Item 1.01. Entry into a Material Definitive Agreement.

On May 22, 2015 (the “Closing Date”), SLMTI DS LLC, a Delaware limited liability company (the “Purchaser”) and SL Montevideo Technology, Inc., a Minnesota corporation and parent of Purchaser (“SL-MTI”), entered into an Asset Purchase Agreement (the “Purchase Agreement”) with ITT Torque Systems, Inc., an Ohio corporation (the “Seller”). Purchaser and SL-MTI are indirect wholly owned subsidiaries of SL Industries, Inc. (the “Company”).

Under the Purchase Agreement, Purchaser acquired substantially all of Seller’s assets (including real property in Massachusetts and accounts receivable) related to Seller’s business of designing and manufacturing engineered motion control products, including brush servo motors, brushless servo motors, incremental encoders, and linear actuators (the “Torque Systems Business”). Purchaser also assumed certain liabilities of the Torque Systems Business related to accounts payable, warranty obligations and certain assigned contracts. As consideration under the Purchase Agreement, Purchaser paid Seller \$9,000,000 in cash on the Closing Date, which is subject to a post-closing working capital adjustment.

The Purchase Agreement includes customary representations and warranties and imposes certain indemnification and other customary post-closing obligations on Seller, Purchaser and SL-MTI, in each case, as more fully set forth in the Purchase Agreement. Seller and its affiliates are also subject to certain non-competition obligations as more fully set forth in the Purchase Agreement. Pursuant to a separate guaranty delivered under the Purchase Agreement, Seller’s ultimate parent entity, ITT Corporation (“ITT”), will guarantee to Purchaser the performance by Seller of Seller’s obligations under the Purchase Agreement.

The Seller and ITT, on the one hand, and the Purchaser, SL-MTI, the Company and their affiliates, on the other hand, have no relationships, including common officers, directors or control persons.
