## REPORT OF INDEPENDENT ACCOUNTANTS

To the Participants in the Merck & Co., Inc.  
Employee Savings and Security Plan and  
Merck & Co., Inc.:

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Merck & Co., Inc. Employee Savings and Security Plan (the "Plan") as of December 31, 2002 and 2001 and the changes in net assets available for benefits for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a

required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

MERCK & CO., INC.  
EMPLOYEE SAVINGS AND SECURITY PLAN

### NOTES TO FINANCIAL STATEMENTS

#### 1. DESCRIPTION OF PLAN

The following description of the Merck & Co., Inc. Employee Savings and Security Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### GENERAL

The Plan was designed to provide an easy, economical way for employees to become stockholders of Merck & Co., Inc. (the "Company" or "Merck") as well as a systematic means of saving and investing for the future. Regular full-time, part-time, and temporary employees of the Company and of certain wholly-owned subsidiaries as defined by the Plan document who were not covered by a collective bargaining agreement are eligible to enroll in the Plan as of the first day of the third month following their date of hire.

The Plan is administered by a management committee appointed by the

## Edgar Filing: MERCK & CO INC - Form 11-K

Chief Executive Officer of the Company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### MASTER TRUST

The assets of the Plan are maintained, for investment purposes only, on a commingled basis with the assets of the Merck & Co., Inc. Employee Stock Purchase & Savings Plan and the Merck-Medco Managed Care 401(k) Savings Plan in the Merck & Co., Inc. Employee Savings & Security Plan and the Merck & Co., Inc. Employee Stock Purchase & Savings Plan Trust (the "Master Trust"). The plans do not own specific Master Trust assets but rather maintain individual beneficial interests in such assets. The portion of fund assets allocable to each plan is based upon the participant's account balance within each plan. Investment income for each fund is allocated to each plan based on the relationship of each plan's beneficial interest in the fund to the total beneficial interest of all plans in the fund.

### CONTRIBUTIONS

Participants may contribute from 2% up to 18% of their base pay. Employees earning less than \$90,000 are allowed to contribute a maximum of 18% of base pay. Effective January 1, 2003, employees earning less than \$90,000 are allowed to contribute a maximum of 25% of base pay. Employees earning \$90,000 or more are limited to maximum contributions of 15% of base pay. In addition, the Company matches 75% of employee contributions up to 6% of base pay per pay period. Company matching contributions are invested according to the following age parameters:

Under age 50 -- 50% of Company matching contributions is invested in the Merck Common Stock Fund (non-participant directed) and 50% is invested in the funds to which the participant is currently contributing (participant directed).

-4-

MERCK & CO., INC.  
EMPLOYEE SAVINGS AND SECURITY PLAN

### NOTES TO FINANCIAL STATEMENTS

Age 50 and above -- Participants have the option to invest all Company matching contributions in any of the available fund options (participant directed). Also, the Economic Growth and Tax Relief Reconciliation Act of 2001 permits catch-up contributions that are designed to provide individuals age 50 and above with an additional pre-tax retirement savings opportunity. As such, effective July 1, 2002, eligible participants in the Plan may contribute an additional \$1,000 for 2002. The limit for this "catch-up" contribution increases by \$1,000 each year until it reaches \$5,000 a year in 2006.

Participants direct the investment of their contributions into any investment option available under the Plan, including Merck Common Stock (participant directed). During 2001, the Plan offered 21 mutual funds and the Merck Common Stock Fund. Effective January 1, 2002, the Plan offers 20 mutual funds and the Merck Common Stock Fund.

### PARTICIPANT ACCOUNTS

## Edgar Filing: MERCK & CO INC - Form 11-K

Each participant's account is credited with the participant's contribution, the Company's matching contribution and allocation of Plan earnings. The allocation is based on participants' account balances, as defined in the Plan document.

### VESTING

Participants are immediately vested in their contributions, all Company matching contributions, plus actual earnings thereon.

### PARTICIPANT LOANS

Participants may borrow from their account balances with interest charged at the prime rate plus 1%. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. The minimum loan is \$500 and the maximum loan is the lesser of \$50,000 less the highest outstanding loan balance during the one year period prior to the new loan application date, or 50% of the participant's account balance less any current outstanding loan balance.

### PAYMENT OF BENEFITS

In-service (which include hardship withdrawals) and termination distributions are made throughout the year in accordance with applicable Plan provisions.

## 2. SUMMARY OF ACCOUNTING POLICIES

### BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

### USE OF ESTIMATES

### INVESTMENT VALUATION AND INCOME RECOGNITION

Valuation of investments of the Plan represents the Plan's allocable portion of the Master Trust. Participant loans are valued at cost which approximates fair value.

-5-

EMPLOYEE SAVINGS AND SECURITY PLAN

### NOTES TO FINANCIAL STATEMENTS

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. The net appreciation (depreciation) in market value of investments is based on the beginning of the year market value or value at the time of purchase during the year and is included in the statement of changes in net

assets available for benefits.

### CONTRIBUTIONS

Employee and Company matching contributions are recorded in the period in which the Company makes the payroll deductions from the participant earnings.

### PAYMENT OF BENEFITS

Benefits are recorded when paid.

### EXPENSES

The Plan's administrative expenses are paid by the Company.

### RISKS AND UNCERTAINTIES

The Plan provides for various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### 3. NON-PARTICIPANT-DIRECTED INVESTMENTS

#### 4. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company ("Fidelity"). Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Merck & Co., Inc. also is a party-in-interest to the Plan under the definition provided in Section 3(14) of ERISA. Therefore, Merck Common Stock Fund transactions qualify as party-in-interest transactions.

#### 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### 6. TAX STATUS

The Plan obtained a tax determination letter from the Internal Revenue Service dated September 18, 1995 indicating that it had been designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). However, the Plan has been amended since the receipt of the determination letter. The Plan sponsor and legal counsel believe that the Plan is designed and currently operated in compliance with the IRC. Therefore, no provision for income taxes has been made.
