INTEGRATED DATA CORP. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001

NOTE 1 - BASIS OF INTERIM PRESENTATION

The accompanying interim period financial statements of Integrated Data Corp. ("IDC" or the "Company") are unaudited, pursuant to certain rules and regulations of the Securities and Exchange Commission, and include, in the opinion of management, all adjustments (consisting of only normal recurring

Edgar Filing: INTEGRATED DATA CORP - Form 10-Q

accruals) necessary for a fair statement of the results for the periods indicated, which, however, are not necessarily indicative of results that may be expected for the full year. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States have been condensed or omitted pursuant to such rules and regulations. The financial statements should be read in conjunction with the financial statements and the notes thereto included in IDC's June 30, 2002 Form 10-K and other information included in IDC's Forms 8-Ks and amendments thereto as filed with the Securities and Exchange Commission.

NOTE 2 - DESCRIPTION OF THE BUSINESS

Integrated Data Corp. is a non-operating U.S. parent company with subsidiaries in the U.S., United Kingdom and Italy. In this Form 10-Q, the terms "IDC" and "the Company" are used interchangeably in reference to the parent company and/or any of its subsidiaries. IDC holds proprietary technology for digital transmission of data utilizing radio frequencies transmitted by FM radio stations.

On October 23, 2002, the Company's Plan of Reorganization was approved by the United States Bankruptcy Court and became effective on November 12, 2002. The Company continues to operate from its Conshohocken (suburban Philadelphia), PA headquarters. As part of the Plan of Reorganization, the Company changed its name from Clariti Telecommunications International, Ltd. to Integrated Data Corp. and the Delaware Secretary of State accepted this change of the Company's Certificate of Incorporation, effective November 20, 2002. Also under the Plan, the Company implemented a reverse stock split converting each 100 shares into 1 share of IDC common stock.

Additionally, the Company formed C3 Technologies, Inc. a wholly owned subsidiary and Delaware Company, to manage its technologies and intellectual property.

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES

Fiscal Year End

The Company's fiscal year ends on June 30. In these financial statements, the three-month periods ended December 31, 2002 and 2001 are referred to as Fiscal 2Q03 and Fiscal 2Q02, respectively, and the six-month periods ended December 31, 2002 and 2001 are referred to as Fiscal First Half 2003 and Fiscal First Half 2002, respectively.

8

INTEGRATED DATA CORP. AND SUBSIDIARIES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES (continued)

Principles of Consolidation and Basis of Presentation

The consolidated financial statements include the accounts of the Company and all wholly-owned subsidiaries where management control is not deemed to be temporary. All significant intercompany transactions have been eliminated in consolidation.

Edgar Filing: INTEGRATED DATA CORP - Form 10-Q

Income Taxes

There is no income tax expense (benefit) for income (losses) for the three month and six-month periods ended December 31, 2002 and 2001 due to the following:

- Current tax expense - availability of net operating loss carryforwards
- Current tax benefit - the operating losses cannot be carried back to earlier years.
- Deferred tax benefit - the deferred tax assets were offset by a valuation allowance required by FASB Statement 109, "Accounting for Income Taxes." The valuation allowance is necessary because, according to criteria established by FASB Statement 109, it is more likely than not that the deferred tax asset will not be realized through future taxable income.

Fair Value of Financial Instruments

The Company's financial instruments consist primarily of cash and equivalents, accounts payable, accrued expenses and short-term borrowings. These balances, as presented in the balance sheet as of December 31, 2002 and June 30, 2002 approximate their fair value because of their short maturities.

Net Income (Loss) Per Common Share

Net income (loss) per common share is based upon the weighted average number of common shares outstanding during the period. The treasury stock method is used to calculate dilutive shares. Such method reduces the number of dilutive shares by the number of shares purchasable from the proceeds of the options and warrants assumed to be exercised. Basic and diluted weighted average shares outstanding for Fiscal 2Q03 and Fiscal 2Q02 were the same because the effect of using the treasury stock method would be antidilutive.

Recent Accounting Pronouncements

In August 2001, SFAS No. Statement 142, "Goodwill and Other Intangible Assets" ("Statement 142") was issued, which is effective for fiscal years beginning after December 15, 2001. Statement 142 addresses how intangible assets that are acquired individually or with a group of assets should be accounted for upon their acquisition and also addresses how goodwill and other intangible assets should be accounted for after they have been initially recognized in the

financial statements. Also, for previously recognized non-goodwill intangible assets, the useful lives must be reassessed with remaining amortization periods adjusted accordingly, and reflected as a change in accounting principle. The adoption of this standard in Fiscal First Half 2003 did not result in any significant impact on results of operations or financial position of the Company.

In October 2001, the Financial Accounting Standards Board issued SFAS No. 144,

Edgar Filing: INTEGRATED DATA CORP - Form 10-Q

"Accounting for the Impairment or Disposal of Long-Lived Assets" ("Statement 144"), effective in fiscal years beginning after December 15, 2001, with early adoption permitted, and in general are to be applied prospectively. Statement 144 establishes a single accounting model for the impairment or disposal of long-lived assets, including discontinued operations. Statement 144 superseded Statement No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of," and APB Opinion No. 30, "Reporting the Results of Operations - Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions." The adoption of this standard in Fiscal First Half 2003 did not result in any significant impact on its financial position or results of operations.

In July 2001, the Financial Accounting Standards Board issued SFAS No. 141, "Business Combinations" ("Statement 141"), effective for all business combinations initiated after June 30, 2001. Statement 141 requires all business combinations to be accounted for under the purchase method. Statement 141 supersedes APB Opinion No. 16, "Business Combinations," and Statement No. 38, "Accounting for Preacquisition Contingencies of Purchased Enterprises." The Company adopted Statement 141 for its business combinations after June 30, 2001.

The following recently issued accounting pronouncements are currently not applicable to the Company.

In August 2001, the Financial Accounting Standards Board issued SFAS No. 143, "Accounting for Obligations Associated with the Retirement of Long-Lived Assets" (Statement 143), effective in fiscal years beginning after June 15, 2002, with early adoption permitted. Statement 143 establishes accounting standards for the recognition and measurement of an asset retirement obligation and its associated asset retirement cost. It also provides accounting guidance for legal obligations associated with the retirement of tangible long-lived assets.

In April 2002, the Financial Accounting Standards Board issued SFAS No. 145, "Rescission of FASB Statements No. 4, 44 and 64, Amendment of FASB Statement No. 13, and Technical Corrections (Statement 145), effective in fiscal years beginning after May 15, 2002.

INTEGRATED DATA CORP. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001

NOTE 4 - MANAGEMENT'S PLANS FOR REORGANIZATION

On April 18, 2002, the Company filed a voluntary petition for reorganization under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Eastern District of Pennsylvania (case no. 02-15817(DWS)). The Company managed its properties and operated its business as "debtor-in-possession" under jurisdiction of the Bankruptcy Court and in accordance with applicable provisions of the Bankruptcy Code. The Company's Plan of Reorganization was approved and became effective on November 12, 2002. The Company plans to continue to develop and utilize its wireless technology in

Edgar Filing: INTEGRATED DATA CORP - Form 10-Q

several communications devices. However, these matters raise substantial doubt about the Company's ability to continue as a going concern.

The Company's approved Plan of Reorganization with the Bankruptcy Court detailed plans for settling claims of creditors and restructuring the interests of its equity holders. The following is a brief summary of the Reorganization Plan:

1. The Company owed Priority Unsecured Claims as of the filing date of approximately \$86,000. Included in these claims are four former employees who are owed wages, which accrued during the statutory priority period. Each of these four individuals had a priority claim in the amount of \$4,650. Additionally, the Company owed certain federal, state and local taxes, which totaled just in excess of \$68,000. As detailed in the Plan, The Company has paid all Priority Unsecured Claims at 100 cents on the dollar.
2. The Company owed Secured Creditors as of the filing date approximately \$1,345,000. Specifically, the Company owed \$858,000 to Anstead (its largest shareholder), \$250,000 to Pasubio Spa, an Italian joint venture partner, and \$237,000 to Eizen Fineburg & McCarthy, former corporate counsel. The Reorganization Plan calls for all three secured creditors to receive a convertible, non-interest bearing, unsecured promissory note for the face amount owed to them. The principal amount of the note payable to Anstead and/or its affiliate also includes any amounts advanced to the Company during the bankruptcy case and thereafter until December 31, 2002. The notes payable will mature on December 31, 2005 if not converted earlier. The notes are convertible at the Company's discretion at the rate of \$2.00 per share (after the planned 100:1 reverse split) for Anstead, its affiliate and Pasubio, and at a rate of \$10.00 per share (after the planned 100:1 reverse split) for Eizen Fineburg & McCarthy.
3. The Company owed General Unsecured Creditors approximately \$3,782,000 as of the filing date. An affiliate of Anstead has agreed to fund the Reorganization Plan for \$300,000 to be used to pay the Administrative costs totaling approximately \$80,000, Priority Unsecured Claims totaling approximately \$86,000 and General Unsecured Claims, in that order. It is thus estimated that General Unsecured Claims will receive a total of approximately \$134,000. This resulted in a gain on discharge of indebtedness of approximately \$3,635,000.

11

INTEGRATED DATA CORP. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001

NOTE 4 - MANAGEMENT'S PLANS FOR REORGANIZATION (continued)

4. Existing equity holders, including common stock option and warrant holders, were subject to a 100:1 reverse split.

The Company's exclusive source of post-petition operating funds were advanced by Anstead and/or its affiliate. The Company reached an agreement with them to continue to advance funds to permit the business to work further toward the final development of the ClariCAST(TM) FM wireless technology. Since the inception of the bankruptcy, Anstead and/or its affiliate have advanced \$703,000 through December 31, 2002.

The Company has chosen to focus its future efforts on development and commercialization of its patented ClariCAST(TM) FM wireless technology.

Edgar Filing: INTEGRATED DATA CORP - Form 10-Q

Because the Company's technology is still under development, the Company expects no revenues or operating cash flows in the near term. Future cash expenditure requirements have been significantly reduced through major reductions in corporate overhead expenses.

The Company is actively pursuing opportunities to secure additional financing which, if obtained, is expected to be sufficient to develop and market its wireless technology. There can be no assurances that such funding will be generated or available, or if available, on terms acceptable to the Company. Failure to secure additional financing will have a material adverse impact on the Company.

RadioNet International, Inc., a wholly owned subsidiary of IDC filed a voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court for the Eastern District of Pennsylvania on May 3, 2002. The company operation has ceased. The company did not hold any significant assets. The Bankruptcy Court closed the case on RadioNet International, Inc. on July 12, 2002 and the Company recorded an extraordinary gain on discharge of indebtedness of approximately \$340,000 in Fiscal First Half 2003.

The consolidated financial statements do not include any adjustments relating to the recoverability of recorded asset amounts or the amounts of liabilities that might be necessary should the Company be unable to continue as a going concern.

NOTE 5- ACQUISITIONS

On December 11, 2002, the Company acquired all of the outstanding capital stock of Integrated Communications Services, Ltd. ("ICS") for 4,200,000 newly issued shares of the Company's common stock valued at \$1.00 per share. The acquisition was accounted for under the purchase method, and the results of ICS have been included in the Company's consolidated results effective December 1, 2002. The Company has not finalized the allocation of the purchase price as of December 31, 2002. An estimation of this allocation was prepared and included as part of these financial statements. The purchase price has been allocated as follows: \$4,028,803 to license and \$171,197 to working capital. Unaudited pro-forma results have not been presented since the operations of ICS began on November 1, 2002 and were not significant.

On December 12, 2002, the Company acquired an approximate 41% interest in DataWave Systems, Inc. for 1,794,900 newly issued shares of the Company's

Edgar Filing: INTEGRATED DATA CORP - Form 10-Q

common stock valued at \$1.00 per share. The investment was accounted for under the equity method of accounting and the Company recorded Goodwill in the amount of \$434,400. Summarized financial information for DataWave as of December 31, 2002 and for the nine months then ended is as follows:

Financial Position	
Current assets	\$ 4,741,000
Non current assets	3,350,000
Current liabilities	4,752,000

NOTE 6 - UNCONSOLIDATED SUBSIDIARY

Clariti Wireless Messaging filed a voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code. As a result, the Company's financial statements for Fiscal 1Q02 reflect Clariti Wireless' results of operations using the equity method of accounting. The following table presents summary financial information for Clariti Wireless (dollars in thousands):

Edgar Filing: INTEGRATED DATA CORP - Form 10-Q

NOTE 8 - SHORT-TERM BORROWINGS FROM RELATED PARTY

On May 3, 2001, the Company borrowed \$750,000 from Anstead Investment, Ltd. ("Anstead"), a greater than 5% shareholder, for a period of 61 days. The note carries interest at the rate of 10% per annum and is secured by substantially all of the Company's assets. The amount shown on the Company's consolidated balance sheet as of December 31, 2002 includes \$73,000 of accrued interest. In connection with this loan, the Company granted to Anstead warrants to purchase 4,000 (post reverse split) shares of the Company's common stock at an exercise price of \$95 per share (post reverse split). Such warrants expire on May 3, 2003.

On November 30, 2001, the Company and Anstead Investment, Ltd. executed a Forbearance and Amendment Agreement whereby extending the terms of the repayment of the \$750,000 loan amount to March 31, 2002. In addition, the Forbearance and Amendment Agreement allowed for Anstead to advance an additional \$20,500 to the Company for legal fees associated with the agreement. The additional \$20,500 also carries interest at the rate of 10% per annum and was due by March 31, 2002. On March 3, 2002, the Company borrowed an additional \$13,519 from Anstead Investment, Ltd. for certain expenses, carrying the same terms as the original note. The Company is in default of this loan.

Anstead and/or its affiliate have agreed to fund the Company's working capital requirements through Chapter 11 and until December 31, 2002. The amount funded as of December 31, 2002 was \$703,000. Some of this funding is expected to be included in the convertible, non-interest bearing, unsecured promissory note(s) to be issued to Anstead and/or its affiliate pursuant to the Reorganization Plan.

14

INTEGRATED DATA CORP. AND SUBSIDIARIES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001

NOTE 9 - CONVERTIBLE SHORT-TERM BORROWINGS

On July 2, 2001, the Company entered into a Funding Agreement with a third party pursuant to which the Company borrowed \$250,000 (the "Outstanding Balance"). The Outstanding Balance is secured by a second position security interest in substantially the same assets as those securing the \$750,000 loan from Anstead (see Note 7). No interest is due on the Outstanding Balance. The Outstanding Balance was to be repaid on or before July 2, 2002. Therefore the Company is in default of the funding agreement. The third party may convert the Outstanding Balance into shares of the Company's common stock at a conversion price of \$2.00 per share. In connection with this Funding Agreement, the Company granted to the third party warrants to purchase a total of 10,000 (post reverse split) shares of the Company's common stock exercisable at \$50 per share (post reverse split). These warrants expired on July 2, 2002.

NOTE 10 - COMMITMENTS AND CONTINGENCIES

Edgar Filing: INTEGRATED DATA CORP - Form 10-Q

The Company is, from time to time, during the normal course of its business operations, subject to various other litigation claims and legal disputes. The Company expects none to have a material adverse impact on its operations. However, no assurance can be given that an adverse determination of any claim or dispute would not have an adverse impact on its operations during any given period.

NOTE 11 - COMMON STOCK

During Fiscal First Half 2003 certain employees exercised 53,333 shares of its common stock at an exercise price of \$.001 per share. The amount has been recorded as Common Stock and Additional Paid in Capital.

Effective December 6, 2002, the Company implemented a 1 for 100 shares reverse stock split of its outstanding stock. The Company's common stock began trading on a post-split basis at the opening of the stock market on December 6, 2002 on the OTC Bulletin Board under the new symbol "ITDD."

All references in the consolidated financial statements to common shares, per share amounts, stock options and warrants have been restated to reflect the reverse stock split for all periods presented.

NOTE 12 - STOCK OPTIONS

There were no new stock options issued during Fiscal First Half 2003. All outstanding stock options to purchase the Company's common stock were adjusted in accordance with their terms to reflect the reverse stock split.

NOTE 13 - WARRANTS

From time to time, the Company may issue warrants to purchase its common stock to parties other than employees and directors. Warrants may be issued as a unit with shares of common stock, in connection with borrowings, as an incentive to help the Company achieve its goals, or in consideration for cash or services rendered to the Company, or a combination of the above. Cost associated with warrants issued to other than employees is valued based on the fair value of the warrants as estimated using the Black-Scholes model.

During Fiscal First Half 2003 the Company did not issue any warrants. Also during Fiscal First Half 2003, 1,548,000 warrants with exercise prices between \$7.00 and \$1,600.00 per share expired without being exercised. The book value of such expired warrants (approximately \$1,482,000) was reclassified from warrants outstanding to additional paid-in capital.

All outstanding warrants to purchase the Company's common stock were adjusted in accordance with their terms to reflect the reverse stock split.

General Operations

The current focus of our business is the development and commercialization of ClariCAST(TM), our proprietary wireless technology that will support data and information services to a high-speed digital wireless device.

Recent Events

Effective January 14, 2003, the Company agreed to purchase 4,027,381 freely tradable shares of DataWave Systems, Inc., a Yukon Canadian public company, which trades on the TSE Venture Exchange with the symbol "DTV" and on the Nasdaq OTCBB with the symbol "DWVSF." These shares when added to 17,949,000 shares acquired in December 2002, bring the Company's total holdings in DataWave to 21,976,381 shares, which constitutes a majority of 50.072% of the issued and outstanding shares of DataWave. The newly acquired shares were purchased in off-market transactions for consideration of 402,738 newly issued Rule 144 restricted shares of the Company (one share of the Company's common stock being exchanged for each ten shares of DataWave).

On January 14, 2003, the Company's Board of Directors agreed to exercise its right to convert three non-interest bearing notes in the respective amounts of \$858,000, \$250,000 and \$237,000. These notes had been issued to the three secured creditors in the Company's Chapter 11 Bankruptcy proceedings as of November 12, 2002, into newly issued restricted shares of common stock of the Company. The notes in the amount of \$858,000 and \$250,000 are each convertible at a price of \$2 per share, while the note for \$237,000 is convertible at a price of \$10 per share. The transactions have resulted in the issuance of an aggregate additional 577,577 shares of the Company's common stock. All these conversion shares in addition to the statutory restriction imposed under Rule 144 of the Securities Act of 1933, are subject to a contractual restriction or

"lock-up" for an additional period of one year after the expiration of the Rule 144 restriction.

Results of Operations

Three Months Ended December 31, 2002 ("Fiscal 2Q03")
vs. Three Months Ended December 31, 2001 ("Fiscal 2Q02")

For Fiscal 2Q03, the Company incurred net income of \$3,321,000, or \$2.28 per share, on \$25,000 in revenue as compared to a net loss of \$769,000, or \$2.00 per share, on no revenue in Fiscal 1Q02. Excluding extraordinary gain on discharge of indebtedness, the Company incurred a net loss of \$314,000, or \$0.22 per share, on \$25,000 in revenue as compared to a net loss of \$769,000, or \$2.00 per share, on no revenue in Fiscal 1Q02.

For Fiscal 1Q03, net loss from continuing operations was \$314,000 as compared to \$769,000 in Fiscal 1Q02. The \$444,000 reduction in loss from continuing operations was primarily due to the decrease in general and administrative expenses offset by an increase in depreciation and amortization expenses. In addition, the Company operated with limited expenses due to the Chapter 11 proceedings, which extended into Fiscal 2Q03.

General and administrative expenses decreased \$506,000, from \$725,000 to \$219,000 in Fiscal 2Q03. Fiscal 2Q03 included a decrease in salary expense due to a reduction in the work force and the elimination of salaries of three key executives.

18

During the period from December 1998 to May 2001, the Company was also a significant provider of wire-line telecommunication services through its interest in several businesses with operations in the United States, United Kingdom, Europe and Australia. During the year ended June 30, 2001, the Company divested these business operations, which formed its former business segment, Telephony/Internet Services. During Fiscal 1Q02 the Company recognized an additional \$100,000 loss on the disposal of one of those businesses.

Six Months Ended December 31, 2002 ("Fiscal Six Months 2003")
v. Six Months Ended December 31, 2001 ("Fiscal Six Months 2002")

For the Fiscal Six Months 2003, the Company incurred net income of \$3,489,000, or \$3.79 per share, on \$25,000 of revenue as compared to a net loss of \$3,607,000, or \$9.57 per share, on no revenue for the Fiscal Six Months 2002. Excluding gain on discharge of indebtedness, the Company incurred a net loss of \$486,000, or \$0.54 per share, on \$25,000 in revenue in Fiscal Six Months 2003 as compared to a net loss of \$3,607,000, or \$9.57 per share, on no revenue in Fiscal Six Months 2002.

The \$3,021,000 reduction in loss from continuing operations was primarily due to a decrease in general and administrative expenses of \$2,683,000 from \$3,008,000 to \$325,000. Amounts for Fiscal Six Months 2002 include accruals of \$1,301,000 for certain leases, which were in default and legal proceedings, which have been settled. The Company was forced reduce its work force, which resulted in a significant reduction in costs.

During the period from December 1998 to May 2001, the Company was also a significant provider of wire-line telecommunication services through its interest in several businesses with operations in the United States, United Kingdom, Europe and Australia. During the year ended June 30, 2001, the Company divested these business operations, which formed the former business segment, Telephony/Internet Services. During Fiscal Six Months 2002 the

Company recognized an additional \$100,000 loss on the disposal of one of those businesses.

Liquidity and Capital Resources

At December 31, 2002, the Company had a working capital deficit of \$1,383,000 (including a cash balance of \$1,000) as compared to a working capital deficit of \$5,711,000 (including a cash balance of \$5,000) at June 30, 2002. The working capital increase of \$4,328,000 is primarily due to the \$3,635,000 in extraordinary gain on discharge of indebtedness as a result of closing Chapter 11 proceedings and an extraordinary gain on discharge of indebtedness of \$340,000 associated with the closing of the Chapter 7 proceedings for RadioNet International.

The Company negotiated a Funding Agreement with Anstead Investment, Ltd. (the Company's primary secured creditor and its largest shareholder) and an affiliated company, Cash Card Communications, Ltd. ("C4"), pursuant to which Anstead and C4 have agreed to provide limited funding to the Company during and after Chapter 11 proceedings as well as the funding required to execute the Plan of Reorganization. In consideration, the Company allowed such advances to become secured claims of Anstead and C4. Such advances were limited to minimal expenses necessary to keep the Company operating.

19

The Company has no firm commitments for funding after December 31, 2002. The Company has historically relied principally on equity financing to meet its cash requirements. Company expects to find the process of raising equity capital extremely difficult. These matters raise substantial doubt about the ability to continue as a going concern. There can be no assurances that such funding will be generated or available, or if available, on terms acceptable to the Company.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

April 18, 2002, Clariti Telecommunications International, Ltd. filed a voluntary petition for reorganization under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Eastern District of Pennsylvania (case number 02-15817(DWS)). The Company managed its properties and operated as "debtor-in-possession" under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code. The Company filed a Plan of Reorganization dated June 25, 2002 and an Amended Disclosure Statement dated August 7, 2002. The Plan provided for the optimum payments to creditors within the shortest practical and realistic period of time giving consideration to the creditors and the Company's limited resources. The Company's Plan of Reorganization, which was approved by the Bankruptcy Court on October 23, 2002, became effective on November 12, 2002. The Company has emerged from Chapter 11 proceedings and changed its name to Integrated Data Corp.

The Company is, from time to time, during the normal course of its business operations, subject to various other litigation claims and legal disputes. The Company expects none to have a material adverse impact on its operations; however, no assurance can be given that an adverse determination of any claim or dispute would not have an adverse impact on its operations during any given period.
