ITEM 2.02. DISCLOSURE OF RESULTS AND FINANCIAL CONDITION  
-----

On August 23, 2004, UniSource Energy Corporation (UniSource Energy) issued a press release announcing second quarter and year-to-date earnings for the period ended June 30, 2004 for UniSource Energy and Tucson Electric Power Company (TEP). UniSource Energy and TEP will amend their prior Securities and Exchange Commission filings on Form 10-K for the year ended December 31, 2003 and on Form 10-Q for the quarter ended March 31, 2004 to restate prior financial statements to reflect the effect of procedural changes related to the estimation of unbilled revenue. A copy of the press release is attached as Exhibit 99. On August 5, 2004, UniSource Energy disclosed in an 8-K that it would likely delay the filing of its Report on Form 10-Q for the period ended June 30, 2004 and was considering restatement of prior financial statements.

The earnings release includes the presentation of TEP, UniSource Energy Services (UES) and Millennium Energy Holdings, Inc.'s (Millennium) net income or loss on a per UniSource Energy share basis. UniSource Energy believes that the presentation of TEP, UES and Millennium net income or loss on a per UniSource Energy share basis, non-GAAP financial measures, provide useful information to investors by disclosing the results of operations of its business segments on a basis consistent with UniSource Energy's reported earnings.
