GENERAL INFORMATION

Stockholders entitled to vote

Stockholders of Nephros, Inc. (“Nephros” or the “Company”), as recorded on our stock register as of the close of business on May 1, 2006, may vote at the meeting. As of May 1, 2006, we had 12,317,992 shares of common stock outstanding. Each share of common stock outstanding on the record date is entitled to one vote on each matter of business considered at the meeting.

Mailing of proxy statement and form of proxy

This proxy statement and the accompanying form of proxy are being mailed on or around May 8, 2006, in connection with the solicitation of proxies by the Board of Directors for use at the annual meeting. This proxy statement contains important information for you to consider when deciding how to vote on matters brought before the meeting. Please read it carefully. Our annual report on Form 10-KSB for fiscal 2005 is being mailed to stockholders together with this proxy statement.

How proxies work

Our Board of Directors is asking for your proxy. Giving us your proxy means you authorize us to vote your shares at the meeting in the manner you direct.

You may vote for or against each of our director candidates. The election of each nominee for director requires a plurality of votes cast. Accordingly, abstentions and broker “non-votes” (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which brokers or nominees do not have discretionary power) will not affect the outcome of the election.

You may vote for, vote against or abstain from voting for the proposal to ratify the appointment by the Audit Committee of our Independent Registered Public Accounting Firm. The affirmative vote of a majority of the shares of Common Stock represented and voted at the Annual Meeting is required for approval of this matter. On this matter, abstentions will have the same effect as a negative vote. However, because broker non-votes will not be treated as shares that are present and entitled to vote with respect to a specific proposal, broker non-votes will have no effect on the outcome of this matter.

If you sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares **IN FAVOR** of our director candidates, and **IN FAVOR** of the ratification of the appointment by the Audit Committee of our Independent Registered Public Accounting Firm and **in our proxies’ discretion** on such other matters as may properly be raised at the meeting.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you hold shares through someone else, such as a stockbroker, you may get material from them asking how you want to vote those shares.

Revoking a proxy

You may revoke your proxy by sending in a new proxy card with a later date or by sending written notice of revocation to our corporate secretary at our principal executive offices. If you attend the meeting, you may revoke in writing previously submitted proxies and vote in person.

Quorum

A majority of the voting power of the outstanding shares entitled to vote at the meeting shall constitute a quorum, whether present in person or by proxy. If you want to vote in person at the annual meeting, and you hold your Nephros stock through a securities broker (that is, in street name), you must obtain a proxy from your broker and bring that proxy to the meeting. Abstentions and broker non-votes count for quorum purposes but not for voting purposes. Broker non-votes occur when a broker returns a proxy but does not have the authority to vote on a particular proposal.

Attending in person

Only stockholders, their proxy holders and our guests may attend the meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

At the meeting, two directors will each be elected to serve a three-year term that will expire at the close of our annual meeting to be held during 2009. The shares represented by the enclosed proxy will be voted to elect as directors the nominees named below, unless a vote is withheld for an individual nominee. If a nominee cannot or will not serve as a director (which events are not anticipated), the shares represented by the enclosed proxy may be voted for another person as determined by the holder of the proxies.

Board Structure

Our Board of Directors currently has eight members. The directors are divided into three classes. Directors in each class serve a term of three years. At each annual meeting, the term of one class expires. Our Class II Directors, whose terms expire at the conclusion of this annual meeting, are Donald G. Drapkin and William J. Fox.

Board Nominees

The Board of Directors has nominated Donald G. Drapkin and William J. Fox for re-election as directors. Each director nominee would serve a three-year term expiring at the close of our annual meeting to be held during 2009. Biographical information on each of the nominees is furnished below under "Directors, Director Nominees and Executive Officers."

Vote Required

The two nominees receiving the highest number of votes cast for them at the meeting will be elected to serve for a term of three years, or until their successors are duly elected and qualified. Abstentions and broker non-votes will not affect the outcome of the election.

Board Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION (ITEM 1 OF THE ENCLOSED PROXY CARD) OF MR. DRAPKIN AND MR. FOX AS DIRECTORS.

GOVERNANCE OF THE COMPANY

Code of Ethics

During the fiscal year ended December 31, 2004, we adopted a Code of Ethics and Business Conduct (“Code of Ethics”) for our employees, officers and directors that complies with Securities and Exchange Commission (“SEC”) regulations and AMEX listing standards. The Code of Ethics is available free of charge on our website at www.nephros.com, by clicking on the Investor Relations link, then the Corporate Governance link. We intend to timely disclose any amendments to, or waivers from, our code of ethics and business conduct that are required to be publicly disclosed pursuant to rules of the SEC and the American Stock Exchange by filing such amendment or waiver with the SEC.

Committees and Meetings

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are each governed by a specific charter, each of which is available on our website at www.nephros.com, and all members of these committees are independent directors. We comply with the rules promulgated by the American Stock Exchange for determining the independence of directors, as well as the Sarbanes-Oxley Act of 2002 requirements for independence of directors on the Audit Committee. Compliance with these requirements is reviewed annually by the Nominating and Corporate Governance Committee.

The Board has at least one regularly scheduled meeting per year. In addition, the Board holds special meetings whenever requested by either the Chairman of the Board, the President, the Secretary or by two or more directors. The Audit Committee has no less than one meeting per quarter. The Compensation Committee meets at least twice a year and the Nominating and Corporate Governance Committee meets at least once a year. In addition, special meetings of the Board or any Committee may be called from time to time as determined by the needs of the business.

The Board of Directors held six meetings during fiscal 2005. During 2005, all directors attended at least 75% of the combined total of (i) all Board meetings and (ii) all meetings of committees of the Board of which the director was a member. The Board of Directors allocates time at each Board meeting to meet without management present.

Audit Committee

The purpose of the Audit Committee of the Board of Directors is to represent and assist the Board in monitoring (i) accounting, auditing, and financial reporting processes; (ii) the integrity of our financial statements; (iii) our internal controls and procedures designed to promote compliance with accounting standards and applicable laws and regulations; and (iv) the appointment of and evaluating the qualifications and independence of our independent registered public accounting firm. The Audit Committee’s specific responsibilities are set forth in its charter, a copy of which is attached as Exhibit A to this proxy statement. The Audit Committee currently consists of Mr. Fox (Chairman), Dr. Rose and Mr. Centella each of whom have been determined by the Board of Directors to be independent under the AMEX listing standards. From September 24, 2004 through April 29, 2005, the Audit Committee consisted of Mr. Fox (Chairman), Mr. Centella and Mr. Ziebold. Dr. Rose was appointed to the Audit Committee on February 2, 2006. The Audit Committee met six times in fiscal 2005.

The Board of Directors has determined that all Audit Committee members are financially literate under the current listing standards of the AMEX. The Board also determined that Mr. Fox qualifies as an “audit committee financial expert” as defined by the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002. The Audit Committee also serves as our Qualified Legal Compliance Committee (“QLCC”). The QLCC is responsible for investigating reports, made by attorneys appearing and practicing before the SEC in the representation of us, of perceived material violations of law, breaches of fiduciary duty or similar violations by us or any of our agents.

Compensation Committee

The purpose of the Compensation Committee of the Board of Directors is to (i) assist the Board in discharging its responsibilities with respect to compensation of our executive officers and directors, (ii) evaluate the performance of our executive officers, (iii) assist the Board in developing succession plans for executive officers and (iv) administer our stock and incentive compensation plans and recommend changes in such plans to the Board as needed. The Compensation Committee establishes the compensation of senior executives on an annual basis. The Compensation Committee currently consists of Mr. Ziebold (Chairman), Mr. Centella and Dr. Salick, all of whom have been determined by the Board of Directors to be independent under the AMEX listing standards. The Compensation Committee met twice in fiscal 2005.

Nominating and Corporate Governance Committee

The purpose of the Nominating and Corporate Governance Committee of the Board of Directors is to assist the Board in identifying qualified individuals to become Board members, in determining the composition of the Board and its committees, in monitoring a process to assess Board effectiveness and in developing and implementing corporate procedures and policies. The Nominating and Corporate Governance Committee currently consists of Mr. Centella (Chairman), Mr. Fox and Mr. Ziebold, all of whom have been determined by the Board of Directors to be independent under the AMEX listing standards. The Nominating and Corporate Governance Committee met three times in fiscal 2005.

The entire Board is responsible for nominating members for election to the Board and for filling vacancies on the Board that may occur between annual meetings of the stockholders. The Nominating and Corporate Governance Committee is responsible for identifying, screening, and recommending candidates to the entire Board for prospective Board membership. When formulating its Board membership recommendations, the Nominating and Corporate Governance Committee also considers any qualified candidate for an open board position timely submitted by our stockholders in accordance with our established procedures.

The Nominating and Corporate Governance Committee will consider stockholder recommendations of candidates when the recommendations are properly submitted. Stockholder recommendations should be submitted to us under the procedures discussed in “Procedures For Security Holder Submission of Nominating Recommendations” which is available on our website at www.nephros.com, by clicking on the Investor Relations link, then the Corporate Governance link. Written notice of any nomination must be timely delivered to Nephros, Inc., 3960 Broadway, New York, New York 10032, Attention: Nominating and Corporate Governance Committee, c/o Chief Financial Officer.

The Nominating and Corporate Governance Committee will evaluate and recommend candidates for membership on the Board of Directors consistent with criteria established by the Committee. When considering a potential non-incumbent candidate, the Nominating and Corporate Governance Committee will factor into its determination the following qualities of a candidate: professional experience, including whether the person is a current or former Chief Executive Officer or Chief Financial Officer of a public company, integrity, professional reputation, independence and ability to represent the best interests of our stockholders.

The Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating non-incumbent candidates for director. The Nominating and Corporate Governance Committee regularly assesses the appropriate size and composition of the Board, the needs of the Board and the respective committees of the Board and the qualifications of candidates in light of these needs. The Committee will solicit recommendations for nominees from persons that the Committee believes are likely to be familiar with qualified candidates, including members of the Board, our management or a professional search firm. The evaluation of these candidates may be based solely upon information provided to the committee or may also include discussions with persons familiar with the candidate, an interview of the candidate or other actions the committee deems appropriate, including the use of third parties to review candidates.

Stockholder Communication with the Board

Stockholders may communicate with the Board of Directors, members of particular committees or to individual directors, by sending a letter to such persons in care of our Chief Financial Officer at our principal executive offices. The Chief Financial Officer has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications. If deemed an appropriate communication, the Chief Financial Officer will submit the correspondence to the Chairman of the Board or to any committee or specific director to whom the correspondence is directed. Procedures for sending communications to the Board of Directors can be found on our website at www.nephros.com, by clicking on the Investor Relations link, then the Corporate Governance link. Please note that all such communications must be accompanied by a statement of the type and amount of our securities that the person holds; any special interest, meaning an interest that is not derived from the proponent's capacity as a shareholder, of the person in the subject matter of the communication; and the address, telephone number and e-mail address, if any, of the person submitting the communication.

Director Compensation

We pay our directors \$500 per meeting for Board meetings attended in person and \$100 per meeting for Board meetings attended telephonically and will reimburse our directors for expenses incurred by them in connection with serving on our Board of Directors. We pay the chairman of the Audit Committee \$500 per meeting for meetings of the Audit Committee.

We will grant each non-employee director who first joins our Board options to purchase 15,000 shares of our common stock in respect of such first year of service at an exercise price per share equal to the fair market value price per share of our common stock on the date of grant. We will also grant each non-employee director options to purchase 10,000 shares of our common stock at an exercise price per share equal to the fair market value price per share of our common stock on the grant date for each year of service as a member of our Board after the first year of such service. Our executive officers shall not receive additional compensation for their service as directors.

Director Independence

The Board of Directors complies with the AMEX listing standards and reviews all commercial and other relationships of each director in making its determination as to the independence of its directors. After such review, the Board has determined that each of Mr. Centella, Mr. Davis, Mr. Drapkin, Mr. Fox, Dr. Salick and Mr. Ziebold qualifies as independent under the requirements of the AMEX listing standards.

Director Attendance at Annual Meetings

Each of our directors is expected to be present at annual meetings of our stockholders absent exigent circumstances that prevent their attendance. Where a director is unable to attend an annual meeting in person but is able to do so by electronic conferencing, we will arrange for the director's participation by means where the director can hear, and be heard by, those present at the meeting. Last year, seven of eight directors attended the annual meeting.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT BY THE AUDIT COMMITTEE OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ("RPAF")

The Audit Committee of the Board of Directors has selected and appointed Deloitte & Touche LLP, independent registered public accounting firm, to audit the accounts of us and our subsidiary for the fiscal year ending December 31, 2006. A representative of Deloitte & Touche LLP is expected to be present at the annual meeting and will have an opportunity to make a statement should he or she desire to do so, and is expected to be available to respond to appropriate questions.

Vote Required

The proposal to ratify the appointment by the Audit Committee of Deloitte & Touche LLP as our independent RPAF requires an affirmative vote of a majority of the voting power of the common stock present at the meeting in person or represented by proxy. Abstentions will have the same effect as votes against Proposal Two. However, because broker non-votes will not be treated as shares that are present and entitled to vote with respect to a specific proposal, broker non-votes will have no effect on the outcome of this matter. Notwithstanding ratification of the appointment of Deloitte & Touche LLP as our independent RPAF for the fiscal year ending December 31, 2006, the Audit Committee may select another independent RPAF for such year without any vote of the stockholders. If the stockholders do not ratify the appointment, the matter of the appointment of independent RPAF will be considered by the Audit Committee.

Board Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION (ITEM 2 OF THE ENCLOSED PROXY CARD) OF THE APPOINTMENT BY THE AUDIT COMMITTEE OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

AUDIT COMMITTEE REPORT

The Audit Committee is responsible for the oversight of the Company's financial reporting process on behalf of the Board of Directors and such other matters as specified in the Committee's charter or as directed by the Board. The Committee also has the sole authority and responsibility to select, evaluate and, where appropriate, replace the independent registered public accounting firm (or to nominate the independent registered public accounting firm for stockholder approval) and to pre-approve all auditing services and any permitted non-audit services performed by the Company's independent registered public accounting firm, including fees and other terms.

Management has the primary responsibility for the financial statements and the reporting process including maintaining the system of internal controls, and for the preparation of the Company's financial statements in accordance with generally accepted accounting principals, as well as the objectivity and integrity of such statements. The Company's independent registered public accounting firm is responsible for expressing an opinion based on its audit of those financial statements as to the statements' conformity with generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. The Committee actively monitors and reviews these processes and financial statements. In carrying out its duties, the Committee relies in part on the information provided to it, and on the representations made to it, by management and the independent

registered public accounting firm.

In this context, the Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, its evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee reviewed with the independent registered public accounting firm its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with the independent registered public accounting firm the firm's independence from management and the Company, including the matters in the written disclosures and the letter required by the Independence Standards Board Standard No. 1, as amended (Independence Discussions with Audit Committee), and considered the compatibility of non-audit services with the independent registered public accounting firm's independence. The Committee discussed with the independent registered public accounting firm the overall scope and plans for its audits, including the matters required to be discussed with audit committees under Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).

The Committee reviewed the audited financial statements for the fiscal year ended December 31, 2005 with management, including a discussion of the quality and acceptability of the financial reporting, the reasonableness of significant accounting judgments and estimates, and the clarity of disclosures in the financial statements.

In reliance on the reviews, discussions and assurances referred to above, and subject to the limitations on the Committee's role and responsibilities referred to above and in the Committee's charter, the Committee recommended to the Board of Directors (and the Board has approved) that the Company's audited financial statements be included in the Annual Report on Form 10-KSB for the year ended December 31, 2005 for filing with the SEC.

COMPENSATION COMMITTEE REPORT

The Compensation Committee is responsible for the oversight of the compensation of the executive officers and directors and administration of the Company's stock and incentive compensation plans. Executive officer compensation is composed of salary, stock options and performance-based bonuses. Norman Barta, the Company's president and chief executive officer, recommends to the Committee for approval the annual salary and any performance-based bonus (or any increase thereof) for each executive officer other than himself. The Committee applies the largely subjective and non-quantitative criteria discussed below in evaluating compensation and has not assigned any particular numerical weight to these factors. The salary of an executive officer is determined by the significance of the position to the Company, individual experience, talents and expertise, tenure with the Company, cumulative contribution to the Company's success, individual performance as it relates to effort and achievement of progress toward particular objectives for the executive officer and to Nephros' immediate and long-term goals, and information gathered as to comparable companies in the same industry as Nephros.

Due to Nephros' phase of growth and development, in addition to its goal of increasing profitability, other elements of performance that are used in structuring executive compensation levels are increases in revenues, new product introductions, progress in research and development, raising new capital if necessary, strategic alliances, customer service values, cost-effective operation and the personal commitment to Nephros' ideals and mission. The Committee believes the compensation of executive officers, including long-term incentives, is appropriate when compared to data of comparable companies. However, this belief should be considered in light of the fact that the elements of compensation of such comparable companies are not necessarily directly comparable to those of Nephros.

Although we do not have a formal bonus plan for executive officers, from time to time we award cash bonuses to certain executive officers. The amount awarded to a particular executive officer is based upon Nephros' overall performance as discussed above, individual performance, the particular executive officer's base salary level, and overall equity and fairness. Pursuant to an employment agreement, the Company has agreed to pay Mr. Barta a bonus equal to 10% of his salary at the time each of six milestones is achieved. These milestones are one-time in nature, and three of these milestones have been achieved to date. Each year, the Committee will set additional milestones, with the total potential payment for these additional milestones, if achieved, each year equaling at least 20% of Mr. Barta's annual base salary as of the date the milestones are set. The Company has also agreed to pay Mr. Barta, subject to certain dollar amount limitations, a bonus of one percent of the license fee or technology access fee not tied directly to sales or expressed as a percentage of receipts or by reference to units produced which is paid to the Company with respect to any consummated licensing agreement of the End Stage Renal Disease therapy machines or dialyzer technology devices.

We grant stock options to executive officers to link the interests and risks of the executive officers with those of the Company's stockholders. The options granted to executive officers are designed to increase in value as the price of our stock increases, as the options are typically priced at the market price of Nephros' Common Stock on the date of grant. We base our decisions on Nephros' performance and the individual's performance as discussed above, base salary and bonus levels, the amount of prior option grants and length of service.

For fiscal 2005, Mr. Barta, president and chief executive officer, received salary of \$285,000 and a bonus of \$27,655. We made these decisions based upon a subjective analysis of his contributions to Nephros' improved performance in the most recent fiscal year, and the above noted criteria. The Committee did not assign any particular numerical weight to any of these matters.

EXECUTIVE EMPLOYMENT AGREEMENTS AND OTHER RELATIONSHIPS

Compensation Committee Interlocks and Insider Participation

As of December 31, 2005, the Compensation Committee of the Board of Directors consisted of W. Townsend Ziebold, Jr. (Chairman), Bernard Salick, M.D. and Lawrence J. Centella, each of whom is a non-employee director. Employment Agreements

Agreement with Mr. Norman J. Barta

Norman J. Barta is serving as our president and chief executive officer under a written employment agreement with us. This agreement, as amended to date, has a term that expires on June 30, 2007. This agreement provides Mr. Barta with an annual base salary since July 31, 2004 of \$285,000. During each year that Mr. Barta is employed with us, our compensation committee will review Mr. Barta's performance and determine, in its sole discretion, whether to further increase Mr. Barta's annual base salary.

We have agreed to pay Mr. Barta a bonus equal to 10% of his salary at the time each of the following six milestones is achieved: (1) the OLpūr MD190 hemodiafiltration device or a related device is deemed ready to enter a clinical trial by the FDA or an analogous body outside of the United States in a region where there exists significant market opportunity for the sale of the device; (2) the completion of a clinical trial of the device in such a region; (3) the first regulatory approval of the device in such a region; (4) a second hemodiafiltration device is deemed ready to enter a clinical trial by the FDA or an analogous body outside of the United States in a region where there exists significant market opportunity for the sale of such device; (5) the completion of the clinical trial of the second device in such a region; and (6) the first regulatory approval of the second device in such region. To date, milestones (1) through (3) have been achieved. The agreement provides that after July 2004, additional realistic milestones will be set for each year, with the total potential payment for these additional milestones, if achieved, each year equaling at least 20% of Mr. Barta's annual base salary as of the date the milestones are set.

Pursuant to the employment agreement, our Compensation Committee established the following two additional milestones during 2005, the achievement of each of which will trigger a bonus equal to 10% of Mr. Barta's current base salary: (a) achieving certain levels of Net Revenues for the six months ending June 30, 2005; and (b) maintaining a certain level of contribution margins over the same time period. We have also agreed to pay to Mr. Barta a bonus of one percent of the license fee or technology access fee not tied directly to sales or expressed as a percentage of receipts or by reference to units produced which is paid to us with respect to any consummated licensing agreement of the ESRD therapy machines or dialyzer technology devices, subject to a maximum bonus of \$500,000 per license agreement (including renewals and amendments) and to an aggregate maximum of \$2,000,000. Also, pursuant to such agreement, the Company's Compensation Committee has established the following milestones for the year ending June 30, 2006. Mr. Barta may earn a cash bonus of up to \$28,500 (plus up to \$14,240, payable in common stock of the Company) upon achieving certain sales and EBITDA targets. In addition, Mr. Barta may earn a cash bonus of up to \$28,500 for successful achievement, as determined by the Board, of the following goals, in part or in full: acquisition/licensing of mid-dilution filter, H₂H or similar; development of water filtration business; development of other products; new intellectual property filings; sales leadership improvements; and completion of UK clinical trials.

Mr. Barta's employment agreement provides that upon termination by us for cause, as defined in the agreement, death or disability, we will pay to him only the base salary and any milestone bonuses due and payable under the terms of the agreement through the date of termination and those that become due and payable within 90 days of that date. If we terminate Mr. Barta for any other reason, Mr. Barta will be entitled to (1) any accrued but unpaid base salary for services rendered through the date of termination; (2) any unpaid milestone bonuses due and payable on or prior to the date of termination or within 90 days thereafter; (3) any unpaid licensing bonuses due and payable on or prior to the date of termination or in respect of licenses consummated during the 90 days following the date of termination; and (4) the continued payment of the base salary (in the amount as of the date of termination) for the remainder of the term (to be paid at the times such base salary would have been paid had his employment not been terminated).

Agreement with Mr. Mark W. Lerner

Mr. Lerner began serving as our chief financial officer on March 6, 2006, pursuant to a letter agreement dated as of March 3, 2006. Mr. Lerner's initial annual base salary is \$175,000. Mr. Lerner also received an option to purchase 40,000 shares of our common stock under our 2004 Equity Incentive Plan. One-quarter of the option vested on the grant date and the remainder of the option will vest in three equal annual installments of 10,000 shares beginning on the anniversary of the grant date. In addition, Mr. Lerner may be awarded a bonus based on performance. Mr. Lerner's agreement provides that upon termination by us for cause (as defined in the agreement), death or disability or by his voluntary resignation or retirement, we shall pay him only his accrued but unpaid base salary for services rendered through the date of termination. If we terminate Mr. Lerner's employment for any other reason, then he shall be entitled to: (1) any accrued but unpaid base salary for services rendered through the date of termination; and (2) the continued payment of his base salary, in the amount as of the date of termination, for ninety (90) days subsequent to the termination date, such payments to be made at the times such base salary would have been paid had his employment not been terminated.

In order to avoid controversy, stockholders should submit any proposals by means, including electronic means, which permit them to prove the date of delivery.

In addition, Rule 14a-4 of the Exchange Act governs the use of our discretionary proxy voting authority with respect to a stockholder proposal that is not addressed in this proxy statement. With respect to our next annual meeting of stockholders, if we are not provided notice of a stockholder proposal prior to March 24, 2007, we will be allowed to use our discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement.

If the Board changes the date of next year's annual meeting by more than 30 days, the Board will, in a timely manner, inform the stockholders of such a change and the effect of such a change on the deadlines given above by including a notice under Item 5 in our earliest possible quarterly report on Form 10-QSB, or if that is impracticable, then by any means reasonably calculated to inform the stockholders.

Other Matters

The Board of Directors does not know of any other matters that are to be presented for action at the annual meeting. If any other matters come before the meeting, the persons named in the enclosed proxy will have the discretionary authority to vote all proxies received with regard to those matters in accordance with their best judgment.
