Item 1.01 Entry into a Material Definitive Agreement.

(i) *Overview.*

On January 5, 2006, we completed our acquisition of Prentiss Properties Trust (“Prentiss”) pursuant to the Agreement and Plan of Merger dated as of October 3, 2005 (the “Merger Agreement”) that we attached as an exhibit to our Current Report on Form 8-K filed with the SEC on October 4, 2005. In conjunction with the consummation of the mergers (collectively, the “Merger”) through which we acquired Prentiss, designees of The Prudential Insurance Company of America (“Prudential”) acquired those properties of Prentiss that we identified in our October 4 Current Report as the “Prudential Properties.” See Item 2.01 below for additional information.

(ii) *Loan Agreement.*

On January 5, 2006, we, together with Brandywine Operating Partnership, L.P. (“Brandywine Operating Partnership”), the subsidiary through which we own our assets and conduct our business, entered into a term loan agreement (the “Term Loan Agreement”) that provides for an unsecured term loan (the “Term Loan”) in the amount of \$750 million. We used proceeds of the Term Loan, together with other sources of funds, to fund a portion of the cash consideration payable in our acquisition of Prentiss pursuant to the Merger Agreement and to fund the repayment of certain indebtedness of Prentiss and its subsidiaries.

The Term Loan matures on January 4, 2007. There is no scheduled principal amortization of the Term Loan. The Term Loan is subject to mandatory prepayment in an amount equal to net proceeds of equity or debt securities that we may hereafter issue in the public or private capital markets.

The Term Loan bears interest at a per annum floating rate equal to: (i) the higher of (x) the prime rate or (y) the federal funds rate plus 0.50% per annum, plus, in either case, 0.25% or (ii) a Eurodollar rate that is the rate at which Eurodollar deposits for one, two or three months are offered plus between 1.00% and 1.35%, depending on our debt rating. We also have agreed to pay a facility fee of 0.15% on the amount of the Term Loan which remains outstanding on the 90th day after the funding date of the Term Loan, an additional 0.25% on the amount of the Term Loan which remains outstanding on the 180th day after the initial funding date of the Term Loan, and an additional 0.25% on the amount of the Term Loan which remains outstanding on the 270th day after the funding date of the Term Loan.

The Term Loan Agreement contains financial and operating covenants. Financial covenants include minimum net worth, minimum interest coverage and fixed charge coverage ratios, maximum leverage ratio, restrictions on unsecured and secured debt as a percentage of unencumbered assets, and other financial tests. Operating covenants include limitations on our ability to incur additional indebtedness, grant liens on assets, enter into affiliate transactions, pay dividends, make acquisitions and investments and construct or develop new properties.

JPMorgan Chase Bank, N.A., as Administrative Agent and Syndication Agent and J.P. Morgan Securities Inc. serves as Lead Arranger and Sole Bookrunner under the Term Loan Agreement.

We have attached a copy of the Term Loan Agreement as an exhibit to this Current Report. The description of the Term Loan Agreement does not purport to be complete and is qualified by reference to the copy of the Term Loan Agreement attached as an exhibit.

(iii) *Employment Agreements with Gregory S. Imhoff and Scott W. Fordham.*

On January 5, 2006, we entered into an employment agreement with each of Gregory S. Imhoff and Scott W. Fordham, each former executives of Prentiss. The agreement with Mr. Imhoff provides for his employment as our Senior Vice President and Chief Administrative Officer for a one-year term at a base salary of \$200,000. The agreement with Mr. Fordham provides for his employment as our Vice President and Chief Accounting Officer for a one-year term at a base salary of \$170,000.

We have attached a copy of each of these two employment agreements as an exhibit to this Current Report. The description of each employment agreement does not purport to be complete and is qualified by reference to the copies that we have attached as exhibits.

(iv) *Agreement with Anthony A. Nichols, Sr.*

On January 5, 2006, we entered into an agreement with Anthony A. Nichols, Sr. that amends the agreement that we entered into with him in March 2004. This amendment provides for Mr. Nichols' (i) assistance in our integration activities with respect to the Prentiss organization, as and to the extent requested by our President and Chief Executive Officer or Board of Trustees and (ii) consultation and advice for special research projects, business development initiatives and strategic planning, as and to the extent requested by our President and Chief Executive Officer or Board of Trustees. We have agreed to compensate Mr. Nichols for his services at the rate of \$500 per hour. The amendment does not reduce the benefits to which Mr. Nichols was entitled under our March 2004 agreement with him and extends the term of his engagement with us from December 31, 2006 until December 31, 2007. Mr. Nichols (age 66) is a member of our Board of Trustees and served as Chairman of our Board from August 22, 1996 until March 25, 2004. Additional information regarding Mr. Nichols is included in our proxy statement prepared for our annual meeting of shareholders held on May 2, 2005.

We have attached a copy of the amended agreement with Mr. Nichols as an exhibit to this Current Report. The description of the agreement does not purport to be complete and is qualified by reference to the copy of the agreement attached as an exhibit.

(v) *Agreements with Michael V. Prentiss.*

On January 5, 2006, we entered into a consulting agreement with Michael V. Prentiss. The agreement (i) has a three-year term; (ii) provides for Mr. Prentiss' consulting services to us for \$1,000 per year; (iii) restricts for one year (up to two years for certain activities) the types of activities that Mr. Prentiss may engage in; (iv) provides for not less than 3,300 square feet of office space for Mr. Prentiss; and (v) provides for secretarial support for Mr. Prentiss. Mr. Prentiss will continue to be entitled to benefits under his employment agreement that he entered into with Prentiss prior to the consummation of the Merger. These benefits include Mr. Prentiss' continued entitlement to health, dental and insurance coverages and use of an aircraft. In addition, if any payments made to Mr. Prentiss in connection with the Merger would result in an excise tax imposed by either Section 4999 or Section 409A of the Internal Revenue Code, he would be entitled to receive from us a tax reimbursement payment that would put him in the same financial position after-tax that he would have been in if the excise tax did not apply to such amount. Mr. Prentiss became a member of our Board of Trustees upon closing of the Merger. Additional information regarding Mr. Prentiss is included in Item 5.02.

We have attached a copy of the consulting agreement with Mr. Prentiss as an exhibit to this Current Report. The description of the consulting agreement does not purport to be complete and is qualified by reference to the copy of the consulting agreement attached as an exhibit. We have also attached as an exhibit to this Current Report Mr. Prentiss' employment agreement, as amended, with Prentiss.

(vi) *Agreements with Thomas F. August.*

On January 5, 2006, we entered into a consulting agreement with Thomas F. August. The agreement (i) has a three-year term; (ii) provides for Mr. August's consulting services to us for \$1,000 per year; (iii) restricts for one year (up to two years for certain activities) the types of activities that Mr. August may engage in; (iv) provides for not less than 2,500 square feet of office spaces for Mr. August; and (v) provides for secretarial support for Mr. August. Mr. August will continue to be entitled to benefits under his employment agreement that he entered into with Prentiss prior to the consummation of the Merger. These benefits include Mr. August's entitlement to health, dental and insurance coverages. In addition, if any payments made to Mr. August in connection with the Merger would result in an excise tax imposed by either Section 4999 or Section 409A of the Internal Revenue Code, he would be entitled to receive from us a tax reimbursement payment that would put him in the same financial position after-tax that he would have been in if the excise tax did not apply to such amount. Mr. August became a member of our Board of Trustees upon closing of the Merger. Additional information regarding Mr. August is included in Item 5.02.

We have attached a copy of the consulting agreement with Mr. August as an exhibit to this Current Report. The description of the consulting agreement does not purport to be complete and is qualified by reference to the copy of the consulting agreement attached as an exhibit. We have also attached as an exhibit to this Current Report Mr. August's employment agreement, as amended, with Prentiss.

(vii) *Assumption of Prentiss Incentive Plans and Acknowledgment and Waiver.*

Upon consummation of the Merger, and pursuant to the Merger Agreement, we assumed three equity incentive plans of Prentiss: (i) the 1996 Share Incentive Plan, as amended, (ii) the 2005 Share Incentive Plan, as amended, and (iii) the Trustee Share Incentive Plan. We have attached as exhibits to this Current Report copies of each of these plans. Upon consummation of the Merger, we also assumed obligations of Prentiss under an Acknowledgment and Waiver that provides that if any payments made to a Prentiss employee covered by this agreement in connection with the Merger would result in an excise tax imposed by Section 409A of the Internal Revenue Code, the employee would be entitled to receive from us a tax reimbursement payment that would put him in the same financial position after-tax that he would have been in if the excise tax did not apply to such amount. We have attached as an exhibit to this Current report a copy of the form of Acknowledgment and Waiver. Each of Messrs. Imhoff and Fordham is a party to an Acknowledgment and Waiver.

(viii) *Share Awards.*

On January 5, 2006, we issued an aggregate of 84,870 Common Shares to employees of Prentiss that became our employees upon completion of the Merger. Of these Common Shares, 48,300 were fully vested on the date of issuance and the 36,570 balance are subject to vesting. Our Current Report that we filed with the SEC on November 2, 2005 shows the allocation of an aggregate of 58,650 of these Common Shares to Messrs. Wiberg, Cushing, Hipps and Cooper (four executives of Prentiss who became executives with us upon consummation of the Merger) and the vesting schedule applicable to a portion of these shares. The remaining 26,220 shares were issued to non-executive officers who joined us upon consummation of the Merger and will vest in five equal annual installments (other than 8,280 shares that will vest in two equal annual installments). Restricted Common Shares are subject to accelerated vesting upon a change in control of us or the death or disability of the recipient. During the period the restricted Common Shares have not vested, the applicable employee is entitled to vote the Common Shares and to receive distributions paid on the Common Shares. Vesting of the restricted Common Shares is not subject to performance-based conditions. We have attached the form of award as an Exhibit to this Current Report. The award agreement for recipients will be identical in all material respects (other than as to the recipient's name, the number of shares covered by each agreement and the vesting schedule).

(ix) *Asset Purchase Agreement.*

As provided in the Merger Agreement and in the Master Agreement that we entered into with Prudential on October 3, 2005 (a copy of which we attached as an exhibit to our October 4 Current Report), at the closing of the Merger we entered into the Alternative Asset Purchase Agreement with Prudential. We have attached a copy of this agreement as an exhibit to this Current Report.

Item 1.02 Termination of a Material Definitive Agreement.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On January 5, 2006, we consummated the Merger and related transactions, including the disposition of properties to designees of Prudential pursuant to the Master Agreement dated as of October 3, 2005 that we entered into with Prudential. As part of these transactions, assignees of Prudential acquired Prentiss properties that contain an aggregate of approximately 4.32 million net rentable square feet for total consideration of approximately \$747.7 million.

Through our acquisition of Prentiss, and after giving effect to the Prudential acquisition, we acquired a portfolio of 60 office properties that contain an aggregate of 11.8 million net rentable square feet. Our total portfolio is comprised of 281 office properties and 24 industrial and mixed-use properties that contain an aggregate of 30.2 million net rentable square feet.

In the Merger, each then outstanding Prentiss common share (a "Prentiss Common Share") was converted into the right to receive 0.69 of a Brandywine common share (a "Brandywine Common Share") and \$21.50 in cash (the "Per Share Merger Consideration") except that 497,884 Prentiss Common Shares held in the Prentiss Deferred Compensation Plan converted solely into 720,737 Brandywine Common Shares. We will pay cash instead of fractional shares. In addition, each then outstanding unit of a limited partnership interest in Prentiss OP ("Prentiss OP Units") was, at the option of the holder, converted into Prentiss Common Shares with the right to receive the Per Share Merger Consideration or 1.3799 Class A Units of Brandywine Operating Partnership ("Brandywine Class A Units"). Accordingly, based on 49,375,723 Prentiss Common Shares outstanding at the effective time of the Merger, we issued 34,446,446 Brandywine Common Shares and paid an aggregate of approximately \$1.05 billion in cash for the accounts of the former Prentiss shareholders. Based on 1,572,612 Prentiss OP Units outstanding at the effective time of the Merger, we issued 2,170,047 Brandywine Class A Units. In addition, options issued by Prentiss that were exercisable for an aggregate of 342,662 Prentiss Common Shares were converted into options exercisable for an aggregate of 496,037 Brandywine Common Shares at a weighted average exercise price of \$22.00 per share.

On October 3, 2005, in conjunction with the Merger transaction, we and Prentiss entered into separate agreements with Prudential that provided for the acquisition by designees of Prudential of Prentiss properties that contain approximately 4.32 million net rentable square feet (which we refer to as the "Prudential Properties"). We included a list of the Prudential Properties in our Current Report that we filed with the SEC on October 4, 2005. Our agreements provided for Prudential designees to acquire the Prudential Properties on either the day prior to, or the day of, the closing of the merger, depending on whether we received a private letter ruling from the Internal Revenue Service confirming certain tax matters related to the merger transaction. Because we received the requested private letter ruling, Prudential designees acquired the Prudential Properties immediately following completion of the Merger.

At the closing, we funded the transaction consideration provided for in the Merger Agreement as follows: (i) approximately \$1.7 billion through a combination of cash payments and assumption of mortgage debt secured by Prentiss properties, (ii) through the issuance of 34,446,446 Brandywine common shares and (iii) through issuance of 2,170,047 Brandywine Class A Units. The Brandywine Class A Units are subject to redemption at the option of the holder. At our option, we may satisfy the redemption either for an amount, per unit, of cash equal to the then market price of one Brandywine common share (based on the prior ten-trading day average) or for one Brandywine common share.

The Brandywine Class A Units issued in the transaction were not registered under the Securities Act of 1933, or any state securities laws, and may not be offered and sold in the United States absent registration or an applicable exemption from registration. We have agreed to file a registration statement registering the resale of Brandywine common shares issuable upon the redemption of Brandywine Class A Units.

See the description of the Term Loan Agreement under Item 1.01 above that provided a portion of the financing for the Merger. Our Current Report filed with the SEC on October 4, 2005 identified three financing commitments that we had received. One of these commitments was for the Term Loan Agreement and another commitment was for the revolving credit agreement that we entered into on December 22, 2005 and attached as an exhibit to our Current Report filed with the SEC on December 23, 2005. We elected not to enter into an interim term loan pursuant to the third financing commitment that we identified in our Current Report filed on October 4, 2005.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In the Merger we indirectly assumed obligations under approximately \$647.4 million of indebtedness of Prentiss. Such indebtedness is represented by the loans in the table below.

Item 3.02 Unregistered Sales of Equity Securities.

As indicated under Item 2.01 "Completion of Acquisition or Disposition of Assets," we issued 2,170,047 Brandywine Class A Units in the Merger that were not registered under the Securities Act of 1933. See Item 2.01 for additional information regarding the Brandywine Class A Units.

The description of material U.S. federal income tax consequences includes forward-looking statements. These forward-looking statements are identified by using words such as "anticipate", "believe", "intend", "may be" and "will be" and similar words or phrases or the negative thereof.
