PROXY STATEMENT

This proxy statement and the enclosed proxy card are being mailed to stockholders on or about March 29, 2002 and are furnished in connection with the solicitation of proxies by the Board of Directors of Boston Properties, Inc. for use at the 2002 annual meeting of stockholders of Boston Properties to be held on Wednesday, May 1, 2002 at 11:00 a.m., local time, at 599 Lexington Avenue, Conference Room 2E, New York, New York, and at any adjournments or postponements thereof.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is the purpose of the annual meeting?

At the annual meeting, stockholders will act upon the matters set forth in the accompanying notice of meeting, including the election of directors, ratification of the selection of our independent accountants, and consideration of three stockholder proposals, one concerning the annual election of directors, one concerning the repeal of our shareholder rights plan and one concerning non-audit activities of independent accountants.

Who is entitled to vote?

If our records show that you were a stockholder as of the close of business on March 13, 2002, which is referred to as the record date, you are entitled to receive notice of the annual meeting and to vote the shares of common stock that you held on the record date. Each outstanding share of common stock entitles its holder to cast one vote for each matter to be voted upon.

Can I attend the meeting?

All stockholders of record of Boston Properties' shares of common stock at

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

the close of business on the record date, or their designated proxies, are authorized to attend the annual meeting. Each stockholder or proxy will be asked to present a form of valid picture identification, such as a driver's license or passport.

What constitutes a quorum?

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of common stock entitled to vote is necessary to constitute a quorum for the transaction of business at the annual meeting. As of the record date, there were 91,117,571 shares of common stock outstanding and entitled to vote at the annual meeting. Shares that reflect votes withheld for director nominees, abstentions or "broker non-votes" (i.e., shares represented at the meeting held by brokers or nominees as to which instructions have not been received from the beneficial owners or persons entitled to vote such shares and the broker or nominee does not have discretionary voting power to vote such shares) will be counted for purposes of determining whether a quorum is present for the transaction of business at the annual meeting.

How do I vote?

Voting by Proxy Holders for Shares Registered Directly in the Name of the Stockholder. If you hold your shares in your own name as a holder of record, you may instruct the proxy holders named in the enclosed proxy card how to vote your common shares by using the toll-free telephone number, the Internet Website listed on the proxy card or by signing, dating and mailing the proxy card in the postage-paid envelope that has been provided to you by Boston Properties.

- . Vote by Telephone. If you hold your common shares in your own name as a holder of record, you may vote by telephone by calling the toll-free number listed on the accompanying proxy card. Telephone voting is available 24 hours a day until 11:59 p.m. on April 30, 2002. When you call you will receive a series of voice instructions which will allow you to vote your common shares. A control number, located above the registration line of your proxy card, verifies your identity as a stockholder and allows you to vote your common shares and confirm that your voting instructions have been recorded properly. IF YOU VOTE BY TELEPHONE, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.
- . Vote by Internet. You also have the option to vote via the Internet. The Website for Internet voting is printed on your proxy card. Internet voting is available 24 hours a day until 11:59 p.m. on April 30, 2002. As with telephone voting, you will be given the opportunity to confirm that your instructions have been properly recorded. IF YOU VOTE VIA THE INTERNET, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.
- . Vote by Mail. If you would like to vote by mail, mark your proxy card, sign and date it, and return it to EquiServe in the postage-paid envelope provided.
- . Vote in Person. If you are a registered stockholder and attend the annual meeting, you may deliver your completed proxy card in person.

Voting by Proxy Holders for Shares Registered in the Name of a Brokerage Firm or Bank. If your common shares are held by a broker, bank or other nominee (i.e., in "street name"), you will receive instructions from your nominee which you must follow in order to have your common shares voted. "Street name" stockholders who wish to vote in person at the meeting will need

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

to obtain a proxy form from the broker, bank or other nominee that holds their common shares of record.

Will other matters be voted on at the annual meeting?

We are not now aware of any other matters to be presented at the annual meeting other than those described in this proxy statement. If any other matters not described in the proxy statement are properly presented at the meeting, proxies will be voted in accordance with the best judgment of the proxy holders.

Can I revoke my proxy instructions?

You may revoke your proxy at any time before it has been exercised by:

- . filing a written revocation with the Secretary of Boston Properties at the following address: 111 Huntington Avenue, Suite 300, Boston, Massachusetts 02199-7610;
- . filing a duly executed proxy bearing a later date; or
- . appearing in person and voting by ballot at the annual meeting.

2

Any stockholder of record as of the record date attending the annual meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the annual meeting will not constitute revocation of a previously given proxy.

What other information should I review before voting?

For your review, our 2001 annual report, including a copy of our annual report filed with the Securities and Exchange Commission (the "SEC") on Form 10-K and financial statements for the fiscal year ended December 31, 2001, is being mailed to stockholders concurrently with this proxy statement. The annual report, however, is not part of the proxy solicitation material.

Our Board of Directors has nominated Alan J. Patricof and Martin Turchin to serve as the Class II directors. The nominees are currently serving as directors of Boston Properties. Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

Directors must be elected by a plurality of the votes of the shares of common stock present in person or represented by proxy and entitled to vote on the election of directors at the annual meeting. Votes may be cast for or withheld from each nominee. Votes cast for the nominees will count as "yes" votes; votes that are withheld from the nominees will not be voted with respect to the director or directors indicated, although they will be counted when determining whether there is a quorum.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THEIR NOMINEES, ALAN J. PATRICOF AND MARTIN TURCHIN. PROXIES SOLICITED BY THE BOARD WILL BE VOTED FOR EACH OF THE NOMINEES UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

Board of Directors. Boston Properties is managed by a seven member Board of Directors, a majority of whom are independent of our management. Our Board of Directors is divided into three classes, and the members of each class of directors serve for staggered three-year terms. Our Board of Directors is composed of three Class I directors (Messrs. Zuckerman, Landis and Salomon), two Class II directors (Messrs. Patricof and Turchin) and two Class III directors (Messrs. Linde and Seidenberg). The terms of the Class III and Class I directors will expire upon the election and qualification of directors at the annual meetings of stockholders held in 2003 and 2004, respectively. At each annual meeting of stockholders, directors will be re-elected or elected for a full term of three years to succeed those directors whose terms are expiring.

Our Board of Directors met five times in 2001. Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of our Board of Directors and (ii) the total number of meetings of all committees of our Board of Directors on which the director served.

Audit Committee. Our Board of Directors has established an Audit Committee consisting of Messrs. Patricof (Chairman), Salomon and Seidenberg. The Audit Committee makes recommendations concerning the engagement of independent public

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

accountants, reviews with the independent public accountants the scope and results of the audit engagement, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and non-audit fees, and reviews the adequacy of our internal accounting controls. Each member of the audit committee is "independent" as that term is defined in the rules of the Securities and Exchange Commission and the applicable listing standards of the New York Stock Exchange. The Audit Committee met six times during 2001.

7

Compensation Committee. Our Board of Directors has established a Compensation Committee consisting of Messrs. Seidenberg (Chairman), Patricof and Turchin. The Compensation Committee exercises all powers of our Board of Directors in connection with compensation matters, including incentive compensation and benefit plans. The Compensation Committee also has authority to grant awards under the 1997 Stock Option and Incentive Plan, as amended (the "1997 Stock Plan"). The Compensation Committee met three times during 2001.

Our Board of Directors has also established (1) a Special Transactions Committee, the members of which are Messrs. Zuckerman and Linde, which may approve acquisitions, dispositions, financings and refinancings below \$25 million and may approve refinancings over \$25 million if the existing debt is increasing by less than \$25 million, and (2) a Significant Transactions Committee, the members of which are Messrs. Zuckerman, Linde and Turchin, which may approve acquisitions, dispositions, financings and refinancings equal to \$25 million or greater but less than \$200 million and may approve refinancings over \$200 million if the existing debt is increasing by less than \$200 million. The Special Transactions Committee did not meet but took action by written consent twelve times in 2001. The Significant Transactions Committee did not meet but took action by written consent two times in 2001.

Boston Properties does not have a standing nominating committee. Our full Board of Directors performs the function of such a committee.

Our Board of Directors may from time to time establish other special or standing committees to facilitate the management of Boston Properties or to discharge specific duties delegated to the committee by the full Board of Directors.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

Our Board of Directors, upon the recommendation of the Audit Committee, has selected the accounting firm of PricewaterhouseCoopers LLP to serve as independent accountants of Boston Properties for the fiscal year ending December 31, 2002. PricewaterhouseCoopers LLP has served as our independent accountants since our initial public offering of common stock in June 1997 and is considered by management of Boston Properties to be well qualified. We have been advised by that firm that neither it nor any member thereof has any financial interest, direct or indirect, in Boston Properties or any of its subsidiaries in any capacity. A representative of PricewaterhouseCoopers LLP will be present at the annual meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Although Boston Properties is not required to submit the ratification and approval of the selection of our independent accountants to a vote of stockholders, our Board of Directors believes that it is sound policy to do so. In the event that the vote of the majority of shares present and entitled to vote on the proposal are against the selection of PricewaterhouseCoopers LLP,

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

the directors will consider the vote and the reasons therefore in future decisions on the selection of independent accountants.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.

PROPOSAL 3: STOCKHOLDER PROPOSAL

Annual Election of Directors

Mrs. Evelyn Y. Davis, Watergate Office Building, 2600 Virginia Avenue, N.W., Suite 215, Washington, D.C. 20037, record holder of 100 shares of common stock of Boston Properties, has given formal notice that she will introduce the following resolution at the forthcoming annual meeting and has furnished the following statements in support of her proposal:

RESOLVED: "That the stockholders of Boston Properties recommend that the Board of Directors take the necessary steps to instate the election of directors ANNUALLY, instead of the stagger system which was recently adopted."

REASONS: "The great majority of New York Stock Exchange listed corporations elect all their directors each year."

"This insures that ALL directors will be more accountable to ALL shareholders each year and to a certain extent prevents the self-perpetuation of the Board."

"Last year the owners of 40,580,594 shares, representing approximately 61.8% of shares voting, voted FOR this proposal."

"If you AGREE, please mark your proxy FOR this resolution."

Boston Properties' Statement in Opposition

Identical proposals were considered by the stockholders at the 2000 annual meeting of stockholders and at the 2001 annual meeting of stockholders. At the 2000 annual meeting, the proposal received the affirmative vote of 50.43% of the total votes cast, which represented 34.7% of the outstanding shares entitled to vote. At last year's annual meeting, the proposal received the affirmative vote of 62% of the total votes cast, which represented 45.2% of the outstanding shares entitled to vote. The proposals were recommendations that the Board of Directors take the necessary steps to instate the annual election of directors. The steps necessary to eliminate the classified board are: (i) adoption of an amendment to our Certificate of Incorporation by the Board of Directors; and (ii) approval of the amendment by the affirmative vote of not less than 75% of the outstanding shares entitled to vote. The Board of Directors carefully considered whether to begin the process to amend the Certificate of Incorporation, but for the reasons noted below, decided that it was not in the best interests of Boston Properties or our stockholders to do so.

The Board of Directors continues to believe that the staggered system of electing directors provides important benefits to Boston Properties:

- . The staggered system provides continuity and stability of experienced directors on our Board of Directors since a majority of the directors will always have prior experience as directors of Boston Properties and will be familiar with our business strategies and operations.

- . In the event of any unfriendly or unsolicited proposal to take over or restructure Boston Properties, the staggered system would enhance management's ability to negotiate in the best interests of all stockholders by affording Boston Properties time to negotiate with the sponsor, to consider alternative proposals, and to assure that stockholder value is maximized.

In addition, the Board of Directors believes that directors who are elected to three-year terms are just as accountable to stockholders as directors who are elected on an annual basis. Under applicable law, the directors owe to the stockholders fiduciary duties which do not depend on how often they are elected. The Board of Directors believes that this proposal is not in the best interest of Boston Properties or its stockholders.

Vote Required

The affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on this proposal is required for adoption of this resolution. Abstentions shall be included in determining the number of shares present and entitled to vote on the proposal, thus having the effect of a vote against the proposal. Broker non-votes are not counted in determining the number of shares present and entitled to vote and will therefore have no effect on the outcome.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE AGAINST THIS PROPOSAL. PROXIES SOLICITED BY THE BOARD WILL BE VOTED AGAINST THIS PROPOSAL UNLESS INSTRUCTIONS TO THE CONTRARY ARE GIVEN.

PROPOSAL 4: STOCKHOLDER PROPOSAL

Shareholder Rights Plan

The Service Employees International Union ("SEIU"), 1313 L Street, N.W., Washington D.C., 20005, record holder of 89 shares of common stock of Boston Properties, has given formal notice that it will introduce the following resolution at the forthcoming annual meeting and has furnished the following statements in support of their proposal:

RESOLVED: "The shareholders of Boston Properties, Inc. request the Board of Directors redeem the shareholder rights issued in June 1997 unless such issuance is approved by the affirmative vote of the outstanding shareholders, to be held as soon as is practicable."

SUPPORTING STATEMENT: "On June 16, 1997, the Board of Directors of Boston Properties, Inc. issued, without shareholder approval, certain shareholder rights pursuant to a Shareholder Rights Plan. These rights are a type of anti-takeover device, commonly referred to as a 'poison pill,' which injure shareholders by reducing management accountability and adversely affecting shareholder value.

While management and the Board of Directors should have the appropriate tools to ensure that all shareholders benefit from any proposal to acquire the Company, the future possibility of takeover does not justify the unilateral imposition of a poison pill. As Nell Minow and Robert Monks note in their book Power and Accountability, poison pills 'amount to major de facto shifts of

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

voting rights away from shareholders to management, on matters pertaining to the sale of the corporation. They give target boards of directors absolute veto power over any proposed business combination, no matter how beneficial it might be for the shareholders.'

Rights plans like ours have become increasingly unpopular in recent years. Last year, a majority of shareholders at Boston Properties, Airborne, Burlington Northern Santa Fe, Maytag, Pitney Bowes, Inc., and McDermott International, Inc. among others, voted in favor of proposals asking management to redeem or repeal poison pills. In addition, the Council of Institutional Investors—an organization of large corporate and public pension plans—calls for shareholder approval of all poison pills in its Shareholder Bill of Rights.

To assure shareholders that management and Board of Directors respect the right of shareholders to participate in the fundamental decisions that affect the Company's governance and performance, we urge the Company to redeem the Shareholder Rights Plan or subject it to a vote as soon as may be practical."

Boston Properties' Statement in Opposition

Last year, an identical proposal was considered by the stockholders and received the affirmative vote of 71% of the total votes cast, which represented 52% of the outstanding shares entitled to vote. Last year's proposal was a recommendation that the Board of Directors take the necessary steps to redeem the shareholder rights. The Board of Directors carefully considered whether to redeem the shareholder rights and terminate the

10

Shareholder Rights Agreement, but for the reasons noted below, decided that it was not in the best interests of Boston Properties or our stockholders to do so.

The Shareholder Rights Agreement was adopted at the time of our initial public offering to provide our stockholders with the opportunity to benefit from our long-term prospects and value and to ensure that our stockholders receive fair and equal treatment in the event of any proposed takeover of Boston Properties. The adoption of the Shareholder Rights Agreement by the Board of Directors fulfilled the Board's responsibility under Delaware law to manage and direct the business and affairs of Boston Properties and, as a legal matter, did not require stockholder approval.

The Shareholder Rights Agreement is designed to encourage a potential acquiror to negotiate directly with our Board, which we believe is in the best position to negotiate on behalf of all stockholders. The Shareholder Rights Agreement does not change the fiduciary standards to be followed by the Board in responding to a takeover bid. The Board must continue to evaluate a proposal for its merits and determine whether, in the Board's business judgment, the bid is in the best interests of all the stockholders and consistent with our long-term business plan and strategy. The Shareholder Rights Agreement is not intended to prevent a takeover of Boston Properties; it is intended to provide protection from abusive and coercive tactics that frequently occur in takeover attempts. The Shareholder Rights Agreement is designed to ensure that our stockholders receive fair and equal treatment in the event of an unsolicited bid and to guard against partial tender offers and other abusive takeover tactics designed to gain control without paying fair value. The Shareholder Rights Agreement induces a bidder for Boston Properties to negotiate with the Board of Directors and thus strengthens the Board's bargaining power on behalf of all stockholders.

The benefits of a shareholder rights plan were validated in a November, 1997

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

study prepared by Georgeson & Company, Inc., a leading investor relations firm. In relevant part, the Georgeson study concluded:

- . premiums paid to acquire companies with shareholder rights plans were on average eight percentage points higher than premiums paid for target companies without rights plans;
- . rights plans contributed an additional \$13 billion in shareholder value during the last five years and shareholders of acquired companies without rights plans give up \$14.5 billion in potential premiums;
- . the presence of a rights plan did not increase the likelihood of withdrawal of a friendly takeover bid nor the defeat of a hostile one; and
- . rights plans did not reduce the likelihood of a company becoming a takeover target.

As described above, the Shareholder Rights Agreement is a powerful tool to protect the interests of all stockholders. Our Board of Directors continues to believe that the Shareholder Rights Agreement is a very effective device to ensure that our Board, not a potential bidder, controls the timing of the consideration of a takeover bid and empirical evidence suggests that shareholder rights plans like ours better position boards of directors to negotiate the best price for all stockholders.

PROPOSAL 5: STOCKHOLDER PROPOSAL

Non-Audit Services of Independent Accountants

The Carpenters Pension and Annuity Fund of Philadelphia & Vicinity (the "Carpenters"), 1803 Spring Garden Street, Philadelphia, Pennsylvania 19130-3998, record holder of 3,100 shares of common stock of Boston Properties, has given formal notice that it will introduce the following resolution at the forthcoming annual meeting and has furnished the following statements in support of their proposal:

RESOLVED: "That the shareholders of Boston Properties, Inc. ("Company") request that the Board of Directors adopt a policy stating that the public accounting firm retained by our Company to provide audit services, or any affiliated company, should not also be retained to provide non-audit services to our Company."

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

STATEMENT OF SUPPORT: "The role of independent auditors in ensuring the integrity of the financial statements of public corporations is fundamentally important to the efficient and effective operation of the financial markets. The U.S. Securities and Exchange Commission recently stated:

Independent auditors have an important public trust. Investors must be able to rely on issuer's financial statements. It is the auditor's opinion that furnishes investors with critical assurance that the financial statements have been subjected to a rigorous examination by an objective, impartial, and skilled professional, and that investors, therefore, can rely on them. If investors do not believe that an auditor is independent of a company, they will derive little confidence from the auditor's opinion and will be far less likely to invest in that public company's securities. (Division of Corporate Finance, Staff Legal Bulletin #14, 7/13/01) ("Bulletin #14")

It is critically important to the integrity of the auditing process and the confidence of investors that those firms performing audits for public corporations avoid business relationships that might compromise their independence or raise the perception of compromised judgment. At the heart of the challenge to auditor independence is the growing level of business and financial relationships developing between audit firms and their clients. Bulletin #14 identifies these growing business relationship that threaten auditor independence:

Accounting firms have woven an increasingly complex web of business and financial relationships with their audit clients. The nature of the non-audit services that accounting firms provide to their audit clients has changed, and the revenues from these services have dramatically increased.

The growth of non-audit revenues represents a trend that has been accelerating dramatically in the last several years, with non-audit fees for consulting or advisory services exceeding audit fees at many companies. Our Company is in the category of companies that pays its audit firm more for non-audit advisory services than it does for audit services. The Company's most recent proxy statement indicated that for the fiscal year ended December 31, 2000, PricewaterhouseCoopers LLP billed \$291,000 for audit services, while billing \$1,400,000 for non-audit services rendered.

We believe that this financial 'web of business and financial relationships' may at a minimum create the perception of a conflict of interest that could result in a lack of owner and investor confidence in the integrity of the Company's financial statements. As long-term shareowners, we believe that the best means of addressing this issue is to prohibit any audit firm retained by our Company to perform audit services from receiving payment for any non-audit services performed by the firm. We urge your support for this resolution designed to protect the integrity of the Company's auditing and financial reporting processes."

Boston Properties' Statement in Opposition

Our Board of Directors, and Audit Committee, are closely following the ongoing debate on auditor independence to make sure that Boston Properties takes all necessary action to maintain the confidence of our

stockholders and of the financial markets. However, the public debates have often failed to distinguish between situations where outside auditors are

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

engaged to perform consulting services unrelated to auditing ("consulting services"), from situations where outside auditors perform audit-related or income tax compliance and related tax services ("audit-related services"). This is a very important distinction. Boston Properties does not retain its outside independent accountants PricewaterhouseCoopers LLP to perform consulting services. We do, however, rely on them to perform a number of audit-related services as follows:

	2001	2000
	-----	-----
Audit Fees.....	\$ 276,000	\$ 291,000
Audit-Related Services		
Audits required by lenders, joint venture agreements, tenants and employee benefit plan requirements.....	268,850	218,000
Accounting assistance for new accounting standards and potential transactions	278,047	229,800

Assessment of internal controls and processes.....	--	159,000
	-----	-----
Subtotal.....	640,047	850,000
	-----	-----
Income Tax Compliance and Related Tax Services		
Review of tax returns.....	129,850	81,700

REIT and other compliance matters.....	43,950	21,800
Tax assistance for potential transactions.....	152,750	120,000
Sales and use tax examinations.....	88,850	63,100
	-----	-----
Subtotal.....	556,025	552,000
	-----	-----
Total.....	\$1,196,072	\$1,402,100
	=====	=====

Many of these services are so closely linked to the audit of our financial statements that our independent accountants are best suited to provide them, and are often the only service provider who can provide them. In addition, as a REIT we must comply with the tax requirements of subchapter M (sections 856 through 860) of the Internal Revenue Code of 1986, as amended, involving factual determinations with which our independent accountants are familiar. Our REIT status is central to the integrity of our financial statements and to our performance. Our auditors, management and stockholders must be assured at all times of our compliance with REIT requirements. It is therefore both practical and appropriate for us to engage our independent accountants with respect to tax compliance and planning matters.

In February 2001, the SEC, in revising the standard of auditor independence, identified nine specific non-audit activities which have the potential to impair an auditor's independence. Boston Properties has not in the past retained our independent accountants to perform any of these nine non-audit services. In addition, to provide investors with all relevant information, the SEC now requires companies to disclose "audit fees" and "all other fees" paid to auditors. For purposes of this disclosure requirement the SEC adopted a very narrow definition of "audit fees" and made no distinctions within the broad category of "other fees." This disclosure framework has had two negative side-effects: (i) it created a mistaken perception that most auditors earn disproportionately large amounts from their audit clients for services unrelated to auditing; and (ii) it caused an assumption that all non-audit fees fall into the problematic category of payments for consulting services.

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

Anything that falls outside auditing falls within the broad category of "other fees" regardless of whether paid for consulting engagements or for audit-related tasks, such as tax compliance and planning or assistance with SEC filings. We attempted to clarify our relationship with our independent accountants by giving our stockholders detailed disclosure of the kinds of services they perform and the fees we pay for each of those services.

Until this point, the stockholders of Boston Properties have put the decisions regarding the use of independent accountants in the hands of management and our Board of Directors. The determination how to best

13

allocate tasks among different accounting and other professional service providers is an important component of our management's and Board of Directors' responsibilities. We do not believe that the retention of discretion in this area undermines our ability to monitor and ensure the independence of our auditors. In its 2001 announcement on auditor independence, the SEC also recognized it is appropriate to leave basic responsibility for maintaining auditor independence to management and directors. Our management and Audit Committee continually evaluate the performance of our independent accountants in both its auditing and audit-related services, the fees paid for all such services, and the compatibility of the audit-related services with the maintenance of their independence. Additionally, our independent accountants have internal control procedures in place to ensure that its audits are conducted in an objective and impartial manner.

We believe it would not be in the interest of Boston Properties and our stockholders to impose an absolute prohibition on our outside independent accountants performing audit-related services.

PRINCIPAL AND MANAGEMENT STOCKHOLDERS

The following table shows the amount of common stock and units of partnership interest in the Operating Partnership beneficially owned as of February 1, 2002 by:

- . each director;
- . the Chairman of the Board, the Chief Executive Officer and the three most

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

highly compensated executive officers of Boston Properties each of whose compensation exceeded \$100,000 during the fiscal year ended December 31, 2001 (the "named executive officers");

- . all directors and executive officers of Boston Properties as a group; and
- . each person known by Boston Properties to hold more than 5% of our outstanding common stock.

On February 1, 2002, there were 90,861,222 shares of our common stock outstanding, 20,211,440 common units of limited partnership interests in the Operating Partnership ("common units") outstanding, each of which is redeemable for one share of Boston Properties' common stock (if Boston Properties elects to issue common stock rather than pay cash upon such redemption), 2,478,183 Series One preferred units outstanding, each of which is currently convertible into 0.88889 common units and 650,876 Series Z preferred units outstanding, each of which was subsequently converted into an equal number of common units on March 6, 2002. The number of common shares "beneficially owned" by each stockholder is determined under rules issued by the SEC regarding the beneficial ownership of securities. This information is not necessarily indicative of beneficial ownership for any other purpose. Under these rules, beneficial ownership of common stock includes (i) any shares as to which the individual or entity has sole or shared voting power or investment power and (ii) any shares which could be purchased by the exercise of options at or within 60 days of February 1, 2002. Boston Properties has opted to include in this proxy statement the beneficial ownership of common units and Series One preferred units even though ownership of such units does not constitute beneficial ownership of common stock under Rule 13d-3, because, pursuant to section 8.6 of the limited partnership agreement of the Operating Partnership, the holder of the common units and Series One preferred units does not have the right to require Boston Properties to exchange the common units or Series One preferred units for shares of common stock.

Beneficial ownership does not include (i) our Series Two preferred units and Series Three preferred units, which are not convertible into common units until December 31, 2002, or (ii) our Series A preferred stock, which is not convertible into common stock until December 31, 2002.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Director Compensation

Directors of Boston Properties who are also employees receive no additional compensation for their services as directors. During 2001, Boston Properties paid its non-employee directors a quarterly director fee of \$7,500 for their services. In addition, non-employee directors receive: (i) a fee of \$1,000 for each Board of Directors meeting attended, (ii) an additional fee of \$1,000 for each committee meeting attended, whether or not the committee meeting was held on the day of a meeting of our Board of Directors and (iii) a fee of \$1,000 for each telephonic meeting attended. The chairman of each committee received a fee of \$2,000 per committee meeting attended, whether or not the committee meeting was held on the day of a meeting of our Board of Directors. Each non-employee director has made an election, in accordance with the 1997 Stock Plan and approved by the Board of Directors, to receive in lieu of cash fees deferred stock units to be settled in shares of common stock upon the person's retirement from our Board of Directors. Non-employee directors also are

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

reimbursed for reasonable expenses incurred to attend Board of Directors and committee meetings. The 1997 Stock Plan provides that each new non-employee director will receive, upon initial election to our Board of Directors, a non-qualified option to purchase 10,000 shares of common stock. In addition, the 1997 Stock Plan provides that each non-employee director, on the 5th day after each annual meeting of stockholders, will receive a non-qualified option to purchase 5,000 shares of common stock. Pursuant to this provision, on May 9, 2001, Messrs. Landis, Patricof, Salomon, Seidenberg and Turchin each received a non-qualified option to purchase 5,000 shares of common stock. All such options become exercisable over the two-year period following the date of grant.

-
- (1) A total of 1,397,000 options were granted to employees of Boston Properties on January 17, 2002.
- (2) Calculated using the Black-Scholes pricing model. The assumptions used in determining the present value of the option grant using this methodology are as follows: expected option life of 6 years; risk-free interest rate of 4.97%; 20% volatility since our initial public offering; 6.31% dividend yield; exercise price of \$37.70 and a closing price of common stock on the date of grant of \$37.70. The actual value, if any, that the holders of these options may realize will depend on the continued employment of the holders of these options through the vesting period and the excess of the market price over the exercise price on the date the option is exercised. Therefore, there is no assurance that the value realized by a holder will be at or near the value estimated by the Black-Scholes pricing model, which is based on assumptions as to the variables of stock price volatility, future dividend yield, interest rates and other factors.

Aggregated Option Exercises in the Last Fiscal Year
and Fiscal Year-End Option Values

The following table sets forth the aggregated number of options to purchase shares of common stock exercised by the Chairman of the Board, the Chief Executive Officer and each of the three other named executive officers in 2001 and the number of shares of common stock covered by the stock options held by each of these officers as of December 31, 2001. The value of unexercised in-the-money options is based on the closing price of a share of common stock, as reported on the New York Stock Exchange, on December 31, 2001 of \$38.00, minus the exercise price, multiplied by the number of shares underlying the options. An option is "in-the-money" if the fair market value of the shares of common stock underlying the option exceeds the option exercise price.

EMPLOYMENT AND NONCOMPETITION AGREEMENTS

Mr. Edward H. Linde, as President and Chief Executive Officer, has an employment and noncompetition agreement with Boston Properties. Pursuant to his employment agreement, during the term of the agreement, Mr. Linde will devote substantially all of his business time to the business and affairs of Boston Properties. The term of the employment agreement is three years beginning on the closing of our initial public offering with automatic one-year renewals thereafter unless notice of termination is given 30 days prior to the end of the initial term or renewal term by either Mr. Linde or Boston Properties. Mr. Linde receives an annual base salary of \$500,000 and is eligible for bonus compensation, including stock options, to be determined in the discretion of our Board of Directors. Mr. Linde's employment with us may be terminated for "cause" by Boston Properties for (1) gross negligence or willful misconduct, (2) an uncured breach of any of his material duties under the employment agreement, (3) fraud or other conduct against the material best interests of Boston Properties, or (4) a conviction of a felony if such conviction has a material adverse effect on Boston Properties. Mr. Linde may terminate his employment for "good reason," which includes (1) a substantial adverse change in the nature or scope of his responsibilities and authority under his employment agreement or (2) an uncured breach by Boston Properties of any of its material obligations under his employment agreement. If Mr. Linde's employment is terminated by us "without cause" or by Mr. Linde for "good reason," then Mr. Linde will be entitled to a severance amount equal to the product of (x) his base salary plus prior year's bonus multiplied by (y) the number of full and fractional years that the noncompetition agreement described below is in effect (but in any event at least one year's base salary plus prior year's bonus).

The employment agreement prohibits Mr. Linde while he is a director or an officer of Boston Properties and for one year thereafter from (1) engaging, directly or indirectly, in the acquisition, development, construction, operation, management, or leasing of any commercial real estate property, (2) intentionally interfering with our relationships with our tenants, suppliers, contractors, lenders or employees or with any governmental agency, or (3) soliciting our tenants or employees. Pursuant to his employment agreement, however, Mr. Linde may engage in minority interest passive investments which include the acquisition, holding, and exercise of voting rights associated with investments made through (1) the purchase of securities that represent a non-controlling, minority interest in an entity or (2) the lending of money, but without management of the property or business to which such investment directly or indirectly relates and without any business or strategic consultation with such entity. In addition, Mr. Linde may participate as an officer or director of any charitable organization. The period that this noncompetition agreement is in effect may be terminated prematurely by Boston Properties, which will reduce the severance amount payable to Mr. Linde. In addition, his employment agreement provides that the noncompetition provision shall not apply if Mr. Linde's employment is terminated following certain

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

changes of control of Boston Properties; in such event, the severance amount payable to Mr. Linde will be determined by reference to the period of time that the noncompetition provision would have been in effect in the absence of such a change of control.

Messrs. Burke, Ritchey and Selsam have employment agreements with Boston Properties similar to that of Mr. Linde, except that the geographic scope of their noncompetition provisions is limited to the markets of Boston Properties at the time of termination of their employment. In addition, Mr. Zuckerman is a party to an agreement with Boston Properties that contains noncompetition provisions of the same scope and duration as the noncompetition provisions of Mr. Linde's employment agreement. Boston Properties will continue to be subject during the term of Mr. Selsam's employment to an agreement dated August 10, 1995 pursuant to which (1) he is eligible to receive commissions of 33.33% of any leasing commission received by Boston Properties in connection with the lease of 90 Church Street, New York, New York and (2) he is paid 5% of the management fees earned on the same property. Mr. Selsam did not receive any commissions, but did receive \$17,423.10 in management fees for fiscal year 2001.

22

SEVERANCE AGREEMENTS

Boston Properties entered into severance agreements with each of Mr. Zuckerman and Mr. Edward H. Linde on July 30, 1998. The severance agreements provide for severance benefits to Mr. Zuckerman and Mr. Linde in the event of their termination under certain circumstances within 24 months following a "change in control." In the event a "terminating event" occurs within 24 months following a "change in control," Mr. Zuckerman and Mr. Linde will receive a lump sum amount equal to \$3,000,000 if the date of termination is in the year 1998, \$3,300,000 if the date of termination is in the year 1999, and \$3,630,000 if the date of termination is in year 2000 or later. Health, dental and life insurance benefits are provided for three (3) years following termination. Finally, the severance agreements provide for tax protection in the form of excise tax gross-up as well as financial counseling, tax preparation assistance and outplacement counseling.

We adopted the Boston Properties, Inc. Senior Executive Severance Plan (referred to as the senior plan) in order to reinforce and encourage the continued attention and dedication of the Executive Vice Presidents, the Chief Financial Officer and the Regional Office Heads. The senior plan provides for the payment of severance benefits to each such executive officer in the event of termination under certain circumstances within 24 months following a "change in control" of up to three (3) times such executive officers' annual base salary and three (3) times the amount of the average annual bonus earned by the executive officer with respect to the three (3) calendar years immediately prior to the "change in control." Tax protection, financial counseling, tax preparation assistance, outplacement counseling and continuation of health, dental and life insurance is the same as described above in the severance agreements.

We adopted the Boston Properties, Inc. Executive Severance Plan (referred to as the executive plan) in order to reinforce and encourage the continued attention and dedication of the Senior Vice Presidents and those Vice Presidents with ten (10) or more years of tenure with Boston Properties. The executive plan is the same as the senior plan except that each such senior officer will receive a payment of up to two (2) times such senior officers annual base salary and two (2) times the amount of the average annual bonus. Financial counseling, tax preparation assistance, outplacement counseling and continuation of health, dental and life insurance benefits is provided for two

COMPENSATION COMMITTEE REPORT ON

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

EXECUTIVE COMPENSATION

Philosophy of Executive Compensation

Boston Properties' executive compensation program is administered under the direction of the Compensation Committee of our Board of Directors. The current members of the Compensation Committee are Ivan G. Seidenberg, Alan J. Patricof and Martin Turchin. None of the members of the Compensation Committee are employees of Boston Properties. The philosophy of our executive compensation program is to:

- . Attract, retain and reward executives who have the motivation, experience, and skills necessary to lead Boston Properties effectively and continue our short-term and long-term profitability, growth and return to stockholders.
- . Create a link between the performance of our stock and executive compensation.
- . Base executive compensation levels on the overall financial and operational performance of Boston Properties, the regional contribution to the overall financial and operational performance and the individual contribution of the executive officer to the success of Boston Properties' financial performance.
- . Position executive compensation levels to be competitive with other similarly situated public companies including the real estate industry in general and real estate investment trusts, or REITs, in particular, with an emphasis on office REITs and REITs with a comparable market capitalization. During 2001, the Compensation Committee engaged an independent outside compensation consultant to review current executive compensation practices. The consultant prepared a survey of executive compensation arrangements for executives at various levels provided by a peer group of 24 REITs of similar size and makeup. The consultant's report was the basis on which the Compensation Committee

24

has implemented our executive compensation program. Our overall philosophy is to provide total compensation to our executives at a target level around the 75th percentile for executives in comparable positions in our peer group. The Compensation Committee has annually reviewed publicly available executive compensation surveys of peer groups and the real estate industry in general in order to ensure that our executive compensation program remains comparable to executives in our peer group, as well as the real estate industry in general.

Compensation Committee Procedures

In order to implement the above policy, the Compensation Committee exercises its independent discretion in reviewing and approving the executive compensation plan as well as specific compensation levels for the executive officers. Final aggregate compensation determinations for each fiscal year are generally made after the end of the fiscal year, after financial statements for such year become available. At that time, bonuses, if any, are determined for the past year's performance, base salaries for the following fiscal year are set and grants of options and/or stock, if any, are generally made. With respect to the compensation of the executive officers, other than Mr. Zuckerman and Mr. Edward H. Linde, the Compensation Committee reviews Mr. Edward H. Linde's recommendations with regard to the appropriate compensation awards. The

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

elements of compensation are primarily comprised of the following, with all three elements working together to satisfy the ultimate goal of enhancing stockholder value:

1. Base Salary. Base salaries are set for executive officers on the basis of assigned responsibilities and on an evaluation of appropriate compensation levels for such responsibilities based upon the recommendations set forth in the 2001 independent consultant report discussed above, as updated by the recently available public surveys referred to previously.

Individual base salaries are reviewed annually. The granting of salary increases within the established applicable salary range for each executive officer and the point within such range their salary will fall is based upon certain factors which include the overall financial performance of Boston Properties, the regional contribution to the overall financial performance of Boston Properties, if applicable, to such executive officer, and individual performance. Assessment of individual performance is based on previously established goals for each executive officer comprised of both subjective and objective elements. With respect to base salaries, the Compensation Committee generally intends to target base salary levels to be at approximately the 75th percentile for executives in comparable positions in comparable public real estate companies. Based on the Compensation Committee's philosophy and the factors as stated above, the Compensation Committee approved 2002 base salaries for the named executive officers other than Mr. Edward H. Linde and Mr. Zuckerman as follows: Mr. Burke, \$385,000, Mr. Ritchey, \$400,000, and Mr. Douglas T. Linde, \$300,000--the same base salaries that were approved in 2001.

2. Cash Bonuses. Boston Properties intends to provide annual performance awards to our executive officers in the form of cash bonuses based on favorable performance by both Boston Properties and the individual executive. The Compensation Committee intends that annual growth in funds from operations, or FFO, will be the principal overall performance measure that is used to determine the maximum bonus to which each executive officer will be entitled and the achievement of individual performance will be used to determine whether each executive officer will receive the maximum bonus or some lesser amount. The Compensation Committee sets forth the threshold, target and maximum levels of FFO growth in advance of each year and sets an allocation between overall performance of Boston Properties and individual performance for each officer. Where appropriate for an executive officer, the Compensation Committee will factor in regional contribution to the overall performance of Boston Properties in determining the cash bonus for such executive officer. In determining cash bonuses for 2001, the Compensation Committee noted that while fiscal year 2001 was a year of solid achievements in a deteriorating economy with declining real estate markets, the overall results were lower than projected:

25

- . An 8% actual increase in total FFO over 2000 and a per-share FFO increase from \$3.31 per share (diluted) in 2000 to \$3.57 per share (diluted) in 2001.
- . Continued growth through \$755 million in new acquisitions, \$1.80 billion in developments in progress and \$188 million in developments placed in service.

The Compensation Committee intends that aggregate cash compensation (base salary plus bonus) will be at approximately the 75th percentile of cash compensation paid by comparable companies in the event that target performance is achieved. Reflecting the actual performance of Boston Properties as described above and the individual performance of each named executive officer,

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

the Compensation Committee awarded cash bonuses to the named executive officers other than Mr. Zuckerman and Mr. Edward H. Linde for the year ended December 31, 2001 as follows: Mr. Burke, \$211,750; Mr. Ritchey, \$220,000; and Mr. Douglas T. Linde, \$210,000.

3. Stock Options and Stock Grants. While recognizing that cash bonus awards provide rewards for positive short-term performance, the Compensation Committee believes that awards of stock options or stock grants provide long-term incentive compensation to executive officers that is aligned directly with the achievement of enhanced value for stockholders through an appreciating stock price. The Compensation Committee intends to grant stock options and/or stock grants annually on the basis of Boston Properties' performance and regional and individual contributions to the success of its performance. Based on the Compensation Committee's review of Boston Properties' overall performance, regional performance and individual performance for 2001, on January 17, 2002, the Compensation Committee granted Messrs. Burke, Ritchey, and D. Linde options to purchase 75,000, 112,500, and 112,500 shares of common stock, respectively, at the then market price of \$37.70 per share. One-third of these options become exercisable on each of the first, second and third anniversary of the date of grant. In addition, the Compensation Committee granted restricted stock to Messrs. Burke, Ritchey, and D. Linde of 3,571, 5,357, and 5,357 shares, respectively. One-fifth of the restricted stock will vest on each of the first, second, third, fourth and fifth anniversary of the date of grant. The Compensation Committee began making restricted stock grants for fiscal year 1999 and has continued to make restricted stock grants to our executives because the Compensation Committee is concerned about retaining our executive talent. Restricted stock can deliver more value to our executives than options, and when combined with a five-year vesting schedule, can serve as a retention tool.

Compensation of the Chief Executive Officer and the Chairman of the Board

In 2000, an outside compensation consultant was engaged to collect and review data regarding the total compensation awarded to the chairmen and chief executive officers of Boston Properties and four comparative peer companies. The consultant compared both the total compensation, as well as the individual components of base salary, annual incentive and long-term incentives, received by such executives. The comparative peer group consisted of office REITs with a comparable market capitalization and geographic presence to Boston Properties. While comparative market data is valuable in providing assurance of reasonable and fair compensation for our Chairman and Chief Executive Officer, the stated philosophy of our executive compensation program to recognize individual contributions to the performance of Boston Properties and to create a link between the performance of our stock and executive compensation is also emphasized.

Based on the comparative peer survey from 2000, the previously referenced 2001 survey and Boston Properties' financial performance in 2001, the Compensation Committee approved a base salary for 2002 of \$500,000 for each of Mr. Zuckerman and Mr. Edward H. Linde. This is the same base salary paid to Mr. Linde and Mr. Zuckerman for 2000 and 2001. Prior to 1999, Mr. Zuckerman received no salary and Mr. Linde received a base salary of \$150,000 which was significantly below competitive levels. Mr. Zuckerman and Mr. Linde did not receive cash bonuses for the fiscal year ended December 31, 2001.

Because the Compensation Committee believes it is important to provide long-term incentive compensation that is tied directly to the creation of value for stockholders, to reward Messrs. Zuckerman and Edward H. Linde for their past efforts, and their contribution to the performance of Boston Properties, and as incentive to continue their efforts in the future, as previously reported, each of Mr. Zuckerman and Mr. Linde were awarded stock options on February 2, 2001. The amount of these awards is the same as the previous stock

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

option awards granted to Messrs. Zuckerman and Linde in 1998. These awards are meant to serve as three-year grants and vest in three

26

equal annual installments beginning on the first anniversary of the date of grant. Accordingly, Mr. Zuckerman and Mr. Linde were not awarded additional stock options for the fiscal year ended December 31, 2001.

Tax Deductibility of Compensation. Section 162(m) of the Code limits the deductibility on Boston Properties' tax return of compensation over \$1 million to any of the named executive officers unless, in general, the compensation is paid pursuant to a plan which is performance-related, non-discretionary and has been approved by our stockholders. The Compensation Committee's policy with respect to Section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted while simultaneously providing our executives with appropriate rewards for their performance.

Compensation Committee Interlocks and Insider Participation

Boston Properties has established a Compensation Committee consisting of Messrs. Seidenberg, Patricof and Turchin. None of them has served as an officer or employee of Boston Properties or has any other business relationship or affiliation with Boston Properties, except his service as a director. None of these persons had any relationships with Boston Properties requiring disclosure under applicable rules and regulations.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the executive officers and directors of Boston Properties, and persons who own more than ten percent of a registered class of Boston Properties' equity securities, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish Boston Properties with copies of all Section 16(a) forms they file. To our knowledge, based solely on our review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended December 31, 2001, all Section 16(a) filing requirements applicable to our executive officers, directors and greater than ten percent beneficial owners were satisfied except that Mr. Mitchell Landis, a Senior Vice President, failed to timely report two transactions.

AUDIT COMMITTEE REPORT

The undersigned members of the Audit Committee of the Board of Directors of Boston Properties submit this report in connection with the committee's review of the financial reports for the fiscal year ended December 31, 2001 as follows:

1. The Audit Committee has reviewed and discussed with management the audited financial statements for Boston Properties for the fiscal year ended December 31, 2001.
2. The Audit Committee has discussed with representatives of

PricewaterhouseCoopers LLP the matters which are required to be discussed with them under the provisions of SAS 61. That Statement of Accounting Standards requires the auditors to ensure that the Audit Committee received information regarding the scope and results of the audit.

3. The Audit Committee has discussed with PricewaterhouseCoopers LLP the auditors' independence from management and Boston Properties including the written disclosures and the letter from the independent auditors required by the Independence Standards Board, Standard No. 1. In addition, the Audit Committee considered whether the provision of certain non-audit services by PricewaterhouseCoopers LLP is compatible with maintaining its independence.

27

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Boston Properties Annual Report on Form 10-K for the fiscal year ended December 31, 2001 for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The MBZ Charitable Remainder Trust Purchase of Shares from Prudential

On February 21, 2001, The MBZ Charitable Remainder Unitrust, a charitable trust of which Mr. Zuckerman is the grantor and Mr. Linde is the sole trustee, purchased from The Prudential Insurance Company of America ("Prudential") 1,806,842 shares of our common stock at an agreed upon purchase price of \$39.90 per share. In a separate transaction, Prudential sold 855,872 shares of our common stock to unrelated parties on the same date and at the same price.

As of February 21, 2001, Prudential owned 2,000,000 shares of our Series A preferred stock, 167,394 Series Three preferred units and 50,000 common units. In addition, affiliates of Prudential continue to manage in the aggregate 2,944,038 shares of our common stock, although Prudential is not the beneficial owner of these investments.

Secured Lending Transactions

Prudential or its affiliates have provided us with secured financing on customary terms and conditions comparable with transactions involving other lenders.

Carnegie Center Acquisitions and Development

On June 30, 1998, Boston Properties acquired from entities controlled by Mr. Alan B. Landis a portfolio of properties known as the Carnegie Center Portfolio and Tower Center One and related operations (collectively, the "Carnegie Center Portfolio") and Mr. Landis became a director of Boston Properties. In connection with the acquisitions of the Carnegie Center Portfolio, the Operating Partnership entered into a development agreement with an affiliate of

Edgar Filing: BOSTON PROPERTIES INC - Form DEF 14A

Mr. Landis providing for up to approximately 2,000,000 square feet of development in or adjacent to the Carnegie Center office complex. The affiliate of Mr. Landis is entitled to a purchase price for each parcel developed under the development agreement calculated on the basis of \$20 per rentable square foot of each property developed, as well as a contingent interest in each such developed property that achieves a stabilized return in excess of a target annual return ranging between 10.5% and 11%. The development agreement also provided that the Operating Partnership and an affiliate of Mr. Landis would form a development company to provide development services for the Carnegie Center development projects at a total charge of five dollars per rentable square foot actually constructed. Revenues and expenses of the development company are shared equally by the Operating Partnership and the affiliate of Mr. Landis. Pursuant to the development agreement, Mr. Landis, personally, has under certain circumstances the right to receive compensation at a rate of \$250,000 annually.

Indebtedness of Management

Mr. Robert E. Burke received a personal loan from Boston Properties in the principal amount of \$500,000. The term of the loan commenced on May 26, 1998 and ended on May 31, 2001. The loan bears interest at a rate of seven percent (7%) per annum. Interest only payments are due yearly beginning on June 1, 1999. The final payment equal to the principal amount outstanding and all accrued interest was paid on or before May 31, 2001, the date the loan came due.

Leasing Commissions

We paid aggregate leasing commissions in 2001 of approximately \$600,000 to a firm controlled by Mr. Raymond A. Ritchey's brother. The terms of the related agreement are more favorable to Boston Properties than comparable arrangements with other brokers in comparable markets.
