RYANAIR RECOGNISES FORSA UNION FOR IRISH BASED CABIN CREW

OVER 65% OF RYANAIR CABIN CREW NOW COVERED BY UNION RECOGNITION AGREEMENTS

Ryanair today (30 Aug) announced that it has signed its fourth cabin crew union recognition agreement with Forsa, who will be the representative body for Ryanair's directly employed cabin crew in Ireland.

Ryanair looks forward to working with Forsa and the elected Ryanair (Cabin Crew) Company Council to conclude an early CLA for Ryanair's directly employed cabin crew based in Ireland. This agreement follows Ryanair's cabin crew recognition deals with the Italian ANPAC, ANPAV and Fit-Cisl unions, UNITE the union in the UK and the Ver.di union in Germany.

Ryanair's Chief People Officer, Eddie Wilson said:

"We are pleased to sign this cabin crew recognition agreement with Forsa in Ireland. We look forward to working closely with both Forsa and their Company Council to address issues of concern to our directly employed Irish based cabin crew. This is a further sign of the progress Ryanair is making with trade unions since our December 2017 decision to recognise unions, with over 65% of our cabin crew now covered by recognition agreements and we hope to sign more agreements in the coming weeks."

Each current Trustee listed above served as a Trustee of 179 funds within the Eaton Vance Fund complex as of December 10, 2014 (including both master and feeder funds in a master-feeder structure). The address of each Trustee is Two International Place, Boston, Massachusetts 02110.

Each Trustee holds office until the annual meeting for the year in which his or her term expires and until his or her successor is elected and qualified, subject to a prior death, resignation, retirement, disqualification or removal. Under the terms of each Fund's Trustee retirement policy as currently in effect, a Trustee must retire as a Trustee on the first day of July following his or her 74th birthday unless such retirement would cause a Fund to be out of compliance with Section 16 of the Investment Company Act of 1940, as amended (the 1940 Act), in which case the retirement and resignation will occur on the first day thereafter on which a Fund would be in compliance with Section 16. Section 16 requires in substance that at least two-thirds of the Trustees be elected by shareholders.

Interested Trustee

Mr. Faust is an interested person (as defined in the 1940 Act) by reason of his affiliation with EVM, each Fund's investment adviser, and EVC, a publicly-held holding company, which owns all the outstanding shares of EVM and of EVM's trustee, EV. (EVM, EVC, and their affiliates are sometimes referred to collectively as the Eaton Vance Organization.) Mr. Faust holds positions with other Eaton Vance affiliates that are comparable to his position with Eaton Vance listed above.

Board Meetings and Committees

The Board of Trustees has general oversight responsibility with respect to the business and affairs of each Fund. The Board has engaged an investment adviser and (if applicable) a sub-adviser (collectively the adviser) to manage each Fund and an administrator to administer each Fund and is responsible for overseeing such adviser and administrator and other service providers to the Fund. The Board is currently composed of ten Trustees, including nine Trustees who are not interested persons of a Fund, as that term is defined in the 1940 Act (each a noninterested Trustee). In addition to eight regularly scheduled meetings per year, the Board holds special meetings or informal conference calls to discuss specific matters that may require action prior to the next regular meeting. As discussed below, the Board has established five committees to assist the Board in performing its oversight responsibilities.

The Board has appointed a noninterested Trustee to serve in the role of Chairman. The Chairman's primary role is to participate in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairman also presides at all meetings of the Board and acts as a liaison with service providers, officers, attorneys, and other Trustees generally between meetings. The Chairman may perform such other functions as may be requested by the Board from time to time. Except for any duties specified herein or pursuant to each Fund's Declaration of Trust or By-laws, the designation of Chairman does not impose on such noninterested Trustee any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Fund is subject to a number of risks, including, among others, investment, compliance, operational, and valuation risks. Risk oversight is part of the Board's general oversight of each Fund and is addressed as part of various activities of the Board of Trustees and its Committees. As part of its oversight of each Fund, the Board directly, or through a Committee, relies on and reviews reports from, among others, Fund management, the adviser, the administrator, the principal underwriter, the Chief Compliance Officer (the "CCO"), and other Fund service providers responsible for day-to-day oversight of Fund investments, operations and compliance to assist the Board in identifying and understanding the nature and extent of risks and determining whether, and to what extent, such risks can or should be mitigated. The Board also interacts with the CCO and with senior personnel of the adviser, the administrator, the principal underwriter and other Fund service providers and provides input on risk management issues during meetings of the Board and its Committees. Each of the adviser, the administrator, the principal underwriter and the other Fund service providers has its own independent interest and responsibilities in risk management, and its policies and methods for carrying out risk management functions will depend, in part, on its individual priorities, resources and controls. It is not possible to identify all of the risks that may affect a Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve a Fund's goals.

The Board, with the assistance of management and with input from the Board's various committees, reviews investment policies and risks in connection with its review of Fund performance. The Board has appointed a Fund Chief Compliance Officer who oversees the implementation and testing of each Fund compliance program and reports to the Board regarding compliance matters for the Funds and their principal service providers. In addition, as part of the Board's periodic review of the advisory, subadvisory (if applicable), distribution and other service provider agreements, the Board may consider risk management aspects of their operations and the functions for which they are responsible. With respect to valuation, the Board approves and periodically reviews valuation policies and procedures applicable to valuing each Fund's shares. The administrator and the adviser are responsible for the implementation and day-to-day administration of these valuation policies and procedures and provides reports to the Audit Committee of the Board and the Board regarding these and related matters. In addition, the Audit Committee of the Board or the Board receives reports periodically from the independent public accounting firm for each Fund regarding tests performed by such firm on the valuation of all securities, as well as with respect to other risks associated with mutual funds. Reports received from service providers, legal counsel and the independent public accounting firm assist the Board in performing its oversight function.

Each Fund's Declaration of Trust does not set forth any specific qualifications to serve as a Trustee. The Charter of the Governance Committee also does not set forth any specific qualifications, but does set forth certain factors that the Committee may take into account in considering noninterested Trustee candidates. In general, no one factor is decisive in the selection of an individual to join the Board. Among the factors the Board considers when concluding that an individual should serve on the Board are the following: (i) knowledge in matters relating to the mutual fund industry; (ii) experience as a director or senior officer of public companies; (iii) educational background; (iv) reputation for high ethical standards and professional integrity; (v) specific financial, technical or other expertise, and the extent to which such expertise would complement the Board of Trustees' existing mix of skills, core competencies and qualifications; (vi) perceived ability to contribute to the ongoing functions of the Board of Trustees, including the ability and commitment to attend meetings regularly and work collaboratively with other members of the Board of Trustees; (vii) the ability to qualify as a noninterested Trustee for purposes of the 1940 Act and any other actual or potential conflicts of interest involving the individual and each Fund; and (viii) such other factors as the Board determines to be relevant in light of the existing composition of the Board of Trustees.

Among the attributes or skills common to all Trustees are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the other Trustees, management, sub-advisers, other service providers, counsel and independent registered public accounting firms, and to exercise effective and independent business judgment in the performance of their duties as Trustees. Each Trustee's ability to perform his or her duties effectively has been attained through the Trustee's business, consulting, public service and/or academic positions and through experience from service as a member of the Boards in the Eaton Vance family of funds (Eaton

Vance Fund Boards) (and/or in other capacities, including for any predecessor funds), public companies, or non-profit entities or other organizations as set forth below. Each Trustee's ability to perform his or her duties effectively also has been enhanced by his or her educational background, professional training, and/or other life experiences.

In respect of each current Trustee, the individual's substantial professional accomplishments and experience, including in fields related to the operations of registered investment companies, were a significant factor in the determination that the individual should serve as a Trustee. The following is a summary of each Trustee's particular professional experience and additional considerations that contributed to the Board's conclusion that he or she should serve as a Trustee:

The purposes of the Contract Review Committee are to consider, evaluate and make recommendations to the Board of Trustees concerning the following matters: (i) contractual arrangements with each service provider to each Fund, including advisory, sub-advisory, transfer agency, custodial and fund accounting, distribution services (if any) and administrative services; (ii) any and all other matters in which any of each Fund's service providers (including Eaton Vance or any affiliated entity thereof) has an actual or potential conflict of interest with the interests of the Fund or its shareholders; and (iii) any other matter appropriate for review by the noninterested Trustees, unless the matter is within the responsibilities of other Committees of the Board of Trustees.

Mmes. Peters (Chair), Frost, Mosley and Taggart are members of the Portfolio Management Committee. The purposes of the Portfolio Management Committee are to: (i) assist the Board of Trustees in its oversight of the portfolio management process employed by each Fund and their investment adviser and sub-adviser(s), if applicable, relative to the Funds' stated objective(s), strategies and restrictions; (ii) assist the Board of Trustees in its oversight of the trading policies and procedures and risk management techniques applicable to the Funds; and (iii) assist the Board of Trustees in its monitoring of the performance results of all funds, giving special attention to the performance of certain funds that it or the Board of Trustees identifies from time to time.

Messrs. Pearlman (Chair), Eston and Gorman are members of the Compliance Reports and Regulatory Matters Committee. The purposes of the Compliance Reports and Regulatory Matters Committee are to: (i) assist the Board of Trustees in its oversight role with respect to compliance issues and certain other regulatory matters affecting the Funds; (ii) serve as a liaison between the Board of Trustees and the Funds' CCO; and (iii) serve as a qualified legal compliance committee within the rules promulgated by the SEC.

Mmes. Taggart (Chair), Frost, Mosley and Peters, and Messrs. Eston, Gorman, Park, Pearlman and Verni are members of the Governance Committee. Each Governance Committee member is independent under applicable listing standards of the New York Stock Exchange. The purpose of the Governance Committee is to consider, evaluate and make recommendations to the Board of Trustees with respect to the structure, membership and operation of the Board of Trustees and the Committees thereof, including the nomination and selection of noninterested Trustees and a Chairperson of the Board and the compensation of such persons.

Each Fund's Board of Trustees has adopted a written charter for its Governance Committee, a copy of which is available on the Eaton Vance website, www.eatonvance.com, by selecting Individual Investors followed by Tools and Resources and then Fund Corporate Governance. The Governance Committee identifies candidates by obtaining referrals from such sources as it deems appropriate, which may include current Trustees, management of the Fund, counsel and other advisors to the Trustees, and shareholders of the Funds who submit recommendations in accordance with the procedures described in the Committee's charter. In no event shall the Governance Committee consider as a candidate to fill any vacancy an individual recommended by management of the Funds, unless the Governance Committee has invited management to make such a recommendation. The Governance Committee will, when a vacancy exists, consider a nominee for Trustee recommended by a shareholder, provided that such recommendation is submitted in writing to the Fund's Secretary at the principal executive office of the Fund. Such recommendations must be accompanied by biographical and occupational data on the candidate (including whether the candidate would be an interested person of the Fund), a written consent by the candidate to be named as a nominee and to serve as Trustee if elected, record and ownership information for the recommending shareholder with respect to the Fund, and a description of any arrangements or understandings regarding recommendation of the candidate for consideration. The Governance Committee's procedures for evaluating candidates for the position of noninterested Trustee are set forth in an appendix to the Committee's charter.

The Governance Committee does not have a formal policy to consider diversity when identifying candidates for the position of noninterested Trustee. Rather, as a matter of practice, the Committee considers the overall diversity of the Board's composition when identifying candidates. Specifically, the Committee considers how a particular candidate

could be expected to contribute to overall diversity in the backgrounds, skills and experiences of the Board's members and thereby enhance the effectiveness of the Board. In addition, as part of its annual self-evaluation, the Board has an opportunity to consider the diversity of its members, including specifically whether the Board's members have the right mix of characteristics, experiences and skills. The results of the self-evaluation are considered by the Governance Committee in its decision-making process with respect to candidates for the position of noninterested Trustee.

Proxy Statement dated December 29, 2014

Trustees of each Fund who are not affiliated with Eaton Vance may elect to defer receipt of all or a percentage of their annual fees in accordance with the terms of a Trustees Deferred Compensation Plan (the Deferred Compensation Plan). Under the Deferred Compensation Plan, an eligible Trustee may elect to have his or her deferred fees invested in the shares of one or more funds in the Eaton Vance family of funds, and the amount paid to the Trustees under the Deferred Compensation Plan will be determined based upon the performance of such investments. Deferral of Trustees fees in accordance with the Deferred Compensation Plan will have a negligible effect on the assets, liabilities, and net income of a participating Fund, and will not obligate a Fund to retain the services of any Trustee or obligate a Fund to pay any particular level of compensation to the Trustee. No Fund has a retirement plan for its Trustees.

The Board of Trustees recommends that shareholders vote FOR the election of the Trustee nominees of each Fund.

ADDITIONAL INFORMATION

Audit Committee Report

Each Audit Committee reviews and discusses the audited financial statements with Fund management. Each Audit Committee also discusses with the independent registered public accounting firm the matters required to be discussed by SAS 61 (Communication with Audit Committees), as modified or supplemented. Each Audit Committee receives the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as modified or supplemented, and discusses with the independent registered public accounting firm their independence.

Based on the review and discussions referred to above, each Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the Fund s annual report to shareholders for filing with the SEC. As mentioned, the Audit Committee is currently comprised of Messrs. Park (Chair), Eston, Pearlman and Verni, and Ms. Peters.

Auditors, Audit Fees and All Other Fees

Deloitte & Touche LLP (Deloitte), 200 Berkeley Street, Boston, Massachusetts 02116, serves as the independent registered public accounting firm of each Fund. Representatives of Deloitte are not expected to be present at the Annual Meeting, but have been given the opportunity to make a statement if they desire to do so and will be available should any matter arise requiring their presence.

Aggregate audit, audit-related, tax, and other fees billed to each Fund by the Fund s independent registered public accounting firm for the relevant periods are set forth on Exhibit B hereto. Aggregate non-audit fees (i.e., fees for audit-related, tax, and other services) billed for the relevant periods to (i) each Fund by the Fund s independent registered public accounting firm; and (ii) the Eaton Vance Organization by the Fund s independent registered public accounting firm are also set forth on Exhibit B hereto.

Each Fund s Audit Committee has adopted policies and procedures relating to the pre-approval of services provided by the Fund s independent registered public accounting firm (the Pre-Approval Policies). The Pre-Approval Policies establish a framework intended to assist the Audit Committee in the proper discharge of its pre-approval

responsibilities. As a general matter, the Pre-Approval Policies (i) specify certain types of audit, audit-related, tax, and other services determined to be pre-approved by the Audit Committee; and (ii) delineate specific procedures governing the mechanics of the pre-approval process, including the approval and monitoring of audit and non-audit service fees. Unless a service is specifically pre-approved under the Pre-Approval Policies, it must be separately pre-approved by the Audit Committee. The Pre-Approval Policies and the types of audit and non-audit services pre-approved therein must be reviewed and ratified by each Fund's Audit Committee at least annually. Each Fund's Audit Committee maintains full responsibility for the appointment, compensation, and oversight of the work of the Fund's independent registered public accounting firm.

Proxy Solicitation and Tabulation

The expense of preparing, printing and mailing this Proxy Statement and enclosures and the costs of soliciting proxies on behalf of the Board of Trustees of each Fund will be borne ratably by the Funds. Proxies will be solicited by mail and may be solicited in person or by telephone or facsimile by officers of a Fund, by personnel of its administrator, Eaton Vance, by the transfer agent, AST Fund Solutions, LLC, by broker-dealer firms, or by a professional solicitation organization. The expenses associated with the solicitation of these proxies and with any further proxies will be borne by the applicable Fund. A written proxy may be delivered to a Fund or its transfer agent prior to the meeting by facsimile machine, graphic communication equipment or similar electronic transmission. A Fund will reimburse banks, broker-dealer firms, and other persons holding shares registered in their names or in the names of their nominees, for their expenses incurred in sending proxy material to and obtaining proxies from the beneficial owners of such shares. Total estimated proxy solicitation costs are approximately \$30,000 and will be paid by the Funds pro rata based on the number of shareholder accounts.

Proxy Statement dated December 29, 2014

All proxy cards solicited by the Board of Trustees that are properly executed and received by the Secretary prior to the meeting, and which are not revoked, will be voted at the meeting. Shares represented by such proxies will be voted in accordance with the instructions thereon. If no specification is made on the proxy card with respect to Proposal 1, it will be voted FOR the matters specified on the proxy card. All shares that are voted and votes to ABSTAIN will be counted towards establishing a quorum, as will broker non-votes. (Broker non-votes are shares for which (i) the beneficial owner has not voted and (ii) the broker holding the shares does not have discretionary authority to vote on the particular matter.) Accordingly, abstentions and broker non-votes, which will be treated as shares that are present at the meeting but which have not been voted, will assist a Fund in obtaining a quorum but will have no effect on the outcome of Proposal 1.

A quorum requires the presence, in person or by proxy, of a majority of the outstanding shares of a Fund entitled to vote. In the event that a quorum is not present at the meeting, or if a quorum is present at the meeting but sufficient votes by the shareholders of a Fund in favor of the Proposal set forth in the Notice of this meeting are not received by February 19, 2015, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares of that Fund present in person or by proxy at the session of the meeting to be adjourned. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the Proposal for which further solicitation of proxies is to be made. They will vote against any such adjournment those proxies required to be voted against such Proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Funds.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of the copies of the forms received by the Funds, all of the Trustees and officers of each Fund, EVM and its affiliates, and any person who owns more than ten percent of a Fund's outstanding securities have made all filings required under Section 16(a) of the Securities Exchange Act of 1934 regarding ownership of shares of the Funds for the Funds' most recent fiscal year end.

Each Fund will furnish without charge a copy of its most recent Annual and Semi-Annual Reports to any shareholder upon request. Shareholders desiring to obtain a copy of such reports should call 1-866-864-4942, send an email to corporateservices@astfundsolutions.com or write to the Fund c/o AST Fund Solutions, LLC, 55 Challenger Road, Suite 201, Ridgefield Park, NJ 07660. Shareholder reports are also available on the Eaton Vance website, www.eatonvance.com, by selecting Individual Investors followed by Products and then Closed-End Fund Documents.

SHAREHOLDER PROPOSALS

To be considered for presentation at a Fund's 2016 Annual Meeting of Shareholders, a shareholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 must be received at the Fund's principal office c/o the Secretary of the Fund no later than the close of business on August 31, 2015. Written notice of a shareholder proposal submitted outside of the processes of Rule 14a-8 must be delivered to the Fund's principal office c/o the Secretary of the Fund no later than the close of business on November 23, 2015 and no earlier than October 22, 2015.

EATON VANCE FUNDS

AUDIT COMMITTEE CHARTER

I. Composition of the Audit Committee.

The Audit Committee (the “Committee”) of each registered investment company sponsored by Eaton Vance Management (each a “Fund”) shall be comprised of a minimum of three members appointed by the Board of Trustees, which shall also determine the number and term of such members. All members of the Committee shall be Trustees who are not interested persons (as defined under the Investment Company Act of 1940, as amended) of any Fund or of the investment adviser or sub-adviser of any Fund (each, an Independent Trustee and collectively, the Independent Trustees). Unless otherwise determined by the Board of Trustees, the Chairperson of the Board of Trustees shall be a member of the Committee. A Chairperson of the Committee shall be appointed by the Board of Trustees on the recommendation of the Governance Committee. In the event that a resignation, retirement, removal or other event or circumstance causes the number of Committee members to fall below the minimum set forth above, the Committee shall nevertheless be authorized to take any and all actions otherwise permitted under this charter pending the appointment, within a reasonable time, of one or more Independent Trustees to fill the vacancy created thereby.

The following requirements shall also be satisfied with respect to the membership and composition of the Committee:

1.

each member of the Committee shall have been determined by the Board of Trustees to have no material relationship that would interfere with the exercise of his or her independent judgment;

2.

no member of the Committee shall receive any compensation from a Fund except compensation for service as a member or Chairperson of the Board of Trustees or of a committee of the Board of Trustees;

3.

each member of the Committee shall also satisfy the applicable Committee membership requirements imposed under the rules of the NYSE MKT LLC (NYSE MKT) (formerly NYSE AMEX and the American Stock Exchange) and New York Stock Exchange (and any other national securities exchange on which a Fund s shares are listed), as in effect from time to time, including with respect to the member s former affiliations or employment and financial literacy;

4.

at least one member of the Committee must have the accounting or related financial management expertise and financial sophistication required under applicable rules of the NYSE MKT and New York Stock Exchange; and

5.

unless it determines that no member of the Committee qualifies as an audit committee financial expert as defined in Item 3 of Form N-CSR, the Board of Trustees will identify one (or in its discretion, more than one) member of the Committee as an audit committee financial expert.

II. Purposes of the Committee.

The purposes of the Committee are to:

1.

oversee each Fund's accounting and financial reporting processes, its internal control over financial reporting, and, as appropriate, the internal control over financial reporting of certain service providers;

2.

oversee or, as appropriate, assist Board of Trustees oversight of the quality and integrity of the Funds' financial statements and the independent audit thereof;

3.

oversee, or, as appropriate, assist Board of Trustees oversight of, the Funds' compliance with legal and regulatory requirements that relate to the Funds' accounting and financial reporting, internal control over financial reporting and independent audits;

4.

approve prior to appointment the engagement and, when appropriate, replacement of the independent registered public accountants (independent auditors), and, if applicable, nominate independent auditors to be proposed for shareholder ratification in any proxy statement of a Fund;

5.

evaluate the qualifications, independence and performance of the independent auditors and the audit partner in charge of leading the audit; and

6.

prepare such audit committee reports consistent with the requirements of applicable Securities and Exchange Commission, NYSE MKT and New York Stock Exchange rules for inclusion in the proxy statement for the annual meeting of shareholders of a Fund.

The primary function of the Committee is oversight. The Committee is not responsible for managing the Funds or for performing tasks that are delegated to the officers of any Fund, any investment adviser to a Fund, the custodian of a Fund, and other service providers for the Funds, and nothing in this charter shall be construed to reduce the responsibilities or liabilities of management or the Funds' service providers, including the independent auditors. It is management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting. Specifically, management is responsible for: (1) the preparation, presentation and integrity of the financial statements of each Fund; (2) the maintenance of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. The independent auditors are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter, and shall report directly to the Committee. In performing its oversight function, the Committee shall be entitled to rely upon advice and information that it receives in its discussions and communications with management, the independent auditors and such experts, advisors and professionals as may be consulted by the Committee.

III. Meetings of the Committee.

Meetings of the Committee shall be held at such times (but not less frequently than annually), at such places and for such purposes (consistent with the purposes set forth in this charter) as determined from time to time by the Board of Trustees, the Chairperson of the Board of Trustees, the Committee or the Chairperson of the Committee. The Committee shall set its agenda and the places and times of its meetings. The Committee may meet alone and outside the presence of management personnel with any auditor of a Fund, and shall periodically meet separately with management, with internal auditors (or other personnel responsible for internal control of financial reporting), with any independent auditors rendering reports to the Committee or the Board of Trustees and with legal counsel. A majority of the members of the Committee shall constitute a quorum for the transaction of business at any meeting, and the decision of a majority of the members present and voting shall determine any matter submitted to a vote. The Committee may adopt such procedures or rules as it deems appropriate to govern its conduct under this charter. Each Independent Trustee of the Board of Trustees shall receive notice of all Committee meetings, and such meetings shall be open for any Independent Trustee to attend.

IV. Duties and Powers of the Committee.

To carry out its purposes, the Committee shall have the following duties and powers with respect to each Fund:

1.

To meet to review and discuss with management and the independent auditors the audited financial statements and other periodic financial statements of the Fund (including the Fund's specific disclosures under the item "Management's Discussion of Fund Performance"); provided that discussion with the independent auditors shall not be required with respect to any periodic financial statement of the Fund that was not the subject of a review by such auditors.

2.

To consider the results of the examination of the Fund's financial statements by the independent auditors, the independent auditors' opinion with respect thereto, and any management letter issued by the independent auditors.

3.

To review and discuss with the independent auditors: (a) the scope of audits and audit reports and the policies relating to internal auditing procedures and controls and the accounting principles employed in the Fund's financial reports and any proposed changes therein; (b) the personnel, staffing, qualifications and experience of the independent auditors;

and (c) the compensation of the independent auditors.

4.

To review and assess the performance of the independent auditors and to approve, on behalf of the Board of Trustees, the appointment and compensation of the independent auditors. Approval by the Committee shall be in addition to any approval required under applicable law by a majority of the members of the Board of Trustees who are not interested persons of the Fund as defined in Section 2(a)(19) of the 1940 Act. In performing this function, the Committee shall: (a) consider whether there should be a regular rotation of the Fund's independent auditing firm; (b) discuss with the independent auditors matters bearing upon the qualifications of such auditors as independent under applicable standards of independence established from time to time by the Securities and Exchange Commission (SEC), the Public Company Accounting Oversight Board and other regulatory authorities; and (c) shall secure from the independent auditors the information required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as in effect from time to time. The Committee shall actively engage in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors.

A-2

5.

To pre-approve: (a) audit and non-audit services provided by the independent auditors to the Fund; and (b) non-audit services provided by the independent auditors to the adviser or any other entity controlling, controlled by or under common control with the adviser that provides on-going services to the Fund (Adviser Affiliates) if the engagement of the independent auditors relates directly to the operations and financial reporting of the Fund, as contemplated by the Sarbanes-Oxley Act of 2002 (the Sarbanes-Oxley Act) and the rules issued by the SEC in connection therewith (except, in the case of non-audit services provided to the Fund or any Adviser Affiliate, those within applicable de minimis statutory or regulatory exceptions), and to consider the possible effect of providing such services on the independence of the independent auditors.

6.

To adopt, to the extent deemed appropriate by the Committee, policies and procedures for pre-approval of the audit or non-audit services referred to above, including policies and procedures by which the Committee may delegate to one or more of its members authority to grant such pre-approval on behalf of the Committee (subject to subsequent reporting to the Committee). The Committee hereby delegates to each of its members the authority to pre-approve any non-audit services referred to above between meetings of the Committee, provided that: (i) all reasonable efforts shall be made to obtain such pre-approval from the Chairperson of the Committee prior to seeking such pre-approval from any other member of the Committee; and (ii) all such pre-approvals shall be reported to the Committee not later than the next meeting thereof.

7.

To consider the controls implemented by the independent auditors and any measures taken by management to ensure that all items requiring pre-approval by the Committee are identified and referred to the Committee in a timely fashion.

8.

To receive at least annually and prior to the filing with the SEC of the independent auditors report on the Fund s financial statements, a report from such independent auditors of: (i) all critical accounting policies and practices used by the Fund (or, in connection with any update, any changes in such accounting policies and practices), (ii) all material alternative accounting treatments within GAAP that have been discussed with management since the last annual report or update, including the ramifications of the use of the alternative treatments and the treatment preferred by the accounting firm, (iii) other material written communications between the independent auditors and the management of the Fund since the last annual report or update, (iv) a description of all non-audit services provided, including fees associated with the services, to any fund complex of which the Fund is a part since the last annual report or update that was not subject to the pre-approval requirements as discussed above; and (v) any other matters of concern relating to the Fund s financial statements, including any uncorrected misstatements (or audit differences) whose effects management believes are immaterial, both individually and in aggregate, to the financial statements taken as a whole. If this information is not communicated to the Committee within 90 days prior to the audit report s filing with the SEC, the independent auditors will be required to provide an update, in the 90 day period prior to the filing, of any changes to the previously reported information.

9.

To review and discuss with the independent auditors the matters required to be communicated with respect to the Fund pursuant to communications pursuant to applicable auditing standards, as in effect from time to time, and to

receive such other communications or reports from the independent auditors (and management's responses to such reports or communications) as may be required under applicable listing standards of the national securities exchanges on which the Fund's shares are listed, including a report describing: (1) the internal quality-control procedures of the independent auditors, any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigation by governmental or professional regulatory authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues; and (2) all relationships between the independent auditors and the Fund and any other relationships or services that may impact the objectivity and independence of the independent auditors. To the extent unresolved disagreements exist between management and the independent auditors regarding the financial reporting of the Fund, it shall be the responsibility of the Committee to resolve such disagreements.

10.
