Internet Gold Acquires Remaining 50% of Start Net, Leading Israeli Portal and Search Engine

Monday November 15, 7:00 am ET

PETACH TIKVA, Israel, November 15 /PRNewswire-FirstCall/ -- Internet Gold (NASDAQ: IGLD - News) today announced that Gold Mind, one of its fully-owned subsidiaries, has completed the acquisition of 50% of the share capital of Start Net Ltd., a leading Israeli Internet portal and search engine. As Start Net continues to be a profitable and growing company, the acquisition will be immediately accretive to Internet Gold's bottom line results.

The remaining 50% of Start Net Ltd. is owned by another of Internet Gold's subsidiaries, MSN Israel, a joint partnership of Internet Gold (50.1%) and Microsoft Corp. (49.9%). With the completion of this transaction, Internet Gold now holds all of Start Net's share capital through two of its subsidiaries.

"The acquisition of Start Net is a strategic step that improves our positioning vis-a-vis the emerging Internet advertising market," said Eli Holtzman, Internet Gold's CEO. "During the next few years, we believe the Internet will grow in importance as an advertising medium and eventually dominate the marketplace. As such, we believe e-advertising will have the power to become a major driver of our future revenues and shareholder value. By adding Start Net's popular www.start.co.il portal and search engine to our holdings, we will be able to take our e-advertising activities to a new level."

About Internet Gold

Internet Gold is a leading communications service provider in Israel. The Company offers the full range of Internet access and related value-added services, e-advertising, content and e-Commerce services to residential and business customers nationwide. In addition, the Company is Israel's newest provider of international telephony services.

Internet Gold operates the leading portal in Israel through its MSN Israel subsidiary (50.1%) with Microsoft Corp. and is a leading e-Commerce provider in Israel through its e-Commerce joint venture, Gold Trade (48.3%). In addition, Internet Gold has two wholly owned subsidiaries: Gold Mind, which focuses on the provision of Internet value-added services, and Internet Gold International, which specializes in the provision of international Internet and communication services.
