**Item 7.01**

**Regulation FD Disclosure.**

The following information, which has not previously been disclosed, is furnished pursuant to Item 7.01 “Regulation FD Disclosure.” Ark Restaurants Corp. (the “Company”) is furnishing the following information which was discussed during an earnings release conference call with investors on August 14, 2018.

Michael Weinstein, the Company’s Chief Executive Officer, reported that prior guidance no longer seems achievable. The Company projected total EBITDA of \$14,432,000 for fiscal 2018 with add-ins was based on historical performance without taking into account any potential increases in Las Vegas operations. The Company’s calculations have been adversely affected by the number of rain days for outdoor seating, as well as the amount of time it has taken to recapture event space at the reopened Sequoia in Washington, D.C.

Except for historical information, this report contains forward-looking statements, within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These statements involve unknown risks, and uncertainties that may cause the Company’s actual results or outcomes to be materially different from those anticipated and discussed herein. Important factors that might cause such differences are discussed in the Company’s filings with the Securities and Exchange Commission. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Actual results could differ materially from those anticipated in these forward-looking statements, if new information becomes available in the future.
