Letter from our Chairman and Chief Executive Officer

April 13, 2018

Dear Fellow Shareholder:

While 2017 proved to be a year with many challenges for Foot Locker, Inc., we remained a highly profitable company and I am proud of the way our team handled the dramatic shifts influencing our customers' preferences and shopping patterns. Against this challenging backdrop, let me describe some of the significant steps we took in 2017. Our Board of Directors took a critical look at governance to assess how we can more effectively protect and increase the value of your investment:

Board Refreshment and Diversity. We know that refreshing the Board is a priority for our shareholders. We have refreshed our Board over the past seven years, as seven highly-qualified directors were added to the Board and six directors will have retired as of the 2018 Annual Meeting. Our Board is diverse in terms of gender, age, ethnicity, skills, business experience, tenure, and viewpoints. In particular, the majority of our Board is female or ethnically diverse and most directors serve on the board of another public company.

Majority Voting in the Election of Directors. At our 2017 Annual Meeting, shareholders approved an amendment to our By-Laws to implement a majority voting standard in uncontested director elections.

Director Qualifications and Skills Matrix. Our directors are highly qualified for service on the Board due to a variety of factors reflected in each director's education, areas of expertise, and management and board experience, as reflected in the updated director skill-set matrix, which is included in the Proxy Statement.

Proxy Access. Our Board adopted amendments to our By-Laws to implement proxy access.

Shareholder Engagement. We extended our proactive shareholder engagement program with a specific focus on corporate governance. We believe that this engagement program promotes transparency between the Board and our shareholders and builds informed and productive relationships.

We also made key changes to position the Company for a dynamic future:

Investments in Our Future Growth. We invested approximately \$270 million in our business to drive future growth. We concentrated a significant portion of this capital spending on enhancing our digital capabilities, and will accelerate our efforts in this area in 2018.

Organizational Changes. We made several strategic organizational changes. We realigned our organizational structure to give all-channel sales and profit responsibility (direct-to-customer and stores) to our division leaders to

- eliminate channel barriers and we expanded the Chief Information Officer role to Chief Information and Customer Connectivity Officer, recognizing the critical role that technology and data play in the customer’s engagement and our omnichannel evolution.

Letter from our Chairman and Chief Executive Officer

Fiscal 2017 Results

We were a highly profitable company in 2017, and despite the challenges and disruptive retail environment we faced during the year, we produced some notable achievements. Highlights include the following:

- Sales totaled \$7.8 billion, slightly higher than 2016 and the most in our history as an athletic company;
- Cash flow from operations totaled \$813 million;
- Earned net income of \$2.22 per share (\$3.99 per share on a non-GAAP* basis), a solid performance given the disruption taking place in retail;
- Invested approximately \$270 million in our business to drive future growth; and
- Returned \$624 million to shareholders between the share repurchase program and dividends, spending \$467 million to repurchase 12.4 million shares, and paying \$157 million in dividends.

* A reconciliation to GAAP is provided on Page 18 of our 2017 Annual Report on Form 10-K.

Proposal 1: Election of Directors

General

There are currently 11 directors on our Board. Jarobin Gilbert, Jr. will be retiring when his term expires at the conclusion of this Annual Meeting, and the Board has fixed the number of directors at 10 effective at such time. All current directors other than Mr. Gilbert are standing for election for a one-year term at this meeting.

We have refreshed our Board over the past seven years, as seven highly-qualified directors were added to the Board and six directors will have retired as of the Annual Meeting. We believe that the Board possesses the appropriate mix of diversity in terms of gender, age, ethnicity, skills, business experience, service on our Board and the boards of other organizations, and viewpoints.

Nominees

Maxine Clark, Alan D. Feldman, Richard A. Johnson, Guillermo G. Marmol, Matthew M. McKenna, Steven Oakland, Ulice Payne, Jr., Cheryl Nido Turpin, Kimberly Underhill, and Dona D. Young will be considered for election as directors to serve for one-year terms expiring at the 2019 Annual Meeting. Each nominee has been nominated by the Board for election and has consented to serve. If, prior to the 2018 Annual Meeting, any nominee is unable to serve, then the persons designated as proxies for this meeting (Sheilagh M. Clarke, John A. Maurer, and Lauren B. Peters) will have full discretion to vote for another person to serve as a director in place of that nominee, unless the Board decides to reduce the size of the Board.

Director Qualifications

The Nominating and Corporate Governance Committee (the “Nominating and Governance Committee”) reviewed and updated the director skill-set matrix in light of the Company’s long-term strategic plan and evaluated the directors’ skills, experience, and qualifications under the updated matrix, which is shown on Page 7.

The Board, acting through the Nominating and Governance Committee, considers its members, including those directors being nominated for reelection to the Board at the 2018 Annual Meeting, to be highly qualified for service on the Board due to a variety of factors reflected in each director’s education, areas of expertise, and experience serving on the boards of directors of other organizations during the past five years. Generally, the Board seeks individuals with broad-based experience, and who have the background, judgment, independence, and integrity to represent the shareholders in overseeing the Company’s management in their operation of the business. Within this framework, specific items relevant to the Board’s determination for each director are listed in each director’s biographical information beginning on Page 2. The ages shown are as of April 13, 2018. There are no family relationships among our directors or executive officers.

The Board recommends that shareholders vote
FOR the election of each of the
ten identified nominees to the Board.

Corporate Governance

The Board is committed to good corporate governance and has adopted Corporate Governance Guidelines and other policies and practices to guide the Board and senior management.

Board Diversity

We believe that the Board possesses the appropriate mix of diversity in terms of gender, age, ethnicity, skills, business experience, service on our Board and the boards of other organizations, and viewpoints. We have refreshed our Board over the past seven years, as seven highly-qualified directors were added to the Board, and six directors will have retired as of this Annual Meeting.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines. The Board periodically reviews the guidelines and revises them, as appropriate. The Corporate Governance Guidelines are available on the corporate governance section of the Company's corporate website at www.footlocker.com/corpgov. You may also obtain a printed copy of the guidelines by writing to the Secretary at the Company's headquarters.

Global Sourcing Guidelines

The Company has adopted Global Sourcing Guidelines that set out standards applicable to the production of all products sold in our stores. The Company periodically reviews the guidelines and revises them, as appropriate. The Global Sourcing Guidelines are available on the corporate governance section of the Company's corporate website at www.footlocker.com/corpgov. You may also obtain a printed copy of the guidelines by writing to the Secretary at the Company's headquarters.

Committee Charters

The Board has adopted charters for each of the Audit Committee, the Compensation Committee, the Finance Committee, and the Nominating and Governance Committee. Copies of the charters for these committees are available on the corporate governance section of the Company's corporate website at www.footlocker.com/corpgov. You may also obtain printed copies of these charters by writing to the Secretary at the Company's headquarters.

Proxy Access

In February 2018, our Board adopted amendments to our By-Laws to implement proxy access. Under our proxy access bylaw, a shareholder, or a group of up to 20 shareholders, owning at least 3% of the Company's outstanding common stock continuously for at least three years as of the date of the notice of nomination, may nominate and

include in the Company's proxy materials director nominees constituting up to two individuals or 20% of the Board, whichever is greater (subject to certain limitations set forth in the By-Laws), provided that the shareholder(s) and nominee(s) satisfy the requirements specified in the By-Laws.

The Board spent significant time evaluating the adoption of a proxy access bylaw. In crafting the bylaw, the Board considered a variety of views on proxy access, including feedback received from extensive discussions with our shareholders and independent advisors with expertise in corporate governance. A number of our shareholders have expressed support for proxy access provisions, and the Board believes the bylaw is in the best interest of all shareholders.

Majority Voting in the Election of Directors

At our 2017 Annual Meeting, shareholders approved an amendment to our By-Laws to implement a majority voting standard in uncontested director elections. Our By-Laws previously had provided for a plurality vote standard in director elections. Beginning with our 2018 Annual Meeting, directors must be elected by a majority of the votes cast in elections for which the number of

Corporate Governance

nominees for election does not exceed the number of directors to be elected. A plurality vote standard will continue to apply to contested elections where the number of nominees exceeds the number of directors to be elected. Our Corporate Governance Guidelines provide that any incumbent director who does not receive a majority of the votes cast in an uncontested election is required to tender his or her resignation for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee will make a recommendation to the Board whether to accept or reject the resignation, or whether other action should be taken. In determining its recommendation to the Board, the Nominating and Governance Committee will consider all factors that it deems relevant and, following such determination, the Company will promptly disclose publicly the Board's decision, including, if applicable, the reasons for rejecting the tendered resignation.

Director Independence

The Board believes that a significant majority of its members should be independent, as determined by the Board based on the criteria established by the New York Stock Exchange (the "NYSE"). Each year, the Nominating and Governance Committee reviews any relationships between outside directors and the Company that may affect independence. Currently, one of the eleven members of the Board serves as an officer of the Company, and the remaining ten directors are independent under the criteria established by the NYSE. Please see Pages 16 through 17 for more information regarding director independence.

Committee Rotation

As a general principle, the Board believes that the periodic rotation of committee assignments on a staggered basis is desirable and provides an opportunity to foster diverse perspective and develop breadth of knowledge within the Board. In 2017, Ms. Clark rotated off of the Audit Committee and onto the Compensation Committee and Mrs. Young rotated off of the Compensation Committee and onto the Audit Committee.

Lead Director

The Board believes that when the positions of Chairman and Chief Executive Officer are held by the same person, an independent lead director should be appointed.

The Lead Director's responsibilities include:

- presiding at Board meetings at which the Chairman is not present;
- presiding at executive sessions of the independent directors;

- attending meetings of each of the Board committees;
- encouraging and facilitating active participation by, and communication among, all directors;
- serving as the liaison between the independent directors and the Chairman;
- approving Board meeting agendas after conferring with the Chairman and other members of the Board, as appropriate, and adding agenda items in her discretion;
- approving Board meeting schedules to ensure that there is sufficient time for discussion of all agenda items;
- having the authority to call meetings of the independent directors;
- leading the Board's annual performance evaluation of the Chief Executive Officer, including an annual evaluation of the Chief Executive Officer's interaction with the Board;

Corporate Governance

- being available to advise the Chairman and the committee chairs in fulfilling their designated roles and responsibilities to the Board; and
- performing such other functions as the Board or other directors may request.

The Board considers the periodic rotation of the Lead Director from time to time, taking into account experience, continuity of leadership, and the best interests of the Company.

Dona D. Young currently serves as the Lead Director. The Board believes that Mrs. Young is well suited to serve as Lead Director, given her business, financial, and governance background, as well as her more than seventeen years of service on our Board.

Board Leadership Structure

Our Board evaluates, from time to time as appropriate, whether the same person should serve as Chairman and Chief Executive Officer, or whether the positions should be held by different persons, in light of all relevant facts and circumstances and what it considers to be in the best interests of the Company and our shareholders. Since May 2016, the positions of Chairman and Chief Executive Officer have been held by Richard A. Johnson, with Dona D. Young serving as independent Lead Director. The Board has utilized various leadership structures since 2001, as shown below:

Date	Leadership Structure
March 2001 – February 2004	Positions separated, with an independent director serving as Non-Executive Chairman
February 2004 – August 2009	Positions combined, with an independent Lead Director
August 2009 – January 2010	Positions separated, with the former Chairman and Chief Executive Officer serving as Executive Chairman and an independent director serving as Lead Director
January 2010 – December 2014	Positions combined, with an independent Lead Director
December 2014 – May 2015	Positions separated, with the former Chairman and Chief Executive Officer serving as Executive Chairman, and an independent director serving as Lead Director
May 2015 – May 2016	Positions separated, with an independent director serving as Non-Executive Chairman
May 2016 – Present	Positions combined, with an independent Lead Director

The Board believes that, based on the Company's current facts and circumstances, its Board leadership structure is appropriate.

Executive Sessions of Non-Management Directors

The Board holds regularly scheduled executive sessions of non-management directors in conjunction with each quarterly Board meeting. Dona D. Young, as Lead Director, presides at these executive sessions.

Board Evaluations

Each year, the Board and its committees engage in a robust evaluation process consistent with the Board's goal of continuous improvement. The Nominating and Governance Committee oversees the evaluation process and reviews the procedures, which may vary from year to year, in advance of each year's evaluation. The process is designed to elicit candid feedback regarding the areas in which the Board and its committees could improve their effectiveness and utilizes surveys, individual interviews, and action planning. For the 2018 evaluation process, the Board has engaged an independent third party to facilitate individual director peer assessments.

Board Members' Attendance at Annual Meetings

Directors are expected to attend annual meetings of shareholders. The annual meeting is normally scheduled on the same day as a quarterly Board meeting. In 2017, all of the directors attended the annual meeting.

Director On-Boarding and Education

We have an on-boarding program for new directors that is intended to educate a new director on the Company and the Board's practices. Over the course of the one-year on-boarding program, the newly-elected director meets with the Company's Chief Executive Officer, Chief Financial Officer, General Counsel and Secretary, and other members of senior management, to review the Company's business operations, financial matters, strategy, investor relations, risk management, corporate governance, composition of the Board and its committees, and succession and development plans. Additionally, he or she visits our stores near the Company's New York headquarters, and elsewhere, with senior management for an introduction to store operatio
