Item 5.02.

Departure of Directors or Certain Officers; Election of Directors;

Appointment of Certain

Officers; Compensatory Arrangements of Certain Officers

On April 29, 2011, Inland Real Estate Corporation (the Company) entered into employment agreements with each of Mark E. Zalatoris (president and chief executive officer), Brett A. Brown (senior vice president, chief financial officer and treasurer), D. Scott Carr (senior vice president portfolio management and president of Inland Commercial Property Management), Beth Sprecher Brooks (senior vice president, general counsel and secretary) and William W. Anderson (vice president transactions) (collectively, the named executive officers). The employment agreements provide for a term of employment from January 1, 2011 through December 31, 2011, unless extended by the mutual consent of the Company and the executive. Copies of these employment agreements are attached to this Current Report on Form 8-K as Exhibits 10.1, 10.2, 10.3, 10.4 and 10.5, respectively, and are incorporated in their entirety in this Item 5.02 disclosure by reference. The following descriptions of the material terms and conditions of the employment agreements do not purport to be complete and are qualified in their entirety by reference to Exhibits 10.1, 10.2, 10.3, 10.4 and 10.5 hereto.

BASE COMPENSATION

Each named executive officer will receive a fixed amount of base compensation that includes a cash component and an equity component. The cash component consists of cash salaries of \$495,000 for Mr. Zalatoris, \$349,800 for Mr. Brown and Mr. Carr, \$278,900 for Ms. Brooks and \$270,100 for Mr. Anderson. The equity component consists of a number of shares of restricted stock with a value on the date of grant equal to \$45,000 for Mr. Zalatoris, \$15,000 for Mr. Brown and Mr. Carr, \$12,250 for Ms. Brooks and \$12,000 for Mr. Anderson. The rights of the named executive officers to these shares of restricted stock vest 20% per year over five years.

PERFORMANCE-BASED AWARDS

Each named executive officer has an opportunity to earn annual awards of cash and restricted stock in an amount equal to a percentage of his or her base cash salary for 2011. A portion of this opportunity will be based upon the achievement by the executive of personal goals agreed to in advance by the compensation committee (with respect to Mr. Zalatoris) or Mr. Zalatoris (with respect to the other named executive officers). The remainder of this opportunity will be based on our performance relative to the 2011 Retail REIT Shopping Center Index (the NAREIT Peer Index).

We will determine our performance by comparing the growth rates in our funds from operations (FFO) and Total Shareholder Return from year to year versus the median growth rates in those measures of the companies in the NAREIT Peer Index. As used herein, Total Shareholder Return is equal to the sum of (1) the percentage change in our common stock price between January 1st and December 31st of the employment year and (2) our distribution yield for the employment year (calculated by dividing (x) the total distributions paid per share of our common stock for the employment year by (y) the closing price for a share of our common stock on January 1st of the employment year).

We will have achieved (1) a Target level of performance if the measure in question is both positive and equal to or greater than 100%, but less than 135%, of the median for the NAREIT Peer Index; and (2) a High level of performance if the measure in question is both positive and equal to or greater than 135% of the median for the NAREIT Peer Index.

The maximum possible annual cash incentive award that each executive could earn, expressed as a percentage of the executive's base cash salary for 2011, is set forth below:

Maximum Possible Annual Cash Incentive Award

(As Percentage of 2011 Base Cash Salary)

	Brett A. Brown and D. Scott Carr	Other Executives
Mark Zalatoris		
40%	36%	30%

Of the maximum possible annual cash incentive award, the amount that each executive officer actually earns, if any, will be the sum of three components. The first component, as set forth below, will depend upon our level of performance for 2011 as measured by the growth rate in our FFO relative to the median growth rate in FFO of the companies listed in the NAREIT Peer Index:

First Component of Annual Cash Incentive Award

(As Percentage of 2011 Base Cash Salary)

	Mark Zalatoris	Brett A. Brown and D. Scott Carr	Other Executives
Granted automatically upon achieving a Target level of growth in FFO	7%	5.5%	5%
Granted automatically upon achieving a High level of growth in FFO	14%	12.5%	10%

The second component, as set forth below, will depend upon our level of performance for 2011 as measured by the growth rate in our Total Shareholder Return relative to the median total shareholder return of the companies included in the NAREIT Peer Index:

Second Component of Annual Cash Incentive Award

(As Percentage of 2011 Base Cash Salary)

	Mark Zalatoris	Brett A. Brown and D. Scott Carr	Other Executives
Granted automatically upon achieving a Target level of growth in Total Shareholder Return	7%	5.5%	5%
Granted automatically upon achieving a High level of growth in Total Shareholder Return	14%	12.5%	10%

The third component will be fixed in the discretion of the compensation committee (with respect to Mr. Zalatoris) or Mr. Zalatoris (with respect to the other named executive officers) based upon a determination of whether the named executive officer achieved the personal goals agreed upon in advance. The award for the third component can range from zero to the maximum percentage reflected below.

Third Component of Annual Cash Incentive Award

	Mark Zalatoris	Brett A. Brown and D. Scott Carr	Other Executives

The maximum possible annual restricted stock incentive award that each executive could earn, expressed as a percentage of the executive's base cash salary for 2011, is set forth below:

Maximum Possible Annual Restricted Stock Incentive Award

(As Percentage of 2011 Base Cash Salary)

Mark Zalatoris	Brett A. Brown and D. Scott Carr	Other Executives
45%	39%	36%

Of the maximum possible annual restricted stock incentive award, the amount that each executive officer actually earns, if any, will be equal to a fraction, the numerator of which will be the sum of the three components described below, and the denominator of which will be the average of the high and low trading price of our common stock as reported by the New York Stock Exchange on the date of grant. The first component of the numerator, as set forth below, will depend upon our level of performance for 2011 as measured by the growth rate in our FFO relative to the median growth rate in FFO of the companies listed in the NAREIT Peer Index:

First Component of Annual Restricted Stock Incentive Award

(As Percentage of 2011 Base Cash Salary)

	Mark Zalatoris	Brett A. Brown and D. Scott Carr	Other Executives
Granted automatically upon achieving a Target level of growth in FFO	8%	7.5%	7%
Granted automatically upon achieving a High level of growth in FFO	15%	13%	12%

The second component of the numerator, as set forth below, will depend upon our level of performance for 2011 as measured by the growth rate in our Total Shareholder Return relative to the median total shareholder return of the companies included in the NAREIT Peer Index:

Second Component of Annual Restricted Stock Incentive Award

(As Percentage of 2011 Base Cash Salary)

Mark Zalatoris	Brett A. Brown and D. Scott Carr	Other Executives
-----------------------	---	-------------------------

Granted automatically upon achieving a Target level of growth in Total Shareholder Return	8%	7.5%	7%
--	----	------	----

Granted automatically upon achieving a High level of growth in Total Shareholder Return	15%	13%	12%
--	-----	-----	-----

The third component of the numerator will be fixed in the discretion of the compensation committee or Mr. Zalatoris based upon a subjective determination of whether the named executive officer achieves the personal goals agreed upon in advance. The award for the third component can range from zero to the maximum percentage reflected below.

Third Component of Annual Restricted Stock Incentive Award

(Maximum Possible as Percentage of 2011 Base Cash Salary)

	Mark Zalatoris	Brett A. Brown and D. Scott Carr	Other Executives
Granted in the discretion of the compensation committee (for Mr. Zalatoris) or Mr. Zalatoris (for the other named executive officers) based on an assessment of the achievement of their personal goals	15%	13%	12%

The rights of each named executive officers to any shares of restricted stock earned as an annual restricted stock incentive award will vest 20% per year over five years.

In addition, any restricted stock awards which have not yet vested will vest immediately and will no longer be subject to forfeiture.

Termination by Company for Good Reason. Under the employment agreements, we will have good reason to terminate an executive's employment if the executive fails to achieve the personal goals and objectives mutually agreed upon between the executive and the board. In addition, any restricted stock awards which have not yet vested will immediately be forfeited.

Change of Control. If employment under the agreement is terminated within one year of a change of control, then within 30 days of the date of the termination, we will pay the executive:

.
any accrued base salary;

.
any accrued vacation pay;

In addition, if the executive's employment is terminated within one year of a change of control, then any restricted stock awards which have not vested will immediately vest and no longer be subject to forfeiture.

Termination upon Death or Total Disability

any accrued base salary;

any accrued vacation pay;

any accrued reimbursable expenses;

any accrued benefits, together with any benefits required to be paid or provided under applicable law.; and

any accrued bonus.

In addition, any restricted stock or stock option awards issued to the executive which have not yet vested will vest immediately and no longer be subject to forfeiture.
