Post-Effective Amendment No. 1, filed in this proceeding on March 17, 2004, is hereby amended and restated in its entirety to read as follows:

ITEM 1. DESCRIPTION OF PROPOSED TRANSACTION.

1.1 INTRODUCTION. NiSource Inc. ("NiSource"), a registered holding

Edgar Filing: NISOURCE INC/DE - Form POS AMC

company,/1/ directly and indirectly owns all of the issued and outstanding common stock of ten public utility subsidiary companies: Northern Indiana Public Service Company ("Northern Indiana"), Kokomo Gas and Fuel Company and Northern Indiana Fuel and Light Company, Inc., Bay State Gas Company, Northern Utilities, Inc., Columbia Gas of Kentucky, Inc., Columbia Gas of Maryland, Inc., Columbia Gas of Ohio, Inc., Columbia Gas of Pennsylvania, Inc. and Columbia Gas of Virginia, Inc. (collectively, the "Utility Subsidiaries"). Together, the Utility Subsidiaries distribute gas at retail to approximately 3.3 million customers in portions of Indiana, Ohio, Virginia, Maryland, Kentucky, Pennsylvania, Massachusetts, New Hampshire and Maine. In addition, Northern Indiana generates, transmits and sells electricity to approximately 441,000 customers in 21 counties in northern Indiana.

By order dated December 30, 2003 in this proceeding (the "Prior Order"), the Commission authorized NiSource, the Utility Subsidiaries and certain of NiSource's direct and indirect non-utility subsidiary companies to engage in a program of external and intrasystem financing, to organize and acquire the securities of certain specified types of new subsidiaries, to engage in certain non-exempt non-utility businesses, and to engage in other related transactions in the ordinary course of business. In particular, as it relates to this Post-Effective Amendment, NiSource, the Utility Subsidiaries, and certain of NiSource's non-utility subsidiaries were authorized to continue as parties to the NiSource System Money Pool Agreement ("Money Pool"), subject to terms and conditions previously approved by the Commission in File No. 70-9945,/2/ and, to the extent not exempt under Rule 52, the participating subsidiaries of NiSource were authorized to make borrowings from each other and from NiSource Finance Corp., a financing subsidiary of NiSource, pursuant to the Money Pool, and, in connection therewith to execute and deliver their promissory notes evidencing such Money Pool borrowings.

1.2 FURTHER RELIEF REQUESTED. It is now requested that the Commission issue a supplemental order in this proceeding authorizing NiSource Retail Services, Inc. ("Retail Services"), an existing non-utility subsidiary of NiSource, and Central Kentucky Transmission Company ("Central Kentucky"), which will become a non-utility subsidiary of Columbia Gas of Kentucky, Inc. ("Columbia Kentucky"), to become parties to and participate in the Money Pool as borrowers,/3/ subject to the same terms and conditions previously authorized by the Commission. It is further requested that the Commission reserve jurisdiction over the

1 See NiSource Inc., et al., Holding Co. Act Release No. 27263 (Oct. 30, 2000).

2 See NiSource Inc., et al., Holding Co. Act Release Nos. 27479 (Dec. 19, 2001), 27535 (June 3, 2002), and 27559 (Aug. 8, 2002).

3 Under the terms of the Prior Order, no further Commission authorization is required for any new non-exempt subsidiary of NiSource to participate in the Money Pool as a lender only.

1

participation of any other current or future direct or indirect non-utility subsidiary of NiSource as a borrower under the Money Pool.

Retail Services, which was incorporated in November 2003, is an "energy-related company" under Rule 58 that was organized to render energy-management services, to sell, install, and/or service standard gas and electric appliances, and to provide other technical services developed in the

Edgar Filing: NISOURCE INC/DE - Form POS AMC

course of utility operations, including, without limitation, in-house gas line maintenance and repair services. Central Kentucky, which will be a "gas-related company" under the Rule 58, is being organized by Columbia Kentucky in order to acquire and hold a 25% undivided interest in a segment of Columbia Gas Transmission Corporation's interstate pipeline and appurtenant facilities located in Kentucky (referred to as Line KA-1).⁴ Central Kentucky will utilize the pipeline to provide gas transportation service to Columbia Kentucky and to unaffiliated third parties pursuant to a gas transportation tariff approved by the Federal Energy Regulatory Commission.

ITEM 2. FEES, COMMISSIONS AND EXPENSES.

The additional fees, commissions and expenses incurred or to be incurred in connection with the preparation and filing of this Post-Effective Amendment are estimated not to exceed \$4,000.

ITEM 3. APPLICABLE STATUTORY PROVISIONS.

3.1 GENERAL. Sections 6(a), 7, 9(a), 10, 12(b) and 12(f) of the Act are applicable to Money Pool transactions (to the extent not exempt under Rule 52).

3.2 COMPLIANCE WITH RULES 53 AND 54. The transactions proposed herein are also subject to Rules 53 and 54. Under Rule 53(a), the Commission shall not make certain specified findings under Sections 7 and 12 in connection with a proposal by a holding company to issue securities for the purpose of acquiring the securities of or other interest in an EWG, or to guarantee the securities of an EWG, if each of the conditions in paragraphs (a)(1) through (a)(4) thereof are met, provided that none of the conditions specified in paragraphs (b)(1) through (b)(3) of Rule 53 exists. Rule 54 provides that the Commission shall not consider the effect of the capitalization or earnings of subsidiaries of a registered holding company that are EWGs or FUCOs in determining whether to approve other transactions if Rule 53(a), (b) and (c) are satisfied. These standards are met.

Rule 53(a)(1): NiSource's "aggregate investment" (as defined in Rule 53) in EWGs is currently \$304.1 million, or approximately 43.7% of NiSource's "consolidated retained earnings" (also as defined in Rule 53) at March 31, 2004

4 The purchase price for the 25% undivided interest in Line KA-1 is approximately \$275,000. The intercompany sale of the pipeline segment is exempt under Rule 43. This transaction is expected to benefit retail gas customers in Kentucky by lowering Columbia Kentucky's gas transportation costs.

(\$695.7 million). NiSource does not hold an interest in any FUCO.

Rule 53(a)(2): NiSource will maintain books and records enabling it to identify investments in and earnings from each EWG and FUCO in which it directly or indirectly acquires and holds an interest. NiSource will cause each domestic EWG in which it acquires and holds an interest, and each foreign EWG and FUCO that is a majority-owned subsidiary, to maintain its books and records and prepare its financial statements in conformity with U.S. generally accepted accounting principles ("GAAP"). All of such books and records and financial statements will be made available to the Commission, in English, upon request.

Edgar Filing: NISOURCE INC/DE - Form POS AMC

Rule 53(a)(3): No more than 2% of the employees of the Utility Subsidiaries will, at any one time, directly or indirectly, render services to EWGs and FUCOs.

Rule 53(a)(4): NiSource will submit a copy of the Application/Declaration in this proceeding and each amendment thereto, and will submit copies of any Rule 24 certificates required hereunder, as well as a copy of NiSource's Form U5S, to each of the public service commissions having jurisdiction over the retail rates of the Utility Subsidiaries.

In addition, NiSource states that the provisions of Rule 53(a) are not made inapplicable to the authorization herein requested by reason of the occurrence or continuance of any of the circumstances specified in Rule 53(b). Rule 53(c) is inapplicable by its terms.

ITEM 4. REGULATORY APPROVALS.

No state commission, and no federal commission, other than the Commission, has jurisdiction over the proposed transaction.

ITEM 5. PROCEDURE.

The applicants request the Commission issue a notice of the proposed transaction as soon as practicable and issue a supplemental order approving the proposed transaction as soon as practicable after the end of the notice period. The applicants further request that there should not be a 30-day waiting period between issuance of the Commission's order and the date on which the order is to become effective, waive a recommended decision by a hearing officer or any other responsible officer of the Commission, and consent to the participation by the Division of Investment Management in the preparation of the Commission's decision and/or order, unless the Division of Investment Management opposes the matters proposed herein.
