PROXY STATEMENT

2007 ANNUAL MEETING OF STOCKHOLDERS

SEPTEMBER 18, 2007

GENERAL

This Proxy Statement is being furnished to the stockholders of ACCESS INTEGRATED TECHNOLOGIES, INC. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board"). The proxies are for use at the 2007 Annual Meeting of Stockholders of the Company to be held on Thursday, September 18, 2007, at 2:00 p.m., local time, or at any adjournment thereof (the "Annual Meeting"). The Annual Meeting will be held at the offices of Kelley Drye & Warren LLP, 101 Park Avenue, 29th Floor, New York, New York 10178. The Company's telephone number is (973) 290-0080.

The shares represented by your proxy will be voted at the Annual Meeting as therein specified (if the proxy is properly executed and returned, and not revoked). You may revoke your proxy at any time before the proxy is exercised by delivering to the Company's Secretary, Mr. Gary Loffredo, a written revocation or a duly executed proxy bearing a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person.

The shares represented by your proxy will be voted as indicated on your properly executed proxy. If no directions are given on the proxy, the shares represented by your proxy will be voted:

- FOR the election of the director nominees named herein (Proposal No. 1), unless you specifically withhold authority to vote for one or more of the director nominees.
- FOR amending and restating the Company's First Amended and Restated 2000 Stock Option Plan to allow various equity-based awards to be granted thereunder (Proposal No. 2), unless you designate otherwise.
- FOR ratifying the appointment of Eisner LLP as our independent auditors for the fiscal year ending March 31, 2008 (Proposal No. 3), unless you designate otherwise.

The Company knows of no other matters to be submitted to the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares they represent as the Board may recommend.

These proxy solicitation materials are first being mailed to the stockholders on or about July 27, 2007.

VOTING SECURITIES

Stockholders of record at the close of business on July 23, 2007 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, (a) 24,234,079 shares of the Company's Class A Common Stock, \$0.001 par value ("Class A Common Stock"), were issued and outstanding and (b) 763,811 shares of the Company's Class B Common Stock, \$0.001 par value ("Class B Common Stock," and together with the Class A Common Stock, the "Common Stock"), were issued and outstanding.

Each holder of Class A Common Stock is entitled to one vote for each share of Class A Common Stock held as of the Record Date. Each holder of Class B Common Stock is entitled to ten (10) votes for each share of Class B Common Stock held as of the Record Date. Each share of Class B Common Stock is convertible at any time at the holder's option into one (1) share of Class A Common Stock. Stockholders do not have cumulative voting rights in the election of directors.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

A majority of the aggregate combined voting power of the outstanding shares of Class A Common Stock and Class B Common Stock as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the aggregate voting power of the shares of Common Stock present, in person and by proxy, at the Annual Meeting does not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares of Common Stock that are voted "FOR," "AGAINST" or "ABSTAIN" are treated as being present at the Annual Meeting for purposes of establishing a quorum. Shares that are voted "FOR," "AGAINST" or "ABSTAIN" with respect to a matter will also be treated as shares entitled to vote at the Annual Meeting (the "Votes Cast") with respect to such matter. Abstentions will be counted for purposes of quorum and will have the same effect as a vote "AGAINST" a proposal.

Broker non-votes (i.e., votes from shares of Common Stock held as of the Record Date by brokers or other custodians as to which the beneficial owners have given no voting instructions) will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of Votes Cast with respect to a particular proposal on which the broker has expressly not voted. Accordingly, broker non-votes will not affect the outcome of the voting on a proposal.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS TO BE PRESENTED AT NEXT ANNUAL MEETING

The Company currently intends to hold its 2008 Annual Meeting of Stockholders on or about September 18, 2008. In order for any stockholder proposal submitted pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to be included in the Company's Proxy Statement to be issued in connection with the 2008 Annual Meeting of Stockholders, such stockholder proposal must be received by the Company no later than March 29, 2008. Any such stockholder proposal submitted, including any accompanying supporting statement, may not exceed 500 words, as per Rule 14a-8(d) of the Exchange Act. Any such stockholder proposals submitted outside the processes of Rule 14a-8 promulgated under the Exchange Act, which a stockholder intends to bring forth at the Company's 2008 Annual Meeting of Stockholders, will be untimely for purposes of Rule 14a-4 of the Exchange Act if received by the Company after June 12, 2008. All stockholder proposals must be made in writing addressed to the Company's Secretary, Mr. Loffredo, Access Integrated Technologies, Inc., 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960.

REVOCABILITY OF PROXY

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company's Secretary, Mr. Loffredo, a written notice of revocation, a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

DISSENTERS' RIGHT OF APPRAISAL

Under Delaware General Corporation Law and the Company's Certificate of Incorporation, stockholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the Annual Meeting.

SOLICITATION

Proxies may be solicited by certain of the Company's directors, executive officers and regular employees, without additional compensation, in person, or by telephone, e-mail or facsimile. The cost of soliciting proxies will be borne by the Company. The Company expects to reimburse brokerage firms, banks, custodians and other persons representing beneficial owners of shares of Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation material to such beneficial owners.

Some banks, brokers and other record holders have begun the practice of "householding" proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure would reduce the volume of duplicate information stockholders receive and would also reduce a company's printing and mailing costs. The Company will promptly deliver an additional copy of either document to any stockholder who writes or calls the Company at the following address or phone number: Investor Relations, Access Integrated Technologies, Inc., 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960, (973) 290-0080.

PROPOSAL ONE

If any nominee is not available for election at the time of the Annual Meeting (which is not anticipated), the proxy holders named in the proxy, unless specifically instructed otherwise in the proxy, will vote for the election of such other person as the existing Board may recommend, unless the Board decides to reduce the number of directors of the Company.

PROPOSAL TWO

AMENDMENT AND RESTATEMENT OF FIRST AMENDED AND RESTATED 2000 STOCK OPTION PLAN

Our Board adopted the Company's 2000 Stock Option Plan (as subsequently amended, "the Plan"), on June 1, 2000 and, in July 2000, our stockholders approved the Plan by written consent. The Plan was amended and restated in January 2003 as the First Amended and Restated 2000 Stock Option Plan and further amended in September 2003, October 2004, September 2005 and September 2006. Under the Plan, we may grant both incentive and non-statutory stock options to our employees and non-statutory stock options to non-employee directors and consultants. The Plan currently authorizes up to 2,200,000 shares of the Company's Class A Common Stock for issuance upon the exercise of options granted under the Plan. The Company believes that the ability to grant stock, restricted stock, stock appreciation rights, performance awards and other equity-based awards, in addition to stock options, under the Plan is in the best interests of the Company and its stockholders because the availability of a variety of equity-based awards is an important factor in attracting and retaining qualified officers and employees essential to the success of the Company (whether through acquisitions or otherwise) and in aligning their long-term interests with those of the stockholders. This change under the Plan will permit the Company to offer a variety of awards instead of solely stock options. In addition, the name of the Plan would be changed to the Second Amended and Restated 2000 Equity Incentive Plan.

Pursuant to the Second Amended and Restated 2000 Equity Incentive Plan (the "Second Amended and Restated Plan") in the form attached hereto as Appendix A, the Board proposes to amend and restate the Plan to allow, in addition to stock options, stock, restricted stock, stock appreciation rights, performance awards and other equity-based awards to be granted. This proposal requires approval by a majority of the Votes Cast at the Annual Meeting.

Under the Second Amended and Restated Plan, no participant may be granted incentive stock options with an aggregate fair market value, as of the date on which such options were granted, of more than \$100,000 becoming exercisable for the first time in any given calendar year. Options granted under the Second Amended and Restated Plan expire ten years following the date of grant (or such shorter period of time as may be provided in a stock option agreement or five years in the case of incentive stock options granted to stockholders who own greater than 10% of the total combined voting power of the Company) and are subject to restrictions on transfer. Options granted under the Second Amended and Restated Plan generally vest over periods up to three years. The Second Amended and Restated Plan is administered by the Board or, at the Board's discretion, the Compensation Committee, and may be amended or terminated by the Board, although no amendment or termination may adversely affect the right of any individual with respect to any outstanding option without the consent of such individual.

The Second Amended and Restated Plan provides for the granting of incentive stock options with exercise prices of not less than 100% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive stock options granted to stockholders of more than 10% of the total combined voting power of the Company must have exercise prices of not less than 110% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive and non-statutory stock options granted under the Second Amended and Restated Plan are subject to vesting provisions, and exercise is subject to the continuous service of the optionee, except for consultants. The exercise prices and vesting periods (if any) for non-statutory options may be set at the discretion of the Board or the Compensation Committee. Upon a change of control of the Company, all options (incentive and non-statutory) that have not previously vested will vest immediately and become fully exercisable. In connection with the grants of options under the Second Amended and Restated Plan, the Company and the participants have executed stock option agreements setting forth the terms of the grants. Options covering no more than 500,000 shares may be granted to one participant during any calendar year unless pursuant to a multi-year award, in which case no more than options covering 500,000 shares per year of the award, during which period no additional options may be granted to such participant, may be granted.

As proposed, the Second Amended and Restated Plan would also provide for the granting of Class A Common Stock, restricted Class A Common Stock, stock appreciation rights and performance awards. Grants of restricted stock would be subject to vesting requirements, generally vesting over periods up to three years, determined by the Board or the Compensation Committee and set forth in notices to the participants. Grants of stock and restricted stock shall not exceed 40% of the total number of shares available to be issued under the Plan.

Stock appreciation rights ("SARs") consist of the right to the monetary equivalent of the increase in value of a specified number of shares over a specified period of time. Upon exercise, SARs may be paid in cash or shares of Class A Common Stock or a combination thereof. Grants of SARs would be subject to vesting requirements,

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

similar to those of stock options, determined by the Board or the Compensation Committee [and set forth in agreements between the Company and the participants].

Performance awards consists of awards of stock and other equity-based awards that are valued in whole or in part by reference to, or are otherwise based on, the market value of the Class A Common Stock, or other securities of the Company, and may be paid in shares of Class A Common Stock, cash or another form of property as the Compensation Committee may determine. Grants of performance awards shall entitle participants to receive an award if the measures of performance established by the Committee are met. Such measures shall be established by the Compensation Committee but the relevant measurement period for any performance award must be at least 12 months. Grants of performance awards shall not cover the issuance of shares that would exceed 20% of the total number of shares available to be issued under the Plan, and no more than 500,000 shares pursuant to any performance awards shall be granted to one participant in a calendar year unless pursuant to a multi-year award. The terms of grants of performance awards would be set forth in agreements between the Company and the participants.

Currently, 530,486 shares are available for issuance under the Plan. Following approval of the Second Amended and Restated Plan at the Annual Meeting, grants of restricted stock set forth in the following table will be made. Each grant will vest over a three-year period. After such grants are made, 501,521 shares will remain available for issuance pursuant to awards granted under the Second Amended and Restated Plan.

Federal Income Tax Consequences

The federal income tax consequences of the issuance and/or exercise of awards under the Second Amended and Restated Plan are as described below. The following information is not a definitive explanation of the tax consequences of the awards, and recipients should consult with their own tax advisors with respect to the tax consequences inherent in the ownership and/or exercise of the awards, and the ownership and disposition of any underlying securities. Tax consequences will also vary depending upon the jurisdiction where the recipient of the award may reside.

Incentive Stock Options

No taxable income is recognized by the optionee at the time of the option grant, and no taxable income is generally recognized at the time the option is exercised, provided that the optionee may incur alternative minimum tax liability upon exercise. The optionee will, however, recognize taxable income in the year in which the purchased shares of Class A Common Stock are sold or otherwise made the subject of a taxable disposition.

For federal tax purposes, dispositions are divided into two categories: (i) qualifying and (ii) disqualifying. A qualifying disposition occurs if the sale or other disposition is made after the optionee has held the shares of Class A Common Stock for more than two (2) years after the option grant date and more than one (1) year after the exercise date. If either of these two holding periods is not satisfied, then a disqualifying disposition will result.

Upon a qualifying disposition, the optionee will recognize long-term capital gain in an amount equal to the excess of (i) the amount realized upon the sale or other disposition of the purchased shares over (ii) the exercise

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

price paid for the shares. If there is a disqualifying disposition of the shares of Class A Common Stock, then the excess of (i) the fair market value of those shares on the exercise date over (ii) the exercise price paid for the shares will be taxable as ordinary income to the optionee.

If the optionee makes a disqualifying disposition of the purchased shares of Class A Common Stock, then the Company will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, equal to the excess of (i) the fair market value of such shares on the option exercise date over (ii) the exercise price paid for the shares. In no other instance will the Company be allowed a deduction with respect to the optionee's disposition of the purchased shares of Class A Common Stock.

Nonqualified Stock Options

No taxable income is recognized by an optionee upon the grant of a non-statutory option. The optionee will in general recognize ordinary income in the year in which the option is exercised, equal to the excess of the fair market value of the purchased shares of Class A Common Stock on the exercise date over the exercise price paid for the shares, and tax withholding requirements will apply to such income.

The Company will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the optionee with respect to the exercised non-statutory option. The deduction will in general be allowed for the taxable year of the Company in which such ordinary income is recognized by the optionee.

Restricted Shares

A recipient will not be taxed at the date of an award of restricted shares, provided that the restricted shares are subject to substantial risk of forfeiture, but will be taxed at ordinary income rates on the fair market value of any restricted shares as of the date that the restrictions lapse. However, the recipient of restricted shares may elect, within 30 days after transfer of such shares to the recipient, under Section 83(b) of the Internal Revenue Code to include in income the fair market value of the restricted shares as of the date of such transfer. At the time the shares are included in income, the Company will be entitled to a corresponding deduction. Any disposition of shares after restrictions lapse will be subject to the regular rules governing long-term and short-term capital gains and losses, with the basis for this purpose equal to the fair market value of the shares at the end of the restricted period (or on the date of the transfer of the restricted shares, if the employee elects to be taxed on the fair market value upon such transfer.

Stock Appreciation Rights

A recipient who is granted an SAR will not recognize any taxable income on the receipt of the SAR. Upon the exercise of an SAR, (a) the recipient will recognize ordinary income equal to the excess of the fair market value of the shares on the the exercise date over the exercise price for the SAR and (b) the Company will be entitled to a deduction on the date of exercise in an amount equal to the ordinary income recognized by the recipient.

Performance Awards and Stock Awards

A recipient will recognize ordinary income equal to any cash that is paid and the fair market value of the Class A Common Stock (on the date that the shares are first transferable and not subject to a substantial risk of forfeiture) that is received in settlement of an award of performance units or as a stock award.

Effects on the Company

The Company generally will be entitled to claim a federal income tax deduction on account of the exercise of a nonqualified stock option or SAR or upon the taxability to the recipient of restricted stock, or the settlement of a performance award (subject to tax limitations on the Company's deductions in any year that certain remuneration paid to certain executives exceeds \$1 million). The amount of the deduction is equal to the ordinary income recognized by the recipient. The Company will not be entitled to a federal income tax deduction on account of the grant or the exercise of an ISO unless the recipient has made a "disqualifying disposition" of the shares acquired on exercise of the ISO, in which case the Company will be entitled to a deduction at the same time and in the same amount as the recipient's recognition of ordinary income.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ADOPTION OF THE AMENDMENT AND RESTATEMENT OF THE PLAN.

PROPOSAL THREE

The Board has selected the firm of Eisner LLP as our independent auditors for the fiscal year ending March 31, 2008, subject to ratification by our stockholders at the Annual Meeting. Eisner LLP was our independent auditors for the fiscal year ended March 31, 2007. No representative of Eisner LLP is expected to be present at the Annual Meeting.

More information about our independent auditors is available under the heading "Independent Auditors" on page 21 below.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF EISNER LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING MARCH 31, 2008.

OTHER MATTERS

The Board does not know of any other matters that may be brought before the Annual Meeting. However, if any such other matters are properly brought before the Annual Meeting, the proxies may use their own judgment to determine how to vote your shares.

MATTERS RELATING TO OUR GOVERNANCE

Board of Directors

The Board intends to meet at least quarterly and the independent directors serving on the Board intend to meet in executive session (i.e., without the presence of any non-independent directors and management) at least once a year. During the fiscal year ended March 31, 2007 (the "Last Fiscal Year"), the Board held five meetings and the Board members acted six times by unanimous written consent in lieu of holding a meeting. Each current member of the Board, who was then serving, attended at least 75% of the total number of meetings of the Board and of the committees of the Board on which they served in the Last Fiscal Year. Messrs. Clevenger, Crotty, Davidoff, Finlay and Mulholland are considered "independent" under the rules of the NASDAQ.

No director has resigned or declined to stand for reelection to the Board for any reason during the Last Fiscal Year. The Board currently does not provide a process for stockholders to send communications to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of stockholders of the Company. While the Board will, from time to time, review the need for a formal policy, at the present time, stockholders who wish to contact the Board may do so by submitting any communications to the Company's Secretary, Mr. Loffredo, Access Integrated Technologies, Inc., 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960, with an instruction to forward the communication to a particular director or the Board as a whole. Mr. Loffredo will receive the correspondence and forward it to any individual director or directors to whom the communication is directed.

The Company does not currently have a policy in place regarding attendance by Board members at the Company's annual meetings. However, each of the directors, who was then serving, attended the 2006 Annual Meeting of Stockholders and currently intends to attend this Annual Meeting.

The Board has three standing committees, consisting of an Audit Committee, a Compensation Committee and a Nominating Committee.

Audit Committee

The Audit Committee consists of Messrs. Clevenger, Davidoff and Finlay. Mr. Finlay is the Chairman of the Audit Committee. The Audit Committee held four meetings in the Last Fiscal Year. The Audit Committee has met with the Company's management and the Company's independent registered public accounting firm to review and help ensure the adequacy of its internal controls and to review the results and scope of the auditors' engagement and other financial reporting and control matters. Both Messrs. Clevenger and Davidoff are financially literate, and Mr. Davidoff is financially sophisticated, as those terms are defined under the rules of the NASDAQ. Mr. Davidoff is also a financial expert, as such term is defined under the Sarbanes-Oxley Act of 2002. Messrs. Clevenger, Davidoff and Finlay are considered "independent" under the rules of the NASDAQ.

The Audit Committee has adopted a formal written charter (the "Audit Charter") which is attached [Appendix B](#) to this proxy statement. The Audit Committee is responsible for ensuring that the Company has adequate internal controls and is required to meet with the Company's auditors to review these internal controls and to discuss other financial reporting matters. The Audit Committee is also responsible for the appointment, compensation and oversight of the auditors. Additionally, the Audit Committee is responsible for the review and oversight of all related party transactions and other potential conflict of interest situations between the Company and its officers, directors, employees and principal stockholders.

Compensation Committee

The Compensation Committee consists of Messrs. Davidoff, Clevenger, Crotty and Mulholland. Mr. Davidoff is the Chairman of the Compensation Committee. The Compensation Committee met one time during the Last Fiscal Year. The Compensation Committee, based on recommendation by the Company's CEO, approves the compensation package of the Company's CEO and the levels of compensation and benefits payable to the Company's other executive officers, reviews general policy matters relating to employee compensation and benefits and recommends to the entire Board, for its approval, stock option and other equity-based award grants to its executive officers, employees, directors and consultants and discretionary bonuses to its executive officers and employees. The Compensation Committee has the authority to appoint and delegate to a sub-committee the

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

authority to make grants and administer bonus and compensation plans and programs. Messrs. Clevenger, Crotty, Davidoff, and Mulholland are considered "independent" under the rules of the NASDAQ.

During the Last Fiscal Year, the Compensation Committee engaged Mr. Gerry Krako, a compensation consultant, for the limited purpose of reviewing the bonus structure for the Company. The consultant advised the Compensation Committee on the bonuses for certain management employees, including the restricted stock awards discussed above, and is helping develop a management incentive program for the future.

Nominating Committee

The Nominating Committee consists of Messrs. Clevenger and Davidoff. Mr. Clevenger is the Chairman of the Nominating Committee. The Nominating Committee held one meeting during the Last Fiscal Year. The Nominating Committee evaluates and approves nominations for annual election to, and to fill any vacancies in, the Board and recommends to the Board the directors to serve on committees of the Board. Messrs. Clevenger and Davidoff are considered "independent" under the rules of the NASDAQ.

The Nominating Committee adopted a formal written charter (the "Nominating Charter") which is attached [Appendix C](#) to this proxy statement. The Nominating Charter sets forth the duties and responsibilities of the Nominating Committee and the general skills and characteristics that the Nominating Committee employs to determine the individuals to nominate for election to the Board. The Nominating Charter is not currently available on the Company's website.

The Nominating Committee will consider any candidates recommended by stockholders. In considering a candidate submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualification of the candidate. Nevertheless, the Board may choose not to consider an unsolicited recommendation if no vacancy exists on the Board and/or the Board does not perceive a need to increase the size of the Board. Stockholders should submit any recommendations of director candidates for the Company's 2007 Annual Meeting of Stockholders to the Company's Secretary, Mr. Loffredo, Access Integrated Technologies, Inc., 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960 by March 29, 2007.

There are no specific minimum qualifications that the Nominating Committee believes must be met by a Nominating Committee-recommended director nominee. However, the Nominating Committee believes that director candidates should, among other things, possess high degrees of integrity and honesty; have literacy in financial and business matters; have no material affiliations with direct competitors, suppliers or vendors of the Company and preferably have experience in the Company's business and other relevant business fields (for example, finance, accounting, law and banking).

Members of the Nominating Committee meet in advance of each of the Company's annual meetings of stockholders to identify and evaluate the skills and characteristics of each director candidate for nomination for election as a director of the Company. The Nominating Committee reviews the candidates in accordance with the skills and qualifications set forth in the Nominating Charter and the rules of the NASDAQ. There are no differences in the manner in which the Nominating Committee evaluates director nominees based on whether or not the nominee is recommended by a stockholder.

The Agreement with Mr. Mayo supercedes the terms and conditions of his existing employment agreement (the "Original Agreement") and extends the term of his employment to December 31, 2008, however, it will be automatically renewed for successive one-year terms unless written notice is given by either the Company or Mr. Mayo at least six months prior to the end of the term (as may be extended) that such party desires to terminate the Agreement. Under the Original Agreement, Mr. Mayo received an annual base salary of \$250,000 and annual bonuses equal to 3.5% of the Company's annual gross revenue up to \$10 million and 2% of any annual gross revenues in excess of \$10 million. Under the new agreement, the Company paid Mr. Mayo a salary at the rate described in the Original Agreement for the remainder of 2005, and commenced paying him at the rate of \$600,000 per year on January 1, 2006, subject to increase for calendar years after 2006 in the discretion of the Compensation Committee. The Company may terminate Mr. Mayo's employment if Mr. Mayo is convicted of theft or embezzlement, fraud, unauthorized appropriation of any assets or property or any felony involving dishonesty or moral turpitude. In the event of such termination, the Company will pay only any earned but unpaid salary up to the date of termination. If the Company terminates Mr. Mayo for any other reason, Mr. Mayo will be entitled to receive his salary, including bonuses, until the scheduled expiration of the Agreement, during which time Mr. Mayo will be obligated to seek other employment. In addition, on June 15, 2006, Mr. Mayo entered into an employment agreement with Christie/AIX, Inc., an indirectly wholly-owned subsidiary of the Company ("Christie/AIX"), pursuant to which he serves as CEO of Christie/AIX but for which he receives no compensation in addition to that which he receives from the Company.

Kevin J. Farrell. In April 2000, the Company entered into an employment agreement with Kevin Farrell. The employment agreement provides for the Company's payment of an annual base salary of \$100,000, which amount was increased to \$112,500 and \$116,250 on January 1, 2004 and 2005, respectively, and \$123,750, \$133,750 and \$143,750 on April 1, 2005, 2006 and 2007, respectively. AccessIT stock option plan

Our Board adopted the Plan on June 1, 2000 and, in July 2000, our shareholders approved the Plan by written consent. Under the Plan, we may grant both incentive and non-statutory stock options to our employees, non-employee directors and consultants. The primary purpose of the Plan is to enable us to attract, retain and motivate our employees, non-employee directors and consultants. On June 9, 2005, the Board approved the expansion of the Plan from 850,000 to 1,100,000 options, which was approved by the shareholders at the Company's 2005 Annual Meeting held on September 15, 2005. On July 6, 2006, the Board approved the expansion of the Plan from 1,100,000 to 2,200,000 options, which was approved by the shareholders at the Company's 2006 Annual Meeting held on September 14, 2006. As of March 31, 2007, there were 1,596,497 options outstanding to purchase shares of Class A Common Stock, and there were options to purchase 589,186 shares of Class A Common Stock available for grant under the Plan.

More information about the Plan is provided in connection with Proposal Two discussed previously.

AccessDM stock option plan

AccessDM's Board adopted its stock option plan ("the AccessDM Plan") on May 13, 2003 and its shareholders approved the AccessDM Plan on May 13, 2003. Under the AccessDM Plan, AccessDM grants stock options to its employees, non-employee directors and consultants. The AccessDM Plan authorizes up to 2,000,000 shares of AccessDM common stock for issuance upon the exercise of options granted under the AccessDM Plan. As of March 31, 2007, AccessDM has issued options to purchase 1,055,000 of its shares to employees, and there were options to purchase 945,000 shares of AccessDM common stock available for grant under the AccessDM Plan.

Under the AccessDM Plan, stock options covering no more than 500,000 shares may be granted to any participant in any single calendar year and no participant may be granted ISOs with an aggregate fair market value, as of the date on which such options were granted, of more than \$100,000 becoming exercisable for the first time in any given calendar year. Stock options granted under the AccessDM Plan expire ten years following the date of grant (or such shorter period of time as may be provided in a stock option agreement or five years in the case of ISOs granted to shareholders who own greater than 10% of the total combined voting power of AccessDM and are subject to restrictions on transfer. Stock options granted under the AccessDM Plan vest generally over periods up to three years. The AccessDM Plan is administered by AccessDM's Board.

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

The AccessDM Plan provides for the granting of ISOs with exercise prices of not less than 100% of the fair market value of AccessDM's common stock on the date of grant. ISOs granted to holders of more than 10% of the total combined voting power of AccessDM must have exercise prices of not less than 110% of the fair market value of AccessDM common stock on the date of grant. ISOs and non-statutory stock options granted under the AccessDM Plan are subject to vesting provisions, and exercise is subject to the continuous service of the participants. The exercise prices and vesting periods (if any) for non-statutory options are set at the discretion of AccessDM's Board. Upon a change of control of AccessDM, all stock options (incentive and non-statutory) that have not previously vested will vest immediately and become fully exercisable. In connection with the grants of stock options under the AccessDM Plan, AccessDM and the participants have executed stock option agreements setting forth the terms of the grants.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Board's Audit Committee ("Audit Committee") oversees the Company's financial reporting process on behalf of the Board. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Company's Annual Report on Form 10-KSB, including a discussion of the acceptability of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed and discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, the matters required to be discussed by Statements on Auditing Standards (SAS 61), as may be modified or supplemented, and their judgments as to the acceptability of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including receiving the written disclosures and letter from the independent auditors as required by the Independence Standards Board Standard No. 1, as may be modified or supplemented, and has considered the compatibility of any non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended March 31, 2007 for filing with the SEC.

Respectfully submitted,

The Audit Committee of the Board of Directors

INDEPENDENT AUDITORS

Eisner served as the independent registered public accounting firm to audit the Company's consolidated financial statements for the fiscal year ended March 31, 2007 and the Board has appointed Eisner to do so again for the fiscal year ending March 31, 2008.

The Company's Audit Committee has adopted policies and procedures for pre-approving all non-audit work performed by Eisner for the fiscal years ended March 31, 2006 and 2007. In determining whether to approve a particular audit or permitted non-audit service, the Audit Committee will consider, among other things, whether the service is consistent with maintaining the independence of the independent registered public accounting firm. The Audit Committee will also consider whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service to our Company and whether the service might be expected to enhance our ability to manage or control risk or improve audit quality. Specifically, the Audit Committee has pre-approved the use of Eisner for detailed, specific types of services within the following categories of non-audit services: acquisition due diligence and audit services; tax services; and reviews and procedures that the Company requests Eisner to undertake on matters not required by laws or regulations. In each case, the Audit Committee has required management to obtain specific pre-approval from the Audit Committee for any engagements.

The aggregate fees billed for professional services by Eisner for these various services were:

Type of Fees	For the fiscal years ended	
	March 31, 2006	2007
(1) Audit Fees	\$175,083	\$270,632
(2) Audit-Related Fees	96,000	102,235
(3) Tax Fees	183,445	182,465
(4) All Other Fees	-	-
	\$454,528	\$555,332

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees the Company paid Eisner for professional services for the audit of the Company's consolidated financial statements included in Form S-3 and Form 10-KSB and review of consolidated financial statements incorporated by reference into Form S-3 and Form S-8 and included in Form 10-QSBs, and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories. All of the services set forth in sections (1) through (4) above were approved by the Audit Committee in accordance with the Audit Charter.

5.2 Maximum Amount Available. The total number of shares of Stock (including Restricted Stock, if any) optioned or granted under this Plan during the term of the Plan shall not exceed 2,200,000 shares. Solely for the purpose of computing the total number of shares of stock optioned or granted under this Plan, there shall not be counted (i) any shares which have been forfeited; (ii) any shares covered by an option which, prior to such computation, has terminated in accordance with its terms or has been cancelled by the Participant or the Company; and (iii) any shares otherwise deliverable to a Participant or his/her transferee upon exercise of an option, or upon the grant or vesting of a Stock Award (as defined in Section 8.1), which are withheld by the Company in order to satisfy tax withholding or exercise price obligations. In addition, there shall be credited to the number of authorized shares remaining for grant or option under this Plan, any share which is delivered to the Company by a Participant or his/her transferee in satisfaction of tax withholding or exercise payment obligations.

5.3 Adjustment in the Event of Recapitalization, etc. In the event of any change in the outstanding shares of the Company by reason of any stock split, stock dividend, recapitalization, merger, consolidation, combination or exchange of shares or other similar corporate change or in the event of any special distribution to the stockholders, the Committee shall make such equitable adjustments in the number of shares and prices per share applicable to options then outstanding and in the number of shares which are available thereafter for Stock Option Awards (as defined in Section 6.1) or other awards, both under the Plan as a whole and with respect to individuals and award type, as the Committee determines are necessary and appropriate. Any such adjustment shall be conclusive and binding for all purposes of the Plan.

Section 6. Stock Options.

6.1 Award Types. The Company may award options to purchase the Common Stock of the Company (hereinafter referred to as “Stock Option Awards”) to such Participants as the Committee (or the Chief Executive Officer of the Company, if the Committee in its discretion delegates the right to allocate awards pursuant to Section 4) authorizes and under such terms as the Committee establishes. The Committee shall determine with respect to

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

each Stock Option Award, and designate in the grant, whether a Participant is to receive an Incentive Stock Option or a Non-Qualified Stock Option.

6.2 Per-Participant Limits. The maximum number of shares of Stock with respect to which Stock Option Awards may be granted, together with the number of shares of Stock with respect to which freestanding SAR Awards may be granted, under this Plan during any calendar year to any Participant is 500,000 except in the case of a multi-year grant, in which case the maximum number of shares for the Participant shall be 500,000 times the number of years during which the Participant is not to receive any additional grants of Stock Option Awards or SAR Awards.

6.3 Exercise Price. The exercise price of each share of Stock subject to a Stock Option Award shall be specified in the grant, but in no event shall the exercise price be less than the closing price of the Stock of the Company on the date the award is granted as reported on the Market. If the Participant to whom an Incentive Stock Option is granted owns, at the time of the grant, more than ten percent (10%) of the combined voting power of the Participant's employer or a parent or subsidiary of the employer, the exercise price of each share of Stock subject to such grant shall be not less than one hundred ten percent (110%) of the closing price described in the preceding sentence.

6.4 Repricing. Without the prior approval of the Company's shareholders, (a) the exercise price of any Stock Option Award granted pursuant to this Plan shall not be changed following the date of its grant, other than such equitable changes as may arise in connection with the adjustments permitted under Section 5.3 and no Stock Option Award may be cancelled and replaced with a new Stock Option Award with a lower exercise price where the economic effect would be the same as reducing the exercise price of the cancelled option.

6.5 Transferability. A Participant's rights and interest to Stock Option Awards may not be assigned or transferred other than by will or the laws of descent and distribution, and during the lifetime of a Participant, only the Participant personally (or the Participant's personal representative) may exercise rights under the Plan. The Participant's beneficiary as designated on file with the Company, or, in the absence of such a beneficiary designation (or if the beneficiary has pre-deceased the Participant), by will or the laws of descent and distribution (in which case the Company without liability to any other person, may rely on the directions of the executor or administrator of the Participant's estate with respect to the disposition or exercise of such options), may exercise the Participant's rights to the extent they are exercisable under the Plan following the death of the Participant.

6.6 Duration of Stock Option Awards. A Stock Option Award by its terms shall be of no more than ten (10) years' duration, except that an Incentive Stock Option granted to a Participant who, at the time of the grant, owns Stock representing more than ten percent (10%) of the combined voting power of the Participant's employer or a parent or subsidiary of the employer shall by its terms be of no more than five (5) years' duration.

6.7 Initial Vesting.

- (a) A Stock Option Award by its terms shall be exercisable only after the earliest of:
- (i) such period of time as the Board of Directors or the Committee shall determine and specify in the grant;
 - (ii) the Participant's death; or
 - (iii) a Change in Control of the Company.

In the event of the Participant's Permanent Disability or the termination by the Company of the Participant's employment other than for cause, a Stock Option Award shall not be exercisable at the time of such event but shall become exercisable at the time specified in clauses (i), (ii) and (iii) above.

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

(b) The Board of Directors or the Committee, in its sole discretion, shall have the right (but shall not in any case be obligated), to permit the exercise of any Option prior to the time such Option would otherwise become exercisable under its terms.

6.8 Exercise Period. Unless otherwise provided in the option agreement for any Stock Option Award, such Stock Option Award is only exercisable by a Participant, while the Participant is in active employment with the Company, or its Subsidiary or Affiliate, except:

(i) in the event of the termination of employment of the Participant by the Participant or the Company for any reason whatsoever other than death or Permanent Disability, (A) any vested Stock Option Awards which were not exercised prior to the date of such termination of employment shall terminate on the date that is three (3) months after the date of such termination of employment and shall not be exercisable at any time thereafter and (B) any nonvested Stock Option Awards as of the date of such termination of employment shall terminate on such date and shall not be exercisable at any time thereafter. For purposes of this Section 6.8, termination of employment with respect to a Participant who is a director or consultant and who is not otherwise an employee of the Company shall mean voluntary or involuntary termination of Board service or the consulting relationship, as the case may be, for any reason.

(ii) in the event of the termination of the employment of the participant by reason of death or Permanent Disability, any Stock Options Awards that were vested prior to the date of such termination (and which were not previously exercised), together with any other Stock Option Awards designated in writing by the Board or the Committee, shall terminate on the earliest of (i) one hundred eighty days after the date of such termination, or (ii) the last day of the term of such Stock Option Award. Any Stock Option Awards that were not vested prior to the date of such termination shall terminate as of the date of such termination and shall not be exercisable at any time thereafter;

(iii) in the case of termination by the Participant or the Company of the Participant's employment within two (2) years after a Change in Control of the Company, unless such termination of employment is for cause, the Stock Option Award shall remain exercisable during a three-year period commencing on the effective date of termination; or

(iv) if the Board of Directors or the Committee decides that it is in the best interest of the Company to permit individual exceptions.

In no event may a Stock Option Award be exercised after its expiration date.

6.9 Manner of Exercise. A Stock Option Award may be exercised by the Participant with respect to part or all of the shares subject to the option by giving written notice to the Company or its designee of the exercise of the option according to such procedures as the General Counsel may establish.

6.10 Payment of Exercise Price. The exercise price for the shares for which an option is exercised shall be paid by the exerciser within ten (10) business days after the date of exercise and the terms of the Stock Option Award may provide that the exercise price may be paid:

- (a) in cash;
- (b) in whole shares of Stock of the Company owned by the exerciser prior to exercising the option;
- (c) by having the Company withhold shares that otherwise would be delivered to the exerciser pursuant to the exercise of the option in an amount equaling in value the exercise price;
- (d) in a combination of either cash and delivery of shares, or cash and withholding of shares; or

- (e) by whatever other means the Committee may deem appropriate, other than by a loan by the Company to the exerciser.

The Company shall establish procedures in connection with payments pursuant to (b), (c), (d), and (e) above, to ensure that the Plan does not become subject to variable accounting by virtue of such payment methods. The value of any share of Stock delivered or withheld in payment of the exercise price shall be its Market Price on the date the option is exercised.

6.11 Limits on Incentive Stock Options. The aggregate fair market value of all shares of Stock with respect to which Incentive Stock Options are exercisable for the first time by a Participant in any one calendar year, under this Plan or any other stock option plan maintained by the Company (or by any subsidiary or parent of the Company), shall not exceed \$100,000. The fair market value of such shares of Stock shall be the mean closing price of the Stock as reported on the Market on the date the related Stock Option Award is granted.

6.12 Payment of Taxes. To enable the Company to meet any applicable federal, state or local withholding tax requirements arising as a result of the exercise of a Stock Option Award, whether exercised by the Participant or his/her transferee, a Participant or the Participant's estate shall pay to the Company the amount of tax to be withheld, or may elect to satisfy such obligation:

- (a) by delivering to the Company other shares of Common Stock of the Company owned by the Participant prior to exercising the option;
- (b) by making a payment to the Company consisting of a combination of cash and such shares of Common Stock; or
- (c) if the exerciser is the grantee Participant, by having the Company withhold shares that otherwise would be delivered to the Participant pursuant to the exercise of the option for which the tax is being withheld, provided that withholding by such method shall be limited to the minimum required applicable tax withholding.

Such an election shall be made in such manner as may be prescribed by the Committee and the Committee shall have the right, in its discretion, to disapprove such election. Any such election must be made prior to the date to be used to determine the tax to be withheld and shall be irrevocable. The value of any share of Common Stock to be withheld by the Company or delivered to the Company pursuant to this Section 6.12 shall be the Market Price on the date used to determine the amount of tax to be withheld.

Section 7. Stock Appreciation Rights.

7.1 Grant of SAR Awards. An SAR Award may be granted to any Eligible Person selected by the Compensation Committee.

7.2 Per-Participant Limits. The maximum number of shares of Stock with respect to which freestanding SAR Awards may be granted, together with the number of shares of Stock with respect to which Stock Option Awards may be granted, under this Plan during any calendar year to any Participant is 500,000 except in the case of a multi-year grant, in which case the maximum number of shares for the Participant shall be 500,000 times the number of years during which the Participant is not to receive any additional grants of Stock Option Awards or SAR Awards. For purposes of this Section 7.2, a Stock Option Award and a tandem SAR will be treated as a single award.

7.3 Base Price. The Board of Directors or the Committee shall, in its sole discretion, prescribe the base price under each SAR Award; provided, however, that the base price per share under a SAR Award shall not be less than the Market Price per share of Stock on the date of grant.

7.4 Vesting; Term of SAR Award. The Board of Directors or the Committee shall, in its sole discretion, prescribe the time or times at which, and the conditions upon which, each SAR Award shall become

vested and exercisable. Such vesting requirements may be based on the continued employment of the applicable Participant with the Company, the attainment of specified performance measures or other conditions established by the Board of Directors or the Committee, in its sole discretion. The Board of Directors or the Committee shall, in its sole discretion, prescribe the term of each SAR Award; provided, however, that (a) a tandem SAR shall have the same vesting terms and requirements as the Stock Option Award to which it relates and (b) no SAR Award shall have a term that is longer than ten years after the applicable date of grant.

7.5 Exercise of SAR Award. Subject to such terms and conditions as may be prescribed by the Board of Directors or the Committee, in its sole discretion, or set forth in this Plan, an SAR Award may be exercised in whole or in part at any time during the term thereof by written notice to the Company. Upon exercise of an SAR Award in whole or in part, the applicable Participant shall be entitled, at the sole discretion of the Board or Directors or the Committee, to receive cash or such number of Shares, or a combination thereof, that in the aggregate have a value equal to the excess, if any, of (i) the Market Price of the Stock underlying such SAR Award or the part thereof exercised as of the date of exercise over (ii) the aggregate base price applicable to such Stock.

7.6 Initial Vesting.

(a) An SAR Award by its terms shall be exercisable only after the earliest of:

- (i) such period of time as the Board of Directors or the Committee shall determine and specify in the grant;
- (ii) the Participant's death; or
- (iii) a Change in Control of the Company.

In the event of the Participant's Permanent Disability or the termination by the Company of the Participant's employment other than for cause, an SAR Award shall not be exercisable at the time of such event but shall become exercisable at the time specified in clauses (i), (ii) and (iii) above.

(b) The Board of Directors or the Committee, in its sole discretion, shall have the right (but shall not in any case be obligated), to permit the exercise of any SAR Award prior to the time such SAR Award would otherwise become exercisable under its terms.

7.7 Exercise Period. Unless otherwise provided in the option agreement for any SAR Award, such SAR Award is only exercisable by a Participant, while the Participant is in active employment with the Company, or its Subsidiary or Affiliate, except:

(i) in the event of the termination of employment of the Participant by the Participant or the Company for any reason whatsoever other than death or Permanent Disability, (A) any vested SAR Awards which were not exercised prior to the date of such termination of employment shall terminate on the date that is three (3) months after the date of such termination of employment and shall not be exercisable at any time thereafter and (B) any nonvested SAR Awards as of the date of such termination of employment shall terminate on such date and shall not be exercisable at any time thereafter. For purposes of this Section 6.8, termination of employment with respect to a Participant who is a director or consultant and who is not otherwise an employee of the Company shall mean voluntary or involuntary termination of Board service or the consulting relationship, as the case may be, for any reason.

(ii) in the event of the termination of the employment of the participant by reason of death or Permanent Disability, any SAR Awards that were vested prior to the date of such termination (and which were not previously exercised), together with any other SAR Awards designated in writing by the Board or the Committee, shall terminate on the earliest of (i) one hundred eighty days after the date of such termination, or (ii) the last day of the term of such SAR Award. Any SAR Awards that were not vested prior to the date of such termination shall terminate as of the date of such termination and shall not be exercisable at any time thereafter;

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

(iii) in the case of termination by the Participant or the Company of the Participant's employment within two (2) years after a Change in Control of the Company, unless such termination of employment is for cause, the SAR Award shall remain exercisable during a three-year period commencing on the effective date of termination; or

(iv) if the Board of Directors or the Committee decides that it is in the best interest of the Company to permit individual exceptions.

In no event may an SAR Award be exercised after its expiration date.

7.8 Tandem or Freestanding Awards. SAR Awards may be awarded in tandem with a Stock Option Award or on a freestanding basis. For purposes

7.9 Transferability. A Participant's rights and interest to SAR Awards may not be assigned or transferred other than by will or the laws of descent and distribution, and during the lifetime of a Participant, only the Participant personally (or the Participant's personal representative) may exercise rights under the Plan. The Participant's beneficiary as designated on file with the Company, or, in the absence of such a beneficiary designation (or if the beneficiary has pre-deceased the Participant), by will or the laws of descent and distribution (in which case the Company without liability to any other person, may rely on the directions of the executor or administrator of the Participant's estate with respect to the disposition or exercise of such options), may exercise the Participant's rights to the extent they are exercisable under the Plan following the death of the Participant.

7.10 Dividends. The Board of Directors or the Committee may prescribe, in its sole discretion, that a Participant holding an SAR Award shall have the right to receive, with respect to each share of Stock underlying such SAR Award, payments of amounts equal to any and all dividends and distributions paid to stockholders during the term of such SAR Award.

Section 8. Grants of Stock.

8.1 Award Types. The Committee may grant, either alone or in addition to other awards granted under the Plan, shares of Stock or Restricted Stock (hereinafter referred to as a "Stock Award") to such Participants as the Committee (or the Chief Executive Officer of the Company, if the Committee in its discretion delegates the right to allocate awards pursuant to Section 4) authorizes and under such terms as the Committee establishes. The Committee, in its discretion, may also make a cash payment to a Participant granted shares of Stock or Restricted Stock under the Plan to allow such Participant to satisfy tax obligations arising out of receipt of the Stock or Restricted Stock. Alternatively, the terms of the Stock or Restricted Stock grant may allow for the Participant to satisfy tax withholding obligations by the means set forth in Section 8.7.

8.2 Aggregate and Individual Limits. Notwithstanding any provision in this Plan to the contrary, the combined number of shares granted under the Plan pursuant to Stock Awards or Performance Awards shall not exceed 40% of the maximum number of shares of Stock available for award under this Plan as provided in Sections 5.2 and 5.3. In addition, no more than 500,000 shares as a Stock Award shall be granted to one individual in a calendar year unless pursuant to a multi-year award.

8.3 Vesting Periods. A grant of Restricted Stock pursuant to this Section 8 shall be subject to a vesting schedule of one-third (1/3) of the shares of Restricted Stock vesting on each of the first, second and third anniversaries of the date of grant, or such other vesting schedule as the Committee, in its sole discretion, may determine.

8.4 Rights as a Stockholder. The Participant shall have, with respect to Restricted Stock, all of the rights of a stockholder of the Company, including the right to vote the shares and the right to receive any dividends, unless the Committee shall otherwise determine.

8.5 Transferability. Restricted Stock may not be sold or transferred by the Participant until any restrictions that have been established by the Committee have lapsed.

8.6 **Forfeiture.** Upon a termination by the Participant or the Company of the Participant's employment for any reason during the period any restrictions are in effect, all Restricted Stock held by the Participant and not yet vested shall be forfeited without compensation to the Participant unless the Committee decides that it is in the best interest of the Company to permit individual exceptions.

8.7 **Payment of Taxes.** To enable the Company to meet any applicable federal, state or local withholding tax requirements arising as a result of the grant or vesting of a Stock Award, the Participant shall pay the Company the amount of tax to be withheld or may elect to satisfy such obligation:

- (a) by having the Company withhold shares that otherwise would be delivered to the Participant pursuant to the granting or vesting of a Stock Award for which the tax is being withheld;
- (b) by delivering to the Company other shares of Common Stock of the Company owned by the Participant prior to the grant or vesting of a Stock Award; or
- (c) by making a payment to the Company consisting of a combination of cash and such shares of Common Stock.

Such an election shall be made prior to the date to be used to determine the tax to be withheld. The value of any share of Common Stock to be withheld by the Company or delivered to the Company pursuant to this Section 8 shall be the Market Price on the date used to determine the amount of tax to be withheld.

Section 9. Performance Awards.

9.1 **Award Types.** The Committee may grant, either alone or in addition to other awards granted under the Plan, awards of Stock and other awards that are valued in whole or in part by reference to, or are otherwise based on, the market value of the Common Stock, or other securities of the Company ("**Performance Awards**") to such Participants as the Committee (or the Chief Executive Officer of the Company, if the Committee in its discretion delegates the right to allocate awards pursuant to Section 4) authorizes and under such terms as the Committee establishes. Performance Awards may be paid in Stock, Restricted Stock, cash or any other form of property as the Committee shall determine.

9.2 **Terms and Conditions of Awards.** Performance Awards shall entitle the Participant to receive an award if the measures of performance established by the Committee are met. The measures of performance shall be established by the Committee in its absolute discretion except that the performance measurement period shall be a period of at least twelve (12) months. The Committee shall determine the times at which Performance Awards are to be made and all conditions of such awards.

9.3 **Aggregate and Individual Limits.** Notwithstanding any provision in this Plan to the contrary, the combined number of shares granted under this Plan pursuant to Performance Awards or Stock Awards shall not exceed 20% of the maximum number of shares of Stock available for award under this Plan as provided in Sections 5.2 and 5.3. In addition, no more than 500,000 shares pursuant to any Performance Awards shall be granted to one individual in a calendar year unless pursuant to a multi-year award.

9.4 **Transferability.** The Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber shares received pursuant to this Section 9 prior to the date on which any applicable restriction or performance period established by the Committee lapses.

9.5 **Payment of Taxes.** To enable the Company to meet any applicable federal, state or local withholding tax requirements arising as a result of the vesting or payment of Performance Awards, a Participant shall pay the Company the amount of tax to be withheld or may elect to satisfy such obligation:

- (a) by having the Company withhold shares that otherwise would be delivered to the Participant pursuant to the vesting or payment of Performance Awards for which the tax is being withheld;

- (b) by delivering to the Company other shares of Common Stock of the Company owned by the Participant prior to the vesting or payment of Performance Awards; or
- (c) by making a payment to the Company consisting of a combination of cash and such shares of Common Stock.

Such an election shall be made prior to the date used to determine the tax to be withheld. The value of any share of Common Stock to be withheld by the Company or delivered to the Company pursuant to this Section 9.5 shall be the Market Price on the date used to determine the amount of tax to be withheld.

Section 10. General Provisions.

10.1 Assignment. Subject to the provisions of Sections 6.5, 7.9, 8.5 and 9.4, if applicable, any assignment or transfer of any awards without the written consent of the Company shall be null and void.

10.2 No Trust. Nothing contained herein shall require the Company to segregate any monies from its general funds, or to create any trusts, or to make any special deposits for any immediate or deferred amounts payable to any Participant for any year.

10.3 No Right to Employment. Participation in this Plan shall not affect the Company's right to discharge a Participant.

10.4 Cancellation and Rescission of Awards.

(a) The Committee shall have the discretion with respect to any award granted under this Plan to establish upon its grant conditions under which (i) the award may be later forfeited, cancelled, rescinded, suspended, withheld or otherwise limited or restricted; or (ii) gains realized by the grantee in connection with an award or an award's exercise may be recovered; provided that such conditions and their consequences are (A) clearly set forth in the grant agreement or other grant document; and (B) fully comply with applicable laws. These conditions may include, without limitation, actions by the Participant which constitute a conflict of interest with the Company, are prejudicial to the Company's interests, or are in violation of any non-compete agreement or obligation, any confidentiality agreement or obligation, the Company's applicable policies or the Participant's terms and conditions of employment.

(b) The Committee may require, upon exercise, payment or delivery pursuant to an award, that the Participant certify in a manner acceptable to the Company that he or she is in compliance with the terms and conditions of the award grant.

Section 11. Amendment, Suspension, or Termination.

11.1 The Board of Directors may suspend, terminate, or amend the Plan, including, but not limited to, such amendments as may be necessary or desirable resulting from changes in the federal income tax laws and other applicable laws, but may not, without the affirmative vote of a majority of all votes duly cast on the matter at a meeting of the stockholders of the Company (provided that the total votes cast on the matter represent over 50% of the shares entitled to vote on the matter): (a) increase the total number of shares of Stock that may be optioned or granted under this Plan; (b) amend Section 6.4 with respect to re-pricing of Stock Option Awards; (c) change the eligibility requirements for participation in the Plan; or (d) adopt any other material revision to this Plan that would require the approval of the stockholders under the rules promulgated by the Market.

11.2 It is the Company's intent that the Plan comply in all respects with Rule 16b-3 under the Exchange Act and any related regulations. If any provision of this Plan is later found not to be in compliance with such Rule and regulations, the provisions shall be deemed null and void. All grants to, and exercises of options by Executive Officers under this Plan shall be executed in accordance with the requirements of Section 16 of the Exchange Act and regulations promulgated thereunder.

Section 12. Governing Law.

The validity, construction and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Delaware and applicable federal law.

Section 13. Effective Date and Duration of the Plan.

The Plan was originally adopted on June 1, 2000; was amended and restated on January 7, 2003; and was further amended on September 17, 2003, October 14, 2004, September 15, 2005 and September 14, 2006.
