**Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION**

Funds for the purchase of the Common Shares were derived from the subscription proceeds from investors and the capital appreciation thereon and margin account borrowings made in the ordinary course of business. In such instances, the positions held in the margin accounts are pledged as collateral security for the repayment of debit balances in the account, which may exist from time to time. Since other securities are held in the margin accounts, it is not possible to determine the amounts, if any, of margin used to purchase the Common Shares reported herein. A total of approximately \$66,434,016 was paid to acquire the Common Shares reported herein.

**Item 4. PURPOSE OF TRANSACTION**

The Reporting Persons acquired the Common Shares to which this Schedule 13D relates in the ordinary course of business for investment purposes because they believe that the Common Shares are undervalued and represent an attractive investment opportunity.

On March 30, 2019, Saba Capital submitted to the Issuer a notice informing the Issuer of its intention to (i) present a proposal requesting the board of directors of the Issuer (the "Board") take all necessary steps (other than any steps that must be taken by shareholders) in its power to declassify the Board so that directors are elected on an annual basis starting at the next annual meeting of shareholders; such declassification shall be completed in a manner that does not affect the unexpired terms of the previously elected directors, and (ii) nominate the following four persons—Thomas H. McGlade, Stephen J. Flanagan, Frederic Gabriel and Jassen Trenkow—for election to the Board at the 2019 annual meeting of shareholders. The foregoing description of the Proposal is qualified in its entirety by the full text of the Proposal, a copy of which is attached as Exhibit 2 hereto and incorporated by reference herein.

The Reporting Persons may engage in discussions with management, the Board, other shareholders of the Issuer and other relevant parties, including representatives of any of the foregoing, concerning the Reporting Persons' investment in the Common Shares and the Issuer, including, without limitation, matters concerning the Issuer's business, operations, board

The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the outcome of any discussions referenced above, the Issuer's financial position and strategic direction, actions taken by management or the Board, price levels of the Common Shares, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate, including, without limitation, purchasing additional Common Shares or selling some or all of their Common Shares, engaging in short selling of or any hedging or similar transactions with respect to the Common Shares and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or additional proposals with respect to their investment in the Common Shares.

## **EXHIBIT 2**

### **Proposal**

#### **Information about the Proposal**

The Record Holder intends to submit, for a shareholder vote at the Annual Meeting, the following proposal described below. Other than as described below or elsewhere in this Notice, neither the Record Holder nor any other Participant has any material interest in the Proposal. The reason that the Record Holder intends to submit the Proposal for consideration at the Annual Meeting is because it wants to ensure that the Fund improves its corporate governance practices.

#### ***Proposal***

The following is the text of the proposed resolution:

RESOLVED, that the shareholders of BlackRock Credit Allocation Income Trust (the “Fund”) request that the Board of Directors of the Fund (the “Board”) take all necessary steps (other than any steps that must be taken by shareholders) in its power to declassify the Board so that directors are elected on an annual basis starting at the next annual meeting of shareholders. Such declassification shall be completed in a manner that does not affect the unexpired terms of the previously elected board members.

#### ***Supporting Statement***

We believe the annual election of all board members encourages board accountability to its shareholders and when board members are held accountable for their actions, they perform better. This view is shared by most shareholders and institutional investors, who believe it to be the standard for corporate governance best practices. The vast majority of companies in the S&P 500 and Russell 1000 indexes elect all board members annually.

Currently, the Board is divided into three classes serving staggered three-year terms. It is our belief that the classification of the Board is strong proof that the Board is not acting in the best interests of shareholders. A classified board protects the incumbents, which in turn limits accountability to shareholders.

We are committed to improving the corporate governance of the Fund for the benefit of all shareholders. Declassification of the Board is a positive step which will allow more productive shareholder engagement and will help the Fund achieve its optimal valuation.

Saba has submitted a shareholder proposal to declassify the Board of the Fund, in an attempt to allow the Board to operate freely and in the best interest of shareholders.

For a greater voice in the Fund's corporate governance and to increase the accountability of the Board to shareholders, we urge you to vote **FOR** this proposal.
