PROXY CIRCULAR

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

SOLICITATION OF PROXIES; RECORD DATE

Management and the Board of Directors of Cott Corporation ("Cott") are soliciting your proxy to vote your shares at the 2003 annual meeting of Cott shareowners, which will be held on April 17, 2003 at the Toronto Stock Exchange, The Exchange Tower, 130 King Street West, Toronto, Ontario, Canada, at 8:30 a.m. local time.

Owners of Cott common shares as of record at the close of business on March 7, 2003 will be entitled to vote at the meeting. Shares acquired after that date carry the right to vote at the meeting if the holder can provide proof of ownership and has notified the Secretary of Cott in writing at least ten days before the meeting.

This Proxy Circular and the accompanying Proxy are being mailed to Cott shareowners on or about March 17, 2003. Proxies are solicited to give all shareowners of record an opportunity to vote on matters that will be presented at the annual meeting. The solicitation will be primarily by mail, but may also be made by telephone, or personal contact by employees of Cott. Cott will pay solicitation costs.

APPOINTMENT OF PROXIES

The persons named in the Proxy are directors or officers of Cott. You may appoint a person, other than Cott's directors or officers, to represent you at the meeting. To do so, insert your appointee's name in the space provided in the Proxy and strike out the other names, or complete another proper Proxy. In either case, deliver the Proxy before the meeting or any continuation of the meeting after an adjournment of the meeting to Computershare Trust Company of Canada, 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1 -- Attention: Secretary of Cott Corporation.

REVOCACTION OF PROXIES

You can revoke your proxy in any manner permitted by law. This includes delivering a written statement signed by you (or by an attorney authorized by you in writing) to Cott Corporation at 207 Queen's Quay West, Suite 340, Toronto, Ontario, Canada M5J 1A7 -- Attention: Secretary, before the meeting or giving it to the Chairman of the meeting at the meeting or any continuation of the meeting after an adjournment of the meeting.

CONFIDENTIALITY OF VOTE

Computershare Trust Company of Canada counts and tabulates proxies in a manner that preserves the confidentiality of your votes. Proxies will not be submitted to management unless: (a) there is a proxy contest; (b) the Proxy contains comments clearly intended for management; or (c) it is necessary to determine a Proxy's validity or to enable management and/or the Board of Directors to meet their legal obligations to shareowners or to discharge their legal duties to Cott.

VOTING PROCEDURES AND MATTERS TO BE VOTED ON

Shares represented by a Proxy will be voted or withheld from voting on matters that will take place at the annual meeting, in accordance with the instructions given by the shareowner. IF NO INSTRUCTIONS ARE INDICATED, EACH SHARE WILL BE VOTED:

- (A) FOR THE ELECTION OF THE ELEVEN DIRECTORS LISTED UNDER THE HEADING "NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS"; AND
- (B) FOR THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS AUDITORS OF COTT.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

The person to whom you give your Proxy will decide how to vote on amendments to the matters of business described above and on any additional matters that may properly come up for a vote at the meeting. Cott is not aware of any proposal to bring any additional or different matter to a vote at the meeting.

NON-REGISTERED SHAREOWNERS

A non-registered shareowner is a shareowner who beneficially owns shares but the shares are registered in the name of an intermediary, such as a securities broker, financial institution, trustee, custodian or other nominee who holds shares on behalf of the shareowner, or in the name of a clearing agency in which the intermediary is a

participant. Intermediaries have obligations to forward meeting materials to non-registered shareowners, unless otherwise instructed by the shareowner (and as required by regulation in some cases, despite such instructions).

Only registered shareowners or their duly appointed proxyholders are permitted to vote at the annual meeting. A non-registered shareowner should follow the directions of his, her or its intermediary with respect to the procedures to be followed in order to permit the non-registered shareowner to direct the voting of shares beneficially owned by such shareowner. A non-registered shareowner wishing to attend and vote at the annual meeting must insert his, her or its own name in the space provided for the appointment of a proxyholder on the voting instruction form or proxy form provided by the intermediary and return it in accordance with the intermediary's directions.

COMMON SHARES OUTSTANDING

As of February 28, 2003 there were 68,642,585 common shares outstanding and entitled to be voted at the meeting. Each common share carries the right to one vote at the meeting.

QUORUM AND VOTE COUNTING

The annual meeting requires a quorum, which for this meeting means:

- At least two persons personally present, each being a shareowner entitled to vote at the meeting or a duly appointed proxy for an absent shareowner so entitled; and
- Persons owning or representing not less than a majority of the total number of Cott shares entitled to vote.

Directors who receive the highest vote totals will be elected as directors. Cumulative voting in the election of directors is not permitted. All other matters must be approved by a majority of the votes cast by shareowners that are present or represented and entitled to vote at the meeting. Abstentions (including abstentions by brokers) are counted as present and entitled to vote, but they are not counted as votes for or against any proposal.

PROCEDURE FOR CONSIDERING SHAREOWNERS PROPOSALS

If you want to propose any matter for a vote by Cott's shareowners at Cott's 2004 annual meeting, you must send your proposal to Cott's Secretary. In order for your proposal to be considered for inclusion in the 2004 Proxy Circular and Proxy, it must be received by Cott's Secretary by no later than December 17, 2003 at Cott Corporation, 207 Queen's Quay West, Suite 340, Toronto, Ontario, Canada M5J 1A7.

NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS

Eleven directors are to be elected to serve until the close of business of the 2004 annual meeting or until they cease to hold office. Ten of the nominees are now directors and have been since the dates indicated below. Cott expects that each of the nominees will be able to serve as a director. However, if any nominee becomes unable to serve as a director for any reason prior to the meeting, the proxyholders reserve the right to vote the shares for another nominee at their discretion, unless the Proxy specifies that the shares abstain from voting for all the director nominees.

Frank E. Weise III -- 58, Vero Beach, Florida

In January 2002, Mr. Weise was elected chairman of the board of directors. Mr. Weise has been a director and president and chief executive officer of Cott since June 1998. Mr. Weise has held the position of senior vice-president of Campbell Soup Company (food products manufacturer) and president, Bakery and Confectionery Division, of Campbell Soup Company, until 1997; and chairman of Confab Inc. (feminine incontinence products manufacturer) until 1998.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Eight of the nominees for director, Messrs. Adair, Bennett, Boll, Gouin, Hagerty, Harkins and Livingston and Ms. Magee are unrelated and outside directors. They are neither members of management nor do they possess any interest, business or other relationship, other than interests and relationships arising from owning shares of Cott, which could, or could reasonably be perceived to, materially interfere with their ability to act with a view to Cott's best interests. Mr. Weise is a related inside director as he is an employee and officer of Cott. Mr. Halperin is an outside director but, as a partner in a law firm that provides ongoing legal services to Cott, he may be considered to be a related director. Mr. Halperin is also the brother of Mark R. Halperin, senior vice-president, general counsel and secretary of Cott. Mr. Watt is an outside director but for the reasons set forth below he may be considered to be a related director.

4

Mr. Watt is Chairman of Watt International Inc. ("WII"), which has a purchase and restricted services agreement with Cott with an approximate remaining term of six years. Under the terms of that agreement, WII provides Cott with packaging and collateral material and store design services. Cott has agreed that it will not, subject to certain exceptions, engage another party to provide the services described in the purchase and restricted services agreement in Canada, the U.S. and Mexico during the ten-year period ending June 1, 2009. Cott, however, may perform the services under the purchase and restricted services agreement using its own employees. During the last fiscal year, Cott paid WII \$267,913 under this agreement.

Mr. Watt and Deuteronomy Inc., of which Mr. Watt is the sole shareholder, also entered into a services agreement with Cott, which expired on June 1, 2002. Under that agreement, Deuteronomy Inc. and Mr. Watt provided Cott with consultation and advice related to market positioning, product development and packaging, brand relationships in retail product programs and other business consulting in connection with Cott's U.S. marketing efforts. Cott paid a fee to Deuteronomy Inc. of C\$500,000 per annum, plus expenses and applicable taxes, subject to reduction for certain personnel costs. During the last fiscal year, Cott paid Deuteronomy Inc. C\$208,333 for its services under that agreement. Cott believes that both the purchase and restricted services and services agreements were entered into on an arm's length basis and that the fees paid under these agreements are customary in the industry.

MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES

In 2002, the board of directors held nine meetings. Each director attended in person or by telephone at least 75% of the total number of meetings of the board of directors and committees on which they served, except for the following: Mr. Hagerty missed four board of directors meetings, Mr. Harkins missed three board of directors meetings and two of four Human Resources and Compensation Committee meetings and Mr. Halperin missed one of two Corporate Governance Committee meetings.

Cott's directors and executive officers and beneficial owners of more than 10% of Cott's common shares, as well as certain affiliates of such persons, must file reports with the Securities and Exchange Commission showing the number of Cott's common shares they beneficially own and any changes in their beneficial ownership.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT ARRANGEMENTS

Each of the named executive officers is a party to an employment agreement with Cott.

Frank E. Weise III, Mark Benadiba, Paul Richardson, Raymond P. Silcock and John K. Sheppard have individual contracts of employment with Cott for an unspecified term, which provide for annual base salaries at rates not less than the amounts reported in the Summary Compensation Table for 2002. Each of these agreements provides for:

- The payment to the applicable named executive officer of bonuses consistent with market and industry standards from time to time and which are based upon the achievement of agreed upon criteria established from time to time by the board of directors' Human Resources and Compensation Committee, and
- Customary allowances and perquisites.

Cott provides both short-term and long-term incentive programs in which each of the named executive officers participates. Subject to the terms of employment contracts for the respective named executive officers, the level of participation is determined by the Human Resources and Compensation Committee at its sole discretion and varies by named executive officer.

Upon termination of Mr. Weise's employment by Cott, other than for just cause, or upon a deemed termination (other than following a change of control), Mr. Weise shall be entitled to receive from Cott severance equal to:

- (a) If such termination occurs on or prior to June 30, 2004, the greater of:
 - (i) Two times the average of his base salary and bonuses over the prior two years, and
 - (ii) A pro-rated bonus (based on prior years) for the period in the year prior to termination; or
- (b) If such termination occurs following June 30, 2004, Mr. Weise shall be entitled to receive not less than 120 days notice of his termination or pay in lieu thereof.

If Mr. Weise's employment agreement comes to an end, other than as a result of a termination by Cott for just cause, Mr. Weise and his spouse are entitled to health insurance benefits, for as long as either Mr. Weise or his spouse live, equal to the greater of:

- The health insurance benefits provided to Cott's chief executive officer, or the chief executive officer of Cott's successor, or the highest paid officer of Cott or any successor in the absence of a chief executive officer, or

10

- Health insurance benefits equal to those provided to Mr. Weise immediately prior to the expiration or termination of his employment agreement.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

If, following a change of control, Mr. Weise's employment is terminated by Cott, other than for just cause, or is deemed terminated, he shall be entitled to receive a payment equal to:

- 36 months of his base salary,
- Continuation of his benefits, or a cash equivalent, as discussed above, and
- The average of the bonuses paid to him over the prior two years.

All unvested options and other entitlements under Mr Weise's employment agreement vest immediately upon a change of control. In addition, 200,000 options granted to Mr. Weise in December 2002 shall immediately vest if Mr. Weise's employment agreement comes to an end, other than as a result of a termination by Cott for just cause.

A "change of control" means any person or group of persons acquiring more than 50% of the outstanding voting shares of Cott, a sale by Cott of all or substantially all of Cott's undertakings and assets or the voluntary liquidation, dissolution or winding-up of Cott.

If Mr. Benadiba's employment is terminated by Cott without cause, other than by reason of Mr. Benadiba's death, or deemed termination, within six years following July 7, 1998 (the "window period"), Mr. Benadiba is entitled to receive two times his base salary, bonus of C\$500,000 and the cash value of benefits and perquisites during the previous 12 months. If Mr. Benadiba voluntarily terminates his employment at the end of the window period, Mr. Benadiba shall be entitled to an amount equal to his base salary, bonus of C\$500,000 and the cash value of benefits and perquisites during the previous 12 months.

If Mr. Silcock's employment is terminated by Cott for any reason other than just cause, he will receive a severance payment equal to twenty-four months base salary and bonus and car allowance and the cash value of his benefits, excluding short and long term disability and out of country benefits.

If Mr. Sheppard's employment is terminated by Cott without cause, he will receive two years of severance pay equivalent to his base salary and base bonus.

Mr. Richardson's agreement provides that either Mr. Richardson or Cott may terminate his employment at any time on six months written notice by the terminating party. If either party terminates the agreement or if Mr. Richardson dies, he or his estate will receive a severance payment equal to the aggregate of two times his annual salary and bonus paid or payable plus the cash value of all benefits and perquisites and the average of any other remuneration during the two years prior to the termination notice. If Mr. Richardson's employment is terminated by Cott without cause while he is on assignment for Cott in the United Kingdom (and for a period of three months after his return from the United Kingdom) the payment described above will be calculated at three times rather than two times. This agreement replaced another employment agreement, the termination provisions of which had been triggered. Under these provisions, Cott would have paid Mr. Richardson three times his average annual salary, bonus and benefits during the two years prior to the trigger date. One-third of that payment was made to Mr. Richardson during 1999.

COMPENSATION OF DIRECTORS

The amount of the directors' retainers and meeting fees were adjusted in 2002. The Lead Independent Director of the board of directors receives an annual retainer of C\$100,000 and the other outside directors receive meeting fees in addition to their annual retainers. The table below sets out the annual retainer

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

and meeting fees for the other outside directors both before and after the adjustment. The amounts payable to each non-management director were prorated based on these numbers with respect to 2002. Mr. Weise is a management director and accordingly does not receive directors' fees. Messrs. Boll, Hagerty, Harkins and, until June 1, 2002, Don Watt, also did not receive directors' fees.

All of these options were fully vested immediately upon being granted. Directors are required to own personally at least 10,000 Cott common shares, which must be acquired within 12 months of joining the board or by March 2004, whichever is later.

HUMAN RESOURCES AND COMPENSATION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The Human Resources and Compensation Committee is responsible for reviewing, developing and recommending to the board the appropriate management compensation policies, programs and levels. The committee develops performance objectives in conjunction with the Chief Executive Officer and assesses the performance of the Chief Executive Officer and reviews the performance of the other senior executive officers at least annually in relation to these objectives.

COMPENSATION PRINCIPLES

Cott is committed to the philosophy of partnership and to sharing the benefits of success with those who help it grow. Cott's strength and ability to sustain growth is based on an organization which perceives people as its single most important asset. The committee's goal is to provide sufficient compensation opportunities for executives of Cott in order to attract, retain and motivate the best possible management team to lead Cott in the achievement of both its short and long-term performance goals. The committee believes that compensation significantly based on performance is more likely to enhance Cott's financial success, which leads to the improvement of shareowner value. In furtherance of these goals, Cott has adopted an annual bonus plan, an employee share option plan, an employee share purchase savings plans and an executive share incentive plan to:

- increase the risk/reward ratio of its executive compensation program,
- focus management on long-term strategic issues, and
- align management's interests with those of the shareowners of Cott in the sustained growth of shareowner value.

COMPENSATION ELEMENTS AND DETERMINATION PROCESS

Compensation for executive officers, including the Chief Executive Officer, of Cott consists of a base salary, opportunities for bonus cash compensation, and long-term compensation in the form of stock options, a share purchase

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

savings plan and an executive incentive share compensation plan. Each of the named executive officers has a written agreement: see "Employment Contracts and Termination of Employment Arrangements". The committee's role is to determine what increase in base salary, the amount of bonus, performance targets for performance-based compensation, and the appropriate level and targets for other compensation, if any, would be appropriate for Cott's executives. Cott's arrangements with each of the executives described under "Employment Contracts and Termination of Employment Arrangements" was negotiated between management and approved by the committee, with the exception of Mr. Weise's agreement which was negotiated by the committee.

In reviewing and determining executive compensation, the committee examines each component individually as well as total compensation as a whole. The committee determines each executive officer's compensation with reference to relevant industry norms, experience, past performance, level of responsibility and personal requirements and expectations. The committee reviews salary levels periodically and may make adjustments, if warranted, after an evaluation of executive and company performance, salary increase trends in Cott's geographic marketplace, current salary competitive positioning, and any increase in responsibilities assumed by the executive. To aid in its assessments and with its ongoing responsibilities, the committee has, from time to time, considered the advice of independent consultants with respect to compensation matters. As noted above, in appropriate circumstances, the committee may augment cash compensation by the payment of bonuses to more closely align an individual's overall compensation with his or her performance, or the profitability of the business unit for which the individual is accountable. Bonuses and levels of other compensation may be determined using overall corporate or business segment performance targets. Performance objectives and target levels are set annually by the committee, and executives are assessed against these targets in determining their overall compensation.

LONG-TERM INCENTIVES

The committee considers long-term incentives to be an essential component of executive compensation to ensure a proper balance between short and long-term considerations and enhancing shareowner value. There are several components to Cott's long-term incentive program. In determining the appropriate level of participation in Cott's long-term incentive programs, the committee considers each executive's current level of participation and, in

13

light of that participation, considers the extent to which further participation will assist in furthering the goals of such program.

Option Plan

Under the 1986 Common Share Option Plan, as amended, an aggregate of the lesser of 12,000,000 or 15% of Cott's outstanding common shares (determined on the date of grant of an option) are reserved for issuance to eligible directors, officers, employees and service providers of Cott and its subsidiaries. This amount includes common shares reserved for issuance pursuant to options granted under other compensation-related arrangements, and may be increased or decreased as a result of Cott's merger with any other entity, or as a result of a rights offering, reclassification, consolidation or subdivision of its shares.

Administration

The committee administers the Option Plan and has the power and authority to construe and interpret the Option Plan and any awards made under the Option Plan. The committee determines who is eligible to participate in the Option

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

Plan, the number of common shares for which options are granted, the date of grant of options and the vesting period for each option. The board of directors may amend the Option Plan at any time provided that shareowner and regulatory or stock exchange approval of the amended Option Plan, if required, is received prior to the issuance of options under such amended Option Plan.

Option Awards

The grant of options and the issuance of shares under the Option Plan are subject to the following limitations: (i) the number of common shares subject to outstanding options may not exceed 15% of the common shares outstanding on the date of grant of the option; (ii) the aggregate number of shares which may be issued to any one person pursuant to options granted under the Option Plan and any other share compensation arrangement shall not exceed 5% of the aggregate number of common shares outstanding on the date of grant; (iii) the aggregate number of common shares which may be issued, within a one year period, pursuant to options granted under the Option Plan and any other share compensation arrangement (A) to insiders, shall not exceed 10% of the aggregate number of common shares outstanding on the date of grant, and (B) to any one insider, together with such insider's associates, shall not exceed 5% of the aggregate number of common shares outstanding on the date of grant, excluding, in each case, common shares issued pursuant to share compensation arrangements over the preceding one year period. Options to acquire common shares are granted at the closing price on the Toronto Stock Exchange on the last trading day preceding the date of grant (other than options granted to U.S. participants who own more than 10% of the total combined voting power of Cott, which will be granted at 110% of such closing price). Options are non-transferable and have a term of not more than ten years. If a participant ceases to be a director, officer, employee or service provider, all vested unexercised options awarded to such participant will expire on the earliest of:

- The expiry date of such options;
- 60 days following the date the participant ceases to be a director, officer, employee or service provider (the "termination date"), or in the event of the death of a participant, 365 days following the date of the death of such participant; and
- Three years from the date of total and permanent disability or the retirement of a participant.

Any unvested options held by a participant will be forfeited on the date the participant ceases to be a director, officer, employee or service provider for reasons other than death, and any unvested options will fully vest upon the death of a participant. In addition, any unvested options held by Option Plan participants will fully vest in the case of (i) a consolidation, merger or amalgamation of Cott with any other corporation following which Cott's voting shareowners hold less than 50% of the voting shares of the surviving entity; (ii) a sale of all (or substantially all) of Cott's undertakings and assets; or (iii) a proposal made in connection with a liquidation, dissolution, or winding-up of Cott.

If the number of outstanding shares is materially affected as a result of Cott's merger with another entity, or as a result of a rights offering or a reclassification, consolidation or subdivision of shares, participants will be entitled to receive the same consideration paid to the holders of shares in connection with the amalgamation, merger, rights offering, reclassification, consolidation or subdivision, as if they had exercised their options immediately prior to such event. Also, participants will have the right to exercise all vested and unvested options held by them if a

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

take-over bid is made with a per-share offer price greater than (or equal to) their option exercise price, provided the take-over bid permits tendering by notice of guaranteed delivery. Any such exercise will be conditioned upon completion of the take-over bid.

As of February 28, 2003, there were approximately 260 holders of options under the Option Plan.

EXECUTIVE INCENTIVE SHARE COMPENSATION PLAN

The committee has established the Executive Incentive Share Compensation Plan (the "Incentive Plan"). The purpose of the Incentive Plan is to reward certain Cott employees, as designated by the committee, for exceeding one hundred percent (100%) of their respective annual performance objectives during the fiscal year to which the Incentive Plan relates.

Cott contributes an amount, as determined by the committee, to a trust on behalf of participants in the Incentive Plan who exceed their annual performance objectives. The committee sets out these objectives and the officers who may participate in the Incentive Plan annually. The trust is administered by an arm's length, third party trustee. The trust purchases an amount of Cott's common shares on the open market, which corresponds to the total dollar amount contributed by Cott. Once purchased, the trustee determines the number of common shares acquired on behalf of each participant based upon the amount contributed to the trust on behalf of each participant.

Subject to the provisions of the Incentive Plan, the common shares in the trust vest over a period of three years in favor of those participants for whom the amount was originally contributed: 30% of the common shares attributed to a participant vests on January 2nd of each of the two years immediately following the year in which common shares were purchased on behalf of the participant and 40% vests on January 2nd of the 3rd year following the year in which the common shares were purchased on behalf of the participant. Subject to the determination of the committee and the provisions of the Incentive Plan, if the employment of a participant is terminated prior to the final vesting of the common shares attributed to such participant, the participant's unvested common shares are reallocated in favor of those participants participating in the Incentive Plan at the time when the amount was originally contributed. Cott contributed approximately C\$3,392,679 to the Incentive Plan in 2002 for the benefit of 17 participants in the Incentive Plan.

COMPENSATION OF THE CHAIRMAN, PRESIDENT AND CHIEF EXECUTIVE OFFICER

The Chairman, President and Chief Executive Officer's base salary remained unchanged at \$425,000 in 2002. The cash bonus paid to Mr. Weise reflects full achievement of all maximum performance targets for the year, as established by the committee prior to the beginning of the year. The committee has targeted Mr. Weise's total compensation, including base salary, bonuses and stock options at a level it believes is competitive with the amount paid by companies in the beverage industry and other similar industries.

As consideration for Mr. Weise agreeing to amend his employment contract, the committee granted to Mr. Weise the right to acquire 200,000 common shares, on December 10, 2002. Subject to the terms of the Option Plan, the options vest at the rate of 11,110 options per month, starting January 10, 2003 and continuing through May 10, 2004, with the final 11,130 options vesting on June 10, 2004 and, as they vest, the options may be exercised at any time thereafter through December 10, 2009. All such options shall immediately vest if Mr. Weise's employment agreement comes to an end, other than as a result of a termination by Cott for just cause.

SUMMARY

The committee is ultimately responsible for determining, affirming or amending the level and nature of executive compensation of Cott. The committee has access, at Cott's expense, to independent, outside compensation consultants for both advice and competitive data for the purpose of making such determinations. The committee believes that the compensation policies and programs as outlined above ensure that levels of executive compensation truly reflect the performance of Cott, thereby serving the best interests of the shareowners.

CORPORATE GOVERNANCE

GENERAL

The Toronto Stock Exchange has issued guidelines for effective corporate governance and requires listed companies annually to disclose their corporate governance practices. The guidelines address matters such as the composition, role and independence of corporate boards, its committees and the effectiveness and education of its members. Cott's board of directors is committed to instituting and maintaining corporate governance practices for the effective and prudent operation of Cott and for enhancing shareowner value. Cott believes that its governance practices meet the Toronto Stock Exchange guidelines, except as discussed herein.

BOARD AND MANAGEMENT ROLES

The board of directors has explicitly assumed responsibility for the stewardship of Cott, including:

- The adoption of a strategic planning process;
- The identification of the principal risks for Cott and the implementation of appropriate risk management systems;
- Succession planning and monitoring of senior management;
- Ensuring that Cott has in place a communications policy to enable it to communicate effectively and in a timely manner with shareowners, other stakeholders and the public generally; and
- The integrity of Cott's internal control and management information systems.

All decisions materially affecting Cott, its business and operations, including long-term strategic and operational planning, must be approved by the board prior to implementation. Each year management prepares a statement of objectives, plans, performance standards and policies for Cott. This statement is submitted to the board of directors for its review and approval prior to implementation.

In order to discharge its responsibilities effectively, the board of directors has established three committees from its membership: the Audit Committee, the Corporate Governance Committee and the Human Resources and Compensation Committee. Each committee is entitled to retain independent consultants, at the expense of Cott, to assist it in carrying out its functions.

ALLOCATION OF RESPONSIBILITIES BETWEEN THE BOARD AND MANAGEMENT

There is no specific mandate for the board, since the board of directors has plenary power. Any responsibility that is not delegated to senior management or a committee of directors remains with the full board. The board of directors has approved a job description for the Chairman and Chief Executive Officer, which specifically outlines the responsibilities of this position. One of these responsibilities is to prepare on behalf of management a written statement of management's objectives, plans, standards of performance and policies. This report is reviewed and approved annually by both the Human Resources and Compensation Committee and the entire board of directors. Additionally, Cott has

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

established a lead independent director role.

BOARD'S EXPECTATIONS OF MANAGEMENT

The board of directors expects management to pursue the following objectives:

- Produce timely, complete and accurate information on Cott's operations and business as well as on any other specific matter which might, in their opinion, have material consequences for Cott and its shareowners and other stakeholders;
- Act on a timely basis and make appropriate decisions with regard to Cott's operations, in accordance with all the relevant requirements and obligations and in compliance with Cott's policies, with a view to increasing shareowner value;
- Apply a rigorous budget process and closely monitor Cott's financial performance in terms of the annual budget approved by the board of directors; and
- Develop and implement Cott's strategic plan in light of trends in the market.

17

SHAREOWNER COMMUNICATIONS

Cott seeks to maintain a transparent and accessible exchange of information with all of its shareowners and other stakeholders with regard to its business and performance, subject to the requirements of all applicable laws and any other limitations of a legal or contractual nature. In addition to the required public filings, Cott regularly distributes information to its shareowners and the investment community through conferences, webcasts made available to the public and press releases.

COMPOSITION OF THE BOARD

The Toronto Stock Exchange guidelines recommend that a majority of the directors be "unrelated". According to these guidelines, an "unrelated" director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with a view to the best interests of Cott, other than interests and relationships arising from shareholding. The guidelines also recommend that the board should include a number of directors who do not have interests in or relationships with either Cott or any significant shareowner of Cott and which fairly reflect the investment in Cott by shareowners other than any significant shareowner. The board of directors believes that it is appropriately constituted to meet the Toronto Stock Exchange guidelines.

The articles of Cott permit a minimum of three and a maximum of fifteen directors. There are eleven nominees for election to the board of directors, a number that the board of directors considers to be adequate given the size of Cott and the nature of its shareowner constituency.

Although three of the nominees to the board of directors, Messrs. Harkins, Boll and Hagerty, are officers of a shareowner holding a significant equity interest in Cott, the board of directors believes that it is properly constituted to fairly reflect the investment of all shareowners in Cott.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

INDEPENDENCE OF THE BOARD

At all meetings of the board of directors and committees of the board, any outside board member may request that all members of management, including management directors, be excused so that any matter may be discussed without any representative of management being present. In addition to the foregoing, the outside directors meet independently of management as part of each regularly scheduled quarterly meeting of the board.

The Toronto Stock Exchange guidelines suggest that every board should have in place appropriate structures and procedures to ensure that it can function independently of management. The structure of each of the Human Resources and Compensation Committee, the Corporate Governance Committee and the Audit Committee, which are comprised of at least a majority of unrelated directors, helps to enable the board of directors to function independent of management. The board of directors oversees the establishment and function of all committees, the appointment of their members and their conduct.

BOARD COMMITTEES

THE HUMAN RESOURCES AND COMPENSATION COMMITTEE

The Human Resources and Compensation Committee is comprised of three directors, Mr. Adair, Chairman, Mr. Halperin and Mr. Harkins. Mr. Adair and Mr. Harkins are unrelated outside directors. Mr. Halperin is an outside director but may be considered to be a related director. See "Certain Relationships and Related Transactions". None of the committee members is an officer or employee of Cott. The terms of reference of the committee include reviewing and recommending the level of compensation for senior officers and directors of Cott, including the Chief Executive Officer, and reviewing and approving incentive compensation to be allocated to employees of Cott, including such senior officers, and for reviewing the compensation to members of the board of directors. The committee has also been charged with the responsibility of annually reviewing and reporting to the board of directors on the organizational structure of Cott and ensuring that an appropriate succession plan is in place. The committee met on four occasions in 2002.

THE CORPORATE GOVERNANCE COMMITTEE

The Corporate Governance Committee is comprised of three directors. Mr. Gouin, Chairman, Mr. Hagerty and Mr. Halperin. Mr. Gouin and Mr. Hagerty are unrelated outside directors. Mr. Halperin is an outside director but may be considered to be a related director as indicated above. The Corporate Governance Committee is

18

responsible for developing and monitoring Cott's approach to corporate governance issues in general. Specifically, the Corporate Governance Committee has been given responsibility for:

- Reviewing and recommending changes to the mandates of the other committees of the board;
- Ensuring compliance with and a response to the Toronto Stock Exchange and New York Stock Exchange guidelines;
- Identifying and recommending the nomination of new members to the board of directors and its committees (and as such functions as a nominating committee);

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

- Ensuring that new members of the board of directors are properly informed as to the business of Cott;
- Monitoring and assessing the individual and collective effectiveness of the board of directors;
- Monitoring the relationship between management of Cott and the board of directors and recommending any areas for improvement; and
- Reviewing the written objectives of the Chairman and Chief Executive Officer of Cott and providing guidance as to the development of corporate strategies.

The committee considers suggestions as to nominees for directors from any source, including any shareowner. Recommendations for nominations by shareowners should be submitted to Cott's Secretary at Cott's executive office. The Corporate Governance Committee met two times in 2002.

THE AUDIT COMMITTEE

The Audit Committee reports directly to the board and is comprised of three directors, Mr. Boll, Chairman, Mr. Bennett and Mr. Gouin, each of whom is an unrelated outside director.

The committee, on behalf of the board of directors, oversees Cott's quality and integrity of the annual and interim consolidated financial statements and financial reporting process, compliance with applicable legal and regulatory requirements, the adequacy and effectiveness of internal controls, current and emerging business issues, the internal audit function, and the annual independent audit of Cott's financial statements. The committee reviews the terms of engagement and proposed overall scope of the annual audit with management and the independent auditor. See "Audit Committee Report" included below.

The committee operates pursuant to a written charter that has been approved and adopted by the board of directors on March 7, 2001. In accordance with the rules of the New York Stock Exchange, the board has determined that each member of the committee is independent and financially literate and at least one member has accounting or related financial management expertise. The committee met five times in 2002.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management the audited financial statements of Cott.

The committee reviewed with the independent auditor their judgment as to the quality, not just the acceptability, of Cott's accounting principles and such other matters as the committee and the auditors are required to discuss under generally accepted auditing standards. The committee also reviewed with management and PricewaterhouseCoopers LLP the critical accounting policies underlying Cott's financial statements and how these policies were applied to the financial statements.

The committee discussed with the auditors the auditor's independence from management and Cott, including with the matters in written disclosures required by the Independence Standards Board and considered the compatibility of nonaudit services with the auditors' independence.

Based on the foregoing reviews and discussions, the committee recommended to the board of directors that the audited financial statements be included in Cott's annual report on Form 10-K for the year ended December 28, 2002 for

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

filing with the Securities and Exchange Commission.

APPOINTMENT OF AUDITORS

At the meeting you will be asked to approve the appointment of PricewaterhouseCoopers LLP, as auditors of Cott for the next year. A majority of the votes cast must be in favour of this resolution in order for it to be approved.

AUDIT FEES

The aggregate fees billed by PricewaterhouseCoopers LLP for the annual audit and for the reviews of the financial statements included in quarterly Form 10-Q in respect of the year ended December 28, 2002 was \$1,084,123.

ALL OTHER FEES

The aggregate fees billed by PricewaterhouseCoopers LLP for all other non-audit services rendered in respect of the year ended December 28, 2002, was \$249,440. All other fees included audit related services and non-audit services. Audit related services related to working capital audits on acquisitions and employee benefit plan audits, and non-audit services related to assistance provided on tax compliance matters.

One or more representatives of PricewaterhouseCoopers LLP will be present at the meeting, will have an opportunity to make a statement as he or she may desire and will be available to respond to appropriate questions.

INFORMATION ABOUT THE COMPANY

Upon request to the Secretary you may obtain a copy of Cott's annual report on Form 10-K for the fiscal year ended December 28, 2002, Cott's 2002 audited financial statements, and additional copies of this document.
