a meeting date corresponding to the previous year's annual meeting. The notice to the Company from a shareholder who intends to nominate a person at the meeting for election as a director must contain certain information as described in Section 3.7 of the Company's Bylaws, which are available for inspection by shareholders as described above. If the presiding officer of a meeting of shareholders determines that a person was not nominated in accordance with the foregoing procedure, that person will not be eligible for election as a director.

Other Matters

Management knows of no other matters that will be presented at the meeting. If any other matters arise at the meeting, it is intended that the shares represented by the proxies in the accompanying form will be voted in accordance with the judgment of the persons named in the proxy.
