Warrant Agreements

Under the terms of the Warrant Agreements, Repsol issued to the Eton Funds an aggregate of 6,410,257 Warrants on December 23, 2010. The total number of Warrants initially issued by Repsol to the Eton Funds will be subject to certain customary anti-dilution provisions contained in the Warrant Agreements. Repsol will be required to deliver one ADS (such ADSs, the "Option Eton ADSs" and together with the Firm Eton ADSs, the "Purchased Eton ADSs" and

together with the Capital ADSs, the “Purchased ADSs”) for each Warrant exercised in consideration of the exercise price. The exercise price payable to Repsol upon the exercise of each Warrant is U.S.\$43.00 per ADS, subject to adjustment according to certain customary anti-dilution provisions contained in the Warrant Agreements. The Option Eton ADSs were not registered under the Securities Act and may not be reoffered or resold in the United States absent registration or an applicable exemption from the registration requirements.

Each Warrant will be exercisable at any time prior to 5:00 p.m., New York City time, on January 17, 2012 (the “Warrant Expiration Date”). Each of the Eton Funds may exercise all or a portion of the Warrants issued to it on

Under the terms of the Capital Put Option Agreements, Repsol issued to the Capital Funds on December 23, 2010 an aggregate of 6,410,257 Put Options, subject to adjustment in accordance with certain customary anti-dilution provisions contained in the Capital Put Option Agreements. Each Capital Fund will receive a number of Put Options equal to the number of ADSs purchased by it pursuant to the Capital Stock Purchase Agreement, subject to adjustment in accordance with the aforementioned customary anti-dilution provisions. Each Put Option will entitle, upon exercise, the relevant Capital Fund to require Repsol to purchase one ADS held by such Capital Fund for a purchase price of U.S.\$39.00 per ADS, subject to adjustment according to certain customary anti-dilution provisions contained in the Capital Put Option Agreements. The aggregate number of outstanding Put Options issued by Repsol will be reduced as of December 22, 2011 (the "Option Determination Date") by a number equal to the number of Class D Shares (including Class D Shares in the form of ADSs) that represent 15% of the aggregate number of outstanding Class D Shares (including Class D Shares in the form of ADSs) held by non-affiliates and eligible for resale without restriction on the New York Stock Exchange as of the trading day preceding the Option Determination Date; provided that the aggregate number of Put Options will not be less than zero. Each of the Capital Put Option Agreements provides for the number of Put Options held by each Capital Fund as of the Option Determination Date to be reduced proportionally to the reduction in the aggregate number of Put Options described in the preceding sentence.

The Put Options may be exercised in whole or in part by each Capital Fund only once at any time between 9:00 a.m. and 5:00 p.m. from and including the Option Determination Date to and including January 23, 2012 (the "Option Expiration Date"). The date on which the Put Options held by any Capital Fund are exercised is referred to as the "Option Exercise Date" with respect to such Capital Fund.

All dividends and other distributions paid in cash in respect of the Capital ADSs for which the record date falls during the period from and including December 23, 2010 to but excluding the date on which Repsol becomes the holder of record of any ADSs put to it by any such Capital Fund (any such period, a "Recapture Period") shall, on the third trading day following the Option Exercise Date (any such date, an "Option Settlement Date"), be repaid by the relevant Capital Fund to Repsol in respect of the number of Capital ADSs put to Repsol by such Capital Fund on the relevant Option Exercise Date. Other than dividends of Class D Shares, for which a customary anti-dilution adjustment will be made, all non-cash dividends and other distributions, whether in the form of securities or assets of the Issuer, issued or distributed in respect of the Capital ADSs for which the record date falls during a Recapture Period shall at such Capital Fund's election, to the extent of the number of Capital ADSs put to Repsol by such Capital Fund on an Option Exercise Date, either (i) be sold by such Capital Fund in an arm's length transaction to an unaffiliated third party (subject to Repsol's right of first refusal) and the proceeds thereof shall be paid by such Capital Fund to Repsol on the relevant Option Settlement Date or, in certain limited circumstances, shortly thereafter or (ii) be delivered to Repsol by such Capital Fund on the relevant Option Settlement Date or, in certain limited circumstances, shortly thereafter.

The Put Options are freely transferrable among the Capital Funds. The Capital Put Option Agreements also contain other customary terms and conditions, including representations and warranties by the parties thereto.

The foregoing description of the Capital Put Option Agreements does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Capital Put Option Agreements, which are attached hereto as Exhibits 99.8 through 99.16 and are incorporated by reference herein.

Registration Rights Agreements

Under the terms of the Registration Rights Agreements, Repsol, as a shareholder of the Issuer, has agreed to cause the Issuer to: (i) file a registration statement under the Securities Act no later than February 17, 2011 with respect to (A) the Purchased Eton ADSs and the underlying Class D Shares in connection with Eton Park Registration Rights Agreements and (B) the Capital ADSs and the underlying Class D Shares in connection with the Capital Registration Rights Agreement; (ii) have it declared effective by the staff of the Securities and Exchange Commission within a specified period; and (iii) keep it continuously effective until certain specified conditions have been met. Each Purchaser will be entitled to sell its Purchased ADSs under the registration statement after giving notice to Repsol and the Issuer; provided that the Issuer has the right to suspend the use of the resale shelf registration statement upon the occurrence of certain specified events in accordance with the terms of the Registration Rights Agreements.

Repsol has also agreed to cause the Issuer to use commercially reasonable efforts to keep the Class D Shares authorized for public offering with the Argentine Comisión Nacional de Valores and listed on the Buenos Aires Stock Exchange; provided that the Issuer has the right to require the Purchasers or any underwriter acting on a Purchaser's behalf to suspend any such authorization upon the occurrence of certain specified events in accordance with the terms of the Registration Rights Agreements.

Repsol has agreed to cause the Issuer to agree to indemnify the respective Purchasers and their respective affiliates for any losses that they incur arising out of or based on an untrue or an alleged untrue statement of a material fact or an omission or an alleged omission of a material fact in the registration statement or any prospectus, subject to certain specified exceptions. In connection with information provided to the Issuer by the respective Purchasers, each respective Purchaser has agreed to indemnify the Issuer and its affiliates for any losses that they incur arising out of or based on an untrue or an alleged untrue statement of a material fact or an omission or an alleged omission of a material fact in the registration statement or any prospectus, but only to the extent that the untrue statement or omission or alleged untrue statement or omission is based on information furnished in writing to the Issuer by such Purchaser.

In the event that the Issuer fails to keep a continuously effective registration statement or registration statements in accordance with the terms of the Registration Rights Agreements, Repsol shall be required to pay certain specified damages to the respective Purchasers.

The Purchased ADSs and the associated registration rights under the respective Registration Rights Agreements may be transferred and assigned by the respective Purchasers with Repsol's consent and in accordance with applicable securities laws.

The foregoing description of the Registration Rights Agreements does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Registration Rights Agreements, which are attached hereto as Exhibits 99.5, 99.6 and 99.17 and are incorporated by reference herein.
