#### Recommends Shareholders Complete and Return WHITE Request Card Today

NEW YORK--(BUSINESS WIRE)--RCG Starboard Advisors, LLC, a subsidiary of Ramius LLC, together with their respective affiliates (the “Ramius Group”), today announced that RiskMetrics Group (“RiskMetrics” or “RMG”), the leading independent proxy voting advisory and corporate governance services firm formerly known as ISS, has recommended that shareholders of Orthofix International N.V. Ramius is the beneficial owner of approximately 5.1% of the Company’s outstanding common shares.

RiskMetrics noted the following in its recommendation to its clients holding Orthofix shares:

“RMG policy supports the right of shareholders to call a special meeting. Furthermore, RMG generally supports shareholders’ written consent solicitation to call a special meeting, unless the request is abusive or frivolous.

“Given the information available, and the dissident’s solicitation, there is no indication that the request to call a special meeting by Ramius is abusive or frivolous, as it pertains to potentially material issues. Therefore, the written request by the dissident to call a special meeting warrants shareholder support, so that shareholders are able to exercise their franchise.”
