Item 2.02. Results of Operation and Financial Condition

On August 23, 2013, Foot Locker, Inc. issued a press release announcing its operating results for the second quarter of 2013. The press release includes a non-GAAP financial measure of second quarter net income excluding costs related to the acquisition of Runners Point Group and the closing of the CCS retail stores. The Company believes this non-GAAP financial measure provides useful information to investors because it allows for a more direct comparison of the Company's performance for the second quarter 2013 to the Company's performance in the comparable prior-year period. The non-GAAP financial measure is provided in addition to, and not as an alternative to, the Company's reported results prepared in accordance with GAAP. A reconciliation to GAAP is provided in the Condensed Consolidated Statements of Operations. A copy of the press release is furnished as Exhibit 99.1, which, in its entirety, is incorporated herein by reference.
