On September 15, 2005, Scott C. Mason, President of the Advanced Carbon Solutions ( ACS ) line of business of GrafTech International Ltd. ( GrafTech ) left the employment of GrafTech and will pursue other professional opportunities. As part of GrafTech s ongoing efforts to improve productivity and reduce overall costs, Mr. Mason s responsibilities for the product lines within the ACS line of business are being assumed by the general managers of those product lines, who will report directly to GrafTech Chief Executive Officer Craig S. Shular. These product lines include cathodes, carbon electrodes, refractories and advanced graphite materials. In connection with his departure, GrafTech expects to enter into a separation agreement with Mr. Mason.
