CUSIP No. G5753U112

Item 3. Source and Amount of Funds or Other Consideration.

The Common Shares purchased by 683 Partners were purchased with working capital (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business) in open market purchases. The aggregate purchase price of the 7,876,964 Common Shares beneficially owned by 683 Partners is approximately \$7,202,894, including brokerage commissions.

Item 4. Purpose of Transaction.

The Reporting Persons purchased the Common Shares based on the Reporting Persons' belief that the Common Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Common Shares at prices that would make the purchase or sale of Common Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Common Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

683 Partners also beneficially owns 242,000 shares of the Issuer's non-convertible 8.25% Preference Shares – Series A, par value \$0.01 (the "Series A Preferred Shares"), 533,616 shares of the Issuer's non-convertible 7.125% Preference Shares – Series C, par value \$0.01 (the "Series C Preferred Shares") and 181,029 shares of the Issuer's 6.7% Preference Shares – Series D, par value \$0.01 (the "Series D Preferred Shares" and collectively with the Series A Preferred Shares and Series C Preferred Shares, the "Preferred Shares"). Currently, the holders of each of the Preferred Shares have no voting rights. Whenever dividends on any class of the Preferred Shares have not been declared and paid for the equivalent of six or more dividend periods, the holders of the class of such Preferred Shares will be entitled to vote for the election of a total of two additional members of the Board, subject to certain limitations. The Issuer did not authorize or declare a dividend for the most recent dividend periods December 1, 2018 and March 1, 2019 with respect to the Preferred Shares. Therefore, the voting rights discussed above may be invoked if the Issuer does not authorize any such dividends with respect to Preferred Shares for four additional dividend periods. The Reporting Persons may engage in discussions with other holders of the Preferred Shares and the Issuer regarding the Reporting Persons' investment in the Preferred Shares.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Common Shares or the Preferred Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate, including, without limitation, engaging in communications with management and the Board of Directors (the "Board"), engaging in discussions with stockholders of the Issuer and others about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning strategic alternatives, the calling of special meeting(s), changes to the capitalization, ownership structure, Board structure (including Board composition) or operations of the Issuer, purchasing additional Common Shares or Preferred Shares, selling some or all of their Common Shares or Preferred Shares, engaging in short selling of or any hedging or similar transaction with respect to the Common Shares or Preferred Shares, or changing their intention with respect to any and all matters referred to in Item 4.
