Item 8.01 Other Events

On August 22, 2012, FSB Community Bankshares, Inc. (the “Company”) (OTCBB: FSBC), the parent company of Fairport Savings Bank, announced that its board of directors approved the termination of the registration of its common stock under the Securities Exchange Act of 1934. A Form 15 will be filed with the Securities and Exchange Commission (the “SEC”) on or about August 22, 2012 in order to effect such deregistration. Once the Company files the Form 15, the obligations of the Company to file periodic reports with the SEC, including reports on Forms 10-K, 10-Q and 8-K, and also to file proxy materials and other reports with the SEC will cease.

Dana C. Gavenda, President and Chief Executive Officer of the Company, commented, “The Company is taking this action in order to reduce operating expenses. We believe that the continuing increased costs and administrative burdens of public company status, including our reporting obligations with the SEC, outweigh the benefits of public reporting.” Mr. Gavenda also indicated that FSB Community Bankshares, Inc. will post quarterly information regarding its results of operations and financial condition on [www.fairportsavingsbank.com](http://www.fairportsavingsbank.com) and will continue to provide stockholders with an annual report containing audited financial statements.

The Company is the holding company of Fairport Savings Bank (the “Bank”), a federally chartered savings bank serving business and personal clients from its main office in Fairport, New York and its branch offices located in Penfield, Irondequoit, Webster and Perinton, New York.

This Current Report on Form 8-K contains certain forward-looking statements that are based on assumptions and may describe future plans, strategies and expectations of the Company. Forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts. They often include words like “believe,” “expect,” “anticipate,” “estimate” and “intend” or future or conditional verbs such as “will,” “would,” “should,” “could” or “may.” Certain factors that could cause actual results to differ materially from expected results include changes in the interest rate environment, changes in general economic conditions, legislative and regulatory changes that adversely affect the business of the Company and the Bank, and changes in the securities markets. Except as required by law, the Company does not undertake any obligation to update any forward-looking statements to reflect changes in belief, expectations or events.
