QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

What am I voting on?

- * To elect six directors to our Board of Directors (Menderes Akdag, Frank J. Formica, Gian Fulgoni, Ronald J. Korn, Marc A. Puleo, M.D., Robert C. Schweitzer).
- * To ratify the appointment of Goldstein Golub Kessler LLP as auditors.

What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated Bruce S. Rosenbloom, our Chief Financial Officer and Alison Berges, our General Counsel and Corporate Secretary, as proxies for the 2004 Annual Meeting of Stockholders.

How will my proxy vote my shares?

Your proxy will vote according to your instructions. If you complete your proxy instructions but do not indicate your vote on one or all of the business matters, your proxy will vote "FOR" these items. Also, your proxy is authorized to vote on any other business that properly comes before the annual meeting in accordance with the recommendation of our Board of Directors.

Why did I receive this proxy statement?

Our Board of Directors is soliciting your proxy to vote at the annual meeting because you were a stockholder of record at the close of business on June 22, 2004, the record date, and are entitled to vote at the meeting. This proxy statement and the 2004 Annual Report to Stockholders on Form 10-K, along with either a proxy card or a voting instruction card, are being mailed to stockholders beginning on or about June 30, 2004. This proxy statement summarizes the information you need to know to vote at the annual meeting. You do not need to attend the annual meeting to vote your shares.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Florida Atlantic Stock Transfer, Inc., you are considered, with respect to those shares, the "stockholder of record." The proxy statement, annual report and proxy card have been sent directly to you by us.

Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

If your shares are held in a stock brokerage account by a bank or other nominee, you are considered the "beneficial owner" of shares held in the "street name." The proxy statement and annual report have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting.

How do I vote?

If your shares are held in the street name, through a broker, bank or other nominee, that institution will send you separate instructions describing the procedure for voting your shares. Stockholders of record can vote as follows:

- * By Mail: Stockholders should sign, date and return their proxy cards in the pre-addressed, postage-paid envelope that is provided.
- * At the Meeting: If you attend the annual meeting, you may vote in person by ballot, even if you have previously returned a proxy card.

Who is entitled to vote and how many votes do they have?

Holders of our common stock as of the close of business on June 22, 2004, the record date, are entitled to vote at the annual meeting. Each share of our Common Stock is entitled to one vote. As of the record date, 22,054,890 shares of our Common Stock were outstanding and entitled to vote at the annual meeting.

1

May I change my vote after I return my proxy card?

Yes, you may change your vote at any time before your shares are voted at the annual meeting by:

- * Notifying our Corporate Secretary, in writing at PetMed Express, Inc., 1441 S.W. 29th Avenue, Pompano Beach, FL 33069 that you are revoking your proxy;
- * Executing and delivering a later dated proxy card; or
- * Voting in person at the annual meeting.

However, if you have shares held through a brokerage firm, bank or other custodian, you may revoke your instructions only by informing the custodian in accordance with any procedures it has established.

What is a quorum of stockholders and what vote is required to approve each item?

Shares representing the majority of the total outstanding votes present or represented by proxy constitute a quorum. If you vote or return a proxy card, your shares will be considered part of the quorum. The affirmative vote of a majority of votes cast is required to approve each item.

Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

How are abstentions and broker non-votes counted?

Abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the vote. With respect to the election of directors, votes withheld will be treated as shares present for purposes of determining a quorum but are not counted as votes cast on any matter to which they relate.

Who will count the votes?

A representative of The Altman Group, a company contracted by us to assist the Company in the tabulation of proxies, and our Corporate Secretary and General Counsel, Alison Berges, will tabulate the votes and act as inspector of election.

What happens if a nominee for director is unable to serve as a director?

If any of the nominees becomes unavailable for election, which we do not expect, votes will be cast for such substitute nominee or nominees as may be designated by our Board of Directors, unless our Board of Directors reduces the number of directors. Under the policies of our Board of Directors, directors are expected to attend regular board meetings, board committee meetings and our annual stockholders meeting.

How do I get an admission card to attend the annual meeting?

If you are a stockholder of record, your admission card is attached to your proxy card. You will need to bring it with you to the meeting. If you own shares in the street name, you will need to ask your broker or bank for an admission card in the form of a legal proxy. You will need to bring the legal proxy with you to the meeting. If you do not receive the legal proxy in time or you want to attend the meeting but not vote in person, bring your most recent brokerage statement with you to the meeting. We can use that to verify your ownership of Common Stock and admit you to the meeting; however you will not be able to vote your shares at the meeting without a legal proxy. Please note that if you own shares in the street name and you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the meeting and vote in person.

You will also need to bring a photo ID to gain admission.

Who is soliciting my proxy and who pays the cost?

PetMed Express, Inc. and the Board of Directors are soliciting your proxy. The cost of soliciting proxies will be borne by the Company. PetMed Express, Inc. will also reimburse brokerage firms, banks and other custodians for their reasonable out-of-pocket expenses for forwarding these proxy materials to you. Our directors, officers and employees may also solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities.

When are the stockholder proposals due for next year's annual meeting?

Proposals that stockholders wish to be included in next year's

Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

Proxy Statement for the annual meeting to be held in 2005 must be received at the Company's principal place of business at 1441 S.W. 29th Avenue, Pompano Beach, FL 33069, addressed to the Corporate Secretary's attention, no later than March 15, 2005.

2

Can different stockholders sharing the same address receive only one Annual Report and Proxy Statement?

Yes. The Securities and Exchange Commission permits companies and intermediaries, such as a brokerage firm or a bank, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more security holders sharing the same address by delivering only one proxy statement and annual report to that address. This process which is commonly referred to as "householding" can effectively reduce our printing and postage costs. Under householding, each stockholder would continue to receive a separate proxy card or voting instruction card.

Certain of our stockholders whose shares are held in the street name and who have consented to householding will receive only one set of our annual meeting materials per household this year. If your household received a single set of our annual meeting materials this year, you can request to receive additional copies of these materials by calling or writing your broker, bank or other nominee. If you own your shares in the street name, you can request householding by calling or writing your broker, bank or other nominee.

ITEM 1 - ELECTION OF DIRECTORS

The Board of Directors unanimously recommends a vote "FOR" the election of the following directors:

Menderes Akdag, Frank J. Formica, Gian Fulgoni, Ronald J. Korn, Marc Puleo, M.D. and Robert C. Schweitzer.

Our Board of Directors currently has six members, all of whom are standing for re-election at this year's annual meeting. If elected the directors will serve until the next annual meeting of stockholders or until the director is succeeded by another director who has been elected.

Each of the nominated directors has agreed to serve if elected. However, if for some reason one or more of them is unable to accept nomination, or election, proxies will be voted for the election of a nominee(s) designated by our Board of Directors. Biographical information for each of the nominees is presented below.

Stockholders have cumulative voting rights with respect to election of directors. Under cumulative voting, each stockholder is entitled to the same number of votes per share as the number of directors to be elected (or, for purposes of this election, six votes per share). A stockholder may cast all such votes for a single nominee or distribute them among the nominees, as he or

Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

she wishes, either by so marking the ballot at the meeting or by specific voting instructions sent to the Company with a signed proxy. In connection with the solicitation of proxies, discretionary authority to cumulate votes is being solicited.

ITEM 2 - RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors recommends a vote "FOR" the ratification of the appointment of Goldstein Golub Kessler LLP as independent auditors.

The Audit Committee has appointed and approved Goldstein Golub Kessler LLP to audit our fiscal year 2005 consolidated financial statements. Representatives of the firm will be available at the annual meeting to make a statement, if they choose, and to answer any questions you may have.

REPORT OF AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by us under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this Report by reference therein.

The Securities and Exchange Commission rules require us to include in this proxy statement a report from the Audit Committee of our Board of Directors. The following report concerns the Audit Committee's activities regarding oversight of our financial reporting and auditing process.

The Audit Committee is comprised solely of independent directors, as defined in the Marketplace Rules of the Nasdaq National Market and under Securities Exchange Act Rule 10A-3(b)(1), and it operates under a written charter adopted by the Company's Board of Directors. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in the oversight of its financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of its consolidated financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. Goldstein Golub Kessler LLP, the Company's independent auditor, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States.

The Audit Committee members are not professional

Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Audit Committee certify that the independent auditor is "independent" under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent auditor on the basis of the information it receives, discussions with management and the independent auditor and the experience of the Audit Committee's members in business, financial and accounting matters.

Among other matters, the Audit Committee monitors the activities and performance of the Company's independent auditor, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. The Audit Committee and the Board of Directors have ultimate authority and responsibility to select, evaluate and, when appropriate, replace the independent auditor. The Audit Committee also reviews the results of the audit work with regard to the adequacy and appropriateness of financial, accounting and internal controls. Management and independent auditor presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor. In addition, the Audit Committee generally oversees internal compliance programs.

The Audit Committee has reviewed and discussed the Company's consolidated financial statements with management and the independent auditor, management represented to the Audit Committee that its consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent auditor represented that its presentations included the matters required to be discussed with the independent auditor by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees."

Goldstein Golub Kessler LLP, the independent auditor, also provided the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with Goldstein Golub Kessler LLP the firm's independence.

Following the Audit Committee's discussions with management and Goldstein Golub Kessler LLP, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's annual report on Form 10-K for the fiscal year ended March 31, 2004.

REPORT OF COMPENSATION COMMITTEE

The following Report of the Compensation Committee of our Board of Directors and the performance graphs included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filings by us under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this Report or the performance graphs by reference therein.

The primary purposes of our Compensation Committee of our Board of Directors, a committee which is comprised solely of independent directors, are to oversee the administration of the Company's compensation programs, review the compensation of executive officers and directors, prepare any report on executive compensation required by the rules and regulations of the Securities and Exchange Commission and generally to provide assistance to the Board of Directors on compensation matters.

During FY 2004, we amended the employment agreement of our Chief Executive Officer, Menderes Akdag, which is described

further below.

Components of Executive Compensation

The basic components of executive compensation are:

- * Annual Cash Compensation, specifically, base salary; and
- * Long-Term Incentive Compensation, specifically, stock options.

Annual Cash Compensation - Base Salary

The purpose of base salary is to create a secure base of cash compensation for executives that is competitive with the market. Executives' salary increases do not follow a preset schedule or formula; however, the following will be considered when determining appropriate salary levels and increases: the individual's current and sustained performance results and the methods utilized to achieve such results; and non-financial performance indicators to include strategic developments for which an executive has responsibility and managerial performance.

We exercise discretion in making salary decisions taking into account, among other things, each individual's performance and the Company's overall performance. With regard to individual performance of executive officers other than the Chief Executive Officer, we rely to a large extent on the Chief Executive Officer's evaluations of each individual executive officer's performance.

Long-Term Incentive Compensation - Stock Options

Long-term incentives comprise the largest portion of the total compensation package for executives. The form of long-term incentives used for executives is stock options. Grant levels will be determined for each executive based on individual performance and potential, history of past grants, time in current job and level of, or significant changes in, responsibility. The purpose of stock options is to provide equity compensation whose value is directly related to the creation of share-owner value. Stock options provide executives a vehicle to increase equity ownership and share in the appreciation of the value of Company stock.

Employment Agreement with Marc Puleo, M.D., President

On May 1, 2000, the Company entered into a two-year employment agreement with Marc Puleo, M.D., as Chief Executive Officer, which provided for annual cash compensation to him of \$150,000. On November 8, 2000, Dr. Puleo's employment agreement dated May 1, 2000 was amended to reflect a salary of \$75,000 annually. Under the terms of the employment agreement Dr. Puleo received an annual salary of \$75,000, subject to increase no less frequent than an annual review by our Board of Directors. Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

can be terminated upon the mutual consent of the parties, or upon 90 days notice by the Company, in which case the Company would continue to compensate him under the terms of his employment agreement, or his contract will renew annually.

Employment Agreement with Menderes Akdag, Chief Executive Officer

On March 16, 2001, the Company had entered into an employment agreement with its current Chief Executive Officer, Menderes Akdag. Under the terms of this three-year agreement the Company paid Mr. Akdag an annual salary of \$150,000 for the first six months of the agreement, and thereafter his annual salary was to be increased to \$200,000. The Company also granted Mr. Akdag options to purchase 750,000 shares of its common stock under the Company's 1998 Stock Option Plan at an exercise price of \$.32 per share, which vested at the rate of 187,500 options on each of March 16, 2001, 2002, 2003 and 2004.

The agreement provided the following: the Company can terminate the employment of Mr. Akdag either upon mutual consent or for cause. If the Company should terminate Mr. Akdag for cause, or if Mr. Akdag should terminate the agreement without "good reason" as described in the employment agreement, no severance benefits would be paid. If the Company should terminate Mr. Akdag without cause, the Company would be required to give Mr. Akdag three months notice and continue to compensate him under the terms of this employment agreement during those three months. At the end of the three-month period, the Company would have to pay Mr. Akdag severance benefits equal to his annual base salary, and any previously granted but unvested options would immediately vest. If the Company should terminate Mr. Akdag for cause, as defined in the employment agreement, no severance benefits would be paid. The agreement can be terminated upon the mutual consent of the parties, or upon 90 days notice by the Company during which time the Company would continue to compensate him under the terms of his employment agreement.

On March 16, 2004, the Company amended Mr. Akdag's existing employment agreement. The amendments are as follows: the term of the agreement will be for three years, commencing on March 16, 2004; Mr. Akdag's salary will be increased to \$250,000 per year throughout the term of the agreement, and Mr. Akdag shall be granted 250,000 incentive stock options under the Company's 1998 Stock Option Plan at an exercise price of \$10.64 per share, which vest at the rate of 83,333 options on each of March 16, 2005 and 2006, and 83,334 options on March 16, 2007. All other terms of Mr. Akdag's original employment agreement remain in effect.

In determining whether to waive any of the provisions of the Code, the Committee will consider whether the proposed waiver (a) is prohibited by the Code; (b) is consistent with honest and ethical conduct; and (c) will result in a conflict of interest between the requestor's personal and professional obligations to the Company. If the Committee waives any provision of the Code, then the Company shall make an immediate disclosure of such waiver in accordance with applicable law. The Code may be amended only by the Board.

16

The identity of persons against whom allegations of violations are brought will be kept confidential unless or until it has been determined that a violation has occurred.

It shall be a violation of the Code to intimidate or impose any form of retribution on any person who in good faith reports suspected violations of the Code (except that appropriate action may be taken against such person if such person is one of the wrongdoers).

(5) Investigation of Violations

If the Committee receives information regarding an alleged violation of the Code, the Committee shall: (a) evaluate such information as to gravity and credibility; (b) initiate an informal inquiry or a formal investigation with respect thereto; (c) if appropriate, prepare a report of the results of such inquiry or investigation, including recommendations as to the disposition of such matter; (d) if appropriate, make the results of such inquiry or investigation available to the public (including disciplinary action); and (e) if appropriate, recommend changes to the Code that the Committee deems necessary or desirable to prevent similar violations of the Code.

(6) Disciplinary Measures

The Committee shall enforce the Code through appropriate disciplinary actions. The Committee shall determine whether violations of the Code have occurred and, if so, shall determine the disciplinary measures to be taken against any person who has violated the Code. The disciplinary measures, which may be invoked at the discretion of the Committee, and with approval of the Board of Directors, include, but are not limited to, counseling, oral or written reprimands, warnings, probation or suspension (with or without pay), demotions, deductions in salary, termination of employment, and restitution.

(7) Record Retention and Confidentiality

All reports and records prepared or maintained pursuant to the Code will be considered confidential and shall be maintained and protected accordingly to the extent permitted by applicable laws, rules and regulations or legal proceedings. Except as otherwise required by law or the Code, such matters shall not be disclosed to anyone other than the Board of Directors and its counsel.

(8) Other Policies and Procedures

The Code shall be the sole code of ethics adopted by the Company for purposes of Section 406 of the Sarbanes-Oxley Act and the rules and forms applicable to public companies thereunder. The primary functions of the Audit Committee are to assist the Board of Directors in fulfilling its oversight responsibilities with respect to: (i) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethical behavior; (ii) the Company's auditing, accounting and financial reporting processes generally; (iii) the Company's financial statements and other financial information provided by the Company to its stockholders, the public and others; (iv) the Company's compliance with legal and regulatory requirements; and (v) the performance of the Company's independent auditors. Consistent with these functions, the Committee will encourage continuous improvement of, and foster adherence to, the Company's policies, procedures and practices at all levels.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. It is not the duty of the Committee to conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of Management and the independent auditors.

II. Organization

The Audit Committee shall be comprised of two or more directors as determined by the Board of Directors, each of whom shall satisfy the independence, financial literacy and experience requirements of Section 10A of the Securities Exchange Act of 1934 and the National Nasdaq Market.

Committee members shall be elected by the Board at the annual organizational meeting of the Board of Directors on the recommendation of the Board of Directors; members shall serve until their successors shall be duly elected and qualified. The Committee's chairperson shall be designated by the full Board or, if it does not do so, the Committee members shall elect a chairperson by vote of a majority of the full Committee.

The Committee may form and delegate authority to subcommittees when appropriate.

III. Meetings

The Audit Committee shall meet four times per year on a quarterly basis, or more frequently as circumstances require. The Committee shall require members of Management, the independent auditors and others to attend meetings and to provide pertinent information, as necessary. As part of its job to foster open communications, the Committee shall meet in separate executive sessions during each of its four regularly scheduled meetings with Management and the Company's independent auditors to discuss any matters that the Committee (or any of these groups) believes should be discussed privately.

IV. Responsibilities and Duties

In recognition of the fact that the Company's independent auditors are ultimately accountable to the Audit Committee, the Committee shall have the sole authority and responsibility to select, evaluate, and, where appropriate, replace the independent auditors or nominate the independent auditors for shareholder

Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

approval. The Committee shall approve all audit engagement fees and terms and all non-audit engagements with the independent auditors. The Committee shall consult with Management but shall not delegate these responsibilities.

To fulfill its responsibilities and duties, the Audit Committee shall:

With respect to the independent auditors:

1. Be directly responsible for the appointment, compensation approval and oversight of the work of the independent auditors (including resolution of disagreements between Management and the independent auditors regarding financial reporting) for the purpose of preparing its audit report or related work.
2. Have the sole authority to review in advance, and grant any appropriate pre-approvals of, (i) all auditing services to be provided by the independent auditors and (ii) all non-audit services to be provided by the independent auditors as permitted by Section 10A of the Securities Exchange Act of 1934, and (iii) in connection therewith to approve all fees and other terms of engagement. The Committee shall also review and approve disclosures required to be included in Securities and Exchange Commission periodic reports filed under Section 13(a) of the Securities Exchange Act of 1934 with respect to non-audit services.

18

3. Review the performance of the Company's independent auditors on at least an annual basis.
4. On an annual basis, review and discuss with the independent auditors all relationships the independent auditors have with the Company in order to evaluate the independent auditors' continued independence. The Committee: (i) shall ensure that the independent auditors submit to the Committee on an annual basis a written statement (consistent with Independent Standards Board Standards No. 1) delineating all relationships and services that may impact the objectivity and independence of the independent auditors; (ii) shall discuss with the independent auditors any disclosed relationship or services that may impact the objectivity and independence of the independent auditors; and (iii) shall satisfy itself as to the independent auditors' independence.
5. At least annually, obtain and review an annual report from the independent auditors describing (i) the independent auditors' internal quality control procedures and (ii) any material issues raised by the most recent internal quality control review, or peer review, of the independent auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues.
6. Confirm that the lead audit partner, or the lead audit partner responsible for reviewing the audit, for the Company's independent auditors has not performed audit services for the Company for each of the five previous fiscal years.
7. Review all reports required to be submitted by the independent

Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

auditors to the Committee under Section 10A of the Securities Exchange Act of 1934.

8. Review, based upon the recommendation of the independent auditors and management, the scope and plan of the work to be done by the independent auditors for each fiscal year.

With respect to financial statements:

-
9. Review and discuss with Management and the independent auditors the Company's quarterly financial statements (including disclosures made in "Management's Discussion and Analysis of Financial Condition and Results of Operations" and the independent auditors' review of the quarterly financial statements) prior to submission to stockholders, any governmental body, any stock exchange or the public.
 10. Review and discuss: (i) with Management and the independent auditors the Company's annual audited financial statements (including disclosures made in "Management's Discussion and Analysis of Financial Condition and Results of Operations").

Periodic and Annual Reviews:

-
14. Periodically review separately with each of Management and independent auditors (i) any significant disagreement between Management and the independent auditors in connection with the preparation of the financial statements, (ii) any difficulties encountered during the course of the audit (including any restrictions on the scope of work or access to required information), and (iii) Management's response to each.
 15. Periodically discuss with the independent auditors, without Management being present, (i) their judgments about the quality, appropriateness, and acceptability of the Company's accounting principles and financial disclosure practices, as applied in its financial reporting, and (ii) the completeness and accuracy of the Company's financial statements.
 16. Consider and approve, if appropriate, significant changes to the Company's accounting principles and financial disclosure practices as suggested by the independent auditors or Management. Review with the independent auditors and Management, at appropriate intervals, the extent to which any changes or improvements in accounting or financial practices, as approved by the Committee, have been implemented.
 17. Review with Management, the independent auditors, and the Company's counsel, as appropriate, any legal, regulatory or compliance matters that could have a significant impact on the Company's financial statements, including significant changes in accounting standards or rules as promulgated by the Financial Accounting Standards Board, the Securities and Exchange Commission or other regulatory authorities with relevant jurisdiction.
 18. Obtain and review an annual report from Management relating

Edgar Filing: PETMED EXPRESS INC - Form DEF 14A

to the accounting principles used in preparation of the Company's financial statements (including those policies for which Management is required to exercise discretion or judgments regarding the implementation thereof).

19

Discussions with Management:

-
19. Review and discuss with Management the Company's earnings press releases (including the use of "pro forma" or "adjusted" non-GAAP information) as well as financial information and earnings guidance provided to analysts and rating agencies.
 20. Review and discuss with Management all material off-balance sheet transactions, arrangements, obligations (including contingent obligations) and other relationships of the Company with unconsolidated entities or other persons, that may have a material current or future effect on financial condition, changes in financial condition, results of operations, liquidity, capital resources, capital reserves or significant components of revenues or expenses.
 21. Inquire about the application of the Company's accounting policies and its consistency from period to period, and the compatibility of these accounting policies with generally accepted accounting principles, and (where appropriate) the Company's provisions for future occurrences which may have a material impact on the financial statements of the Company.
 22. Review and discuss with Management (i) the Company's major financial risk exposures and the steps Management has taken to monitor and control such exposures (including Management's risk assessment and risk management policies), and (ii) the program that Management has established to monitor compliance with its code of business ethics and conduct for directors, officers and employees.
 23. Review and discuss with Management all disclosures made by the Company concerning any material changes in the financial condition or operations of the Company.
 24. Obtain explanations from Management for unusual variances in the Company's annual financial statements from year to year, and review annually the independent auditors' letter of the recommendations to Management and Management's response.

With respect to the internal audit function and internal controls:

-
25. In consultation with the independent auditors and management, (a) review the adequacy of the Company's internal control structure and systems, and (b) the procedures designed to insure compliance with laws and regulations.
