I. Company Press Release

CNOOC Ltd. Acquired a Stake in Canada-Based MEG Energy

(Hong Kong, April 8, 2005) - CNOOC Limited (the "Company" or "CNOOC Ltd."; NYSE "CEO", SEHK "883") today announced that the Company, through its wholly owned subsidiary CNOOC Belgium BVBA, has signed an agreement with a Canada based company, MEG Energy Corp. ("MEG") to acquire a 16.69% stake in MEG. The Company paid 150 million Canadian dollars for the stake.

The Company acquired 13,636,364 common shares of MEG, representing a 16.69% stake at the close of the transaction.

Based in Calgary Canada, MEG is a pure play oil sands company, owning 100% working interest in oil sand leases of 52 contiguous sections (32,900 acres) in Alberta. It is estimated that there are over four billion barrels of bitumen in place, with a total recoverable reserves of about two billion barrels.

"I am excited with our low cost entry into oil sands, gaining a footstep in this potential area. Lower operating costs and higher recoveries resulting from recent advances in technologies have made many similar projects economically viable." Commented Mr. Yang Hua, Chief Financial Officer and Senior Vice President of the Company.

According to The Alberta Energy & Utilities Board, the total bitumen volume in place in Alberta is approximately 1.6 trillion barrels, over 300 billion barrels of which are expected to be recoverable with current technology.

"The investment hits on our focus on long-term growth. At the same time, this move provides a good chance for us to exploit the advanced technology and expertise of oil sand development. These skills may help facilitate the exploitation of oil sand and shale in China, where large reserves of oil sand and shale were found in recent years." Mr. Fu Chengyu, Chairman and CEO of the Company, said.

The Existing General Mandates will lapse at the conclusion of the Annual General Meeting Accordingly, new general mandates to issue securities and to repurchase Shares, respectively, as set out as ordinary resolutions in the notice of the Annual General Meeting, are now proposed to be granted. The Directors, at the date hereof, have no immediate plans to repurchase any existing Shares or to issue any new securities pursuant to the relevant mandates.

The explanatory statement required by the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") to be sent to the shareholders of the Company (the "Shareholders") in connection with the proposed general mandate to issue securities and repurchase shares is set out in Appendix I to this document. Edgar Filing: CNOOC LTD - Form 6-K

117 of the annual report of the Company for the year ended 31st December 2004.

There is no Shareholder that is materially interested in the proposed resolutions regarding the general mandates to issue securities and repurchase Shares and therefore none of the Shareholders is required to abstain from voting in respect of such resolutions.

Pursuant to the Articles of the Company, at any general meeting of the Company a resolution put to the

5

APPENDIX I

EXPLANATORY NOTES TO REPURCHASE MANDATE

GENERAL MANDATE TO ISSUE SECURITIES AND REPURCHASE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed giving the Directors a general and unconditional mandate (the "Repurchase Mandate") to exercise all the powers of the Company to repurchase on the Stock Exchange of Hong Kong Limited (the "Stock Exchange") the issued and fully paid Shares. Under such mandate, the number of Shares that the Company may repurchase shall not exceed 10 per cent. of the existing issued share capital of the Company on the date of passing the resolution.

Edgar Filing: CNOOC LTD - Form 6-K

Shareholders should note that the Repurchase Mandate covers purchases made only during the period ending on the earliest of the date of the next annual general meeting of the Company, the date by which the next annual general meeting of the Company is required to be held by its Articles or any applicable laws and the date upon which such authority is revoked or varied.

On 8th April 2005 being the latest practicable date before printing of this document for ascertaining certain information for the purpose of inclusion in this document ("Latest Practicable Date"), 41,053,908,675 Shares were in issue and fully paid. Assuming that there are no changes from the Latest Practicable Date to the date of the Annual General Meeting in the Company's issued and fully paid share capital, the maximum number of Shares that may be repurchased by the Company pursuant to the Repurchase Mandate will be 4,105,390,867.

DIRECTORS AND CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of their associates has a present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

No persons who are connected persons (that is the director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their associates (as defined in the Listing Rules)) have notified the Company that they have a present intention to sell Shares to the Company or have undertaken not to sell any of the Shares held by them to the Company, in the event that the Company is authorised to make purchases of Shares, on the Stock Exchange.

DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and all applicable laws of Hong Kong and in accordance with the regulations set out in the Company's Memorandum and Articles of Association.

EFFECT OF THE HONG KONG CODE ON TAKEOVERS AND MERGERS

If as a result of a repurchase of Shares by the Company, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Hong Kong Code on Takeovers and Mergers (the "Takeovers Code"). As a result, a shareholder, or a group of shareholders acting in concert, depending on the level of increase of its or their shareholding, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the immediate controlling shareholder of the Company, CNOOC (BVI) Limited ("CNOOC BVI"), was recorded in the register required to be kept by the Company under section 336(1) of the Securities and Futures Ordinance as having an interest in 28,999,999,995 Shares, representing approximately 70.64 per cent. of the issued share capital of the Company as at that date. CNOOC BVI is a wholly owned subsidiary of Overseas Oil & Gas Corporation, Ltd., which in turn is a wholly owned subsidiary of China National Offshore Oil Corporation. If the Repurchase Mandate is exercised in full, CNOOC BVI will be interested in approximately 78.49 per cent. of the reduced issued

APPENDIX I

EXPLANATORY NOTES TO REPURCHASE MANDATE

share capital of the Company. Regardless of such an increase in shareholding, CNOOC BVI would not become obliged to make a mandatory offer for all securities not already owned by it or its concert parties under Rule 26 of the Takeovers Code.

PUBLIC FLOAT

The Directors do not have a present intention to exercise the Repurchase Mandate to such extent, causing the public float of the securities of the Company to fall below 25 per cent..

LISTING RULES FOR REPURCHASE OF SHARES

Reasons for Repurchase

The Directors consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchases when appropriate and beneficial to the Company and its shareholders. Such purchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share.

Source of Funds

Repurchases must be made from internal resources, borrowings and/or other funds legally available for the purpose in accordance with the Company's Memorandum and Articles of Association, the Listing Rules and applicable laws and regulations in Hong Kong.

On the basis of the consolidated financial position of the Company as at 31st December 2004 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position and gearing ratio of the Company and the number of Shares in issue, the Directors consider that there will not be a material impact on the working capital or the gearing position of the Company in the event that the proposed purchases were to be carried out in full at any time during the proposed repurchase period. No purchase would be made in circumstances that would have a material adverse impact on the working capital of the Company (as compared with the position disclosed in the latest published audited financial statements) unless the Directors consider that such purchases were in the best interests of the Company.

SHARE REPURCHASE MADE BY THE COMPANY

The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

GENERAL

During each of the twelve months preceding the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:
