Post-Effective Amendment No. 2 in this proceeding, as filed on October 10, 2003, is hereby amended and restated in its entirety to read as follows:

ITEM 1. DESCRIPTION OF PROPOSED TRANSACTION.

Ameren Corporation ("Ameren"), whose principal business address is at 1901 Chouteau Avenue, St. Louis, Missouri 63103, is a registered holding company under the Public Utility Holding Company Act of 1935, as amended (the "Act"). Ameren directly owns all of the issued and outstanding common stock of Union Electric Company d/b/a AmerenUE ("AmerenUE") and Central Illinois Public Service Company d/b/a AmerenCIPS ("AmerenCIPS"), and indirectly through CILCORP Inc. ("CILCORP"), an exempt holding company, owns all of the issued and outstanding common stock of Central Illinois Light Company d/b/a AmerenCILCO ("AmerenCILCO"). (1) Together, AmerenUE, AmerenCIPS and AmerenCILCO provide retail and wholesale electric service to approximately 1.7 million customers and retail natural gas service to approximately 500,000 customers in parts of Missouri and Illinois.

In addition to the foregoing, AmerenCILCO owns all of the issued and outstanding common stock of AmerenEnergy Resources Generating Company (f/k/a Central Illinois Generation, Inc.) ("AERG"), which was previously determined to be an "exempt wholesale generator" ("EWG") under Section 32 of the Act. As explained in the CILCORP Order, AERG was formed by AmerenCILCO in November 2001 in order to facilitate the restructuring of AmerenCILCO in accordance with the

Edgar Filing: AMEREN CORP - Form POS AMC

Illinois Electric Service Customer Choice and Rate Relief Law of 1997 ("Customer Choice Law"). On October 3, 2003, AmerenCILCO transferred substantially all of its generating assets to AERG, and, in conjunction therewith, AERG relinquished its EWG status and therefore became an additional electric utility subsidiary of Ameren.

By order dated February 27, 2003 (Holding Co. Act Release No. 27655) (the "Prior Order"), the Commission authorized Ameren and certain of its non-utility subsidiaries (the "Applicants") to, among other things, continue their participation in the Ameren System Non-Utility Money Pool (which has been re-designated as the "Non-State Regulated Subsidiary Money Pool") and, to the extent not exempt under Rules 45(b) and 52, to extend credit to each other through the Non-State Regulated Subsidiary Money Pool.(2) The Commission reserved jurisdiction under the Prior Order over a proposal by AERG (then named Central Illinois Generation, Inc.) to become a participant in the Non-State Regulated Subsidiary Money Pool and to make short-term borrowings thereunder in an aggregate principal amount at any time outstanding not to exceed \$250 million. AERG is now requesting that the Commission issue a supplemental

(1) Ameren completed its acquisition of all of the issued and outstanding common stock of CILCORP, the direct parent of AmerenCILCO, from The AES Corporation ("AES") on January 31, 2003, in accordance with the Commission's order in File No. 70-10078. See Ameren Corporation, et al., Holding Co. Act Release No. 27645 (Jan. 29, 2003) (the "CILCORP Order").

(2) By supplemental order in this proceeding dated September 15, 2003 (Holding Co. Act Release No. 27721), the Commission released jurisdiction reserved under the Prior Order over AmerenCILCO's participation in the Ameren System Utility Money Pool.

order releasing jurisdiction over AERG's proposal to participate in the Non-State Regulated Subsidiary Money Pool and to make borrowings thereunder in an aggregate principal amount at any time outstanding not to exceed \$250 million, subject, however, to the limitation that contributions to the Non-State Regulated Subsidiary Money Pool by AERG shall not exceed \$150 million at any time outstanding. Any available funds of AERG may also be loaned to the Ameren System Utility Money Pool ("Utility Money Pool") in accordance with all terms and conditions of the Prior Order. However, AERG will not borrow any funds available under the Utility Money Pool. These proposed limitations are designed to limit AERG's credit exposure under the Non-State Regulated Subsidiary Money Pool, that is, the risk that funds contributed by AERG will not be repaid when needed.

ITEM 2. FEES, COMMISSIONS AND EXPENSES.

The additional fees, commissions and expenses incurred or to be incurred in connection with the preparation and filing of this Application/Declaration are estimated not to exceed \$1,000.

ITEM 3. APPLICABLE STATUTORY PROVISIONS.

3.1 General. Sections 6(a), 7, 9(a)(1), 9(c)(3), 10, 12(b) and 12(f) of

Edgar Filing: AMEREN CORP - Form POS AMC

the Act and Rules 40, 42, 43, 45, and 54 thereunder are applicable to the proposed transactions.

3.2 Compliance with Rule 54. The transactions proposed herein are also subject to Rule 54. Rule 54 provides that, in determining whether to approve the issue or sale of any securities for purposes other than the acquisition of an EWG or "foreign utility company" ("FUCO") or other transactions unrelated to EWGs or FUCOs, the Commission shall not consider the effect of the capitalization or earnings of subsidiaries of a registered holding company that are EWGs or FUCOs if Rule 53(a), (b) and (c) are satisfied. Under Rule 53(a), the Commission shall not make certain specified findings under Sections 7 and 12 in connection with a proposal by a holding company to issue securities for the purpose of acquiring the securities of or other interest in an EWG, or to guarantee the securities of an EWG, if each of the conditions in paragraphs (a)(1) through (a)(4) thereof are met, provided that none of the conditions specified in paragraphs (b)(1) through (b)(3) of Rule 53 exists. These standards are met.

Rule 53(a)(1): Ameren's "aggregate investment" (as defined in Rule 53(a)(1)) in EWGs as of June 30, 2003 was \$470,655,404, or approximately 26.5% of Ameren's "consolidated retained earnings" (also as defined in Rule 53(a)(1)) for the four quarters ended June 30, 2003 (\$1,773,093,901). Ameren does not currently hold an interest in any FUCO.

Rule 53(a)(2): Ameren will maintain books and records enabling it to identify investments in and earnings from each EWG and FUCO in which it directly or indirectly acquires and holds an interest. Ameren will cause each domestic EWG in which it acquires and holds an interest, and each foreign EWG and FUCO that is a majority-owned subsidiary, to maintain its books and records and prepare its financial statements in conformity with U.S. generally accepted

4

accounting principles. All of such books and records and financial statements will be made available to the Commission, in English, upon request.

Rule 53(a)(3): No more than 2% of the employees of Ameren's domestic utility subsidiaries will, at any one time, directly or indirectly, render services to EWGs and FUCOs.

Rule 53(a)(4): Ameren will submit a copy of each Application/Declaration relating to investments in EWGs and FUCOs and copies of any related Rule 24 certificates, as well as a copy of Ameren's Form U5S, to each of the public service commissions having jurisdiction over the retail rates of Ameren's domestic utility subsidiaries.

In addition, Ameren states that the provisions of Rule 53(a) are not made inapplicable to the authorization herein requested by reason of the occurrence or continuance of any of the circumstances specified in Rule 53(b). Rule 53(c) is inapplicable by its terms.

ITEM 4. REGULATORY APPROVAL.

No state commission, and no federal commission, other than the Commission, has jurisdiction over AERG's participation in the Non-State Regulated Subsidiary Money Pool. In connection with its approval of AmerenCILCO's participation in the Utility Money Pool, the Illinois Commerce Commission ("ICC") also approved AERG's participation in the Utility Money Pool

Edgar Filing: AMEREN CORP - Form POS AMC

on a limited basis, that is, as a lender only.(3)

ITEM 5. PROCEDURE.

The Applicants request that the Commission issue a supplemental order releasing jurisdiction over AERG's participation in the Non-State Regulated Subsidiary Money Pool, subject to the conditions proposed herein, and correcting the record with respect to Ameren Energy's participation in the Non-State Regulated Subsidiary Money Pool as soon as the rules allow, and that there should not be a 30-day waiting period between issuance of the Commission's supplemental order and the date on which the supplemental order is to become effective. The Applicants hereby waive a recommended decision by a hearing officer or any other responsible officer of the Commission and consent to the participation of the Division of Investment Management in the preparation of the Commission's decision and/or order, unless such Division opposes the matters proposed herein.

ITEM 6. EXHIBITS AND FINANCIAL STATEMENTS.
