Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Certain legal matters in connection with the common stock covered by this Registration Statement are being passed upon for Sysco by Arnall Golden Gregory LLP, Atlanta, Georgia. Jonathan Golden, the sole stockholder of Jonathan Golden P.C. (a partner of Arnall Golden Gregory LLP), is a director of Sysco. As of November 12, 2009, attorneys with Arnall Golden Gregory LLP involved in the preparation of this Registration Statement beneficially owned an aggregate of approximately 74,188 shares of Sysco's common stock.

Item 6. Indemnification of Directors and Officers.

Charter and Bylaws. Sysco's Certificate of Incorporation and Bylaws provide for indemnification of Sysco's directors and officers against all expense, liability and loss reasonably incurred in connection with any proceeding arising by

reason of the fact that such person is or was a director or officer of the Registrant, to the fullest extent permitted by Delaware General Corporation Law (except that, generally, indemnification is not available for proceedings brought by the director or officer). This indemnification extends also to directors or officers who serve as agents for any entity at Sysco's request, including, for example, persons who serve as agents for Sysco's employee benefit plans. In addition, Sysco's Certificate of Incorporation includes a provision eliminating, to the fullest extent permitted by Delaware law, the personal liability of directors for monetary damages for breaches of fiduciary duty. Sysco may also advance expenses incurred by a director or officer in defending a proceeding before the final disposition of the proceeding so long as the officer or director undertakes to repay the advanced amounts in the event it is ultimately determined that he or she is not entitled to be indemnified. Sysco's Bylaws provide that rights to indemnification and advancement of expenses are deemed to have fully vested at the time the indemnitee assumes his or her position with Sysco.

II-1

---

Delaware Law. Delaware General Corporation Law currently requires Sysco to indemnify a director or officer for all expenses incurred by him or her (including attorney's fees) when he or she is successful (on the merits or otherwise) in defense of any proceeding brought by reason of the fact that he or she is or was a director or officer of Sysco. In addition, with respect to all proceedings other than proceedings by or in the right of the corporation, Delaware law allows Sysco to indemnify a director or officer against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement, even if the director or officer is not successful on the merits, if he or she:

- acted in good faith;
- acted in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; and
  - in the case of a criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Sysco may indemnify directors and officers with respect to proceedings brought by or in the right of the corporation to the same extent as with respect to other proceedings, except that if the director or officer is held liable to Sysco in the proceeding, then Sysco may not indemnify the director or officer unless a court determines that even though he or she was held liable to Sysco, the officer or director is nonetheless fairly and reasonably entitled to indemnification.

Except for indemnification mandated by law or ordered by a court, Sysco may not indemnify an officer or director without a formal determination that the required criteria have been met. The determination must be made by a majority of the disinterested directors (or a committee appointed by them), independent legal counsel in a written opinion, or the stockholders.

Sysco shall advance expenses incurred by a current officer or director in defending a proceeding to which indemnification is applicable before the final disposition of the proceeding, if the officer or director undertakes to repay the advanced amounts in the event it is ultimately determined that he or she is not entitled to be indemnified. Sysco shall advance expenses to former officers and directors with respect to such proceedings and may not require such an undertaking.

Plan Provisions and Other Contractual Arrangements. Certain of Sysco's employee benefit plans provide indemnification of directors and other agents against certain claims arising from administration of such plans. In addition, Mr. Spitler, our Vice Chairman of the Board, President and Chief Operating Officer, is party to an Executive Severance Agreement that allows him to require an indemnification agreement from Sysco before taking any action otherwise required by the Severance Agreement for the purpose of minimizing adverse tax consequences resulting from potential "parachute" payments under the Internal Revenue Code.

D&O Insurance. Sysco maintains liability insurance for its directors and officers covering, subject to certain exceptions, any actual or alleged negligent act, error, omission, misstatement, misleading statement, neglect or breach of duty by such directors or officers, individually or collectively, in the discharge of their duties in their capacity as directors and officers of Sysco.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

The undersigned registrant hereby undertakes as follows:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the registration statement;

II-3

---

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 6, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
