## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 5(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The original filing erroneously reported ownership of 439,668 shares of Common Stock indirectly through Biofuels Company of America, LLC ("BCA"). The correct number of shares owned was 497,611. Bunge North America, Inc. owned a 22.2% ownership interest in BCA. Since the date of the original filing, BCA has distributed the shares to Bunge North America, Inc., who now owns the shares directly. Bunge North America, Inc. is a wholly-owned subsidiary of Bunge Limited.

(2) The amount of shares beneficially owned includes ownership of 9,708 Restricted Stock Units owned indirectly through Bunge North America, Inc., which is a wholly-owned subsidiary of Bunge Limited. The original filing erroneously failed to include these Restricted Stock Units, which will automatically convert into shares of Common Stock upon vesting. As of the date of this Form 3, all of the Restricted Stock Units remain unvested. The Restricted Stock Units will vest in full on the earliest of (i) August 18, 2013, (ii) a change of control of the issuer, (iii) the first date that Bunge North America, Inc. may sell Common Stock on The Nasdaq Global Market or on another national securities exchange without restriction, and (iv) the first three-month period following the development of a regular trading market with at least one market maker where trading volume during such three-month period is greater than 1% of the outstanding shares of Common Stock.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *See* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
