Edgar Filing: SPECTRUM CONTROL INC - Form 8-K

On October 15, 2004, Spectrum Control, Inc. ("Spectrum") entered into an asset purchase agreement with REMEC, Inc., a California corporation ("REMEC"), to acquire substantially all of the assets and certain of the liabilities of REMEC's RF and microwave components business unit ("CBU"). REMEC is a designer and manufacturer of high frequency subsystems used in the transmission of voice, video and data traffic over wireless communications network and space and defense electronics applications. CBU, based in Palm Bay, Florida, designs and manufactures RF and microwave components for military, aerospace and commercial wireless markets. Under the terms of the asset purchase agreement, Spectrum agreed to purchase substantially all of the assets and assume certain liabilities of CBU for an aggregate purchase price of \$8,000,000. In addition to the purchase price, Spectrum agreed to make up to two additional payments contingent upon CBU achieving certain customer order rates during the fourth calendar quarter of 2004 and the first calendar quarter of 2005. These additional contingent payments, if the required targets are met, will be equal to 50% of the amount by which the aggregate gross sales price for bona fide accepted customer orders during the applicable quarter exceeds \$2,500,000. The assets acquired under the asset purchase agreement include inventories, equipment and certain intellectual property located in both Palm Bay, Florida and Milpitas, California, and certain real property and improvements located in Palm Bay, Florida. The terms of the asset purchase agreement, including the consideration paid by Spectrum, were determined in arm's length negotiations between Spectrum and REMEC. A copy of the asset purchase agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated by reference herein.

Concurrently with the execution and delivery of the asset purchase agreement, Spectrum completed the acquisition of substantially all of the assets of CBU and assumed certain of its liabilities. The initial purchase price was paid in cash from Spectrum's working capital. On October 15, 2004, Spectrum issued a press release announcing the closing of the transaction. A copy of the press release is filed as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.
