CITIZENS HOLDING COMPANY

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD TUESDAY, APRIL 22, 2003

This proxy statement is furnished to the shareholders of Citizens Holding Company, or the company, in connection with the solicitation of proxies by the board of directors, for use at the annual meeting of shareholders to be held at 3:30 p.m., Central time on Tuesday, April 22, 2003, at the company's main office, 521 Main Street, Philadelphia, Mississippi 39350, and any adjournments or postponements. This proxy statement and accompanying proxy card are first being distributed to our shareholders on or about March 21, 2003.

Proxy Solicitation

The board of directors is soliciting the enclosed proxy so that each shareholder has the opportunity to vote on the proposals presented at the annual meeting, whether or not the shareholder attends the meeting. When a proxy card is returned properly signed and dated, the shares represented by the proxy will be voted in accordance with the instructions on the card at the annual meeting, including any adjournments or postponements. If the proxy card is signed but no instructions are given, the shares represented by the proxy will be voted at the annual meeting and any adjournments or postponements:

- (1) "FOR" setting the number of directors to serve on the board at twelve;
- (2) "FOR" the election of nominees Don L. Fulton, Donald L. Kilgore, Herbert A. King and David P. Webb as Class I directors; and
- (3) "FOR" the approval of the appointment of Horne CPA Group as the company's independent accountants for the fiscal year ending December 31, 2003.

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

The proxy card gives the individuals named as proxies discretionary authority to vote the shares represented by the proxy on any matter other than the proposals that is properly presented for action at the annual meeting.

A shareholder who gives a proxy may revoke it at any time before it is voted by giving written notice to the secretary of the company before the annual meeting, by granting a subsequent proxy or if the shareholder, rather than his or her broker, is a record holder of our stock, by appearing in person and voting at the annual meeting.

1

The company generally bears all costs of soliciting proxies. The company has retained and pays a fee to American Stock Transfer and Trust Company to act as its registrar and transfer agent and to assist it in the solicitation of proxies, but the company pays no identifiable compensation for the solicitation of proxies. Directors, officers and employees of the company, who will receive no compensation for their services, may solicit proxies by telephone, mail, facsimile, via the Internet or overnight delivery service.

Record Date and Voting Rights

The board of directors has fixed the close of business on Friday, March 14, 2003, as the record date for the annual meeting. Only shareholders of record on that date are entitled to notice of and to vote at the annual meeting. As of March 14, 2003, the company's only outstanding class of securities was common stock, \$.20 par value per share. As of March 14, 2003, the company had 22,500,000 shares authorized, of which 4,974,578 shares of common stock were issued and outstanding.

This proxy provides the opportunity for shareholders to specify approval, disapproval, or abstention for the following proposals:

- (1) A proposal to set the number of directors to serve on the board at twelve;
- (2) The election of four Class I directors to serve until the expiration of their respective three-year term or until their successors are elected and qualified; and
- (3) The appointment of Horne CPA Group as the company's independent accountants for the fiscal year ending December 31, 2003.

A majority of the votes entitled to be cast at the annual meeting constitutes a quorum. A share, once represented for any purpose at the annual meeting, is deemed present for purposes of determining a quorum for the remainder of the meeting and for any adjournment, unless a new record date is set for the adjourned meeting. This is true even if the holder of the share abstains from voting with respect to any matter brought before the annual meeting.

Shareholders are entitled to one vote for each share held, which may be given in person (if the shareholder, rather than his or her broker, is the record holder of our stock) or by proxy, except that shareholders may cumulate their votes in the election of directors. Cumulative voting entitles a shareholder to give one nominee a number of votes equal to the number of directors to be elected multiplied by the number of shares held by that shareholder, or to distribute the total votes, computed on the same principle, among as many nominees for election as directors as the shareholder chooses. For

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

example, if the number of directors to be elected is four, a shareholder owning ten shares may cast ten votes for each of four nominees, cast forty votes for one nominee, or allocate the forty votes among several nominees. Directors are elected by plurality vote, thus, the candidates receiving the highest number of votes cast, up to the number of directors to be elected, are elected.

2

For all matters brought before the annual meeting, other than the election of directors, each proposal or other matter is approved if the votes cast favoring the proposal or other matter exceed the votes cast opposing the proposal or other matter.

Under Mississippi law and the company's articles of incorporation and bylaws, an abstention by a shareholder who is either present in person at the annual meeting or represented by proxy is not a vote "cast" and is counted neither "for" nor "against" the matter subject to the abstention. Broker non-votes on matters are treated as shares as to which voting power has been withheld by the beneficial holders of those shares and therefore, as shares not entitled to vote.

(1) This is the year the director was elected to the board of directors of The Citizens Bank of Philadelphia. These directors were all elected to the board of the company at the time it was formed in 1982.

Meetings and Committees of the Board of Directors

The board meets monthly, generally in a joint session with the board of directors of The Citizens Bank of Philadelphia, the bank. During the fiscal year ended December 31, 2002, the board met fourteen times. There were twelve regular

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

monthly meetings and two special meetings. Each director attended at least 75% of all meetings held by the board and the committees on which he served. The board, among other things, (1) approves remuneration arrangements for executive officers of the company, (2) reviews compensation plans relating to executive officers and directors, (3) determines other benefits under the company's compensation plans, and (4) performs general reviews of the company's employee compensation policies. Any director who also serves as an executive officer of the company or the bank, does not participate in any board determination regarding salaries and other compensation for executive officers.

The board has established an audit committee. The board has not formally established a compensation committee and a nominating committee; however, the full board generally performs the functions of these committees. The board of directors will consider nominees recommended by shareholders provided that such nominations are made in writing and delivered or mailed to the President of the company not less than 14 nor more than 50 days prior to the annual meeting at which the election of directors is to be held. The board of the bank also maintains a trust and loan committee.

Karl Brantley, Don L. Fulton, and Herbert A. King are the members of the audit committee. Each member of the audit committee is an "independent director" as defined in Section 121(A) of the American Stock Exchange's listing standards. The audit committee operates under a written charter adopted by the board of directors on February 22, 2000. The audit committee is responsible for compensation and oversight of the company's independent auditors, monitoring the integrity of the company's financial reporting process and system of internal controls, monitoring the independence and performance of the company's independent auditors, reviewing and the establishment of internal policies and procedures regarding audits, accounting and other financial controls, pre-approving all auditing services provided by the company's independent auditors, and providing an avenue of communication among the company's independent auditors, management and the board of directors. The audit committee is also responsible for appointing an independent accounting firm to be engaged as the company's independent auditors. During 2002, the audit committee held four meetings.

Compensation of the Board of Directors

During 2002, each director of the company received an annual retainer of \$11,100, a year-end bonus of \$925 and an additional \$125 for each board meeting attended. Directors that serve on the loan committee received an additional \$50 per month and an additional \$50 year-end bonus.

The company maintains a stock option plan for the benefit of nonemployee directors, the 1999 Directors' Stock Compensation Plan. During 2002, each nonemployee director was granted options to purchase 1,500 shares of common stock, at an exercise price of \$15.00 per share, which

5

is the fair market value of the stock on the date of grant. The options become exercisable six months following the date of grant.

Directors may elect to participate in the Directors' Deferred Fee Plan maintained by the bank. A participating director may elect to defer all or part of his director fees for a ten-year period. Benefits are equal to the amount credited to each director's individual account, including deferred fees and interest at a stated rate based upon the Moody's Average Corporate Bond Rate. Benefits are generally payable when a director ceases to serve on the board or attains age 70. The company has elected to purchase individual life insurance

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

policies to fund its obligation under the plan.

PROPOSAL I: NUMBER OF DIRECTORS TO BE ELECTED

The company's articles of incorporation provide for a board of directors consisting of not less than nine nor more than twenty-five directors. The company's shareholders set the actual number of directors to serve on the board each year at the annual meeting. The board of directors currently consists of twelve directors divided into three classes, with members of each class elected for a three-year term. The terms of the three classes are staggered in a manner so that only one class is elected by the shareholders annually.

A proposal that the number of directors to serve for the ensuing year remain fixed at twelve will be submitted for vote by the shareholders at the annual meeting. If this proposal is approved by the affirmative vote of the holders of a majority of the shares of common stock voted at the annual meeting, four Class I directors will be elected, each to serve a three year-term. If this proposal is not approved and the number of directors to serve on the board is not set by the shareholders at the annual meeting, the number of directors to serve on the board will remain at twelve as fixed at the 2002 annual meeting and four Class I directors will still be elected, each to serve a three-tear term.

Vote Required and Board Recommendation

The affirmative vote by the holders of a majority of the shares of common stock voted at the annual meeting is required to approve the proposal to set the number of directors to serve on the board at twelve.

Shares represented by a properly signed and dated proxy card will be voted in accordance with the instructions on the card at the annual meeting. If the proxy card is signed but no instructions are given with respect to setting the number of directors to serve on the board, the proxy holders will vote the proxies received by them for setting the number of directors to serve on the board at twelve.

The board of directors unanimously recommends a vote "FOR" setting the number of directors to serve on the board at twelve.

6

PROPOSAL II: ELECTION OF CLASS I DIRECTORS

Four Class I directors will be elected at the annual meeting to each serve a three-year term. The board has nominated Don L. Fulton, Donald L. Kilgore, Herbert A. King and David P. Webb for election as Class I directors to serve until the 2006 annual meeting or until their successors are duly elected and qualified. Don L. Fulton, Donald L. Kilgore, Herbert A. King and David P. Webb are currently Class I directors of the company and have been nominated for re-election as Class I directors.

Vote Required and Board Recommendation

For the election of directors, shareholders are entitled to four votes for each share held and may cumulate votes. Directors are elected by plurality vote. Thus, the four Class I nominees receiving the highest number of votes cast will be elected to serve as Class I directors.

Shares represented by a properly signed and dated proxy card will be voted in accordance with the instructions on the card at the annual meeting. If the proxy card is signed but no instructions are given with respect to the election

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

of directors, the proxy holders will vote the proxies received by them for the nominees listed above, and reserve the right to cumulate votes and distribute them among the nominees, in their discretion. If for any reason one or more of the nominees named above is not available as a candidate for director, an event that the board of directors does not anticipate, the proxy holders will vote, in their discretion for another candidate or candidates nominated by the board. If shareholders attending the annual meeting cumulate their votes such that all of the nominees above cannot be elected, the proxy holders will cumulate votes to elect as many of the nominees listed above as possible.

The company's board of directors unanimously recommends a vote "FOR" the election of each of the nominees for Class I director of the board of directors.

The company has reserved for grant or issuance under the plan shares of common stock not to exceed 7% of the company's issued and outstanding common stock, as determined from time to time, or 348,220 shares as of December 31, 2002. As of December 31, 2002, grants representing 65,450 shares of the company's common stock have been awarded under the plan.

The following table presents information on the stock option grants that were made under the plan during the fiscal year ended December 31, 2002 to the named executive officers.

Change in Control Agreement

The bank has entered into a change in control agreement with Greg L. McKee, effective as of January 1, 2003. The change in control agreement provides that in the event there is a change in control, then Greg L. McKee will be paid an amount equal to 2.99 times Greg L. McKee's average annual compensation for the five calendar years immediately preceding the year in which the change in control occurs. The payment would be made in 12 equal monthly installments commencing on the first business day of the month next following the date of the change in control. Based on the current compensation level of Greg L. McKee, the

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

aggregate amount of payments to be made over a one-year period would be \$273,473. The term "change in control" generally includes the following events:

- .. Any person or group becomes the direct or indirect beneficial owner of more than 50% of the bank's outstanding voting stock;
- .. As a result of a merger or consolidation of the bank, less than 50% of the surviving corporation's outstanding voting securities are owned by the Company;
- .. A transfer of substantially all of the property of the bank other than to an entity in which the bank owns at least 50% of the voting stock; or
- .. The majority of the bank's board of directors changes without recommendation or approval of a majority of the incumbent board.

Report on Executive Compensation

The company has not established a separate compensation committee. Instead, the board is responsible for setting the compensation of executive officers, developing executive benefit plans, and establishing other employee benefit plans or programs for the benefit of the company's executive

12

officers. Steve Webb and Greg L. McKee, the sole members of the board who are also employees of the company or the bank, do not participate in determinations affecting executive compensation, but do make recommendations to the board with respect to the amount and form of executive compensation.

Determinations of the board are primarily made on the basis of industry and peer group standards and regional and national economic considerations. The board relies upon external legal counsel, when needed from time to time, and upon survey data produced by independent third parties.

The company's executive compensation program consists of three components: base salary, short-term incentives, and long-term equity-based incentives. The board sets executive base salary at levels somewhat below the average of regional, competitive peer banks. Base salary is reviewed annually and is subject to adjustment based upon individual performance and changes in the regional competitive market. Based upon these standards, the board set the base salary for Steve Webb during 2002 at \$150,000. Base salary amounts for other executives and company employees are set competitive with market rates.

Executives and employees are eligible to receive annual bonuses. Such bonuses are awarded based upon recommendations made to the board by the Chief Executive Officer of the company, subject to approval in the board's discretion. Recommendations are generally based upon individual performance and the company's performance. There are no preestablished performance goals or objectives. The board awarded a bonus for services rendered in 2002 to Steve Webb in the amount of \$35,000.

The company has established a long-term incentive plan, called the 1999 Employees' Long-Term Incentive Plan, which was first effective as of January 1, 1999 and was approved by the company's shareholders. The plan permits the grant of stock options and restricted stock. During 2002, Steve Webb was granted incentive options to acquire 1,500 shares of company common stock. The grant was made in recognition of his service as a member of the company's board of directors. The option exercise price is the fair market value of company common stock on the date of grant and the options are first exercisable six months

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

following the date of grant.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits to \$1 million in a taxable year the deduction a company may claim for compensation paid to its chief executive and four other highest paid officers, unless certain performance-based conditions are met. The board has reviewed this provision and does not anticipate the payment of any compensation to an executive officer that would be affected by the limit.

The board believes that base salary levels and other short and long-term incentives are reasonable and sufficiently competitive. The board further believes that the degree of performance sensitivity in the compensation program is reasonable, taking into consideration the historical practices of the company and the bank and the interests of its shareholders.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the board of directors who participate in deliberations of the board of directors concerning executive officer compensation are set forth above. None of these individuals is a former officer of the company or any of its subsidiaries.

Indebtedness of Related Parties

Certain directors and officers of the company, businesses with which they are associated, and members of their immediate families are customers of the bank and have had transactions with the bank in the ordinary course of the bank's business. The indebtedness (including unfunded commitments) of the directors, officers and related parties, to the bank was equal to 4.5% of the company's shareholders' equity as of December 31, 2002. This indebtedness comprised 0.8% of the total currently outstanding loans net of unearned interest made by the bank as of December 31, 2002. In the opinion of the board of directors, such transactions were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and do not involve more than the normal risk of collectibility or present other unfavorable features.

Interests of the Board of Directors

For the past several years, the company has employed the legal services of Phelps Dunbar LLP, of which Mr. David Webb, a current director of the company and bank, is a partner. Phelps Dunbar LLP has represented the company in various legal areas, including tax audits, employee benefits, civil lawsuit defense and general corporate law. The company expects that the firm will continue to represent the company in similar matters in the future.

bank holding companies for the company's reporting period. The graph assumes that the value of the investment in the company's common stock and each index was \$100 at October 19, 1999 (the date trading of the common stock began on the American Stock Exchange) and that all dividends were reinvested. All information relating to the company's common stock in the performance graph has been adjusted to give effect to the three-for-two stock split of the company's common stock effective January 2, 2002.

PROPOSAL III: APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Horne CPA Group, independent certified public accountants, has served as

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

auditor of the company since December 31, 1998. The board of directors, upon recommendation of the audit committee, has appointed Horne CPA Group to serve as auditor for the fiscal year ending December 31, 2003. Although the appointment of an independent auditor does not require approval by the shareholders, the board of directors has chosen to submit its selection for ratification by the shareholders. The board of directors, however, reserves the right to change independent auditor at any time, notwithstanding shareholder approval. A representative of Horne CPA Group is expected to attend the annual meeting. If present, the representative will have the opportunity to make a statement and will be available to respond to appropriate questions.

Fees billed by Horne CPA Group for professional services rendered for the fiscal year ending December 31, 2002 were as follows:

Audit Fees - Audit fees of Horne CPA Group for audit of the company's annual financial statements and the review of those financial statements included in the company's reports on Form 10-Q are estimated to be \$75,000.

Financial Information Systems Design and Implementation Fees - Horne CPA Group did not render any financial information systems design and implementation services for the company during the fiscal year ending December 31, 2002.

All Other Fees - Aggregate fees billed to the company by Horne CPA Group for all other services rendered for the fiscal year 2002 totaled approximately \$22,500. These fees relate to general consultation, tax services and employee benefit plan audit fees.

The audit committee has considered the compatibility of the non-audit services provided by Horne CPA Group with maintaining Horne CPA Group's independence.

16

Vote Required and Board Recommendation

The affirmative vote by the holders of a majority of the shares of common stock voted at the annual meeting is required for the ratification of the appointment of the independent accountants.

Shares represented by a properly signed and dated proxy card will be voted in accordance with the instructions on the card at the annual meeting. If the proxy card is signed but no instructions are given with respect to the ratification of the appointment of the independent accountants, the proxy holders will vote the proxies received by them for ratification of the appointment of Horne CPA Group as the company's independent accountants for the fiscal year 2003.

The board of directors has unanimously approved the appointment of Horne CPA Group as independent accountants and recommends a vote "FOR" ratification of the appointment of Horne CPA Group as the company's independent accountants for the fiscal year 2003.

Report of the Audit Committee

The audit committee oversees the company's financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements of the company for the year ended

Edgar Filing: CITIZENS HOLDING CO /MS/ - Form DEF 14A

December 31, 2002, with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality of the company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards including, without limitation, the matters required to be discussed by SAS 61 (Codification of Statements of Auditing Standards, AU (S)380). In addition, the committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees), has discussed with the independent auditors the auditors' independence from management and the company, and has considered the compatibility of non-audit services with the auditors' independence.

The committee discussed with the company's internal and independent auditors, the overall scope and plans for their respective audits. The committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the company's internal controls, and the overall quality of the company's financial reporting. The committee held 4 meetings during 2002.

17

In reliance on the reviews and discussions referred to above, the committee recommended to the board of directors (and the board has approved) that the audited financial statements be included in the company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.
