### Item 3. Source and Amount of Funds or Other Consideration

GL Asia Limited purchased (1) 8,627,755 Series C redeemable convertible preferred shares of the Issuer for consideration of \$20 million under a Series C Preferred Shares Purchase Agreement, dated July 20, 2007 and amended September 4, 2007, and (2) 12,972,159 Series D redeemable convertible preferred shares of the Issuer for consideration of \$50 million under a Series D Preferred Shares Purchase Agreement, dated August 29, 2008. All of the issued and outstanding Series C and Series D redeemable convertible preferred shares automatically converted into Class B Ordinary Shares, par value \$0.0001 per share (the "Class B Ordinary Shares") of the Issuer upon completion of the Issuer's initial public offering on August 4, 2010. All the funds required to acquire such shares were obtained from the working capital of GL Asia Limited.

### Item 4. Purpose of the Transaction

On April 23, 2013, GL Asia Limited sent a letter (the "Shareholder Letter") to each member of the board of directors of the Issuer to express serious concerns regarding alarming public reports of allegations of financial improprieties and wrongful conduct and to notify each such director that it has filed a petition in the Grand Court of the Cayman Islands (the "Petition") seeking various forms of relief, including, in the absence of other adequate relief, the winding-up of the Issuer. The Petition also seeks the immediate appointment of independent provisional liquidators to take control of the Issuer, investigate the business and affairs of the Issuer and its senior management and protect the interests of the Issuer's shareholders. The Shareholder Letter also demands that the Issuer promptly hold an annual general meeting of shareholders to replace the entire board of directors, which election would allow a new, un-conflicted board of directors to investigate, without further impediments, the financial impropriety and wrongful conduct allegations, thereby allowing the Issuer to continue to grow and unlock shareholder value. If such general meeting were to be held, the Reporting Persons intend to nominate one more persons to the Issuer's board of directors.

The foregoing summary of the Shareholder Letter and Petition is qualified in its entirety by reference to the full text of the Shareholder Letter and Petition, respectively. The Shareholder Letter and Petition are attached hereto as Exhibits 1 and 2, respectively, and are incorporated into this Item 4 by reference in their entirety.

The Reporting Persons reserve the right, from time to time, to formulate additional plans or proposals that relate to or would result in the occurrence of any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons intend to evaluate the Issuer, the Issuer's response to the Shareholder Letter and Petition, and review their holdings of Class B Ordinary Shares on a continuing basis and may in the future take such actions with respect to their investment in the Issuer as they deem appropriate. Such actions include, without limitation: (i) increasing or decreasing their position in the Issuer; (ii) seeking to acquire or influence control of the Issuer, the means of which may include seeking representation on the board of the Issuer; (iii) undertaking an extraordinary corporate transaction or (iv) taking any other action to protect or enhance shareholder value. The information set forth in this Item 4 is subject to change at any time, and there can be no assurances that any of the Reporting Persons will or will not take any of the actions described above.

Item 5. Interest in Securities of the Issuer

(a) Each of the Reporting Persons is the beneficial owner of 21,599,914 Class B Ordinary Shares. Each of the Reporting Persons is also deemed to be the beneficial owner of the same number of Class A Ordinary Shares because the Class B Ordinary Shares are convertible at any time at the election of the holder on a one-for-one basis into Class A Ordinary Shares. Each Class B Ordinary Share is entitled to ten (10) votes per share and each Class A Ordinary Share is entitled to one (1) vote per share at a general meeting of the shareholders of the Issuer. The Reporting Persons currently hold 21.6% of the voting power of the Issuer. If all of the Class B Ordinary Shares were converted into Class A Ordinary Shares, the Reporting Persons' percentage ownership of all Class A Ordinary Shares would be 14.6%. The percentages set forth above are calculated based on information contained in the Issuer's Form 20-F for the fiscal year ended December 31, 2011, which disclosed that there were 53,412,913 Class A Ordinary Shares and 94,629,868 Class B Ordinary Shares outstanding as of March 31, 2012.

(b) The Reporting Persons have sole power to vote or direct the vote and sole power to dispose or to direct the disposition of the Shares.

(c) None.

(d) No person other than the Reporting Persons is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale, of the shares of Class A Ordinary Shares covered by this Statement.

(e) Not applicable.

#### Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

On September 8, 2008, GL Asia Limited entered into that certain Third Amended and Restated Investor Rights Agreement, by and among the Issuer and certain other holders of the Issuer's securities (the "Investor Rights Agreement"). While most of the provisions of the Investor Rights Agreement terminated upon or shortly after the initial public offering of the Issuer in August 2010, certain limited provisions continue to survive, including Section 8.1 of the Investor Rights Agreement, pursuant to which the Issuer has agreed to, among other things, develop policies and procedures that are in accordance with good corporate governance, including the adoption of policies and procedures relating to appropriate internal controls, changes in/cessation of business operations or dissolution, auditors and accounting policies, share option granting policy and approval procedures and related party transactions.

Except as otherwise described herein and the agreements incorporated herein by reference and set forth as exhibits hereto, to the best knowledge of the Reporting Persons, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer, including but not limited to, transfer or voting of any of the securities of the Issuer, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, or a pledge or contingency the occurrence of which would give another person voting power over the securities of the Issuer.

The foregoing summary of the Investor Rights Agreement is qualified in its entirety by reference to the full text of the Investor Rights Agreement. The Investor Rights Agreement is attached hereto as Exhibit 3 and is incorporated into this Item 6 by reference in its entirety.
