Agreement.

On July 13, 2016, Masimo Corporation (the Company) entered into a Single-Tenant Lease (the New Lease) with The Irvine Company LLC (Landlord), for approximately 32,518 square feet of space in a building located at 9600 Jeronimo Road, Irvine, California (the Premises). The Company currently leases the Premises pursuant to a Single-Tenant Lease, dated June 22, 2012, by and between the Company and Landlord, as amended (the Prior Lease). The date of commencement of the New Lease will be December 1, 2016, and the New Lease will continue in effect for a period of ten years, or until November 30, 2026 (the Lease Term). The Prior Lease will terminate immediately prior to commencement of the New Lease.

Monthly base rent payments for the Premises under the New Lease will range from \$25,689 to \$36,420 over the Lease Term, and the first month's rent of approximately \$25,689, plus certain operating expenses, is payable to the Landlord upon the execution of the New Lease. So long as no event of default has occurred or occurs under the New Lease, the Company is entitled to an abatement of four full calendar months of base rent for the initial four full calendar months of the New Lease. In addition to the monthly base rent payments, the Company will be responsible for certain costs under the New Lease, including certain operating, electricity and utility expenses. The Company is not required to provide a security deposit under the New Lease.

Under the terms of the New Lease, the Company has the right to extend the Lease Term for a period of five years, subject to certain conditions (the Extension), at a monthly base rent to be agreed upon by the Company and Landlord or, in the event that the Company and Landlord are not able to agree on a monthly base rent for the Extension, at the fair market rental rate for the five-year renewal of the Premises, as may be determined by an appraiser under certain circumstances.

The New Lease contains customary default provisions allowing Landlord to terminate the New Lease if the Company fails to cure certain breaches of its obligations under the New Lease within a specified period of time. In addition, the Company will be obligated to indemnify Landlord for certain claims, damages and losses arising from the Company's use or occupancy of the Premises.

The foregoing description of certain terms contained in the New Lease does not purport to be complete and is qualified in its entirety by reference to the copy of the New Lease that will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the period ended July 2, 2016.
